Secretary of State, a duplicate or corrected driver's license, a probationary driver's license, or a temporary driver's license.

(b) If any conviction forming the basis of a suspension or revocation authorized under this Section is appealed, the Secretary of State may rescind or withhold the entry of the order of suspension or revocation, as the case may be, provided that a certified copy of a stay order of a court is filed with the Secretary of State. If the conviction is affirmed on appeal, the date of the conviction shall relate back to the time the original judgment of conviction was entered and the 6-month limitation prescribed shall not apply.

(c) 1. Upon suspending or revoking the driver's license or permit of any person as authorized in this Section, the Secretary of State shall immediately notify the person in writing of the revocation or suspension. The notice to be deposited in the United States mail, postage prepaid, to the last known address of the person.

2. If the Secretary of State suspends the driver's license of a person under subsection 2 of paragraph (a) of this Section, a person's privilege to operate a vehicle as an occupation shall not be suspended, provided an affidavit is properly completed, the appropriate fee received, and a permit issued prior to the effective date of the suspension, unless 5 offenses were committed, at least 2 of which occurred while operating a commercial vehicle in connection with the driver's

regular occupation. All other driving privileges shall be suspended by the Secretary of State. Any driver prior to operating a vehicle for occupational purposes only must submit the affidavit on forms to be provided by the Secretary of State setting forth the facts of the person's occupation. The affidavit shall also state the number of offenses committed while operating a vehicle in connection with the driver's regular occupation. The affidavit shall be accompanied by the driver's license. Upon receipt of a properly completed affidavit, the Secretary of State shall issue the driver a permit to operate a vehicle in connection with the driver's regular occupation only. Unless the permit is issued by the Secretary of State prior to the date of suspension, the privilege to drive any motor vehicle shall be suspended as set forth in the notice that was mailed under this Section. If an affidavit is received subsequent to the effective date of this suspension, a permit may be issued for the remainder of the suspension period.

The provisions of this subparagraph shall not apply to any driver required to possess a CDL for the purpose of operating a commercial motor vehicle.

Any person who falsely states any fact in the affidavit required herein shall be guilty of perjury under Section 6-302 and upon conviction thereof shall have all driving privileges revoked without further rights.

3. At the conclusion of a hearing under Section 2-118 of

this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship (as defined by the rules of the Secretary of State), issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment-related duties, or to allow the petitioner to transport himself or herself, or a family member of the petitioner's household to a medical facility, to receive necessary medical care, to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or persons with disabilities who do not hold driving privileges and are living in the petitioner's household to and from daycare. The petitioner must demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare.

(A) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B) If a person's license or permit is revoked or suspended 2 or more times due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension under Section 6-203.1; arising out of separate occurrences; that person, if issued a restricted driving permit, may not operate a

vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B-5) If a person's license or permit is revoked or suspended due to a conviction for a violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(C) The person issued a permit conditioned upon the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(D) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. For any person who, within a 5-year period, is convicted of a second or subsequent offense under Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, this employment

exemption does not apply until either a one-year period has elapsed during which that person had his or her driving privileges revoked or a one-year period has elapsed during which that person had a restricted driving permit which required the use of an ignition interlock device on every motor vehicle owned or operated by that person.

(E) In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire no later than 2 years from the date of issuance. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(F) A person subject to the provisions of paragraph 4 of subsection (b) of Section 6-208 of this Code may make application for a restricted driving permit at a hearing conducted under Section 2-118 of this Code after the expiration of 5 years from the effective date of the most recent revocation or after 5 years from the date of release from a period of imprisonment resulting from a conviction of the most recent offense, whichever is later, provided the person, in addition to all other requirements of the Secretary, shows by clear and convincing evidence:

(i) a minimum of 3 years of uninterrupted abstinence from alcohol and the unlawful use or consumption of cannabis under the Cannabis Control Act, a controlled substance under the Illinois Controlled Substances Act, an intoxicating compound under the Use of Intoxicating Compounds Act, or methamphetamine under the Methamphetamine Control and Community Protection Act; and

(ii) the successful completion of any rehabilitative treatment and involvement in any ongoing rehabilitative activity that may be recommended by a properly licensed service provider according to an assessment of the person's alcohol or drug use under Section 11-501.01 of this Code.

