AN ACT concerning finance.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

ARTICLE 1.

Section 1-1. Short title. This Article may be cited as the Targeted Advertising Services Tax Act. References in this Article to "this Act" mean this Article.

Section 1-5. Findings and intent. The General Assembly finds and declares the following:

(1) Many goods and services that traditionally have been subject to Illinois State and local use and occupation taxes have avoided taxation in the digital era. Many digital transactions are harder to bring into the sales tax base because, instead of paying a monetary fee, customers often barter their personal information for access to digital platforms. This personal information, in turn, is sold for use in targeted advertisements on digital platforms.

(2) The value of the consumption provided by digital platforms is typically greater in proportion to the size of the network. The General Assembly finds that the consumption value provided by small networks is

negligible, especially when compared to the compliance burden that would be imposed on those digital platforms.

Section 1-10. Definitions. As used in this Act:

"Department" means the Department of Revenue.

"Device" means any medium through which targeted advertising services may be accessed, including stationary or portable computing devices, tablets, phones, and smart devices.

"Digital interface" means any type of software, including a website, part of a website, or application, that a user-consumer is able to access with a device.

"Gross receipts" means income or revenue from all sources, before any expenses or taxes, computed according to generally accepted accounting principles.

"Other comparable advertising services" includes the following targeted advertising services:

(1) Display advertising;

(2) Internet programmatic video advertising;

(3) Multichannel video programming distributor advertising conveyed via cable television, satellite television, or a digital fiber-optic distribution system;

(4) Advertising on social media;

(5) Native advertising; and

(6) Incentivized or rewarded advertising.

"News media entity" means an entity engaged primarily in

the business of newsgathering, reporting, or publishing articles or commentary about news, current events, culture, or other matters of public interest. "News media entity" does not include an entity that is primarily an aggregator or re-publisher of third-party content.

"Person" means any natural individual, firm, partnership, association, corporation, limited liability company, or trust; any receiver, executor, trustee, guardian, or other representative appointed by order of any court; or any other entity. Unless expressly provided otherwise, the term "person" does not include a governmental entity or a unit or instrumentality of a governmental entity.

"Programmatic" means capable of automating advertising services. Programmatic targeted advertising services may be sold in real time by employing technology that uses computer-driven or software-driven workflow or machine learning algorithms to deliver advertisements to user-consumers based on user-advertiser-defined parameters, including precise user-consumer targeting data such as user-consumer:

(1) Geographic locations;

(2) Types of devices;

(3) Recent online search behaviors;

(4) Browsing history;

(5) Shopping history;

(6) Purchase history; and

(7) Biographical and other information compiled in databases.

"Provider of Targeted Advertising Services" or "Provider" means a person engaged in the occupation of providing targeted advertising services whose annual cumulative gross receipts from targeted advertising services provided in this State during the previous 12-month period exceed $1,000,000.

Each provider of targeted advertising services in this State shall determine on a quarterly basis, ending on the last day of March, June, September, and December, whether the provider met the $1,000,000 cumulative gross receipts threshold for the preceding 12-month period. If the provider meets the threshold for a 12-month period, the provider is subject to the tax imposed under this Act and is required to remit the tax and file returns for one year. At the end of that one-year period, the provider of targeted advertising services shall determine whether it met the threshold during the preceding 12-month period. If the provider meets the threshold for the preceding 12-month period, they are required to continue to remit the tax imposed under this Act and file returns for the subsequent year. If at the end of a one-year period a provider of targeted advertising services determines that it did not meet the threshold during the preceding 12-month period, that provider shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether the provider meets the

threshold for the preceding 12-month period.

"Targeted advertising services" means any programmatic written, oral, or graphic statement or representation conveyed through a digital interface or any other method of delivery, including, but not limited to, banner advertising, search engine advertising, interstitial advertising, and other comparable advertising services that use personal information about the people to whom the ads are being served. "Targeted advertising services" does not include advertisement services on digital interfaces owned or operated by or operated on behalf of a news media entity.

"User-advertiser" means a person who contracts with a provider for targeted advertising services.

"User-consumer" or "user" means an individual or any other person to whom targeted advertisements are conveyed.

"User-consumer contact information" means a user-consumer's email address, telephone number, home address, mailing address, or any credit card information necessary to engage in a sales transaction.

"User-consumer data" means any information that identifies, relates to, describes, is capable of being associated with, or could reasonably be linked with a user-consumer, whether directly submitted to the provider or user-advertiser by the user-consumer or derived from other sources.

Section 1-15. Tax imposed.

(a) Beginning January 1, 2027, a tax is imposed upon providers of targeted advertising services at the rate of 10% of the gross receipts derived from such targeted advertising services provided in this State.

(b) The impact of the tax levied by this Act is imposed upon providers engaged in the business of providing targeted advertising services to user-advertisers in this State.

(c) Targeted advertising services are provided in this State when the location of the user-consumer of the targeted advertisement is in this State pursuant to Section 1-20.

(d) The tax imposed in this Section shall be in addition to all other occupation or privilege taxes imposed by the State of Illinois or by any municipal corporation or political subdivision thereof.

(e) The tax imposed in this Section is not imposed upon the privilege of engaging in any business in Interstate Commerce or otherwise, which business may not, under the Constitution and Statutes of the United States, be made the subject of taxation by this State.

(f) The tax imposed in this Section is not imposed on the providing of targeted advertising services to the United States or any agency or instrumentality thereof.

(g) The tax imposed in this Section is not imposed on the providing of targeted advertising services if such services are sold to a user-advertiser that is exempt from use tax by

operation of federal law.

Section 1-20. Determining the location of a user-consumer.

(a) The location of a user-consumer shall be determined by the provider of targeted advertising services using the totality of the user-consumer contact information within the provider's possession or control, including both technical information and nontechnical information included in the contract for digital advertising services.

(b) There shall be a rebuttable presumption that a user-consumer is located in this State if the user-consumer contact information associated with a device or account on record with or available to a provider indicates an Illinois home address, an Illinois mailing address, or an Illinois internet protocol address or other user-consumer data showing "place of primary use" in Illinois as defined in the Mobile Telecommunications Sourcing Conformity Act. The burden of proving that a user-consumer is not located in this State is on the provider. For administrative ease, a provider may create reasonable categorization standards to use in analyzing user-consumer data to determine if a user-consumer is located in Illinois; however, its reliance on such standards does not alleviate the provider's burden of proof.

(c) Business entities that are part of a controlled group of corporations as defined in Section 1563(a) of the Internal Revenue Code shall be treated as a single entity for purposes

of meeting the definition of a provider under this Act.

Section 1-25. Registration of providers of targeted advertising services.

(a) It is unlawful for any person to engage in business as a provider of targeted advertising services in this State on or after January 1, 2027, without a certificate of registration from the Department. A provider of targeted advertising services shall register with the Department. Application for a certificate of registration shall be made to the Department, by electronic means, in the form and manner prescribed by the Department and shall contain any reasonable information the Department may require. The application shall contain an acceptance of responsibility signed by the person or persons who will be responsible for filing returns and payment of the tax due under this Act. Upon receipt of the application for a certificate of registration in proper form and manner, the Department shall issue the applicant a certificate of registration.

(b) Certificates of registration issued by the Department under this Act shall be valid for a period not to exceed one year after issuance unless sooner revoked, canceled, or suspended as provided in this Act. A certificate of registration shall automatically be renewed, subject to revocation as provided by this Act, for an additional one year from the date of its expiration unless otherwise notified by

the Department as provided in this Section.

(c) The Department may refuse to issue, reissue, or renew a certificate of registration to any applicant for the reasons set forth in Section 2505-380 of the Department of Revenue Law of the Civil Administrative Code of Illinois. No certificate of registration shall be issued to any person who is in default to the State of Illinois for moneys due under this Act or any other tax Act administered by the Department.

(d) Any person aggrieved by any decision of the Department under this Section may, within 30 days after notice of such decision, protest and request a hearing, whereupon the Department shall give notice to such person of the time and place fixed for such hearing and shall hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to such person. In the absence of such a protest within 30 days, the Department's decision shall become final without any further determination being made or notice given. The term "administrative decision" is as defined in Section 3-101 of the Code of Civil Procedure.

Section 1-30. Revocation of certificate of registration.

(a) The Department may, after notice and a hearing as provided herein, revoke the certificate of registration of any person who violates any of the provisions of this Act or regulations promulgated pursuant to this Act. Before revocation of a certificate of registration, the Department

shall, within 90 days after noncompliance and at least 7 days prior to the date of the hearing, give the person determined to be noncompliant notice in writing of the proposed revocation, and on the date designated shall conduct a hearing. The lapse of such 90-day period shall not preclude the Department from conducting revocation proceedings at a later date if necessary. Any hearing held under this Section shall be conducted by the Director or by any officer or employee of the Department designated by the Director.

(b) The Department may revoke a certificate of registration for the reasons set forth in Section 2505-380 of the Department of Revenue Law of the Civil Administrative Code of Illinois.

(c) When conducting any such proceeding, the Director or any officer or employee of the Department designated by the Director may administer oaths, and the Department may procure by its subpoena the attendance of witnesses and, by its subpoena duces tecum, the production of relevant books and papers. Any circuit court, upon application either of the provider or of the Department, may, by order duly entered, require the attendance of witnesses and the production of relevant books and papers before the Department in any hearing relating to the revocation of certificates of registration. Upon refusal or neglect to obey the order of the court, the court may compel obedience thereof by proceedings for contempt.

(d) The Department may, by application to any circuit court, obtain an injunction requiring any person who engages in business as a provider under this Act to obtain a certificate of registration. Upon refusal or neglect to obey the order of the court, the court may compel obedience by proceedings for contempt.

Section 1-35. Return and payment.

(a) Each provider of targeted advertising services shall make a return to the Department on or before the 20th day of each month for the preceding calendar month stating the following:

(1) the provider's name;

(2) the address of the provider's principal place of business and the address of the principal place of business (if that is a different address) from which the provider engages in the business of providing targeted advertising services, including the location of the provider's servers, subject to tax under this Act;

(3) the total gross receipts received by the provider during the preceding calendar month for all targeted advertising services provided that are subject to tax under this Act;

(4) the amount of tax due, computed upon item (3) at the rate stated in Section 1-15;

(5) deductions allowed by law;

(6) the signature of the provider; and

(7) such other information as the Department may reasonably require.

(b) All returns required to be filed and payments required to be made under this Act shall be by electronic means in the form and manner authorized by the Department.

Any amount that is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount if the fractional part of a dollar is $0.50 or more and decreased to the nearest whole-dollar amount if the fractional part of a dollar is less than $0.50. If a total amount of less than $1 is payable, refundable, or creditable, such amount shall be disregarded if it is less than $0.50 and shall be increased to $1 if it is $0.50 or more.

(c) The provider making the return provided for in this Section shall, at the time of making such return, pay to the Department the amount of tax imposed by this Act, less a discount of 1.75% but not to exceed $1,000 per return period, which is allowed to reimburse the provider for the expenses incurred in keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department upon request. No discount may be claimed by a provider on returns not timely filed and for taxes not timely remitted. No discount may be claimed by a provider for any return that is not filed electronically. No discount may be claimed by a

provider for any payment that is not made electronically.

(d) A provider of targeted advertising services who ceases to engage in the kind of business which makes the person responsible for filing returns under this Act shall file a final return under this Act with the Department not more than one month after discontinuing such business.

(e) If any payment provided for in this Section exceeds the provider's liabilities under this Act, as shown on an original monthly return, the Department shall, if requested by the provider, issue to the provider a credit memorandum no later than 30 days after the date of the request. The credit evidenced by such credit memorandum may be assigned by the provider to a similar provider under this Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the provider may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the provider, the provider's 1.75% discount shall be reduced by the difference between the credit taken and that actually due, and that provider shall be liable for penalties and interest on such difference.

(f) If a provider fails to sign a return within 30 days after the proper notice and demand for signature by the

Department is received by the provider, the return shall be considered valid, and any amount shown to be due on the return shall be deemed assessed.

Section 1-40. Books and records. Every provider required to file a return under Section 1-35 of this Act shall keep books, records, papers, and other documents that adequately reflect the targeted advertising services provided in this State, including the information used in calculating the gross receipts from providing targeted advertising services in this State and the amount of tax due. Providers are required to maintain records as needed to determine the location of a user-consumer pursuant to Section 1-20 of this Act. The Department may adopt rules that establish requirements, including record forms and formats, for records required to be kept and maintained by providers.

Books, records, papers, and documents that are required by this Section to be kept shall, at all times during the usual business hours of the day, be subject to inspection by the Department or its duly authorized agents and employees. The books, records, papers, and documents for any period with respect to which the Department is authorized to issue a notice of tax liability shall be preserved until the expiration of that period.

Section 1-45. Deposit of proceeds from targeted

advertising services tax. The moneys received by the Department from the tax imposed by this Act shall be deposited into the General Revenue Fund.

Section 1-50. Penalties. Any provider who fails to file a return, or who violates any other provision of this Act, or who fails to keep books and records as required by this Act, or who files a fraudulent return, or who willfully violates any rule or regulation of the Department for the administration and enforcement of the provisions of this Act, or any officer or agent of a corporation or manager, member, or agent of a limited liability company subject to this Act who signs a fraudulent return filed on behalf of such corporation or limited liability company, or any accountant or other agent who knowingly enters false information on the return of any taxpayer under this Act is guilty of a Class 3 felony.

A prosecution for any act in violation of this Section may be commenced at any time within 5 years of the commission of that act.

Section 1-55. Department administration and enforcement. The Department shall have full power to administer and enforce this Act, to collect all taxes and penalties due hereunder, to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda, arising on account of the erroneous payment of tax

or penalty hereunder.

In the administration of, and compliance with, this Act, the Department and persons who are subject to this Act shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6b, 6c, 8, 9, 10, and 11 of the Retailers' Occupation Tax Act and all of the provisions of the Uniform Penalty and Interest Act, which are not inconsistent with this Act, as fully as if those provisions were set forth herein. References in the incorporated Sections of the Retailers' Occupation Tax Act to retailers, to sellers, or to persons engaged in the business of selling tangible personal property mean providers of targeted advertising services when used in this Act. References in the incorporated Sections to sales of tangible personal property mean targeted advertising services subject to tax under this Act when used in this Act.

Section 1-60. Illinois Administrative Procedure Act expressly adopted. The Illinois Administrative Procedure Act is hereby expressly adopted and shall apply to all administrative rules and procedures of the Department of Revenue under this Act, except that: (1) paragraph (b) of Section 5-10 of the Illinois Administrative Procedure Act does

not apply to final orders, decisions, and opinions of the Department; and (2) subparagraph (a)(ii) of Section 5-10 of the Illinois Administrative Procedure Act does not apply to forms established by the Department for use under this Article.

Section 1-65. Rulemaking. The Department may adopt rules in accordance with the Illinois Administrative Procedure Act and prescribe forms relating to the administration and enforcement of this Act as it deems appropriate.

Section 1-70. Home rule limitation. The taxation of the occupation of providing targeted advertising services is an exclusive power and function of the State. A home rule unit may not impose a tax on the occupation of providing targeted advertising services as set out in this Act. This Section is a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution.

Section 1-900. The Counties Code is amended by changing Section 5-1009 as follows:

(55 ILCS 5/5-1009) (from Ch. 34, par. 5-1009)

Sec. 5-1009. Limitation on home rule powers. Except as provided in Sections 5-1006, 5-1006.5, 5-1006.8, 5-1006.9,

5-1007, and 5-1008, on and after September 1, 1990, no home rule county has the authority to impose, pursuant to its home rule authority, a retailers' occupation tax, service occupation tax, use tax, sales tax, or other tax on the use, sale, or purchase of tangible personal property based on the gross receipts from such sales or the selling or purchase price of said tangible personal property. Notwithstanding the foregoing, this Section does not preempt any home rule imposed tax such as the following: (1) a tax on alcoholic beverages, whether based on gross receipts, volume sold, or any other measurement; (2) a tax based on the number of units of cigarettes or tobacco products; (3) a tax, however measured, based on the use of a hotel or motel room or similar facility; (4) a tax, however measured, on the sale or transfer of real property; (5) a tax, however measured, on lease receipts; (6) a tax on food prepared for immediate consumption and on alcoholic beverages sold by a business which provides for on premise consumption of said food or alcoholic beverages; or (7) other taxes not based on the selling or purchase price or gross receipts from the use, sale, or purchase of tangible personal property. This Section does not preempt a home rule county from imposing a tax, however measured, on the use, for consideration, of a parking lot, garage, or other parking facility.

On and after December 1, 2019, no home rule county has the authority to impose, pursuant to its home rule authority, a

tax, however measured, on sales of aviation fuel, as defined in Section 3 of the Retailers' Occupation Tax Act, unless the tax revenue is expended for airport-related purposes. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Aviation fuel shall be excluded from tax only for so long as the revenue use requirements of 49 U.S.C. 47017(b) and 49 U.S.C. 47133 are binding on the county.

On and after the effective date of this amendatory Act of the 104th General Assembly, no home rule county has the authority to impose, pursuant to its home rule authority, a tax, however measured, on sales of targeted advertising services, as defined in Section 1-10 of the Targeted Advertising Services Tax Act, an occupation tax, use tax, sales tax, or other tax on the use, sale, or purchase of targeted advertising services based on the gross receipts from such sales or the selling or purchase price of said targeted advertising services.

This Section is a limitation, pursuant to subsection (g) of Section 6 of Article VII of the Illinois Constitution, on the power of home rule units to tax. The changes made to this Section by Public Act 101-10 are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution.

Section 1-905. The Illinois Municipal Code is amended by changing Section 8-11-6a as follows:

(65 ILCS 5/8-11-6a) (from Ch. 24, par. 8-11-6a)

Sec. 8-11-6a. Home rule municipalities; preemption of certain taxes. Except as provided in Sections 8-11-1, 8-11-5, 8-11-6, 8-11-6b, 8-11-6c, 8-11-23, 8-11-24, and 11-74.3-6 on and after September 1, 1990, no home rule municipality has the authority to impose, pursuant to its home rule authority, a retailer's occupation tax, service occupation tax, use tax, sales tax or other tax on the use, sale or purchase of tangible personal property based on the gross receipts from such sales or the selling or purchase price of said tangible personal property. Notwithstanding the foregoing, this Section does not preempt any home rule imposed tax such as the following: (1) a tax on alcoholic beverages, whether based on gross receipts, volume sold or any other measurement; (2) a tax based on the number of units of cigarettes or tobacco products (provided, however, that a home rule municipality that has not imposed a tax based on the number of units of cigarettes or tobacco products before July 1, 1993, shall not impose such a tax after that date); (3) a tax, however measured, based on the use of a hotel or motel room or similar facility; (4) a tax, however measured, on the sale or transfer of real property; (5) a tax, however measured, on lease receipts; (6) a tax on food prepared for immediate consumption and on alcoholic beverages

sold by a business which provides for on premise consumption of said food or alcoholic beverages; or (7) other taxes not based on the selling or purchase price or gross receipts from the use, sale or purchase of tangible personal property. This Section does not preempt a home rule municipality with a population of more than 2,000,000 from imposing a tax, however measured, on the use, for consideration, of a parking lot, garage, or other parking facility. This Section is not intended to affect any existing tax on food and beverages prepared for immediate consumption on the premises where the sale occurs, or any existing tax on alcoholic beverages, or any existing tax imposed on the charge for renting a hotel or motel room, which was in effect January 15, 1988, or any extension of the effective date of such an existing tax by ordinance of the municipality imposing the tax, which extension is hereby authorized, in any non-home rule municipality in which the imposition of such a tax has been upheld by judicial determination, nor is this Section intended to preempt the authority granted by Public Act 85-1006. On and after December 1, 2019, no home rule municipality has the authority to impose, pursuant to its home rule authority, a tax, however measured, on sales of aviation fuel, as defined in Section 3 of the Retailers' Occupation Tax Act, unless the tax is not subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133, or unless the tax revenue is expended for airport-related purposes. For purposes of this

Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Aviation fuel shall be excluded from tax only if, and for so long as, the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. On and after the effective date of this amendatory Act of the 104th General Assembly, no home rule municipality has the authority to impose, pursuant to its home rule authority, a tax, however measured, on sales of targeted advertising services, as defined in Section 1-10 of the Targeted Advertising Services Tax Act, an occupation tax, use tax, sales tax, or other tax on the use, sale, or purchase of targeted advertising services based on the gross receipts from such sales or the selling or purchase price of said targeted advertising services. This Section is a limitation, pursuant to subsection (g) of Section 6 of Article VII of the Illinois Constitution, on the power of home rule units to tax. The changes made to this Section by Public Act 101-10 are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution.

ARTICLE 3

Section 3-5. Short title. This Article may be cited as the Digital Asset Tax Act. References in this Article to "this

Act" mean this Article.

Section 3-15. Definitions. In this Act:

"Customer" means a person receiving digital asset business activity from a digital asset broker for valuable consideration.

"Department" means the Department of Revenue.

"Digital asset" has the meaning set forth in Section 1-5 of the Digital Assets and Consumer Protection Act.

"Digital asset business activity" means any single occurrence of exchanging, transferring, or storing a digital asset as part of a business or on behalf of a customer who has entered into an agreement with a business for the provision of those services.

"Digital asset broker" means a person, as defined in Section 6045(c)(1)(D) of the Internal Revenue Code and any regulations as the Secretary of the Treasury may prescribe, who is engaged in the business of providing digital asset business activity to customers in this State.

"Digital asset broker maintaining a place of business in this State" means:

(1) Any digital asset broker having or maintaining within this State, directly or by a subsidiary, an office, distribution facilities, transmission facilities, sales office, warehouse or other place of business, or any agent or other representative operating within this State under

the authority of the digital asset broker or its subsidiary, irrespective of whether the place of business or agent or other representative is located here permanently or temporarily, or whether the digital asset broker or subsidiary is licensed to do business in this State.

(2) Any digital asset broker who is headquartered outside of this State and who sells digital asset business activity to Illinois customers remotely if the digital asset broker's gross receipts from digital asset business activity sales to Illinois customers are $100,000 or more.

The digital asset broker shall determine on a quarterly basis, ending on the last day of March, June, September, and December, whether the digital asset broker meets the threshold in this paragraph (2) for the preceding 12-month period. If the broker meets the threshold for a 12-month period, the broker is considered a digital asset broker maintaining a place of business in this State and is required to collect and remit the tax imposed under this Act and file returns for one year. At the end of the one-year period, the broker shall determine whether the broker met the threshold during the preceding 12-month period. If the broker met the threshold for the preceding 12-month period, the broker is considered a broker maintaining a place of business in this State and is required to collect and remit the tax imposed under

this Act and file returns for the subsequent year. If, at the end of a one-year period, a broker that was required to collect and remit the tax imposed under this Act determines that the broker did not meet the threshold during the preceding 12-month period, the broker shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether the broker meets the threshold for the preceding 12-month period.

"Exchange", when used as a verb, means to exchange, buy, sell, trade, or convert, on behalf of a customer, either of the following:

(1) a digital asset for fiat currency or one or more forms of digital assets; and

(2) fiat currency for one or more forms of digital assets.

"Exchange" does not include buying, selling, or trading digital assets for a person's own account in a principal capacity.

"Fiat currency" means a medium of exchange or unit of value issued by the United States or a foreign government that is designated as legal tender in its country of issuance.

"Person" means any natural individual, firm, partnership, association, corporation, limited liability company, or trust; any receiver, executor, trustee, guardian, or other representative appointed by order of any court; or any other

entity. Unless expressly provided otherwise, the term "person" does not include a governmental entity or a unit or instrumentality of a government entity.

"Purchase price" means the consideration paid for the purchase of digital asset business activity from a digital asset broker, valued in money, whether received in money or otherwise, including cash, gift cards, credits, and property, and shall be determined without any deduction on account of the cost of materials used, labor or service costs, or any other expense whatsoever. "Purchase price" includes any and all charges that the customer pays related to or incidental to the receipt of digital asset business activity.

"Sale" means an agreement between a digital asset broker and a customer for the broker to provide the customer with a digital asset business activity for valuable consideration. If the digital asset business activity is sold as a bundle of separate services, each service shall constitute an individual sale for the purposes of this Act.

"Store", "storage", and "storing", except in the phrase "store of value", means to store, hold, or maintain custody or control of a digital asset on behalf of a customer by a digital asset broker.

"Transfer" means to transfer or transmit a digital asset on behalf of a customer, including by doing any of the following:

(1) crediting the digital asset to the account or

storage of another person;

(2) moving the digital asset from one account or storage of a customer to another account or storage of the same customer; and

(3) relinquishing custody or control of a digital asset to another person.

Section 3-20. Tax imposed.

(a) Beginning January 1, 2027, a tax is imposed upon the privilege of receiving any digital asset business activity by a customer in this State at the rate of 0.2% of the value of the digital asset to which the digital asset business activity relates. It shall be the duty of the digital asset broker making or effectuating the sale of the digital asset business activity to collect the tax provided by this Section on each sale.

(b) The tax imposed in this Section shall be in addition to all other occupation or privilege taxes imposed by the State of Illinois or by any municipal corporation or political subdivision thereof.

(c) The tax imposed in this Section is not imposed upon the privilege of engaging in any business in Interstate Commerce or otherwise, which business may not, under the Constitution and Statutes of the United States, be made the subject of taxation by this State.

(d) The tax imposed in this Section is not imposed on the

providing of services to the United States or any agency or instrumentality thereof.

Section 3-25. Sourcing. As used in this Act, the term "in this State" means at a physical location within this State for a sale occurring in person. For a sale occurring electronically or by phone, there shall be a rebuttable presumption that the customer requesting the sale is located in this State if the customer's contact information associated with a device or account on record with or available to a digital asset broker indicates an Illinois home address, an Illinois mailing address, or an Illinois internet protocol address or other data showing "place of primary use" in Illinois, as defined in the Mobile Telecommunications Sourcing Conformity Act. The burden of proving that a customer is not located in this State is on the digital asset broker. For administrative ease, a digital asset broker may create reasonable categorization standards to use in analyzing data to determine if a customer is located in Illinois; however, its reliance on such standards does not alleviate the digital asset broker's burden of proof.

Section 3-30. Registration of digital asset brokers.

(a) It is unlawful for any person to engage in business as a digital asset broker in this State on or after January 1, 2027, without a certificate of registration from the

Department. A digital asset broker shall register with the Department. Application for a certificate of registration shall be made to the Department, by electronic means, in the form and manner prescribed by the Department and shall contain any reasonable information the Department may require. The application shall contain an acceptance of responsibility signed by the person or persons who will be responsible for filing returns and payment of the tax due under this Act. Upon receipt of the application for a certificate of registration in proper form and manner, the Department shall issue the applicant a certificate of registration.

(b) Certificates of registration issued by the Department under this Act shall be valid for a period not to exceed one year after issuance unless sooner revoked, canceled, or suspended as provided in this Act. A certificate of registration shall automatically be renewed, subject to revocation as provided by this Act, for an additional one year from the date of its expiration unless otherwise notified by the Department as provided in this Section.

(c) The Department may refuse to issue, reissue, or renew a certificate of registration to any applicant for the reasons set forth in Section 2505-380 of the Department of Revenue Law of the Civil Administrative Code of Illinois. No certificate of registration shall be issued to any person who is in default to the State of Illinois for moneys due under this Act or any other tax Act administered by the Department.

(d) Any person aggrieved by any decision of the Department under this Section may, within 30 days after notice of such decision, protest and request a hearing, whereupon the Department shall give notice to such person of the time and place fixed for such hearing and shall hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to such person. In the absence of such a protest within 30 days, the Department's decision shall become final without any further determination being made or notice given. The term "administrative decision" is as defined in Section 3-101 of the Code of Civil Procedure.

Section 3-35. Collection of tax.

(a) Any digital asset broker maintaining a place of business in this State shall collect the tax imposed by this Act from the customer at the rate stated in Section 3-20 for the privilege of receiving digital asset business activity in this State and shall remit the tax to the Department as provided in Section 3-40 of this Act. Any such digital asset broker shall be liable for the tax whether or not the tax has been collected by the digital asset broker. To the extent that a digital asset broker that is required to collect the tax imposed by this Act has actually collected that tax, such tax is held in trust for the benefit of the Department.

(b) All digital asset business activities provided to a customer that are subject to tax under this Act are presumed

subject to tax collection. Digital asset brokers shall collect the tax from customers by adding the tax to the amount of the purchase price received from the customer for the digital asset business activity subject to tax under this Act. The tax imposed by the Act shall, when collected, be stated as a distinct item separate and apart from the purchase price of the digital asset business activity subject to tax under this Act. However, if it is not possible to state the tax separately, the Department may, by rule, exempt the purchase from this requirement if customers are notified by language on the invoice or other written notification that the tax is included in the purchase price.

(c) Every digital asset broker shall, when collecting the tax as provided in Section 3-20 of this Act from the customer, give to the customer (if demanded by the customer) a receipt for the tax in the manner and form prescribed by the Department. The receipt shall be sufficient to relieve the customer from further liability for the tax to which the receipt may refer.

(d) The tax imposed by this Act shall constitute a debt of the customer to the digital asset broker who provides such taxable activity until paid, and, if unpaid, is recoverable at law in the same manner as the original charge for such taxable activity.

(e) If any digital asset broker erroneously collects tax or collects more from the customer than the customer's

liability for the sale, the customer shall have a legal right to claim a refund of such amount from such digital asset broker. However, if such amount is not refunded to the customer for any reason, the digital asset broker is liable to pay such amount to the Department.

(f) Any person purchasing a digital asset business activity subject to tax under this Act as to which there has been no charge made to the customer of the tax imposed by Section 3-20 shall make payment of the tax imposed by Section 3-20 in the form and manner provided by the Department not later than the 20th day of the month following the month of payment for the digital asset business activity.

Section 3-40. Return and payment.

(a) Each digital asset broker shall make a return to the Department on or before the 20th day of each month for the preceding calendar month stating the following:

(1) the digital asset broker's name;

(2) the address of the digital asset broker's principal place of business;

(3) the amount of digital asset business sales made by the digital asset broker during the preceding calendar month;

(4) the amount of tax due, computed as set forth in this Act;

(5) the signature of the digital asset broker; and

(6) such other information as the Department may reasonably require.

(b) All returns required to be filed and payments required to be made under this Act shall be by electronic means in the form and manner authorized by the Department.

(c) Any amount that is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount if the fractional part of a dollar is $0.50 or more and decreased to the nearest whole-dollar amount if the fractional part of a dollar is less than $0.50. If a total amount of less than $1 is payable, refundable, or creditable, such amount shall be disregarded if it is less than $0.50 and shall be increased to $1 if it is $0.50 or more.

(d) A digital asset broker who ceases to engage in the kind of business which makes the person responsible for filing returns under this Act shall file a final return under this Act with the Department not more than one month after discontinuing such business.

(e) If any payment provided for in this Section exceeds the digital asset broker's liabilities under this Act, as shown on an original monthly return, the Department shall, if requested by the digital asset broker, issue to the digital asset broker a credit memorandum no later than 30 days after the date of the request. The credit evidenced by such credit memorandum may be assigned by the digital asset broker to a

similar digital asset broker under this Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the digital asset broker may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the digital asset broker, that digital asset broker shall be liable for penalties and interest on such difference.

(f) If a digital asset broker fails to sign a return within 30 days after the proper notice and demand for signature by the Department is received by the digital asset broker, the return shall be considered valid, and any amount shown to be due on the return shall be deemed assessed.

Section 3-45. Books and records. Every digital asset broker required to file a return under this Act shall keep books, records, papers, and other documents that adequately reflect digital asset business activity sold in this State, including the information used in calculating the amount of tax due. Digital asset brokers are required to maintain records as needed to determine the location of a sale pursuant to Section 3-25 of this Act. The Department may adopt rules that establish requirements, including record forms and formats, for records required to be kept and maintained by

digital asset brokers.

Books, records, papers, and documents that are required by this Section to be kept shall, at all times during the usual business hours of the day, be subject to inspection by the Department or its duly authorized agents and employees. The books, records, papers, and documents for any period with respect to which the Department is authorized to issue a notice of tax liability shall be preserved until the expiration of that period.

Section 3-50. Deposits of proceeds The moneys received by the Department from the tax imposed by this Act shall be deposited into the General Revenue Fund.

Section 3-55. Criminal penalties. Any digital asset broker who fails to file a return, or who violates any other provision of this Act, or who fails to keep books and records as required by this Act, or who files a fraudulent return, or who willfully violates any rule or regulation of the Department for the administration and enforcement of the provisions of this Act, or any officer or agent of a corporation or manager, member, or agent of a limited liability company subject to this Act who signs a fraudulent return filed on behalf of such corporation or limited liability company, or any accountant or other agent who knowingly enters false information on the return of any taxpayer under this Act is guilty of a Class 3 felony. A

prosecution for any act in violation of this Section may be commenced at any time within 5 years of the commission of that act.

Section 3-60. Department administration and enforcement. The Department shall have full power to administer and enforce this Act, to collect all taxes and penalties due hereunder, to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda, arising on account of the erroneous payment of tax or penalty hereunder.

In the administration of, and compliance with, this Act, the Department and persons who are subject to this Act shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6b, 6c, 8, 9, 10, and 11 of the Retailers' Occupation Tax Act and all of the provisions of the Uniform Penalty and Interest Act, which are not inconsistent with this Act, as fully as if those provisions were set forth herein. References in the incorporated Sections of the Retailers' Occupation Tax Act to retailers, to sellers, or to persons engaged in the business of selling tangible personal property mean digital asset brokers when used in this Act. References in the

incorporated Sections to sales of tangible personal property mean sale of digital asset business activity subject to tax under this Act when used in this Act.

Section 3-65. The Illinois Administrative Procedure Act. The Illinois Administrative Procedure Act is hereby expressly adopted and shall apply to all administrative rules and procedures of the Department under this Act, except that: (1) paragraph (b) of Section 5-10 of the Illinois Administrative Procedure Act does not apply to final orders, decisions, and opinions of the Department; and (2) subparagraph (a)(ii) of Section 5-10 of the Illinois Administrative Procedure Act does not apply to forms established by the Department for use under this Article.

Section 3-70. Rulemaking. The Department may adopt rules in accordance with the Illinois Administrative Procedure Act and prescribe forms relating to the administration and enforcement of this Act as it deems appropriate.

(a) Beginning January 1, 2027 and monthly thereafter within 14 days of the start of each month, each social media platform shall submit to the Secretary of State a report of the average number of monthly users of the platform located in the State of Illinois.

(b) Beginning January 1, 2027, the following fees are imposed on social media platforms based on the number of Illinois users from whom the social media platform collects data within a month. The fees must be paid to the Secretary of State no later than the 14th day of the first succeeding calendar month:

(1) social media platforms with over 100,000 Illinois users but not more than 500,000 Illinois users shall pay $0.10 per month on the number of Illinois users over 100,000 but not more than 500,000;

(2) social media platforms with over 500,000 Illinois users but not more than 1,000,000 Illinois users shall pay $40,000, plus $0.25 per month multiplied by the number of Illinois users over 500,000 but not more than 1,000,000; and

(c) The Secretary of State shall deposit a portion of the fees collected pursuant to this Section, in the amount of $170,000 per month, into the Secretary of State Special Services Fund. The Secretary of State shall deposit the remainder of the fees collected pursuant to this Section into the Common School Fund. The Secretary of State shall pay the funds to the State Comptroller within 30 days after receipt of the funds.

(d) As used in this Section:

(2) enables one or more users to generate content that can be viewed by other users of the medium; and

(3) primarily serves as a medium for users to interact with content generated by other users of the medium.

"Social media platform" does not include a not-for-profit organization, as defined in the General Not For Profit Corporation Act of 1986.

(e) On January 1, 2028 and on each January 1 thereafter, the fees charged under this Section shall each be increased by an amount equal to the annual unadjusted percentage increase in the Consumer Price Index for the 12-month period ending with the March preceding each July 1, including all previous adjustments, rounded down to the nearest whole number.

(f) A social media platform shall not vary the cost of access, features, services, or in-app purchases for any user based on the geographic origin of the user's login, activity,

or account registration for the purposes of recouping the fee under this Section. A violation of this subsection regarding users' access to features and services constitutes an injury to that individual. Any individual alleging a violation of this subsection (f) by a social media platform may bring a civil action in the circuit court. An individual protected by this subsection shall not be required, as a condition of service or otherwise, to accept mandatory arbitration of a claim arising under this subsection.

(g) The Secretary of State may order a social media platform to pay the required fees to the Secretary of State, determine the amount of the fee required to be paid to the Secretary of State by a social media platform, determine any delinquency by a social media platform in the fees to be paid to the Secretary of State and to order such delinquency be remedied, and audit any social media platform to enforce the provisions of this Section, including to ensure that a social media platform has paid the required fee and any penalties or other sums owed. This subsection may be enforced by the Attorney General or a State's Attorney.

ARTICLE 10

Section 10-5. The Illinois Income Tax Act is amended by changing Sections 207 and 1101 as follows:

(35 ILCS 5/207) (from Ch. 120, par. 2-207)

Sec. 207. Net Losses.

(a) If after applying all of the (i) modifications provided for in paragraph (2) of Section 203(b), paragraph (2) of Section 203(c) and paragraph (2) of Section 203(d) and (ii) the allocation and apportionment provisions of Article 3 of this Act and subsection (c) of this Section, the taxpayer's net income results in a loss;

(1) for any taxable year ending prior to December 31, 1999, such loss shall be allowed as a carryover or carryback deduction in the manner allowed under Section 172 of the Internal Revenue Code;

(2) for any taxable year ending on or after December 31, 1999 and prior to December 31, 2003, such loss shall be allowed as a carryback to each of the 2 taxable years preceding the taxable year of such loss and shall be a net operating loss carryover to each of the 20 taxable years following the taxable year of such loss;

(3) for any taxable year ending on or after December 31, 2003 and prior to December 31, 2021, such loss shall be allowed as a net operating loss carryover to each of the 12 taxable years following the taxable year of such loss, except as provided in subsection (d); and

(4) for any taxable year ending on or after December 31, 2021, and for any net loss incurred in a taxable year prior to a taxable year ending on or after December 31,

2021 for which the statute of limitation for utilization of such net loss has not expired, such loss shall be allowed as a net operating loss carryover to each of the 20 taxable years following the taxable year of such loss, except as provided in subsection (d).

(a-5) Election to relinquish carryback and order of application of losses.

(A) For losses incurred in tax years ending prior to December 31, 2003, the taxpayer may elect to relinquish the entire carryback period with respect to such loss. Such election shall be made in the form and manner prescribed by the Department and shall be made by the due date (including extensions of time) for filing the taxpayer's return for the taxable year in which such loss is incurred, and such election, once made, shall be irrevocable.

(B) The entire amount of such loss shall be carried to the earliest taxable year to which such loss may be carried. The amount of such loss which shall be carried to each of the other taxable years shall be the excess, if any, of the amount of such loss over the sum of the deductions for carryback or carryover of such loss allowable for each of the prior taxable years to which such loss may be carried.

(b) Any loss determined under subsection (a) of this Section must be carried back or carried forward in the same

manner for purposes of subsections (a) and (b) of Section 201 of this Act as for purposes of subsections (c) and (d) of Section 201 of this Act.