In determining whether an applicant is eligible for a restricted driving permit under this subparagraph (F), the

Secretary may consider any relevant evidence, including, but not limited to, testimony, affidavits, records, and the results of regular alcohol or drug tests. Persons subject to the provisions of paragraph 4 of subsection (b) of Section 6-208 of this Code and who have been convicted of more than one violation of paragraph (3), paragraph (4), or paragraph (5) of subsection (a) of Section 11-501 of this Code shall not be eligible to apply for a restricted driving permit under this subparagraph (F).

A restricted driving permit issued under this subparagraph (F) shall provide that the holder may only operate motor vehicles equipped with an ignition interlock device as required under paragraph (2) of subsection (c) of Section 6-205 of this Code and subparagraph (A) of paragraph 3 of subsection (c) of this Section. The Secretary may revoke a restricted driving permit or amend the conditions of a restricted driving permit issued under this subparagraph (F) if the holder operates a vehicle that is not equipped with an ignition interlock device, or for any other reason authorized under this Code.

A restricted driving permit issued under this subparagraph (F) shall be revoked, and the holder barred from applying for or being issued a restricted driving permit in the future, if the holder is convicted of a violation of Section 11-501 of this Code, a similar provision of a local ordinance, or a similar offense in

another state.

(c-3) In the case of a suspension under paragraph 43 of subsection (a), reports received by the Secretary of State under this Section shall, except during the actual time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the driver licensing administrator of any other state, the Secretary of State, or the parent or legal guardian of a driver under the age of 18. However, beginning January 1, 2008, if the person is a CDL holder, the suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request.

(c-4) In the case of a suspension under paragraph 43 of subsection (a), the Secretary of State shall notify the person by mail that his or her driving privileges and driver's license will be suspended one month after the date of the mailing of the notice.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 21 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

(d) This Section is subject to the provisions of the Driver License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been suspended or revoked under any provisions of this Code.

(f) In accordance with 49 CFR 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been suspended, revoked, cancelled, or disqualified under any provisions of this Code.

(625 ILCS 5/11-907)

Sec. 11-907. Operation of vehicles and streetcars on approach of authorized emergency vehicles.

(a) Upon the immediate approach of an authorized emergency vehicle making use of audible and visual signals meeting the requirements of this Code or a police vehicle properly and lawfully making use of an audible or visual signal:

(1) the driver of every other vehicle shall yield the right-of-way and shall immediately drive to a position parallel to, and as close as possible to, the right-hand edge or curb of the highway clear of any intersection and

shall, if necessary to permit the safe passage of the emergency vehicle, stop and remain in such position until the authorized emergency vehicle has passed, unless otherwise directed by a police officer; and

(2) the operator of every streetcar shall immediately stop such car clear of any intersection and keep it in such position until the authorized emergency vehicle has passed, unless otherwise directed by a police officer.

(b) This Section shall not operate to relieve the driver of an authorized emergency vehicle from the duty to drive with due regard for the safety of all persons using the highway.

(c) Upon approaching a stationary authorized emergency vehicle or emergency scene, when the stationary authorized emergency vehicle is giving a visual signal by displaying oscillating, rotating, or flashing lights as authorized under Section 12-215 of this Code, a person who drives an approaching vehicle shall:

(1) proceeding with due caution, yield the right-of-way by making a lane change into a lane not adjacent to that of the authorized emergency vehicle, if possible with due regard to safety and traffic conditions, if on a highway having at least 4 lanes with not less than 2 lanes proceeding in the same direction as the approaching vehicle and reduce the speed of the vehicle to a speed that is reasonable and proper with regard to traffic conditions and the use of the highway to avoid a

collision and leaving a safe distance until safely past the stationary emergency vehicle; or

(2) if changing lanes would be impossible or unsafe, proceeding with due caution, reduce the speed of the vehicle to a speed that is reasonable and proper with regard to traffic conditions and the use of the highway to avoid a collision, maintaining a safe speed for road conditions and leaving a safe distance until safely past the stationary emergency vehicles.