(c) Notwithstanding any other provision of this Act, for each taxable year ending on or after December 31, 2008, for purposes of computing the loss for the taxable year under subsection (a) of this Section and the deduction taken into account for the taxable year for a net operating loss carryover under paragraphs (1), (2), and (3) of subsection (a) of this Section, the loss and net operating loss carryover shall be reduced in an amount equal to the reduction to the net operating loss and net operating loss carryover to the taxable year, respectively, required under Section 108(b)(2)(A) of the Internal Revenue Code, multiplied by a fraction, the numerator of which is the amount of discharge of indebtedness income that is excluded from gross income for the taxable year (but only if the taxable year ends on or after December 31, 2008) under Section 108(a) of the Internal Revenue Code and that would have been allocated and apportioned to this State under Article 3 of this Act but for that exclusion, and the denominator of which is the total amount of discharge of indebtedness income excluded from gross income under Section 108(a) of the Internal Revenue Code for the taxable year. The reduction required under this subsection (c) shall be made after the determination of Illinois net income for the taxable year in which the indebtedness is discharged.

(d) In the case of a corporation (other than a Subchapter S corporation):

(1) no carryover deduction shall be allowed under this Section for any taxable year ending after December 31, 2010 and prior to December 31, 2012;

(2) no carryover deduction shall exceed $100,000 for any taxable year ending on or after December 31, 2012 and prior to December 31, 2014 and for any taxable year ending on or after December 31, 2021 and prior to December 31, 2024; and

(3) no carryover deduction shall exceed $500,000 for any taxable year ending on or after December 31, 2024 and prior to December 31, 2027.

(4) no carryover deduction shall exceed 15% of the amount of net income computed under Section 202 without regard to the deduction allowed by this Section or $500,000, whichever is greater, for any taxable year ending on or after December 31, 2027, and before December 31, 2028;

(5) no carryover deduction shall exceed 30% of the amount of net income computed under Section 202 without regard to the deduction allowed by this Section or $500,000, whichever is greater, for any taxable year ending on or after December 31, 2028, and before December 31, 2029;

(6) no carryover deduction shall exceed 50% of the

amount of net income computed under Section 202 without regard to the deduction allowed by this Section or $500,000, whichever is greater, for any taxable year ending on or after December 31, 2029, and before December 31, 2030;

(7) no carryover deduction shall exceed 65% of the amount of net income computed under Section 202 without regard to the deduction allowed by this Section or $500,000, whichever is greater, for any taxable year ending on or after December 31, 2030 and before December 31, 2031;

(8) no carryover deduction shall exceed 80% of the amount of net income computed under Section 202 without regard to the deduction allowed by this Section or $500,000, whichever is greater, for any taxable year ending on or after December 31, 2031.

For the purposes of determining the taxable years to which a net loss may be carried under subsection (a) of this Section, no taxable year for which a deduction is disallowed under this subsection, or for which one of the restrictions in this subsection applies ~~the deduction would exceed $100,000 or $500,000, as applicable, if not for this subsection~~, shall be counted.

(e) In the case of a residual interest holder in a real estate mortgage investment conduit subject to Section 860E of the Internal Revenue Code, the net loss in subsection (a)

shall be equal to:

(1) the amount computed under subsection (a), without regard to this subsection (e), or if that amount is positive, zero;

(2) minus an amount equal to the amount computed under subsection (a), without regard to this subsection (e), minus the amount that would be computed under subsection (a) if the taxpayer's federal taxable income were computed without regard to Section 860E of the Internal Revenue Code and without regard to this subsection (e).

The modification in this subsection (e) is exempt from the provisions of Section 250.

(35 ILCS 5/1101) (from Ch. 120, par. 11-1101)

Sec. 1101. Lien for Tax.

(a) If any person liable to pay any tax neglects or refuses to pay the same after demand, the amount (including any interest, additional amount, addition to tax, or assessable penalty, together with any costs that may accrue in addition thereto) shall be a lien in favor of the State of Illinois upon all property and rights to property, whether real or personal, belonging to such person.

(b) Unless another date is specifically fixed by law, the lien imposed by subsection (a) of this Section shall arise at

the time the assessment is made and shall continue until the liability for the amount so assessed (or a judgment against the taxpayer arising out of such liability) is satisfied or becomes unenforceable by reason of lapse of time.

(c) Deficiency procedure. If the lien arises from an assessment pursuant to a notice of deficiency, such lien shall not attach and the notice referred to in this Section shall not be filed until all proceedings in court for review of such assessment have terminated or the time for the taking thereof has expired without such proceedings being instituted. If a late discretionary hearing has been granted pursuant to subsection (d) of Section 908 of this Act after a lien has attached, that lien shall remain in full force except to the extent to which the final assessment may be reduced by a revised final assessment following the hearing or review.

(d) Notice of lien. The lien created by assessment shall terminate unless a notice of lien is filed, as provided in Section 1103 hereof, within 3 years from the date all proceedings in court for the review of such assessment have terminated or the time for the taking thereof has expired without such proceedings being instituted. Where the lien results from the filing of a return without payment of the tax or penalty shown therein to be due, the lien shall terminate unless a notice of lien is filed within 3 years from the date such return was filed with the Department. For the purposes of this subsection (d), a tax return filed before the last day

prescribed by law, including any extension thereof, shall be deemed to have been filed on such last day. The time limitation period on the Department's right to file a notice of lien shall not run (1) during any period of time in which the order of any court has the effect of enjoining or restraining the Department from filing such notice of lien, or (2) during the term of a repayment plan that taxpayer has entered into with the Department, as long as taxpayer remains in compliance with the terms of the repayment plan.

(35 ILCS 505/2) (from Ch. 120, par. 418)

Sec. 2. A tax is imposed on the privilege of operating motor vehicles upon the public highways and recreational-type watercraft upon the waters of this State.

(a) Prior to August 1, 1989, the tax is imposed at the rate of 13 cents per gallon on all motor fuel used in motor vehicles operating on the public highways and recreational type watercraft operating upon the waters of this State. Beginning on August 1, 1989 and until January 1, 1990, the rate of the tax imposed in this paragraph shall be 16 cents per gallon.

Beginning January 1, 1990 and until July 1, 2019, the rate of tax imposed in this paragraph, including the tax on compressed natural gas, shall be 19 cents per gallon. Beginning July 1, 2019 and until July 1, 2020, the rate of tax imposed in this paragraph shall be 38 cents per gallon. On January 1, 2023, the rate of tax imposed in this paragraph shall be increased by an amount equal to the percentage increase, if any, in the Consumer Price Index for the 12 months ending in September of 2022. On July 1, 2023, and on July 1 of each subsequent year, except for the time period beginning July 1, 2026, and ending on January 1, 2027, the rate of tax imposed in this paragraph shall be increased by an amount equal to the percentage increase, if any, in the Consumer Price Index for the 12 months ending in March of the year in which the increase takes place. The percentage increase in the Consumer Price Index shall be calculated as follows: (1) calculate the average Consumer Price Index for the full 12 months ending in March of the year in which the increase takes place; (2) calculate the average Consumer Price Index for the full 12 months ending in March of the year immediately preceding the year in which the increase takes place; (3) calculate the percentage increase, if any, in the current-year average determined under item (1) over the

preceding-year average determined under item (2). The rate shall be rounded to the nearest one-tenth of one cent.

(a-5) Beginning on July 1, 2022 and through December 31, 2022, each retailer of motor fuel shall cause the following notice to be posted in a prominently visible place on each retail dispensing device that is used to dispense motor fuel in the State of Illinois: "As of July 1, 2022, the State of Illinois has suspended the inflation adjustment to the motor fuel tax through December 31, 2022. The price on this pump should reflect the suspension of the tax increase." The notice shall be printed in bold print on a sign that is no smaller than 4 inches by 8 inches. The sign shall be clearly visible to customers. Any retailer who fails to post or maintain a required sign through December 31, 2022 is guilty of a petty offense for which the fine shall be $500 per day per each retail premises where a violation occurs.

(b) Until July 1, 2019, the tax on the privilege of operating motor vehicles which use diesel fuel, liquefied natural gas, or propane shall be the rate according to paragraph (a) plus an additional 2 1/2 cents per gallon. "Diesel fuel" is defined as any product intended for use or offered for sale as a fuel for engines in which the fuel is injected into the combustion

chamber and ignited by pressure without electric spark.

(c) A tax is imposed upon the privilege of engaging in the business of selling motor fuel as a retailer or reseller on all motor fuel used in motor vehicles operating on the public highways and recreational type watercraft operating upon the waters of this State: (1) at the rate of 3 cents per gallon on motor fuel owned or possessed by such retailer or reseller at 12:01 a.m. on August 1, 1989; and (2) at the rate of 3 cents per gallon on motor fuel owned or possessed by such retailer or reseller at 12:01 A.M. on January 1, 1990.

Retailers and resellers who are subject to this additional tax shall be required to inventory such motor fuel and pay this additional tax in a manner prescribed by the Department of Revenue.

The tax imposed in this paragraph (c) shall be in addition to all other taxes imposed by the State of Illinois or any unit of local government in this State.

(d) Except as provided in Section 2a, the collection of a tax based on gallonage of gasoline used for the propulsion of any aircraft is prohibited on and after October 1, 1979, and the collection of a tax based on gallonage of special fuel used for the propulsion of any aircraft is prohibited on and after December 1, 2019.

(e) The collection of a tax, based on gallonage of all products commonly or commercially known or sold as 1-K kerosene, regardless of its classification or uses, is

prohibited (i) on and after July 1, 1992 until December 31, 1999, except when the 1-K kerosene is either: (1) delivered into bulk storage facilities of a bulk user, or (2) delivered directly into the fuel supply tanks of motor vehicles and (ii) on and after January 1, 2000. Beginning on January 1, 2000, the collection of a tax, based on gallonage of all products commonly or commercially known or sold as 1-K kerosene, regardless of its classification or uses, is prohibited except when the 1-K kerosene is delivered directly into a storage tank that is located at a facility that has withdrawal facilities that are readily accessible to and are capable of dispensing 1-K kerosene into the fuel supply tanks of motor vehicles. For purposes of this subsection (e), a facility is considered to have withdrawal facilities that are not "readily accessible to and capable of dispensing 1-K kerosene into the fuel supply tanks of motor vehicles" only if the 1-K kerosene is delivered from: (i) a dispenser hose that is short enough so that it will not reach the fuel supply tank of a motor vehicle or (ii) a dispenser that is enclosed by a fence or other physical barrier so that a vehicle cannot pull alongside the dispenser to permit fueling.

Any person who sells or uses 1-K kerosene for use in motor vehicles upon which the tax imposed by this Law has not been paid shall be liable for any tax due on the sales or use of 1-K kerosene.

As used in this Section, "Consumer Price Index" means the

index published by the Bureau of Labor Statistics of the United States Department of Labor that measures the average change in prices of goods and services purchased by all urban consumers, United States city average, all items, 1982-84 = 100.

Sec. 55.8. Tire retailers.

(a) Any person selling new or used tires at retail or offering new or used tires for retail sale in this State shall:

(1) beginning on June 20, 2003 (the effective date of Public Act 93-32) and through June 30, 2026, collect from retail customers a fee of $2 per new or used tire sold and delivered in this State, to be paid to the Department of Revenue and deposited into the Used Tire Management Fund, less a collection allowance of 10 cents per tire to be retained by the retail seller and a collection allowance of 10 cents per tire to be retained by the Department of Revenue and paid into the General Revenue Fund; the collection allowance for retail sellers, however, shall be allowed only if the return is filed timely and in the manner required by this Title XIV and only for the amount that is paid timely in accordance with this Title XIV;

(1.5) beginning on July 1, 2003 and through June 30,

2026, collect from retail customers an additional 50 cents per new or used tire sold and delivered in this State; the money collected from this fee shall be deposited into the Emergency Public Health Fund;

(1.6) beginning on July 1, 2026, collect from retail customers a fee of $2.50 per new or used tire sold and delivered in this State, to be paid to the Department of Revenue, less a collection allowance of $0.10 per tire to be retained by the retail seller; the collection allowance, however, shall be allowed only if the return is filed timely and in the manner required by this Title XIV and only for the amount that is paid timely in accordance with this Title XIV; the money collected from this fee shall be deposited as follows:

(i) 4% into the General Revenue Fund;

(ii) 75% into the Used Tire Management Fund; and

(iii) 21% into the Emergency Public Health Fund

(2) accept for recycling used tires from customers, at the point of transfer, in a quantity equal to the number of new tires purchased; and

(3) post in a conspicuous place a written notice at least 8.5 by 11 inches in size that includes the universal recycling symbol and the following statements: "DO NOT put used tires in the trash."; "Recycle your used tires."; and "State law requires us to accept used tires for recycling, in exchange for new tires purchased.".

(b) A person who accepts used tires for recycling under subsection (a) shall not allow the tires to accumulate for periods of more than 90 days.

(c) The requirements of subsection (a) of this Section do not apply to mail order sales nor shall the retail sale of a motor vehicle be considered to be the sale of tires at retail or offering of tires for retail sale. Instead of filing returns, retailers of tires may remit the tire user fee to their suppliers of tires if the supplier of tires is a registered retailer of tires and agrees or otherwise arranges to collect and remit the tire fee to the Department of Revenue, notwithstanding the fact that the sale of the tire is a sale for resale and not a sale at retail. A tire supplier who enters into such an arrangement with a tire retailer shall be liable for the tax on all tires sold to the tire retailer and must (i) provide the tire retailer with a receipt that separately reflects the tire tax collected from the retailer on each transaction and (ii) accept used tires for recycling from the retailer's customers. The tire supplier shall be entitled to the collection allowance of 10 cents per tire, but only if the return is filed timely and only for the amount that is paid timely in accordance with this Title XIV.

The retailer of the tires must maintain in its books and records evidence that the appropriate fee was paid to the tire supplier and that the tire supplier has agreed to remit the fee to the Department of Revenue for each tire sold by the

retailer. Otherwise, the tire retailer shall be directly liable for the fee on all tires sold at retail. Tire retailers paying the fee to their suppliers are not entitled to the collection allowance of 10 cents per tire. The collection allowance for suppliers, however, shall be allowed only if the return is filed timely and in the manner required by this Title XIV and only for the amount that is paid timely in accordance with this Title XIV.

(d) The requirements of subsection (a) of this Section shall apply exclusively to tires to be used for vehicles defined in Section 1-217 of the Illinois Vehicle Code, aircraft tires, special mobile equipment, and implements of husbandry.

(e) The requirements of paragraph (1) of subsection (a) do not apply to the sale of reprocessed tires. For purposes of this Section, "reprocessed tire" means a used tire that has been recapped, retreaded, or regrooved and that has not been placed on a vehicle wheel rim.

Section 35-5. The Hotel Operators' Occupation Tax Act is amended by changing Sections 2, 3, 3-2, 3-3, and 6 as follows:

(35 ILCS 145/2) (from Ch. 120, par. 481b.32)

Sec. 2. Definitions. As used in this Act, unless the context otherwise requires:

(1) "Hotel" means any building or buildings in which the public may, for a consideration, obtain living quarters, sleeping or housekeeping accommodations. The term includes, but is not limited to, inns, motels, tourist homes or courts, lodging houses, rooming houses and apartment houses, retreat centers, conference centers, hunting lodges, and short-term rentals.

(2) "Operator" means any person engaged in the business of renting, leasing, or letting rooms in a hotel.

(3) "Occupancy" means the use or possession, or the right to the use or possession, of any room or rooms in a hotel for any purpose, or the right to the use or possession of the furnishings or to the services and accommodations accompanying the use and possession of the room or rooms.

(4) "Room" or "rooms" means any living quarters, sleeping or housekeeping accommodations.

(5) "Permanent resident" means any person who occupied or has the right to occupy any room or rooms, regardless of whether or not it is the same room or rooms, in a hotel for at least 30 consecutive days.

(6) "Rent" or "rental" means the consideration received for occupancy, valued in money, whether received in money or otherwise, including all receipts, cash, credits, and property or services of any kind or nature. "Rent" or "rental" includes

any fee, charge, or commission received from a guest by a re-renter of hotel rooms specifically in connection with the re-rental of hotel rooms.

(7) "Department" means the Department of Revenue.

(8) "Person" means any natural individual, firm, partnership, association, joint stock company, joint adventure, public or private corporation, limited liability company, or a receiver, executor, trustee, guardian, or other representative appointed by order of any court.

(9) "Re-renter of hotel rooms" means a person who is not employed by the hotel operator but who, either directly or indirectly, through agreements or arrangements with third parties, collects or processes the payment of rent for a hotel room located in this State and (i) obtains the right or authority to grant control of, access to, or occupancy of a hotel room in this State to a guest of the hotel or (ii) facilitates the booking of a hotel room located in this State. A person who obtains those rights or authorities is not considered a re-renter of a hotel room if the person operates under a shared hotel brand with the operator.

(10) "Hosting platform" or "platform" means a person who provides an online application, software, website, or system through which a short-term rental located in this State is advertised or held out to the public as available to rent for occupancy. For purposes of this definition, "short-term rental" means an owner-occupied, tenant-occupied, or

non-owner-occupied dwelling, including, but not limited to, an apartment, house, cottage, or condominium, located in this State, where: (i) at least one room in the dwelling is rented to an occupant for a period of less than 30 consecutive days; and (ii) all accommodations are reserved in advance; provided, however, that a dwelling shall be considered a single room if rented as such.

(11) "Shared hotel brand" means an identifying trademark that a hotel operator is expressly licensed to operate under in accordance with the terms of a hotel franchise or management agreement.

(12) "Hotel marketplace" means a physical or electronic place, forum, platform, application, or other method by which marketplace hotel operators rent, lease, or let or offer to rent, lease, or let rooms in hotels.

(13) "Hotel marketplace facilitator" means a person who, pursuant to agreements with unrelated third-party marketplace hotel operators, directly or indirectly through one or more affiliates, facilitates the renting, leasing, or letting of rooms in hotels by unrelated third-party marketplace hotel operators by:

(A) listing or advertising for rent, lease, or letting by marketplace hotel operators in a hotel marketplace, hotel rooms, the renting, leasing, or letting of which is subject to tax under this Act; and

(B) either directly or indirectly, through agreements

or arrangements with third parties, collecting payment from customers and transmitting those payments to the marketplace hotel operator regardless of whether the hotel marketplace facilitator receives compensation or other consideration in exchange for its services.

Beginning July 1, 2026, "hotel marketplace facilitator" includes re-renters of hotel rooms and hosting platforms for short-term rentals who otherwise meet the definition of "hotel marketplace facilitator" set forth in this item (13).

(14) "Marketplace hotel operator" means a person who rents, leases, or lets rooms in a hotel through a hotel marketplace operated by an unrelated third-party hotel marketplace facilitator.

(35 ILCS 145/3) (from Ch. 120, par. 481b.33)

Sec. 3. Rate; exemptions.

(a) A tax is imposed upon hotel operators at the rate of 5% of 94% of the gross rental receipts from engaging in business as a hotel operator, excluding, however, from gross rental receipts, the proceeds of renting, leasing or letting hotel rooms to permanent residents of a hotel and proceeds from the tax imposed under subsection (c) of Section 13 of the Metropolitan Pier and Exposition Authority Act.

(b) There shall be imposed an additional tax upon hotel

operators at the rate of 1% of 94% of the gross rental receipts received by the hotel operator from engaging in business as a hotel operator, excluding, however, from gross rental receipts, the proceeds of such renting, leasing or letting to permanent residents of that hotel and proceeds from the tax imposed under subsection (c) of Section 13 of the Metropolitan Pier and Exposition Authority Act.

(b-5) Beginning on July 1, 2024 and through June 30, 2026, if the renting, leasing, or letting of a hotel room is done through a re-renter of hotel rooms, then, subject to the provisions of Sections 3-2 and 3-3, the re-renter is the hotel operator for the purposes of the taxes under subsections (a) and (b). If the re-renter is headquartered outside of this State and has no presence in this State other than its business as a re-renter, conducted remotely, then, subject to the provisions of Sections 3-2 and 3-3, such re-renter is the hotel operator for the purposes of the taxes under subsections (a) and (b) if it meets one of the following thresholds:

(1) the cumulative gross receipts from rentals in Illinois by the re-renter of hotel rooms are $100,000 or more; or

(2) the re-renter of hotel rooms cumulatively enters into 200 or more separate transactions for rentals in Illinois.

A re-renter of hotel rooms who is headquartered outside of this State and has no presence in this State other than its

business as a re-renter, conducted remotely, shall determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the threshold of either paragraph (1) or (2) of this subsection (b-5) for the preceding 12-month period. If such re-renter of hotel rooms meets the threshold of either paragraph (1) or (2) for a 12-month period, he or she is subject to tax under this Act and is required to remit the tax imposed under this Act and file returns for the 12-month period beginning on the first day of the next month after he or she determines that he or she meets the threshold of paragraph (1) or (2). At the end of that 12-month period, such re-renter of hotel rooms shall determine whether he or she continued to meet the threshold of either paragraph (1) or (2) during the preceding 12-month period. If he or she met the threshold in either paragraph (1) or (2) for the preceding 12-month period, he or she is a hotel operator in this State and is required to remit the tax imposed under this Act and file returns for the subsequent 12-month period. If, at the end of a 12-month period during which such re-renter is required to remit the tax imposed under this Act, the re-renter determines that he or she did not meet the threshold in either paragraph (1) or (2) during the preceding 12-month period, he or she shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the threshold of either paragraph (1) or (2) for the preceding 12-month period.

(b-10) Beginning July 1, 2026, if the renting, leasing, or letting of a hotel room is done through a hotel marketplace facilitator that has met the tax remittance threshold under this subsection (b-10), then the hotel marketplace facilitator is the hotel operator for the purposes of the taxes under this Act. A hotel marketplace facilitator is engaged in the business of renting, leasing, or letting rooms in a hotel in Illinois and meets the tax remittance threshold for purposes of this Act if, during the previous 12-month period, the cumulative gross rental receipts from renting, leasing, or letting rooms in Illinois hotels on its own behalf or on behalf of marketplace hotel operators to guests equals $100,000 or more.

A hotel marketplace facilitator that meets the tax remittance threshold of this subsection is required to remit the applicable State hotel operators' occupation taxes under this Act and local hotel operators' occupation taxes administered by the Department on all rentals, leases, or lettings of Illinois hotel rooms made by the hotel marketplace facilitator or facilitated for marketplace hotel operators to guests. A hotel marketplace facilitator who meets the tax remittance threshold and rents, leases, or lets Illinois hotel rooms to guests is subject to all applicable procedures and requirements of this Act.

A hotel marketplace facilitator shall determine on a quarterly basis, ending on the last day of March, June,

September, and December, whether it meets the tax remittance threshold in this subsection (b-10) for the preceding 12-month period. If the hotel marketplace facilitator meets the tax remittance threshold for a 12-month period, then it is subject to tax under this Act and is required to remit the tax imposed under this Act and all hotel operators' occupation tax imposed by local taxing jurisdictions in Illinois, provided that those local taxes are administered by the Department, and to file all applicable returns for one year. At the end of that one-year period, the hotel marketplace facilitator shall determine whether it met the tax remittance threshold for the preceding 12-month period. If the hotel marketplace facilitator met the tax remittance threshold for the preceding 12-month period, then it is subject to the tax under this Act and is required to continue to collect and remit all applicable State and local hotel operators' occupation taxes and file returns for the subsequent year. If, at the end of a one-year period, a hotel marketplace facilitator that was required to collect and remit the tax imposed under this Act determines that it did not meet the tax remittance threshold during the preceding 12-month period, then the hotel marketplace facilitator shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether it meets the tax remittance threshold for the preceding 12-month period.

A hotel marketplace facilitator shall be entitled to any

credits, deductions, or adjustments to rental receipts otherwise provided to the marketplace hotel operator, in addition to any such adjustments provided directly to the hotel marketplace facilitator. This includes, but is not limited to, adjustments such as discounts, coupons, and rebates. In addition, a hotel marketplace facilitator is entitled to the discount provided in Section 6 of this Act on all hotel marketplace rentals, leases, or lettings, and the marketplace hotel operator shall not include rentals, leases, or lettings made through a hotel marketplace facilitator when computing any discount on remaining rentals, leases, or lettings. Hotel marketplace facilitators shall report and remit the applicable State and local hotel operators' occupation taxes on leases, rentals, or lettings facilitated for marketplace hotel operators separately from any hotel operators' occupation tax on taxable rentals, leases, or lettings made directly by the hotel marketplace facilitator or its affiliates.

The hotel marketplace facilitator is liable for the remittance of all applicable State hotel operators' occupation taxes under this Act and local hotel operators' occupation taxes administered by the Department on rentals, leases, or lettings through the hotel marketplace and is subject to audit on all of those rentals, leases, or lettings. The Department shall not audit marketplace hotel operators for their marketplace rentals, leases, or lettings if the hotel

marketplace facilitator remitted the applicable State and local hotel operators' occupation taxes unless the hotel marketplace facilitator seeks relief as a result of incorrect information provided to the hotel marketplace facilitator by a marketplace hotel operator as set forth in this Section. The hotel marketplace facilitator shall not be held liable for tax on any rentals, leases, or lettings made by a marketplace hotel operator that take place outside of the hotel marketplace and that are not a part of any agreement between a hotel marketplace facilitator and a marketplace hotel operator. In addition, hotel marketplace facilitators shall not be held liable to State and local governments of Illinois for having charged and remitted an incorrect amount of State and local hotel operators' occupation tax if, at the time of the rentals, leases, or lettings, the tax is computed based on erroneous data provided by the State on tax rates, boundaries, or taxing jurisdictions or incorrect information provided to the hotel marketplace facilitator by the marketplace hotel operator.

(b-15) A hotel marketplace facilitator shall:

(1) provide notice to each marketplace hotel operator at the time of the agreement between the hotel marketplace facilitator and marketplace hotel operator that the hotel marketplace facilitator assumes the rights and duties of a hotel operator under this Act with respect to rentals, leases, or lettings made by the marketplace hotel operator

through the hotel marketplace;

(2) certify, upon request, to the marketplace hotel operator that the hotel marketplace facilitator assumes the rights and duties of a hotel operator under this Act with respect to rentals, leases, or lettings made by the marketplace hotel operator through the hotel marketplace; and

(3) remit taxes imposed by this Act as required by this Act for all rentals, leases, and lettings made through the hotel marketplace.

(b-20) For any rentals, leases, and lettings made through a hotel marketplace involving 2 or more parties that meet the definition of hotel marketplace facilitator, nothing in this Section shall prohibit those parties from making an agreement regarding which party shall be responsible for collecting and remitting taxes imposed by this Act, so long as the party so responsible is registered with the State for purposes of remitting the taxes imposed by this Act. If the parties enter into an agreement described in this subsection, the party that agrees to collect and remit the taxes imposed by this Act shall be the sole party liable for the taxes imposed by this Act, and the other parties to the agreement are not liable for the tax. Any party subject to such an agreement must keep a copy of the agreement in its books and records and provide a copy to the Department upon request.

(b-25) A marketplace hotel operator shall retain books and

records, including certificates provided by the hotel marketplace facilitator under paragraph (2) of subsection (b-15), for all rentals, leases, and lettings made through a hotel marketplace in accordance with the requirements of this Act.

(b-30) A hotel marketplace facilitator is subject to audit on all hotel marketplace rentals, leases, and lettings for which it is the hotel operator but shall not be liable for tax or subject to audit on rentals, leases, or lettings made by marketplace hotel operators outside of the hotel marketplace.

(b-35) Nothing in this Section shall allow the Department to collect hotel operators' occupation taxes from both the hotel marketplace facilitator and marketplace hotel operator on the same transaction.

(c) No funds received pursuant to this Act shall be used to advertise for or otherwise promote new competition in the hotel business.

(d) However, such tax is not imposed upon the privilege of engaging in any business in Interstate Commerce or otherwise, which business may not, under the Constitution and Statutes of the United States, be made the subject of taxation by this State. In addition, the tax is not imposed upon gross rental receipts for which the hotel operator is prohibited from obtaining reimbursement for the tax from the customer by reason of a federal treaty.

(d-5) On and after July 1, 2017, the tax imposed by this

Act shall not apply to gross rental receipts received by an entity that is organized and operated exclusively for religious purposes and possesses an active Exemption Identification Number issued by the Department pursuant to the Retailers' Occupation Tax Act when acting as a hotel operator renting, leasing, or letting rooms:

(1) in furtherance of the purposes for which it is organized; or

(2) to entities that (i) are organized and operated exclusively for religious purposes, (ii) possess an active Exemption Identification Number issued by the Department pursuant to the Retailers' Occupation Tax Act, and (iii) rent the rooms in furtherance of the purposes for which they are organized.

No gross rental receipts are exempt under paragraph (2) of this subsection (d-5) unless the hotel operator obtains the active Exemption Identification Number from the exclusively religious entity to whom it is renting and maintains that number in its books and records. Gross rental receipts from all rentals other than those described in items (1) or (2) of this subsection (d-5) are subject to the tax imposed by this Act unless otherwise exempt under this Act.

This subsection (d-5) is exempt from the sunset provisions of Section 3-5 of this Act.

(d-10) On and after July 1, 2023, the tax imposed by this Act shall not apply to gross rental receipts received from the

renting, leasing, or letting of rooms to an entity that is organized and operated exclusively by an organization chartered by the United States Congress for the purpose of providing disaster relief and that possesses an active Exemption Identification Number issued by the Department pursuant to the Retailers' Occupation Tax Act if the renting, leasing, or letting of the rooms is in furtherance of the purposes for which the exempt organization is organized. This subsection (d-10) is exempt from the sunset provisions of Section 3-5 of this Act.

(e) Persons subject to the tax imposed by this Act may reimburse themselves for their tax liability under this Act by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with any tax imposed pursuant to Sections 8-3-13 and 8-3-14 of the Illinois Municipal Code, and Section 25.05-10 of "An Act to revise the law in relation to counties".

(f) If any hotel operator collects an amount (however designated) which purports to reimburse such operator for hotel operators' occupation tax liability measured by receipts which are not subject to hotel operators' occupation tax, or if any hotel operator, in collecting an amount (however designated) which purports to reimburse such operator for hotel operators' occupation tax liability measured by receipts which are subject to tax under this Act, collects more from the guest or<u>, until July 1, 2026, from the</u> re-renter than the

operators' hotel operators' occupation tax liability in the transaction is, the guest or re-renter, as applicable, shall have a legal right to claim a refund of such amount from such operator. However, if such amount is not refunded to the guest or re-renter, as applicable, for any reason, the hotel operator is liable to pay such amount to the Department.

Sec. 3-2. No resale exemption for transactions prior to July 1, 2026; hotel marketplace facilitators subject to tax beginning July 1, 2026 ~~tax incurred by re-renters of hotel rooms~~. Until July 1, 2026, a ~~A~~ hotel operator who rents, leases, or lets rooms subject to tax under this Act through ~~to~~ a re-renter of hotel rooms incurs the tax under this Act on the gross rental receipts it receives from that re-renter of hotel rooms and cannot claim any resale exemption. In such situations, the re-renter of hotel rooms incurs tax under this Act on its gross rental receipts as provided in Section 3 of this Act, subject to a credit as provided in Section 3-3 for any reimbursement of tax paid to the hotel operator under subsection (e) of Section 3 of this Act. Beginning July 1, 2026, a hotel operator who rents, leases, or lets rooms subject to tax under this Act through a re-renter of hotel rooms, a hosting platform for short-term rentals, or through any other person who meets the definition of a hotel

marketplace facilitator and who meets the tax remittance threshold under this Act does not incur the tax under this Act. Instead, the hotel marketplace facilitator incurs the tax under this Act in accordance with the provisions of Section 3.

1. the name of the operator;

2. the operator's ~~his~~ residence address and the

address of the operator's ~~his~~ principal place of business and the address of the principal place of business (if that is a different address) from which he engages in business as a hotel operator in this State (including, if required by the Department, the address of each hotel from which rental receipts were received);

3. total amount of rental receipts received by the operator ~~him~~ during the preceding calendar month from engaging in business as a hotel operator during such preceding calendar month;

9. such other reasonable information as the Department may require.

If the operator's average monthly tax liability to the Department does not exceed $200, the Department may authorize the operator's ~~his~~ returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 30 of such year; with the return for April, May and June of a given year being due by July 31 of such year; with the return for July, August and September of a given year being due by October 31 of such year, and with the return for October, November and December of a given year being due by January 31 of the following year.

If the operator's average monthly tax liability to the Department does not exceed $50, the Department may authorize the operator's ~~his~~ returns to be filed on an annual basis, with the return for a given year being due by January 31 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which an operator may file the operator's ~~his~~ return, in the case of any operator who ceases to engage in a kind of business which makes the operator ~~him~~ responsible for filing returns under this Act, such operator shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business

registered with the Department under separate registrations under this Act, such person shall not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In the operator's ~~his~~ return, the operator shall determine the value of any consideration other than money received by the operator ~~him~~ in connection with engaging in business as a hotel operator and the operator ~~he~~ shall include such value in the operator's ~~his~~ return. If any payment provided for in this Section exceeds the operator's liabilities under this Act, as shown on an original return, the Department may authorize the operator to credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the operator, the operator's discount shall be reduced by an amount equal to the difference between the discount as applied to the credit taken and that actually due, and that operator shall be liable for penalties and interest on such difference.

(b) Until July 1, 2024, the Department shall deposit the total net revenue realized from the tax imposed under this Act as provided in this subsection (b). If in any fiscal year the full amount of the then applicable Advance Amount is not repaid into the General Revenue Fund, then the deficiency shall be paid from the amount in the Local Government Distributive Fund that would otherwise be allocated to the City of Chicago under the State Revenue Sharing Act.)

The operator's annual information return to the Department shall also disclose payroll information of the operator's business during the year

Section 50-5. The Senior Citizens Real Estate Tax Deferral Act is amended by changing Section 3 as follows:

(320 ILCS 30/3) (from Ch. 67 1/2, par. 453)

Sec. 3. A taxpayer may, on or before March 1 of each year, apply to the county collector of the county where his qualifying property is located, or to the official designated by a unit of local government to collect special assessments on the qualifying property, as the case may be, for a deferral of all or a part of real estate taxes payable during that year for the preceding year in the case of real estate taxes other than special assessments, or for a deferral of any installments payable during that year in the case of special assessments, on all or part of his qualifying property. The application shall be on a form prescribed by the Department and furnished by the collector, (a) showing that the applicant will be 65 years of age or older by June 1 of the year for which a tax deferral is claimed, (b) describing the property and verifying that the property is qualifying property as defined in Section 2, (c) certifying that the taxpayer has owned and occupied as his residence such property or other qualifying property in the State for at least the last 3 years except for any periods during which the taxpayer may have

temporarily resided in a nursing or sheltered care home, and (d) specifying whether the deferral is for all or a part of the taxes, and, if for a part, the amount of deferral applied for. As to qualifying property not having a separate assessed valuation, the taxpayer shall also file with the county collector a written appraisal of the property prepared by a qualified real estate appraiser together with a certificate signed by the appraiser stating that he has personally examined the property and setting forth the value of the land and the value of the buildings thereon occupied by the taxpayer as his residence. The county collector may use eligibility for the Low-Income Senior Citizens Assessment Freeze Homestead Exemption under Section 15-172 of the Property Tax Code as qualification for items (a) and (c).

The collector shall grant the tax deferral provided such deferral does not exceed funds available in the Senior Citizens Real Estate Deferred Tax Revolving Fund and provided that the owner or owners of such real property have entered into a tax deferral and recovery agreement with the collector on behalf of the county or other unit of local government, which agreement expressly states:

(1) That the total amount of taxes deferred under this Act, plus interest, for the year for which a tax deferral is claimed as well as for those previous years for which taxes are not delinquent and for which such deferral has been claimed may not exceed 80% of the taxpayer's equity

interest in the property for which taxes are to be deferred and that, if the total deferred taxes plus interest equals 80% of the taxpayer's equity interest in the property, the taxpayer shall thereafter pay the annual interest due on such deferred taxes plus interest so that total deferred taxes plus interest will not exceed such 80% of the taxpayer's equity interest in the property. Effective as of the January 1, 2011 assessment year or tax year 2012 and through the 2021 tax year, the total amount of any such deferral shall not exceed $5,000 per taxpayer in each tax year. For the 2022 tax year and every tax year thereafter ~~after~~, the total amount of any such deferral shall not exceed $7,500 per taxpayer in each tax year.

(2) That any real estate taxes deferred under this Act and taxes paid by the Department of Revenue under this Act and any interest accrued thereon are a lien on the real estate and improvements thereon until paid and that the real estate taxes deferred under this Act and taxes paid by the Department of Revenue under this Act, together with all interest and costs that may accrue on those amounts, shall be a prior and first lien on the property, superior to all other liens and encumbrances, until the deferred taxes and taxes paid by the Department of Revenue, interest, and costs are paid in accordance with this Act. If the taxes deferred are for a tax year prior to 2023, then interest shall accrue at the rate of 6% per year. If

the taxes deferred are for the 2023 tax year or any tax year thereafter, then interest shall accrue at the rate of 3% per year. No sale or transfer of such real property may be legally closed and recorded until the taxes which would otherwise have been due on the property, plus accrued interest, have been paid unless the collector certifies in writing that an arrangement for prompt payment of the amount due has been made with his office. The same shall apply if the property is to be made the subject of a contract of sale.

(3) That, upon the death of the taxpayer claiming the deferral, the heirs-at-law, assignees, or legatees shall have first priority to the real property upon which taxes have been deferred by paying in full the total taxes which would otherwise have been due, plus interest. However, if such heir-at-law, assignee, or legatee is a surviving spouse, the tax deferred status of the property shall be continued during the life of that surviving spouse if the spouse is 55 years of age or older within 6 months of the date of death of the taxpayer and enters into a tax deferral and recovery agreement before the time when deferred taxes become due under this Section. Any additional taxes deferred, plus interest, on the real property under a tax deferral and recovery agreement signed by a surviving spouse shall be added to the taxes and interest which would otherwise have been due, and the

payment of which has been postponed during the life of such surviving spouse, in determining the 80% equity requirement provided by this Section.

(4) That if the taxes due, plus interest, are not paid by the heir-at-law, assignee or legatee or if payment is not postponed during the life of a surviving spouse, the deferred taxes and interest shall be recovered from the estate of the taxpayer within one year of the date of his death. In addition, deferred real estate taxes and any interest accrued thereon are due within 90 days after any tax deferred property ceases to be qualifying property as defined in Section 2.

If payment is not made when required by this Section, foreclosure proceedings may be instituted under the Property Tax Code.

(5) That any joint owner has given written prior approval for such agreement, which written approval shall be made a part of such agreement.

(6) That a guardian for a person under legal disability appointed for a taxpayer who otherwise qualifies under this Act may act for the taxpayer in complying with this Act.

(7) That a taxpayer or his agent has provided to the satisfaction of the collector, sufficient evidence that the qualifying property on which the taxes are to be deferred is insured against fire or casualty loss for at

least the total amount of taxes which have been deferred.