The visual signal specified under this subsection (c) given by a stationary authorized emergency vehicle is an indication to drivers of approaching vehicles that a hazardous condition is present when circumstances are not immediately clear. Drivers of vehicles approaching a stationary authorized emergency vehicle in any lane shall heed the warning of the signal, reduce the speed of the vehicle, proceed with due caution, maintain a safe speed for road conditions, be prepared to stop, and leave a safe distance until safely passed the stationary emergency vehicle.

As used in this subsection (c) and subsection (c-5), "authorized emergency vehicle" includes any vehicle authorized by law to be equipped with oscillating, rotating, or flashing lights under Section 12-215 of this Code, while the owner or operator of the vehicle is engaged in his or her official duties. As used in this subsection (c) and subsection (c-10), "emergency scene" means a location where a stationary

authorized emergency vehicle as defined by herein is present and has activated its oscillating, rotating, or flashing lights.

(c-5) The driver of a vehicle shall yield the right-of-way to any authorized emergency vehicle obviously and actually engaged in work upon a highway, whether stationary or not, and displaying flashing lights as provided in Section 12-215 of this Act.

(c-10) The driver of a vehicle shall yield the right-of-way to an emergency worker obviously and actually engaged in work upon a highway at an emergency scene. The driver of a vehicle shall yield the right-of-way to any pedestrian upon a highway directly involved in the emergency scene.

(d) A person who violates subsection (c), (c-5), or (c-10), of this Section commits a business offense punishable by a fine of not less than \$250 or more than \$10,000 for a first violation, and a fine of not less than \$750 or more than \$10,000 for a second or subsequent violation. It is a factor in aggravation if the person committed the offense while in violation of Section 11-501, 12-610.1, or 12-610.2 of this Code. Imposition of the penalties authorized by this subsection (d) for a violation of subsection (c) of this Section that results in the death of another person does not preclude imposition of appropriate additional civil or criminal penalties. A person who violates subsection (c) and

the violation results in damage to another vehicle commits a Class A misdemeanor. A person who violates subsection (c) and the violation results in the injury or death of another person commits a Class 4 felony.

(e) If a violation of subsection (c), (c-5), or (c-10), of this Section results in damage to the property of another person, in addition to any other penalty imposed, the person's driving privileges shall be suspended for a fixed period of not less than 90 days and not more than one year.

(f) If a violation of subsection (c), (c-5), or (c-10), of this Section results in injury to another person, in addition to any other penalty imposed, the person's driving privileges shall be suspended for a fixed period of not less than 180 days and not more than 2 years.

(g) If a violation of subsection (c), (c-5), or (c-10), of this Section results in the death of another person, in addition to any other penalty imposed, the person's driving privileges shall be suspended for 2 years.

(h) The Secretary of State shall, upon receiving a record of a judgment entered against a person under subsection (c), (c-5), or (c-10), of this Section:

(1) suspend the person's driving privileges for the mandatory period; or

(2) extend the period of an existing suspension by the appropriate mandatory period.

(i) The Scott's Law Fund shall be a special fund in the

State treasury. Subject to appropriation by the General Assembly and approval by the Director, the Director of the State Police shall use all moneys in the Scott's Law Fund in the Department's discretion to fund the production of materials to educate drivers on approaching stationary authorized emergency vehicles, to hire off-duty Illinois State Police for enforcement of this Section, and for other law enforcement purposes the Director deems necessary in these efforts.

(j) For violations of this Section issued by a county or municipal police officer, the assessment shall be deposited into the county's or municipality's Transportation Safety Highway Hire-back Fund. The county shall use the moneys in its Transportation Safety Highway Hire-back Fund to hire off-duty county police officers to monitor construction or maintenance zones in that county on highways other than interstate highways. The county, in its discretion, may also use a portion of the moneys in its Transportation Safety Highway Hire-back Fund to purchase equipment for county law enforcement and fund the production of materials to educate drivers on construction zone safe driving habits and approaching stationary authorized emergency vehicles.

(k) In addition to other penalties imposed by this Section, the court may order a person convicted of a violation of subsection (c), (c-5), or (c-10), to perform community service as determined by the court.