If the taxes to be deferred are special assessments, the unit of local government making the assessments shall forward a copy of the agreement entered into pursuant to this Section and the bills for such assessments to the county collector of the county in which the qualifying property is located.

Notwithstanding any provision of law to the contrary, the real estate taxes deferred under this Act and taxes paid by the Department of Revenue under this Act, together with all interest and costs that may accrue on those amounts, shall be a prior and first lien on the property, superior to all other liens and encumbrances, until the deferred taxes and taxes paid by the Department of Revenue, interest, and costs are paid in accordance with this Act.

Section 65-5. The State Finance Act is amended by changing Section 6z-22 as follows:

(30 ILCS 105/6z-22) (from Ch. 127, par. 142z-22)

Sec. 6z-22. Viable public guardianship and advocacy programs, including the public guardianship programs created and supervised in probate proceedings in State courts, are essential to the administration of justice and operation of

the court to ensure that incapacitated persons and their estates are protected regardless of their individual capacity to access the courts. Providing independent legal representation for individuals named in proceedings initiated under the Mental Health and Developmental Disabilities Code is essential to the administration of justice and operation of courts so that an individual named in such proceedings, regardless of resources, is afforded counsel that is free of conflicting duties and charged with insuring compliance with the Code's requirements, which is a necessary safeguard to prevent the mental health and developmental disabilities systems from become a tool to oppress rather than serve society. To defray the expense of maintaining and operating the divisions and programs of the Guardianship and Advocacy Commission and to support viable guardianship and advocacy programs throughout the State, each circuit court clerk must remit a portion of the filing and appearance fees, as provided in Section 27.1b of the Clerk of Courts Act, to the State Treasurer for deposit into the Guardianship and Advocacy Fund. All fees or other monies received by the Guardianship and Advocacy Commission incident to the provision of legal or guardianship services to eligible persons or wards pursuant to subsection (i) of Section 5 of the Guardianship and Advocacy Act shall be paid into the Guardianship and Advocacy Fund.

Appropriations for the improvement, development, addition or expansion of legal and guardianship services for eligible

persons or wards pursuant to Section 5 of the Guardianship and Advocacy Act or for the financing of any program designed to provide such improvement, development, addition or expansion of services or for expenses incurred in administering the Human Rights Authority, Legal Advocacy Service and Office of State Guardian are payable from the Guardianship and Advocacy Fund.

In the event that the total of the allocations made as above provided for all taxing districts, during either of such 3 years, exceeds the amount available for distribution the allocation of each taxing district shall be proportionately reduced. Except as provided in Section 13 of this Act, the Department shall then certify, pursuant to appropriation, such allocations to the State Comptroller who shall pay over to the several taxing districts the respective amounts allocated to them.

Any township which receives an allocation based in whole or in part upon personal property taxes which it levied pursuant to Section 6-507 or 6-512 of the Illinois Highway Code and which was previously required to be paid over to a municipality shall immediately pay over to that municipality a proportionate share of the personal property replacement funds which such township receives.

Any municipality or township, other than a municipality with a population in excess of 500,000, which receives an allocation based in whole or in part on personal property taxes which it levied pursuant to Sections 3-1, 3-4 and 3-6 of the Illinois Local Library Act and which was previously required to be paid over to a public library shall immediately pay over to that library a proportionate share of the personal property tax replacement funds which such municipality or township receives; provided that if such a public library has

converted to a library organized under the Illinois Public Library District Act, regardless of whether such conversion has occurred on, after or before January 1, 1988, such proportionate share shall be immediately paid over to the library district which maintains and operates the library. However, any library that has converted prior to January 1, 1988, and which hitherto has not received the personal property tax replacement funds, shall receive such funds commencing on January 1, 1988.

Any township which receives an allocation based in whole or in part on personal property taxes which it levied pursuant to Section 1c of the Public Graveyards Act and which taxes were previously required to be paid over to or used for such public cemetery or cemeteries shall immediately pay over to or use for such public cemetery or cemeteries a proportionate share of the personal property tax replacement funds which the township receives.

Any taxing district which receives an allocation based in whole or in part upon personal property taxes which it levied for another governmental body or school district in Cook County in 1976 or for another governmental body or school district in the remainder of the State in 1977 shall immediately pay over to that governmental body or school district the amount of personal property replacement funds which such governmental body or school district would receive directly under the provisions of paragraph (2) of this

Section, had it levied its own taxes.

(1) The portion of the Personal Property Tax Replacement Fund required to be distributed as of the time allocation is required to be made shall be the amount available in such Fund as of the time allocation is required to be made.

The amount available for distribution shall be the total amount in the fund at such time minus the necessary administrative and other authorized expenses as limited by the appropriation and the amount determined by: (a) $2.8 million for fiscal year 1981; (b) for fiscal year 1982, .54% of the funds distributed from the fund during the preceding fiscal year; (c) for fiscal year 1983 through fiscal year 1988, .54% of the funds distributed from the fund during the preceding fiscal year less .02% of such fund for fiscal year 1983 and less .02% of such funds for each fiscal year thereafter; (d) for fiscal year 1989 through fiscal year 2011 no more than 105% of the actual administrative expenses of the prior fiscal year; (e) for fiscal year 2012 and beyond, a sufficient amount to pay (i) stipends, additional compensation, salary reimbursements, and other amounts directed to be paid out of this Fund for local officials as authorized or required by statute and (ii) the ordinary and contingent expenses of the Property Tax Appeal Board and the expenses of the Department of Revenue incurred in administering the

collection and distribution of moneys paid into the Fund; (f) for fiscal years 2012 and 2013 only, a sufficient amount to pay stipends, additional compensation, salary reimbursements, and other amounts directed to be paid out of this Fund for regional offices and officials as authorized or required by statute; (g) for fiscal years 2018 through 2026 only, a sufficient amount to pay amounts directed to be paid out of this Fund for public community college base operating grants and local health protection grants to certified local health departments as authorized or required by appropriation or statute; and (h) for fiscal year 2026 only, a sufficient amount to pay amounts directed to be paid out of this Fund for costs associated with the Illinois Century Network and broadband projects as authorized or required by appropriation or statute. Such portion of the fund shall be determined after the transfer into the General Revenue Fund due to refunds, if any, paid from the General Revenue Fund during the preceding quarter. If at any time, for any reason, there is insufficient amount in the Personal Property Tax Replacement Fund for payments for regional offices and officials or local officials or payment of costs of administration or for transfers due to refunds at the end of any particular month, the amount of such insufficiency shall be carried over for the purposes of payments for regional offices and officials, local officials, transfers

into the General Revenue Fund, and costs of administration to the following month or months. Net replacement revenue held, and defined above, shall be transferred by the Treasurer and Comptroller to the Personal Property Tax Replacement Fund within 10 days of such certification.

(2) Each quarterly allocation shall first be apportioned in the following manner: 51.65% for taxing districts in Cook County and 48.35% for taxing districts in the remainder of the State.

The Personal Property Replacement Ratio of each taxing district outside Cook County shall be the ratio which the Tax Base of that taxing district bears to the Downstate Tax Base. The Tax Base of each taxing district outside of Cook County is the personal property tax collections for that taxing district for the 1977 tax year. The Downstate Tax Base is the personal property tax collections for all taxing districts in the State outside of Cook County for the 1977 tax year. The Department of Revenue shall have authority to review for accuracy and completeness the personal property tax collections for each taxing district outside Cook County for the 1977 tax year.

The Personal Property Replacement Ratio of each Cook County taxing district shall be the ratio which the Tax Base of that taxing district bears to the Cook County Tax Base. The Tax Base of each Cook County taxing district is the personal property tax collections for that taxing district for the 1976 tax year. The Cook County Tax Base is the personal property tax

collections for all taxing districts in Cook County for the 1976 tax year. The Department of Revenue shall have authority to review for accuracy and completeness the personal property tax collections for each taxing district within Cook County for the 1976 tax year.

For all purposes of this Section 12, amounts paid to a taxing district for such tax years as may be applicable by a foreign corporation under the provisions of Section 7-202 of the Public Utilities Act, as amended, shall be deemed to be personal property taxes collected by such taxing district for such tax years as may be applicable. The Director shall determine from the Illinois Commerce Commission, for any tax year as may be applicable, the amounts so paid by any such foreign corporation to any and all taxing districts. The Illinois Commerce Commission shall furnish such information to the Director. For all purposes of this Section 12, the Director shall deem such amounts to be collected personal property taxes of each such taxing district for the applicable tax year or years.

Taxing districts located both in Cook County and in one or more other counties shall receive both a Cook County allocation and a Downstate allocation determined in the same way as all other taxing districts.

If any taxing district in existence on July 1, 1979 ceases to exist, or discontinues its operations, its Tax Base shall thereafter be deemed to be zero. If the powers, duties and

obligations of the discontinued taxing district are assumed by another taxing district, the Tax Base of the discontinued taxing district shall be added to the Tax Base of the taxing district assuming such powers, duties and obligations.

If 2 or more taxing districts in existence on July 1, 1979, or a successor or successors thereto shall consolidate into one taxing district, the Tax Base of such consolidated taxing district shall be the sum of the Tax Bases of each of the taxing districts which have consolidated.

If a single taxing district in existence on July 1, 1979, or a successor or successors thereto shall be divided into 2 or more separate taxing districts, the tax base of the taxing district so divided shall be allocated to each of the resulting taxing districts in proportion to the then current equalized assessed value of each resulting taxing district.

If a portion of the territory of a taxing district is disconnected and annexed to another taxing district of the same type, the Tax Base of the taxing district from which disconnection was made shall be reduced in proportion to the then current equalized assessed value of the disconnected territory as compared with the then current equalized assessed value within the entire territory of the taxing district prior to disconnection, and the amount of such reduction shall be added to the Tax Base of the taxing district to which annexation is made.

If a community college district is created after July 1,

1979, beginning on January 1, 1996 (the effective date of Public Act 89-327), its Tax Base shall be 3.5% of the sum of the personal property tax collected for the 1977 tax year within the territorial jurisdiction of the district.

The amounts allocated and paid to taxing districts pursuant to the provisions of Public Act 81-1st Special Session-1 shall be deemed to be substitute revenues for the revenues derived from taxes imposed on personal property pursuant to the provisions of the "Revenue Act of 1939" or "An Act for the assessment and taxation of private car line companies", approved July 22, 1943, as amended, or Section 414 of the Illinois Insurance Code, prior to the abolition of such taxes and shall be used for the same purposes as the revenues derived from ad valorem taxes on real estate.

Monies received by any taxing districts from the Personal Property Tax Replacement Fund shall be first applied toward payment of the proportionate amount of debt service which was previously levied and collected from extensions against personal property on bonds outstanding as of December 31, 1978 and next applied toward payment of the proportionate share of the pension or retirement obligations of the taxing district which were previously levied and collected from extensions against personal property. For each such outstanding bond issue, the County Clerk shall determine the percentage of the debt service which was collected from extensions against real estate in the taxing district for 1978 taxes payable in 1979,

as related to the total amount of such levies and collections from extensions against both real and personal property. For 1979 and subsequent years' taxes, the County Clerk shall levy and extend taxes against the real estate of each taxing district which will yield the said percentage or percentages of the debt service on such outstanding bonds. The balance of the amount necessary to fully pay such debt service shall constitute a first and prior lien upon the monies received by each such taxing district through the Personal Property Tax Replacement Fund and shall be first applied or set aside for such purpose. In counties having fewer than 3,000,000 inhabitants, the amendments to this paragraph as made by Public Act 81-1255 shall be first applicable to 1980 taxes to be collected in 1981.

For the purpose of computing this tax, in no event shall the "selling price" be less than the cost price to the serviceman of the tangible personal property transferred. The selling price of each item of tangible personal property transferred as an incident of a sale of service may be shown as a distinct and separate item on the serviceman's billing to the service customer. If the selling price is not so shown, the selling price of the tangible personal property is deemed to

be 50% of the serviceman's entire billing to the service customer. When, however, a serviceman contracts to design, develop, and produce special order machinery or equipment, the tax imposed by this Act shall be based on the serviceman's cost price of the tangible personal property transferred incident to the completion of the contract.

If, at any time, however, the tax under this Act on sales of gasohol, as defined in the Use Tax Act, is imposed at the rate of 1.25%, then the tax imposed by

this Act applies to 100% of the proceeds of sales of gasohol made during that time.

For purposes of this

paragraph, "used for commercial purposes" means the transportation of persons or property in furtherance of any commercial or industrial enterprise whether for-hire or not.

(25) Except as provided in items (25-5) and (25-6) of this Section, a motor vehicle sold in this State to a nonresident even though the motor vehicle is delivered to the nonresident in this State, if the motor vehicle is not to be titled in this State, and if a drive-away permit is issued to the motor vehicle as provided in Section 3-603 of the Illinois Vehicle Code or if the nonresident purchaser has vehicle registration plates to transfer to the motor vehicle upon returning to his or her home state. The issuance of the drive-away permit or having the out-of-state registration plates to be transferred is prima facie evidence that the motor vehicle will not be titled in this State.

(25-5) The exemption under item (25) does not apply if the state in which the motor vehicle will be titled does not allow a reciprocal exemption for a motor vehicle sold and delivered in that state to an Illinois resident but titled in Illinois. The tax collected under this Act on the sale of a motor vehicle in this State to a resident of another state that does not allow a reciprocal exemption shall be imposed at a rate equal to the state's rate of tax on taxable property in the state in which the purchaser is a resident, except that the tax shall not exceed the tax that would otherwise be imposed under this Act. At the time of the sale, the purchaser shall execute a statement, signed under penalty of perjury, of his or her intent to title the vehicle in the state in which the purchaser is a resident within 30 days after the sale and of the fact of the payment to the State of Illinois of tax in an amount equivalent to the state's rate of tax on taxable property in his or her state of residence and shall submit the statement to the appropriate tax collection agency in his or her state of residence. In addition, the retailer must retain a signed copy of the statement in his or her records. Nothing in this item shall be construed to require the removal of the vehicle from this state following the filing of an intent to title the vehicle in the purchaser's state of residence if the purchaser titles the vehicle in his or her state of residence within 30 days

after the date of sale. The tax collected under this Act in accordance with this item (25-5) shall be proportionately distributed as if the tax were collected at the 6.25% general rate imposed under this Act.

(25-6) There is a rebuttable presumption that the exemption under item (25) does not apply if the purchaser is a limited liability company and a member of the limited liability company is a resident of Illinois. This presumption may be rebutted by other evidence, such as evidence the motor vehicle is insured at a garaging or storage address outside Illinois or other evidence of the physical address at which the motor vehicle will be permanently stored or garaged outside Illinois.

(25-7) Beginning on July 1, 2007, no tax is imposed under this Act on the sale of an aircraft, as defined in Section 3 of the Illinois Aeronautics Act, if all of the following conditions are met:

(2) the aircraft is not based or registered in this State after the sale of the aircraft; and

Sec. 2-13. Remote Retailer Amnesty Program.

(a) As used in this Section:

"Eligibility period" means the period from January 1, 2021 through June 30, 2026.

"Eligible transaction" means the sale of tangible personal property by a remote retailer to an Illinois customer that

occurs during the eligibility period and that requires the remote retailer to ship or otherwise deliver the tangible personal property to an address in the State.

"Local retailers' occupation tax" means a retailers' occupation tax imposed by a municipality, county, or other unit of local government and administered by the Department.

"Program" means the Remote Retailer Amnesty Program established under this Section.

"Remote retailer" means a remote retailer, as defined in Section 1 of this Act, who has met a tax remittance threshold under subsection (b) of Section 2 of this Act for all or part of the eligibility period and who is participating in the Program established under this Section.

"Remote retailer amnesty period" means the period from August 1, 2026 through October 31, 2026, during which the Department will accept returns and payment of State and local retailers' occupation taxes at the simplified retailers' occupation tax rate for eligible transactions that occur during the eligibility period.

"Simplified retailers' occupation tax rate" means the combined State and average local retailers' occupation tax rate imposed on remote retailers participating in the Program. The simplified retailers' occupation tax rate shall be (i) 9% of the gross receipts from sales of tangible personal property that are subject to the 6.25% State rate of tax imposed by Section 2-10 of this Act or (ii) 1.75% of the gross receipts

from sales of (A) tangible personal property that is subject to the 1% State rate of tax imposed by Section 2-10 of this Act and (B) food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934 ~~beverages~~, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption), regardless of the applicable rate of tax.

"Taxing jurisdiction" means a municipality, county, or other unit of local government that imposes a local retailers' occupation tax.

(b) The Department shall establish a Remote Retailer Amnesty Program for remote retailers that owe State or local retailers' occupation taxes on eligible transactions. The Program shall operate during the remote retailer amnesty period.

The Program shall allow a remote retailer who participates in the Program to report and remit, at the simplified retailers' occupation tax rate, State and local retailers' occupation taxes that are due in connection with eligible transactions. The payment shall be made by the remote retailer during the remote retailer amnesty period and shall be in lieu of reporting and remitting State and local retailers' occupation taxes at the rate otherwise provided by law. The payment of the tax at the simplified retailers' occupation tax

rate relieves the remote retailer of any additional State or local retailers' occupation taxes with respect to the eligible transaction.

The Program shall provide that, if the remote retailer satisfies its State and local retailers' occupation tax liability during the remote retailer amnesty period by reporting and remitting payment to the Department at the simplified retailers' occupation tax rate, the Department shall abate and not seek to collect any interest or penalties that may be applicable with respect to those eligible transactions, and the Department shall not seek civil or criminal prosecution of the remote retailer for the period of time for which amnesty has been granted to the retailer. The remote retailer must make full payment of all State and local retailers' occupation taxes due with respect to the remote retailer's eligible transactions, using the simplified retailers' occupation tax rate, during the remote retailer amnesty period for amnesty to be granted, unless the remote retailer enters into an approved repayment plan with the Department during the remote retailer amnesty period. In that case, amnesty shall be granted upon successful completion of the repayment plan as long as the taxpayer remains in compliance with the terms of the payment plan throughout its duration. Failure to pay all taxes due using the simplified retailers' occupation tax rate for the eligible period, unless tax has previously been remitted using the applicable State

and local retailers' occupation tax rates, shall invalidate any amnesty granted under this Act, and all retailers' occupation tax due for the eligible period shall be due at the applicable State and local rate for the particular selling location.

(c) Amnesty shall be granted only if all amnesty conditions are satisfied by the taxpayer. The amnesty provided by this Section shall be granted to any remote retailer who, during the remote retailer amnesty period, files all returns and remits all State and local retailers' occupation tax on all eligible transactions using the simplified retailers' occupation tax rate or otherwise applicable State and local retailers' occupation tax rates due for all of the remote retailer's eligible transactions. In addition, the following requirements apply to the Program:

(1) to participate in the Program, the remote retailers must be registered with the Department as set out in Section 2a of this Act;

(2) returns filed under the Program shall be filed electronically in the manner prescribed by the Department in Section 3 of this Act and shall be filed only during the remote retailer amnesty period;

(3) the remote retailer shall remit the tax at the simplified retailers' occupation tax rate or, if the tax was collected, in the amount of the tax collected, whichever is greater; the required reporting for each

return period from the remote retailer shall include only statewide totals of the retailers' occupation taxes remitted at the simplified retailers' occupation tax rate and shall not require information related to the location of purchasers or amount of sales into a specific taxing jurisdiction;

(4) amnesty is not available for any retailers' occupation tax remitted to the Department prior to the remote retailer amnesty program period by the remote retailer;

(5) amnesty shall not be granted to taxpayers who are a party to any criminal investigation or to any civil or criminal litigation that is pending in any circuit court, any appellate court, or the Supreme Court of this State for nonpayment, delinquency, or fraud in relation to any State tax imposed by any law of the State of Illinois;

(6) amnesty shall not be granted to taxpayers who commit fraud or intentional misrepresentation of a material fact in any document filed under the Remote Retailer Amnesty Program; and

(7) amnesty is applicable only to retailers' occupation taxes due from the remote retailer in his or her capacity as a remote retailer and not to any other taxes that may be owed by the remote retailer pursuant to another tax Act.

(d) Except as otherwise provided in paragraph (3) of

subsection (c), no remote retailer shall be required to remit the tax at a rate greater than 9% or 1.75%, as applicable, regardless of the combined actual tax rates that may otherwise be applicable. Additionally, no gross receipts for which State and local retailers' occupation tax is remitted at the simplified retailers' occupation tax rate shall be subject to any additional retailers' occupation tax from any taxing jurisdiction imposing a retailers' occupation tax with respect to the sale of the property, regardless of the actual tax rate that might have otherwise been applicable.

(e) The remote retailer shall remit the State and local retailers' occupation tax at the simplified rate on all gross receipts from sales of tangible personal property into Illinois unless the remote retailer can produce a valid exemption number or certificate, resale certificate, or direct pay permit issued by the Department. The remote retailer shall retain all exemption numbers or certificates, resale certificates, or direct pay permits in its books and records, or in such other manner as directed by the Department.

(f) Remote retailers shall maintain records of all eligible transactions, including copies of invoices showing the purchaser, the purchase amount, the taxes collected, and the retailers' occupation tax remitted. Records must be kept documenting all tangible personal property sold for which the 1.75% simplified retailers' occupation tax rate is used to verify that the tangible personal property qualifies for the

1% State tax rate imposed under Section 2-10 of this Act. Those records shall be made available for review and inspection upon request by the Department. Remote retailers participating in the Program remain subject to audit by the Department as provided in this Act. Remote retailers participating in the Program shall not be subject to audit or review by any unit of local government under the Local Government Revenue Recapture Act.

(g) The net revenue realized at the 9% rate under this Section shall be deposited as follows: (i) notwithstanding the provisions of Section 3 of the Retailer's Occupation Tax Act to the contrary, the net revenue realized from the portion of the rate in excess of 5% shall be deposited into the State and Local Sales Tax Reform Fund and (ii) the net revenue realized from the 5% portion of the rate shall be deposited as provided in this Section 3 of the Retailers' Occupation Tax Act for the 5% portion of the 6.25% general rate imposed under this Act. The net revenue realized at the 1.75% rate under this Section shall be deposited into the State and Local Sales Tax Reform Fund.

(h) The Department may adopt rules related to the implementation, administration, and participation in the Program. The Department shall have exclusive responsibility for reviewing and accepting applications for participation and for the administration, return processing, and review of the eligibility of remote retailers participating in the Program.

Section 70-50. The Hotel Operators' Occupation Tax Act is amended by changing Section 3 as follows:

(35 ILCS 145/3) (from Ch. 120, par. 481b.33)

Sec. 3. Rate; exemptions.

(a) A tax is imposed upon hotel operators at the rate of 5% of 94% of the gross rental receipts from engaging in business as a hotel operator, excluding, however, from gross rental receipts, the proceeds of renting, leasing or letting hotel rooms to permanent residents of a hotel and proceeds from the tax imposed under subsection (c) of Section 13 of the Metropolitan Pier and Exposition Authority Act.

(b) There shall be imposed an additional tax upon hotel operators at the rate of 1% of 94% of the gross rental receipts received by the hotel operator from engaging in business as a hotel operator, excluding, however, from gross rental receipts, the proceeds of such renting, leasing or letting to permanent residents of that hotel and proceeds from the tax imposed under subsection (c) of Section 13 of the Metropolitan Pier and Exposition Authority Act.

(b-5) Beginning on July 1, 2024 and through June 30, 2026, if the renting, leasing, or letting of a hotel room is done

through a re-renter of hotel rooms, then, subject to the provisions of Sections 3-2 and 3-3, the re-renter is the hotel operator for the purposes of the taxes under subsections (a) and (b). If the re-renter is headquartered outside of this State and has no presence in this State other than its business as a re-renter, conducted remotely, then, subject to the provisions of Sections 3-2 and 3-3, such re-renter is the hotel operator for the purposes of the taxes under subsections (a) and (b) if it meets one of the following thresholds:

(1) the cumulative gross receipts from rentals in Illinois by the re-renter of hotel rooms are $100,000 or more; or

(2) the re-renter of hotel rooms cumulatively enters into 200 or more separate transactions for rentals in Illinois.

A re-renter of hotel rooms who is headquartered outside of this State and has no presence in this State other than its business as a re-renter, conducted remotely, shall determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the threshold of either paragraph (1) or (2) of this subsection (b-5) for the preceding 12-month period. If such re-renter of hotel rooms meets the threshold of either paragraph (1) or (2) for a 12-month period, he or she is subject to tax under this Act and is required to remit the tax imposed under this Act and file returns for the 12-month period beginning on the first day of

the next month after he or she determines that he or she meets the threshold of paragraph (1) or (2). At the end of that 12-month period, such re-renter of hotel rooms shall determine whether he or she continued to meet the threshold of either paragraph (1) or (2) during the preceding 12-month period. If he or she met the threshold in either paragraph (1) or (2) for the preceding 12-month period, he or she is a hotel operator in this State and is required to remit the tax imposed under this Act and file returns for the subsequent 12-month period. If, at the end of a 12-month period during which such re-renter is required to remit the tax imposed under this Act, the re-renter determines that he or she did not meet the threshold in either paragraph (1) or (2) during the preceding 12-month period, he or she shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the threshold of either paragraph (1) or (2) for the preceding 12-month period.

(b-40) Beginning on July 1, 2026, if the re-renter is headquartered outside of this State and has no presence in this State other than its business as a re-renter, conducted remotely, then, subject to the provisions of Sections 3-2 and 3-3, that re-renter is the hotel operator for the purposes of the taxes under subsections (a) and (b) if the cumulative gross receipts from rentals in Illinois by the re-renter of hotel rooms are $100,000 or more.

A re-renter of hotel rooms who is headquartered outside of

this State and has no presence in this State other than its business as a re-renter, conducted remotely, shall determine on a quarterly basis, ending on the last day of March, June, September, and December, whether it meets the threshold of this subsection for the preceding 12-month period. If the re-renter of hotel rooms meets the threshold for a 12-month period, it is subject to tax under this Act and is required to remit the tax imposed under this Act and file returns for the 12-month period beginning on the first day of the next month after it determines that it meets the threshold. At the end of that 12-month period, the re-renter of hotel rooms shall determine whether it continued to meet the threshold during the preceding 12-month period. If the re-renter met the threshold for the preceding 12-month period, it is a hotel operator in this State and is required to remit the tax imposed under this Act and file returns for the subsequent 12-month period. If, at the end of a 12-month period during which such re-renter is required to remit the tax imposed under this Act, the re-renter determines that it did not meet the threshold during the preceding 12-month period, it shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether it meets the threshold for the preceding 12-month period.

(c) No funds received pursuant to this Act shall be used to advertise for or otherwise promote new competition in the hotel business.

(d) However, such tax is not imposed upon the privilege of engaging in any business in Interstate Commerce or otherwise, which business may not, under the Constitution and Statutes of the United States, be made the subject of taxation by this State. In addition, the tax is not imposed upon gross rental receipts for which the hotel operator is prohibited from obtaining reimbursement for the tax from the customer by reason of a federal treaty.

(d-5) On and after July 1, 2017, the tax imposed by this Act shall not apply to gross rental receipts received by an entity that is organized and operated exclusively for religious purposes and possesses an active Exemption Identification Number issued by the Department pursuant to the Retailers' Occupation Tax Act when acting as a hotel operator renting, leasing, or letting rooms:

(1) in furtherance of the purposes for which it is organized; or

(2) to entities that (i) are organized and operated exclusively for religious purposes, (ii) possess an active Exemption Identification Number issued by the Department pursuant to the Retailers' Occupation Tax Act, and (iii) rent the rooms in furtherance of the purposes for which they are organized.

No gross rental receipts are exempt under paragraph (2) of this subsection (d-5) unless the hotel operator obtains the active Exemption Identification Number from the exclusively

religious entity to whom it is renting and maintains that number in its books and records. Gross rental receipts from all rentals other than those described in items (1) or (2) of this subsection (d-5) are subject to the tax imposed by this Act unless otherwise exempt under this Act.

This subsection (d-5) is exempt from the sunset provisions of Section 3-5 of this Act.

(d-10) On and after July 1, 2023, the tax imposed by this Act shall not apply to gross rental receipts received from the renting, leasing, or letting of rooms to an entity that is organized and operated exclusively by an organization chartered by the United States Congress for the purpose of providing disaster relief and that possesses an active Exemption Identification Number issued by the Department pursuant to the Retailers' Occupation Tax Act if the renting, leasing, or letting of the rooms is in furtherance of the purposes for which the exempt organization is organized. This subsection (d-10) is exempt from the sunset provisions of Section 3-5 of this Act.

(e) Persons subject to the tax imposed by this Act may reimburse themselves for their tax liability under this Act by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with any tax imposed pursuant to Sections 8-3-13 and 8-3-14 of the Illinois Municipal Code, and Section 25.05-10 of "An Act to revise the law in relation to counties".

(f) If any hotel operator collects an amount (however designated) which purports to reimburse such operator for hotel operators' occupation tax liability measured by receipts which are not subject to hotel operators' occupation tax, or if any hotel operator, in collecting an amount (however designated) which purports to reimburse such operator for hotel operators' occupation tax liability measured by receipts which are subject to tax under this Act, collects more from the guest or re-renter than the operators' hotel operators' occupation tax liability in the transaction is, the guest or re-renter, as applicable, shall have a legal right to claim a refund of such amount from such operator. However, if such amount is not refunded to the guest or re-renter, as applicable, for any reason, the hotel operator is liable to pay such amount to the Department.

Section 70-55. The Motor Fuel Tax Law is amended by changing Section 21 as follows:

(35 ILCS 505/21) (from Ch. 120, par. 434a)

Sec. 21. The provisions of Sections 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, ~~5h,~~ 5i and 5j, 6, 6a, 6b, 6c (except to the extent that the time limitations for requesting an administrative hearing, the minimum notice requirement for hearings, and the provisions regarding penalties and interest are inconsistent

with this Act), 8, 9, 10 and 12 of the Retailers' Occupation Tax Act which are not inconsistent with this Act, and Section 3-7 of the Uniform Penalty and Interest Act, shall apply as far as practicable to the subject matter of this Act to the same extent as if those provisions were included in this Act.

(35 ILCS 610/Act rep.)

Section 70-60. The Messages Tax Act is repealed.

Section 70-65. The Innovation Development and Economy Act is amended by changing Section 31 as follows:

(50 ILCS 470/31)

Sec. 31. STAR bond occupation taxes.

(a) If the corporate authorities of a political subdivision have established a STAR bond district and have elected to impose a tax by ordinance pursuant to subsection (b) or (c) of this Section, each year after the date of the adoption of the ordinance and until all STAR bond project costs and all political subdivision obligations financing the STAR bond project costs, if any, have been paid in accordance with the STAR bond project plans, but in no event longer than the maximum maturity date of the last of the STAR bonds issued for projects in the STAR bond district, all amounts generated by the retailers' occupation tax and service occupation tax

shall be collected and the tax shall be enforced by the Department of Revenue in the same manner as all retailers' occupation taxes and service occupation taxes imposed in the political subdivision imposing the tax. The corporate authorities of the political subdivision shall deposit the proceeds of the taxes imposed under subsections (b) and (c) into either (i) a special fund held by the corporate authorities of the political subdivision called the STAR Bonds Tax Allocation Fund for the purpose of paying STAR bond project costs and obligations incurred in the payment of those costs if such taxes are designated as pledged STAR revenues by resolution or ordinance of the political subdivision or (ii) the political subdivision's general corporate fund if such taxes are not designated as pledged STAR revenues by resolution or ordinance.

The tax imposed under this Section by a municipality may be imposed only on the portion of a STAR bond district that is within the boundaries of the municipality. For any part of a STAR bond district that lies outside of the boundaries of that municipality, the municipality in which the other part of the STAR bond district lies (or the county, in cases where a portion of the STAR bond district lies in the unincorporated area of a county) is authorized to impose the tax under this Section on that part of the STAR bond district.

(b) The corporate authorities of a political subdivision that has established a STAR bond district under this Act may,

by ordinance or resolution, impose a STAR Bond Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the STAR bond district at a rate not to exceed 1% of the gross receipts from the sales made in the course of that business, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the tax. The municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be

collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a through 1o, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c through 2h, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k,

5l, 5m, 5n, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsection (c) of this Section.

(c) If a tax has been imposed under subsection (b), a STAR Bond Service Occupation Tax shall also be imposed upon all persons engaged, in the STAR bond district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the STAR bond district, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax shall be imposed at the same rate as the tax imposed in subsection (b) and shall not exceed 1% of the selling price of tangible personal property so transferred within the STAR bond district, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the tax. The

municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under that ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with this subsection, the Department and persons who are subject to this subsection

shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure as are prescribed in Sections 2, 2a through 2d, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the STAR bond district), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the political subdivision), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the political subdivision), the first paragraph of Section 15, and Sections 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

If a tax is imposed under this subsection (c), a tax shall also be imposed under subsection (b) of this Section.

(c-5) If, on January 1, 2025, a unit of local government

has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(d) Persons subject to any tax imposed under this Section may reimburse themselves for their seller's tax liability under this Section by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the STAR Bond Retailers' Occupation Tax Fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties, and interest collected under this Section for deposit into the STAR Bond

Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named political subdivisions from the STAR Bond Retailers' Occupation Tax Fund, the political subdivisions to be those from which retailers have paid taxes or penalties under this Section to the Department during the second preceding calendar month. The amount to be paid to each political subdivision shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, less 3% of that amount, which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the

Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this Section, on behalf of such political subdivision, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the political subdivision. Within 10 days after receipt by the Comptroller of the disbursement certification to the political subdivisions provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification. The proceeds of the tax paid to political subdivisions under this Section shall be deposited into either (i) the STAR Bonds Tax Allocation Fund by the political subdivision if the political subdivision has designated them as pledged STAR revenues by resolution or ordinance or (ii) the political subdivision's general corporate fund if the political subdivision has not designated them as pledged STAR revenues.

An ordinance or resolution imposing or discontinuing the tax under this Section or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this Section are met, shall proceed to administer and enforce this Section as of the first day of July next following the

adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other requirements of this Section are met, the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of the tax under this Section until the political subdivision also provides, in the manner prescribed by the Department, the boundaries of the STAR bond district and each address in the STAR bond district in such a way that the Department can determine by its address whether a business is located in the STAR bond district. The political subdivision must provide this boundary and address information to the Department on or before April 1 for administration and enforcement of the tax under this Section by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this Section by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a STAR bond district or any address change, addition, or deletion until the political subdivision reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The political subdivision must

provide this boundary change or address change, addition, or deletion information to the Department on or before April 1 for administration and enforcement by the Department of the change, addition, or deletion beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change, addition, or deletion beginning on the following January 1. The retailers in the STAR bond district shall be responsible for charging the tax imposed under this Section. If a retailer is incorrectly included or excluded from the list of those required to collect the tax under this Section, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the political subdivision.

A political subdivision that imposes the tax under this Section must submit to the Department of Revenue any other information as the Department may require that is necessary for the administration and enforcement of the tax.

When certifying the amount of a monthly disbursement to a political subdivision under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Nothing in this Section shall be construed to authorize the political subdivision to impose a tax upon the privilege

of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(e) When STAR bond project costs, including, without limitation, all political subdivision obligations financing STAR bond project costs, have been paid, any surplus funds then remaining in the STAR Bonds Tax Allocation Fund shall be distributed to the treasurer of the political subdivision for deposit into the political subdivision's general corporate fund. Upon payment of all STAR bond project costs and retirement of obligations, but in no event later than the maximum maturity date of the last of the STAR bonds issued in the STAR bond district, the political subdivision shall adopt an ordinance immediately rescinding the taxes imposed pursuant to this Section and file a certified copy of the ordinance with the Department in the form and manner as described in this Section.

Section 70-70. The Counties Code is amended by changing Sections 5-1006, 5-1006.5, 5-1006.7, 5-1006.8, 5-1006.9, 5-1008.5, and 5-12001 as follows:

(55 ILCS 5/5-1006) (from Ch. 34, par. 5-1006)

Sec. 5-1006. Home Rule County Retailers' Occupation Tax Law. Any county that is a home rule unit may impose a tax upon

all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from such sales made in the course of their business. If imposed, this tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The changes made to this Section by this amendatory Act of the 101st General Assembly are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

The tax imposed by a home rule county pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers

and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, ~~5h,~~ 5i, 5j, 5k, 5l, 5m, 5n, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule county pursuant to this Section unless the county also imposes a tax at the same rate pursuant to Section 5-1007.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a

credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the home rule county retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Home Rule County Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for

sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named counties, the counties to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such county, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund

under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than $500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is

extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of

October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease such amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

This Section shall be known and may be cited as the Home Rule County Retailers' Occupation Tax Law.

Sec. 5-1006.5. Special County Retailers' Occupation Tax

For Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation.

(a) The county board of any county may impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for public safety, public facility, mental health, substance abuse, or transportation purposes in that county (except as otherwise provided in this Section), if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question. If imposed, this tax shall be imposed only in one-quarter percent increments. By resolution, the county board may order the proposition to be submitted at any election. If the tax is imposed for transportation purposes for expenditures for public highways or as authorized under the Illinois Highway Code, the county board must publish notice of the existence of its long-range highway transportation plan as required or described in Section 5-301 of the Illinois Highway Code and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax. If the tax is imposed for transportation purposes for expenditures for passenger rail transportation, the county board must publish notice of the existence of its

long-range passenger rail transportation plan and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax.

If a tax is imposed for public facilities purposes, then the name of the project may be included in the proposition at the discretion of the county board as determined in the enabling resolution. For example, the "XXX Nursing Home" or the "YYY Museum".

The county clerk shall certify the question to the proper election authority, who shall submit the proposition at an election in accordance with the general election law.

(1) The proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public safety

purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of the paragraph, "public safety purposes" means crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services.

Votes shall be recorded as "Yes" or "No".

Beginning on the January 1 or July 1, whichever is first, that occurs not less than 30 days after May 31, 2015 (the effective date of Public Act 99-4), Adams County may impose a public safety retailers' occupation tax and service occupation tax at the rate of 0.25%, as provided in the referendum approved by the voters on April 7, 2015, notwithstanding the omission of the additional information that is otherwise required to be printed on the ballot

below the question pursuant to this item (1).

(2) The proposition for transportation purposes shall be in substantially the following form:

"To pay for improvements to roads and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for transportation purposes shall be in substantially the following form:

"To pay for road improvements and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an

additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of this paragraph, transportation purposes means construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation.

The votes shall be recorded as "Yes" or "No".

(3) The proposition for public facilities purposes shall be in substantially the following form:

"To pay for public facilities purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public facilities

purposes shall be in substantially the following form:

"To pay for public facilities purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For purposes of this Section, "public facilities purposes" means the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the public facilities, for use by the county for the furnishing of governmental services to its citizens, including, but not limited to, museums and nursing homes.

The votes shall be recorded as "Yes" or "No".

(4) The proposition for mental health purposes shall be in substantially the following form:

"To pay for mental health purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public facilities purposes shall be in substantially the following form:

"To pay for mental health purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end

of (insert number of years), if not terminated earlier by a vote of the county board."

The votes shall be recorded as "Yes" or "No".

(5) The proposition for substance abuse purposes shall be in substantially the following form:

"To pay for substance abuse purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public facilities purposes shall be in substantially the following form:

"To pay for substance abuse purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an

additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

The votes shall be recorded as "Yes" or "No".

If a majority of the electors voting on the proposition vote in favor of it, the county may impose the tax. A county may not submit more than one proposition authorized by this Section to the electors at any one time.

This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under Public Act 102-700 ~~this amendatory Act of the 102nd General Assembly~~). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49

U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The tax imposed by a county under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Illinois Department of Revenue and deposited into a special fund created for that purpose. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter

monthly payments, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, ~~5h,~~ 5i, 5j, 5k, 5l, 5m, 5n, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation Retailers' Occupation Tax Fund or the Local Government Aviation Trust Fund, as appropriate.

(b) If a tax has been imposed under subsection (a), a

service occupation tax shall also be imposed upon all persons engaged in the county in the business of making sales of service, at the same rate of tax imposed under subsection (a), on the selling price of all ~~upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer~~ tangible personal property transferred by the serviceman ~~within the county~~ as an incident to a sale of service. This tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under Public Act 102-700 ~~this amendatory Act of the 102nd General Assembly~~). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The tax imposed under this subsection and all civil penalties that may be assessed as an incident

thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of and compliance with this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the county), 2a, 2b, 2c, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation

Tax Act), 13 (except that any reference to the State shall mean the county), Section 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act, and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation Retailers' Occupation Tax Fund or the Local Government Aviation Trust Fund, as appropriate.

Nothing in this subsection shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States

may not be made the subject of taxation by the State.

(b-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by Public Act 103-592 ~~this amendatory Act of the 103rd General Assembly~~.

(c) Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the County Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation Retailers' Occupation Tax Fund, which shall be an unappropriated trust fund held outside of the State treasury. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the

Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each county, and deposited by the county into its special fund created for the purposes of this Section, shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including (i) an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county, (ii) any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county,

(iii) any amounts that are transferred to the STAR Bonds Revenue Fund, and (iv) 1.5% of the remainder, which shall be transferred into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than $500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar

year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

(d) For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(e-5) If a county imposes a tax under this Section, the county board may, by ordinance, discontinue or lower the rate of the tax. If the county board lowers the tax rate or discontinues the tax, a referendum must be held in accordance with subsection (a) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

(f) Beginning April 1, 1998 and through December 31, 2013, the results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the

rate of tax, or any ordinance lowering the rate or discontinuing the tax, shall be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the filing.

Beginning January 1, 2014, the results of any election authorizing a proposition to impose a tax under this Section or effecting an increase in the rate of tax, along with the ordinance adopted to impose the tax or increase the rate of the tax, or any ordinance adopted to lower the rate or discontinue the tax, shall be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of May, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the adoption and filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the adoption and filing.

(g) When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements. The offset amount

shall be the amount erroneously disbursed within the previous 6 months from the time a miscalculation is discovered.

(g-5) Every county authorized to levy a tax under this Section shall, before it levies such tax, establish a 7-member mental health board, which shall have the same powers and duties and be constituted in the same manner as a community mental health board established under the Community Mental Health Act. Proceeds of the tax under this Section that are earmarked for mental health or substance abuse purposes shall be deposited into a special county occupation tax fund for mental health and substance abuse. The 7-member mental health board established under this subsection shall administer the special county occupation tax fund for mental health and substance abuse in the same manner as the community mental health board administers the community mental health fund under the Community Mental Health Act.

(h) This Section may be cited as the "Special County Occupation Tax For Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation Law".

(i) For purposes of this Section, "public safety" includes, but is not limited to, crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services. The county may share tax proceeds received under this Section for public safety purposes, including proceeds received before August 4, 2009 (the effective date of Public Act 96-124), with any fire protection district located in the

county. For the purposes of this Section, "transportation" includes, but is not limited to, the construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation. For the purposes of this Section, "public facilities purposes" includes, but is not limited to, the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the public facilities, for use by the county for the furnishing of governmental services to its citizens, including, but not limited to, museums and nursing homes.

(j) The Department may promulgate rules to implement Public Act 95-1002 only to the extent necessary to apply the existing rules for the Special County Retailers' Occupation Tax for Public Safety to this new purpose for public facilities.

Sec. 5-1006.7. School facility and resources occupation

taxes.

(a) In any county, a tax shall be imposed upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for (i) school facility purposes (except as otherwise provided in this Section), (ii) school resource officers and mental health professionals, or (iii) school facility purposes, school resource officers, and mental health professionals if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question as provided in subsection (c). The tax under this Section shall be imposed only in one-quarter percent increments and may not exceed 1%.

This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under Public Act 102-700). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under

Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The Department of Revenue has full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this subsection. The Department shall deposit all taxes and penalties collected under this subsection into a special fund created for that purpose.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) are subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) shall employ the same modes of procedure as are set forth in Sections 1 through 1o, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a through 2h, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes

paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, ~~5h,~~ 5i, 5j, 5k, 5l, 5m, 5n, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act as if those provisions were set forth in this subsection.

The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act permits the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their seller's tax liability by separately stating that tax as an additional charge, which may be stated in combination, in a single amount, with State tax that sellers are required to collect under the Use Tax Act, pursuant to any bracketed schedules set forth by the Department.

(b) If a tax has been imposed under subsection (a), then a service occupation tax must also be imposed upon all persons engaged in the county in the business of making sales of service, at the same rate of tax imposed under subsection (a), on the selling price of all ~~upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer~~ tangible

personal property transferred by the serviceman ~~within the county~~ as an incident to a sale of service.

This tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under Public Act 102-700). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department and deposited into a special fund created for that purpose. The Department has full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit

memoranda arising on account of the erroneous payment of a tax or penalty under this subsection.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall (i) have the same rights, remedies, privileges, immunities, powers and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties and definition of terms, and (iii) employ the same modes of procedure as are set forth in Sections 2 (except that that reference to State in the definition of supplier maintaining a place of business in this State means the county), 2a through 2d, 3 through 3-50 (in respect to all provisions contained in those Sections other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax is a debt to the extent indicated in that Section 8 is the county), 9 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State means the county), 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, pursuant to any bracketed schedules set forth by the Department.

(b-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(c) The tax under this Section may not be imposed until the question of imposing the tax has been submitted to the electors of the county at a regular election and approved by a majority of the electors voting on the question. For all regular elections held prior to August 23, 2011 (the effective date of Public Act 97-542), upon a resolution by the county board or a resolution by school district boards that represent at least 51% of the student enrollment within the county, the county board must certify the question to the proper election authority in accordance with the Election Code.

For all regular elections held prior to August 23, 2011

(the effective date of Public Act 97-542), the election authority must submit the question in substantially the following form:

Shall (name of county) be authorized to impose a retailers' occupation tax and a service occupation tax (commonly referred to as a "sales tax") at a rate of (insert rate) to be used exclusively for school facility purposes?

The election authority must record the votes as "Yes" or "No".

If a majority of the electors voting on the question vote in the affirmative, then the county may, thereafter, impose the tax.

For all regular elections held on or after August 23, 2011 (the effective date of Public Act 97-542), the regional superintendent of schools for the county must, upon receipt of a resolution or resolutions of school district boards that represent more than 50% of the student enrollment within the county, certify the question to the proper election authority for submission to the electors of the county at the next regular election at which the question lawfully may be submitted to the electors, all in accordance with the Election Code.

For all regular elections held on or after August 23, 2011 (the effective date of Public Act 97-542) and before August 23, 2019 (the effective date of Public Act 101-455), the

election authority must submit the question in substantially the following form:

Shall a retailers' occupation tax and a service occupation tax (commonly referred to as a "sales tax") be imposed in (name of county) at a rate of (insert rate) to be used exclusively for school facility purposes?

The election authority must record the votes as "Yes" or "No".

If a majority of the electors voting on the question vote in the affirmative, then the tax shall be imposed at the rate set forth in the question.

For all regular elections held on or after August 23, 2019 (the effective date of Public Act 101-455), the election authority must submit the question as follows:

(1) If the referendum is to expand the use of revenues from a currently imposed tax exclusively for school facility purposes to include school resource officers and mental health professionals, the question shall be in substantially the following form:

In addition to school facility purposes, shall (name of county) school districts be authorized to use revenues from the tax commonly referred to as the school facility sales tax that is currently imposed in (name of county) at a rate of (insert rate) for school resource officers and mental health professionals?

(2) If the referendum is to increase the rate of a tax

currently imposed exclusively for school facility purposes at less than 1% and dedicate the additional revenues for school resource officers and mental health professionals, the question shall be in substantially the following form:

Shall the tax commonly referred to as the school facility sales tax that is currently imposed in (name of county) at the rate of (insert rate) be increased to a rate of (insert rate) with the additional revenues used exclusively for school resource officers and mental health professionals?

(3) If the referendum is to impose a tax in a county that has not previously imposed a tax under this Section exclusively for school facility purposes, the question shall be in substantially the following form:

Shall a retailers' occupation tax and a service occupation tax (commonly referred to as a sales tax) be imposed in (name of county) at a rate of (insert rate) to be used exclusively for school facility purposes?

(4) If the referendum is to impose a tax in a county that has not previously imposed a tax under this Section exclusively for school resource officers and mental health professionals, the question shall be in substantially the following form:

Shall a retailers' occupation tax and a service occupation tax (commonly referred to as a sales tax)

be imposed in (name of county) at a rate of (insert rate) to be used exclusively for school resource officers and mental health professionals?

(5) If the referendum is to impose a tax in a county that has not previously imposed a tax under this Section exclusively for school facility purposes, school resource officers, and mental health professionals, the question shall be in substantially the following form:

Shall a retailers' occupation tax and a service occupation tax (commonly referred to as a sales tax) be imposed in (name of county) at a rate of (insert rate) to be used exclusively for school facility purposes, school resource officers, and mental health professionals?

The election authority must record the votes as "Yes" or "No".

If a majority of the electors voting on the question vote in the affirmative, then the tax shall be imposed at the rate set forth in the question.

For the purposes of this subsection (c), "enrollment" means the head count of the students residing in the county on the last school day of September of each year, which must be reported on the Illinois State Board of Education Public School Fall Enrollment/Housing Report.

(d) Except as otherwise provided, the Department shall immediately pay over to the State Treasurer, ex officio, as

trustee, all taxes and penalties collected under this Section to be deposited into the School Facility Occupation Tax Fund, which shall be an unappropriated trust fund held outside the State treasury. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the regional superintendents of schools in counties from which retailers or servicemen have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each regional superintendent of schools and disbursed to him or her in accordance with Section 3-14.31 of the School Code, is equal to the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020) collected from the county under this Section during the second preceding calendar month by the Department, (i) less 2% of that amount (except the amount collected on aviation fuel

sold on or after December 1, 2019 and through December 31, 2020), of which 50% shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this Section, on behalf of the county, and 50% shall be distributed to the regional superintendent of schools to cover the costs in administering and enforcing the provisions of this Section; (ii) plus an amount that the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body; (iii) less an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county; and (iv) less any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county. When certifying the amount of a monthly disbursement to a regional superintendent of schools under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements within the previous 6 months from the time a miscalculation is discovered.

Within 10 days after receipt by the Comptroller from the Department of the disbursement certification to the regional superintendents of the schools provided for in this Section, the Comptroller shall cause the orders to be drawn for the

respective amounts in accordance with directions contained in the certification.

If the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, then the Department shall notify the Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the Treasurer out of the School Facility Occupation Tax Fund or the Local Government Aviation Trust Fund, as appropriate.

(e) For the purposes of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This subsection does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(f) Nothing in this Section may be construed to authorize a tax to be imposed upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(g) If a county board imposes a tax under this Section pursuant to a referendum held before August 23, 2011 (the effective date of Public Act 97-542) at a rate below the rate

set forth in the question approved by a majority of electors of that county voting on the question as provided in subsection (c), then the county board may, by ordinance, increase the rate of the tax up to the rate set forth in the question approved by a majority of electors of that county voting on the question as provided in subsection (c). If a county board imposes a tax under this Section pursuant to a referendum held before August 23, 2011 (the effective date of Public Act 97-542), then the board may, by ordinance, discontinue or reduce the rate of the tax. If a tax is imposed under this Section pursuant to a referendum held on or after August 23, 2011 (the effective date of Public Act 97-542) and before August 23, 2019 (the effective date of Public Act 101-455), then the county board may reduce or discontinue the tax, but only in accordance with subsection (h-5) of this Section. If a tax is imposed under this Section pursuant to a referendum held on or after August 23, 2019 (the effective date of Public Act 101-455), then the county board may reduce or discontinue the tax, but only in accordance with subsection (h-10). If, however, a school board issues bonds that are secured by the proceeds of the tax under this Section, then the county board may not reduce the tax rate or discontinue the tax if that rate reduction or discontinuance would adversely affect the school board's ability to pay the principal and interest on those bonds as they become due or necessitate the extension of additional property taxes to pay the principal and interest on

those bonds. If the county board reduces the tax rate or discontinues the tax, then a referendum must be held in accordance with subsection (c) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

Until January 1, 2014, the results of any election that imposes, reduces, or discontinues a tax under this Section must be certified by the election authority, and any ordinance that increases or lowers the rate or discontinues the tax must be certified by the county clerk and, in each case, filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

Beginning January 1, 2014, the results of any election that imposes, reduces, or discontinues a tax under this Section must be certified by the election authority, and any ordinance that increases or lowers the rate or discontinues the tax must be certified by the county clerk and, in each case, filed with the Illinois Department of Revenue either (i) on or before the first day of May, whereupon the Department shall proceed to administer and enforce the tax or change in

the rate as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

(h) For purposes of this Section, "school facility purposes" means (i) the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the capital facilities and (ii) the payment of bonds or other obligations heretofore or hereafter issued, including bonds or other obligations heretofore or hereafter issued to refund or to continue to refund bonds or other obligations issued, for school facility purposes, provided that the taxes levied to pay those bonds are abated by the amount of the taxes imposed under this Section that are used to pay those bonds. "School facility purposes" also includes fire prevention, safety, energy conservation, accessibility, school security, and specified repair purposes set forth under Section 17-2.11 of the School Code.

(h-5) A county board in a county where a tax has been imposed under this Section pursuant to a referendum held on or

after August 23, 2011 (the effective date of Public Act 97-542) and before August 23, 2019 (the effective date of Public Act 101-455) may, by ordinance or resolution, submit to the voters of the county the question of reducing or discontinuing the tax. In the ordinance or resolution, the county board shall certify the question to the proper election authority in accordance with the Election Code. The election authority must submit the question in substantially the following form:

> Shall the school facility retailers' occupation tax and service occupation tax (commonly referred to as the "school facility sales tax") currently imposed in (name of county) at a rate of (insert rate) be (reduced to (insert rate))(discontinued)?

If a majority of the electors voting on the question vote in the affirmative, then, subject to the provisions of subsection (g) of this Section, the tax shall be reduced or discontinued as set forth in the question.

(h-10) A county board in a county where a tax has been imposed under this Section pursuant to a referendum held on or after August 23, 2019 (the effective date of Public Act 101-455) may, by ordinance or resolution, submit to the voters of the county the question of reducing or discontinuing the tax. In the ordinance or resolution, the county board shall certify the question to the proper election authority in accordance with the Election Code. The election authority must

submit the question in substantially the following form:

Shall the school facility and resources retailers' occupation tax and service occupation tax (commonly referred to as the school facility and resources sales tax) currently imposed in (name of county) at a rate of (insert rate) be (reduced to (insert rate)) (discontinued)?

The election authority must record the votes as "Yes" or "No".

If a majority of the electors voting on the question vote in the affirmative, then, subject to the provisions of subsection (g) of this Section, the tax shall be reduced or discontinued as set forth in the question.

(i) This Section does not apply to Cook County.

Sec. 5-1006.8. County Cannabis Retailers' Occupation Tax Law.

(a) This Section may be referred to as the County Cannabis Retailers' Occupation Tax Law. The corporate authorities of any county may, by ordinance, impose a tax upon all persons engaged in the business of selling cannabis, other than

cannabis purchased under the Compassionate Use of Medical Cannabis Program Act, at retail in the county on the gross receipts from these sales made in the course of that business. If imposed, the tax shall be imposed only in 0.25% increments. The tax rate may not exceed: (i) 3.75% of the gross receipts of sales made in unincorporated areas of the county; and (ii) 3% of the gross receipts of sales made in a municipality located in the county. The tax imposed under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Department of Revenue. The Department of Revenue shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this Section. In the administration of and compliance with this Section, the Department of Revenue and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure, as are described in Sections 1, 1a, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2a, 2b, 2c, 2i, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a,

5b, 5c, 5d, 5e, 5f, 5g, ~~5h,~~ 5i, 5j, 5k, 5l, 5m, 5n, 6, 6a, 6b ~~6bb~~, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as fully as if those provisions were set forth in this Section.

(b) Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with any State tax that sellers are required to collect.

(c) Whenever the Department of Revenue determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department of Revenue shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department of Revenue.

(d) The Department of Revenue shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Local Cannabis Retailers' Occupation Tax Trust Fund.

(e) On or before the 25th day of each calendar month, the Department of Revenue shall prepare and certify to the Comptroller the amount of money to be disbursed from the Local Cannabis Retailers' Occupation Tax Trust Fund to counties from which retailers have paid taxes or penalties under this

Section during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda) collected under this Section from sales made in the county during the second preceding calendar month, plus an amount the Department of Revenue determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such county, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

(f) An ordinance or resolution imposing or discontinuing a tax under this Section or effecting a change in the rate

thereof that is adopted on or after June 25, 2019 (the effective date of Public Act 101-27) and for which a certified copy is filed with the Department on or before April 1, 2020 shall be administered and enforced by the Department beginning on July 1, 2020. For ordinances filed with the Department after April 1, 2020, an ordinance or resolution imposing or discontinuing a tax under this Section or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

(g) Notwithstanding any provision in this Section to the contrary, if an ordinance or resolution imposing a tax under this Section was adopted on or before October 1, 2020 and a certified copy thereof was filed with the Department of Revenue on or before November 1, 2020, then the Department shall proceed to administer and enforce this Section as of May 1, 2021 for such ordinances or resolutions.

Sec. 5-1006.9. County Grocery Occupation Tax Law.

(a) The corporate authorities of any county may, by ordinance or resolution that takes effect on or after January 1, 2026, impose a tax upon all persons engaged in the business of selling groceries at retail in the county, but outside of any municipality, on the gross receipts from those sales made in the course of that business. If imposed, the tax shall be at the rate of 1% of the gross receipts from these sales.

The tax imposed by a county under this subsection and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Department. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted under this subsection without registering separately with the Department under that ordinance or resolution or under this subsection.

The Department shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection; to dispose of taxes and penalties so collected in the manner provided in this Section and under rules adopted by the Department; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection.

In the administration of, and compliance with, this

subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax and other than the exemption for food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934 ~~beverages~~, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption), which is authorized to be taxed as provided in this subsection), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12 and 13 of the Retailers' Occupation Tax Act and all of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their seller's tax liability hereunder by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

(b) If a tax has been imposed under subsection (a), then a service occupation tax must also be imposed ~~at the same rate~~ upon all persons engaged, in the county but outside of a municipality, in the business of making sales of service, at the same rate of tax imposed under subsection (a), on the selling price of all ~~who, as an incident to making those sales of service, transfer~~ groceries, as defined in this Section, transferred by the serviceman as an incident to a sale of service.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under the ordinance or resolution or under this subsection.

The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this Section and under rules adopted by the Department, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this subsection.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure as are set forth in Sections 2, 2c, 3 through 3-50 (in respect to all provisions contained in those Sections other than: (i) the State rate of tax; (ii) the exemption for food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934 ~~beverages~~, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption), which is authorized to be taxed as provided in this subsection; and (iii) the exemption for food prepared for immediate consumption and transferred incident to a sale of service subject to the Service Occupation Tax Act or the Service Use Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act, which is authorized to be taxed as provided in this subsection), 4, 5, 7, 8, 9 (except as to the disposition of taxes and penalties

collected), 10, 11, 12, 13, 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, pursuant to any bracketed schedules set forth by the Department.

(c) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section. Those taxes and penalties shall be deposited into the County Grocery Tax Trust Fund, a trust fund created in the State treasury. Except as otherwise provided in this Section, moneys in the County Grocery Tax Trust Fund shall be used to make payments to counties and for the payment of refunds under this Section.

Moneys deposited into the County Grocery Tax Trust Fund under this Section are not subject to appropriation and shall be used as provided in this Section. All deposits into the County Grocery Tax Trust Fund shall be held in the County Grocery Tax Trust Fund by the State Treasurer, ex officio, as trustee separate and apart from all public moneys or funds of this State.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Grocery Tax Trust Fund.

(d) As soon as possible after the first day of each month, upon certification of the Department, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, if any, as defined in the Innovation Development and Economy Act, collected under this Section.

After the monthly transfer to the STAR Bonds Revenue Fund, if any, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named counties, the counties to be those from which retailers have paid taxes or penalties under this Section to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second

preceding calendar month by the Department on behalf of such county, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the counties provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the amounts in accordance with the directions contained in the certification.

(e) Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(f) Except as otherwise provided in this subsection, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing, or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer

and enforce this Section as of the first day of January next following the adoption and filing.

(g) When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

(h) As used in this Section, "Department" means the Department of Revenue.

For purposes of the tax authorized to be imposed under subsection (a), "groceries" has the same meaning as "food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934 ~~beverages~~, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption)", as further defined in Section 2-10 of the Retailers' Occupation Tax Act.

For purposes of the tax authorized to be imposed under subsection (b), "groceries" has the same meaning as "food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934 ~~beverages~~, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate

consumption)", as further defined in Section 3-10 of the Service Occupation Tax Act.

For purposes of the tax authorized to be imposed under subsection (b), "groceries" also means food prepared for immediate consumption and transferred incident to a sale of service subject to the Service Occupation Tax Act or the Service Use Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act.

(55 ILCS 5/5-1008.5)

Sec. 5-1008.5. Use and occupation taxes.

(a) The Rock Island County Board may adopt a resolution that authorizes a referendum on the question of whether the county shall be authorized to impose a retailers' occupation tax, a service occupation tax, and a use tax at a rate of 1/4 of 1% on behalf of the economic development activities of Rock Island County and communities located within the county. The county board shall certify the question to the proper election authorities who shall submit the question to the voters of the

county at the next regularly scheduled election in accordance with the general election law. The question shall be in substantially the following form:

Shall Rock Island County be authorized to impose a retailers' occupation tax, a service occupation tax, and a use tax at the rate of 1/4 of 1% for the sole purpose of economic development activities, including creation and retention of job opportunities, support of affordable housing opportunities, and enhancement of quality of life improvements?

Votes shall be recorded as "yes" or "no". If a majority of all votes cast on the proposition are in favor of the proposition, the county is authorized to impose the tax.

(b) The county shall impose the retailers' occupation tax upon all persons engaged in the business of selling tangible personal property at retail in the county, at the rate approved by referendum, on the gross receipts from the sales made in the course of those businesses within the county. This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for

airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The tax imposed under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner provided in this Section; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this Section. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2, 2-5, 2-5.5, 2-10 (in respect to all provisions other than the State rate of tax), 2-15 through 2-70, 2a, 2b, 2c, 3 (except as to the disposition of taxes and penalties collected and provisions related to quarter monthly payments, and except that the retailer's discount is not

allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 5m, 5n, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this subsection.

Persons subject to any tax imposed under this subsection may reimburse themselves for their seller's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect, in accordance with bracket schedules prescribed by the Department.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section or the Local Government Aviation Trust Fund, as appropriate.

If a tax is imposed under this subsection (b), a tax shall also be imposed at the same rate under subsections (c) and (d) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale, by a producer of coal or another mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply

with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The tax imposed under this subsection and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this paragraph; to collect all taxes and penalties due under this Section; to dispose of taxes and penalties so collected in the manner provided in this Section; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this Section. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the county), 2a, 2b, 3 through 3-55 (in respect to all provisions other than the State rate of tax), 4

(except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 11, 12 (except the reference to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the county), 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with bracket schedules prescribed by the Department.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State

Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section or the Local Government Aviation Trust Fund, as appropriate.

Nothing in this paragraph shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(c-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(d) If a tax has been imposed under subsection (b), a use tax shall also be imposed at the same rate upon the privilege of using, in the county, any item of tangible personal property that is purchased outside the county at retail from a retailer, and that is titled or registered at a location within the county with an agency of this State's government. "Selling price" is defined as in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling

or registration purposes is given as being in the county. The tax shall be collected by the Department of Revenue for the county. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department has full power to administer and enforce this paragraph; to collect all taxes, penalties, and interest due under this Section; to dispose of taxes, penalties, and interest so collected in the manner provided in this Section; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest under this Section. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except the

definition of "retailer maintaining a place of business in this State"), 3, 3-5, 3-10, 3-45, 3-55, 3-65, 3-70, 3-85, 3a, 4, 6, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except provisions relating to quarter monthly payments), 10, 11, 12, 12a, 12b, 13, 14, 15, 19, 20, 21, and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, that are not inconsistent with this paragraph, as fully as if those provisions were set forth in this subsection.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section.

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (c), or (d) of this Section and no additional registration shall be required. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax

imposed under paragraph (c) of this Section.

(f) The results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax shall be certified by the proper election authorities and filed with the Illinois Department on or before the first day of October. In addition, an ordinance imposing, discontinuing, or effecting a change in the rate of tax under this Section shall be adopted and a certified copy of the ordinance filed with the Department on or before the first day of October. After proper receipt of the certifications, the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

(g) Except as otherwise provided in paragraph (g-2), the Department of Revenue shall, upon collecting any taxes and penalties as provided in this Section, pay the taxes and penalties over to the State Treasurer as trustee for the county. The taxes and penalties shall be held in a trust fund outside the State Treasury. On or before the 25th day of each calendar month, the Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the county, which shall be the balance in the fund, less any amount determined by the Department to be necessary for the payment of refunds. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the county, the Comptroller shall cause an order

to be drawn for payment for the amount in accordance with the directions contained in the certification. Amounts received from the tax imposed under this Section shall be used only for the economic development activities of the county and communities located within the county.

(g-2) Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

(h) When certifying the amount of a monthly disbursement to the county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a miscalculation is discovered.

(55 ILCS 5/5-12001) (from Ch. 34, par. 5-12001)

Sec. 5-12001. Authority to regulate and restrict location

and use of structures. For the purpose of promoting the public health, safety, morals, comfort and general welfare, conserving the values of property throughout the county, lessening or avoiding congestion in the public streets and highways, and lessening or avoiding the hazards to persons and damage to property resulting from the accumulation or runoff of storm or flood waters, the county board or board of county commissioners, as the case may be, of each county, shall have the power to regulate and restrict the location and use of buildings, structures and land for trade, industry, residence and other uses which may be specified by such board, to regulate and restrict the intensity of such uses, to establish building or setback lines on or along any street, trafficway, drive, parkway or storm or floodwater runoff channel or basin outside the limits of cities, villages and incorporated towns which have in effect municipal zoning ordinances; to divide the entire county outside the limits of such cities, villages and incorporated towns into districts of such number, shape, area and of such different classes, according to the use of land and buildings, the intensity of such use (including height of buildings and structures and surrounding open space) and other classification as may be deemed best suited to carry out the purposes of this Division; to prohibit uses, buildings or structures incompatible with the character of such districts respectively; and to prevent additions to and alteration or remodeling of existing buildings or structures

in such a way as to avoid the restrictions and limitations lawfully imposed hereunder: Provided, that permits with respect to the erection, maintenance, repair, alteration, remodeling or extension of buildings or structures used or to be used for agricultural purposes shall be issued free of any charge. The corporate authorities of the county may by ordinance require the construction of fences around or protective covers over previously constructed artificial basins of water dug in the ground and used for swimming or wading, which are located on private residential property and intended for the use of the owner and guests. In all ordinances or resolutions passed under the authority of this Division, due allowance shall be made for existing conditions, the conservation of property values, the directions of building development to the best advantage of the entire county, and the uses to which property is devoted at the time of the enactment of any such ordinance or resolution.

The powers by this Division given shall not be exercised so as to deprive the owner of any existing property of its use or maintenance for the purpose to which it is then lawfully devoted, but provisions may be made for (i) the gradual elimination of the uses of unimproved lands or lot areas when the existing rights of the persons in possession are terminated or when the uses to which they are devoted are discontinued, (ii) the gradual elimination of uses to which the buildings and structures are devoted if they are adaptable

to permitted uses, and (iii) the gradual elimination of the buildings and structures when they are destroyed or damaged in major part; nor shall they be exercised so as to impose regulations, eliminate uses, buildings, or structures, or require permits with respect to land used for agricultural purposes, which includes the growing of farm crops, truck garden crops, animal and poultry husbandry, apiculture, aquaculture, dairying, floriculture, horticulture, nurseries, tree farms, sod farms, pasturage, viticulture, and wholesale greenhouses when such agricultural purposes constitute the principal activity on the land, other than parcels of land consisting of less than 5 acres from which $1,000 or less of agricultural products were sold in any calendar year in counties with a population between 300,000 and 400,000 or in counties contiguous to a county with a population between 300,000 and 400,000, and other than parcels of land consisting of less than 5 acres in counties with a population in excess of 400,000, or with respect to the erection, maintenance, repair, alteration, remodeling or extension of buildings or structures used or to be used for agricultural purposes upon such land except that such buildings or structures for agricultural purposes may be required to conform to building or set back lines and counties may establish a minimum lot size for residences on land used for agricultural purposes; nor shall any such powers be so exercised as to prohibit the temporary use of land for the installation, maintenance and operation of

facilities used by contractors in the ordinary course of construction activities, except that such facilities may be required to be located not less than 1,000 feet from any building used for residential purposes, and except that the period of such temporary use shall not exceed the duration of the construction contract; nor shall any such powers include the right to specify or regulate the type or location of any poles, towers, wires, cables, conduits, vaults, laterals or any other similar distributing equipment of a public utility as defined in the Public Utilities Act, if the public utility is subject to ~~the Messages Tax Act,~~ the Gas Revenue Tax Act or the Public Utilities Revenue Act~~,~~ or if such facilities or equipment are located on any rights of way and are used for railroad purposes, nor shall any such powers be exercised with respect to uses, buildings, or structures of a public utility as defined in the Public Utilities Act, nor shall any such powers be exercised in any respect as to the facilities, as defined in Section 5-12001.1, of a telecommunications carrier, as also defined therein, except to the extent and in the manner set forth in Section 5-12001.1. As used in this Act, "agricultural purposes" do not include the extraction of sand, gravel or limestone, and such activities may be regulated by county zoning ordinance even when such activities are related to an agricultural purpose.

Nothing in this Division shall be construed to restrict the powers granted by statute to cities, villages and

incorporated towns as to territory contiguous to but outside of the limits of such cities, villages and incorporated towns. Any zoning ordinance enacted by a city, village or incorporated town shall supersede, with respect to territory within the corporate limits of the municipality, any county zoning plan otherwise applicable. The powers granted to counties by this Division shall be treated as in addition to powers conferred by statute to control or approve maps, plats or subdivisions. In this Division, "agricultural purposes" include, without limitation, the growing, developing, processing, conditioning, or selling of hybrid seed corn, seed beans, seed oats, or other farm seeds.

Nothing in this Division shall be construed to prohibit the corporate authorities of a county from adopting an ordinance that exempts pleasure driveways or park districts, as defined in the Park District Code, with a population of greater than 100,000, from the exercise of the county's powers under this Division.

The powers granted by this Division may be used to require the creation and preservation of affordable housing, including the power to provide increased density or other zoning incentives to developers who are creating, establishing, or preserving affordable housing.

Section 70-75. The Illinois Municipal Code is amended by

changing Sections 8-11-1, 8-11-1.3, 8-11-1.6, 8-11-23, 8-11-24, and 11-74.3-6 as follows:

(65 ILCS 5/8-11-1) (from Ch. 24, par. 8-11-1)

Sec. 8-11-1. Home Rule Municipal Retailers' Occupation Tax Act. The corporate authorities of a home rule municipality may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the municipality on the gross receipts from these sales made in the course of such business. If imposed, the tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation

fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. The changes made to this Section by this amendatory Act of the 101st General Assembly are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution. The tax imposed by a home rule municipality under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms,

and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, ~~5h,~~ 5i, 5j, 5k, 5l, 5m, 5n, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule municipality under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-5 of this Act.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating that

tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the home rule municipal retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Home Rule Municipal Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

As soon as possible after the first day of each month,

beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid

to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

In addition to the disbursement required by the preceding paragraph and in order to mitigate delays caused by distribution procedures, an allocation shall, if requested, be made within 10 days after January 14, 1991, and in November of 1991 and each year thereafter, to each municipality that received more than $500,000 during the preceding fiscal year, (July 1 through June 30) whether collected by the municipality or disbursed by the Department as required by this Section. Within 10 days after January 14, 1991, participating municipalities shall notify the Department in writing of their intent to participate. In addition, for the initial distribution, participating municipalities shall certify to

the Department the amounts collected by the municipality for each month under its home rule occupation and service occupation tax during the period July 1, 1989 through June 30, 1990. The allocation within 10 days after January 14, 1991, shall be in an amount equal to the monthly average of these amounts, excluding the 2 months of highest receipts. The monthly average for the period of July 1, 1990 through June 30, 1991 will be determined as follows: the amounts collected by the municipality under its home rule occupation and service occupation tax during the period of July 1, 1990 through September 30, 1990, plus amounts collected by the Department and paid to such municipality through June 30, 1991, excluding the 2 months of highest receipts. The monthly average for each subsequent period of July 1 through June 30 shall be an amount equal to the monthly distribution made to each such municipality under the preceding paragraph during this period, excluding the 2 months of highest receipts. The distribution made in November 1991 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding period of July 1 through June 30. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the

place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following the adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department

on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing. However, a municipality located in a county with a population in excess of 3,000,000 that elected to become a home rule unit at the general primary election in 1994 may adopt an ordinance or resolution imposing the tax under this Section and file a certified copy of the ordinance or resolution with the Department on or before July 1, 1994. The Department shall then proceed to administer and enforce this Section as of October 1, 1994. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount

shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Any unobligated balance remaining in the Municipal Retailers' Occupation Tax Fund on December 31, 1989, which fund was abolished by Public Act 85-1135, and all receipts of municipal tax as a result of audits of liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund for distribution as provided by this Section prior to the enactment of Public Act 85-1135. All receipts of municipal tax as a result of an assessment not arising from an audit, for liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund for distribution before July 1, 1990, as provided by this Section prior to the enactment of Public Act 85-1135; and on and after July 1, 1990, all such receipts shall be distributed as provided in Section 6z-18 of the State Finance Act.

As used in this Section, "municipal" and "municipality" means a city, village or incorporated town, including an incorporated town that has superseded a civil township.

This Section shall be known and may be cited as the Home Rule Municipal Retailers' Occupation Tax Act.

(65 ILCS 5/8-11-1.3) (from Ch. 24, par. 8-11-1.3)

Sec. 8-11-1.3. Non-Home Rule Municipal Retailers' Occupation Tax Act. The corporate authorities of a non-home

rule municipality may impose, by ordinance or resolution adopted in the manner described in Section 8-11-1.1, a tax upon all persons engaged in the business of selling tangible personal property, other than on an item of tangible personal property which is titled and registered by an agency of this State's Government, at retail in the municipality. If imposed, the tax shall be imposed on the gross receipts from such sales made in the course of such business. The proceeds of the tax may be used for public infrastructure or for property tax relief or both, as defined in Section 8-11-1.2. If the tax is approved by referendum on or after July 14, 2010 (the effective date of Public Act 96-1057) and before August 5, 2024 (the effective date of Public Act 103-781), the corporate authorities of the non-home rule municipality may, until January 1, 2031, use the proceeds of the tax for expenditure on municipal operations, in addition to or in lieu of any expenditure on public infrastructure or for property tax relief. If the tax is approved by an ordinance or resolution adopted on or after August 5, 2024 (the effective date of Public Act 103-781), the corporate authorities of the non-home rule municipality may, until January 1, 2031, use the proceeds of the tax for expenditure on municipal operations, in addition to or in lieu of any expenditure on public infrastructure or for property tax relief. The tax imposed may not be more than 1% and may be imposed only in 1/4% increments. The tax may not be imposed on tangible personal property taxed

at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. The tax imposed by a municipality pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit such retailer to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose

of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda, arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, ~~5h,~~ 5i, 5j, 5k, 5l, 5m, 5n, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as fully as if those provisions were set forth herein.

No municipality may impose a tax under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-1.4 of this Code.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section,

then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the non-home rule municipal retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Non-Home Rule Municipal Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold

on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the

Department plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale, by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is

extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease such amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

The Department of Revenue shall implement Public Act 91-649 so as to collect the tax on and after January 1, 2002.

As used in this Section, "municipal" and "municipality" mean a city, village, or incorporated town, including an incorporated town which has superseded a civil township.

This Section shall be known and may be cited as the Non-Home Rule Municipal Retailers' Occupation Tax Act.

(65 ILCS 5/8-11-1.6)

Sec. 8-11-1.6. Non-home rule municipal retailers' occupation tax; municipalities between 20,000 and 25,000. The corporate authorities of a non-home rule municipality with a population of more than 20,000 but less than 25,000 that has, prior to January 1, 1987, established a Redevelopment Project Area that has been certified as a State Sales Tax Boundary and has issued bonds or otherwise incurred indebtedness to pay for costs in excess of $5,000,000, which is secured in part by a tax increment allocation fund, in accordance with the provisions of Division 11-74.4 of this Code may, by passage of an ordinance, impose a tax upon all persons engaged in the business of selling tangible personal property, other than on an item of tangible personal property that is titled and registered by an agency of this State's Government, at retail in the municipality. This tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes"

has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. If imposed, the tax shall only be imposed in .25% increments of the gross receipts from such sales made in the course of business. Any tax imposed by a municipality under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. An ordinance imposing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted under this Section without registering separately with the Department under the ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section, to collect all taxes and penalties due hereunder, to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda, arising on account of the erroneous

payment of tax or penalty hereunder. In the administration of, and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, ~~5h,~~ 5i, 5j, 5k, 5l, 5m, 5n, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as fully as if those provisions were set forth herein.

A tax may not be imposed by a municipality under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-1.7 of this Act.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance

with the changes made by this amendatory Act of the 103rd General Assembly.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant, instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Non-Home Rule Municipal Retailers' Occupation Tax Fund, which is hereby created or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Non-Home Rule Municipal Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local

Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to

a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the

seller to the purchaser at a point outside Illinois so that the sale is exempt under the federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

As used in this Section, "municipal" and "municipality" means a city, village, or incorporated town, including an incorporated town that has superseded a civil township.

Sec. 8-11-23. Municipal Cannabis Retailers' Occupation Tax Law.

(a) This Section may be referred to as the Municipal Cannabis Retailers' Occupation Tax Law. The corporate authorities of any municipality may, by ordinance, impose a tax upon all persons engaged in the business of selling cannabis, other than cannabis purchased under the

Compassionate Use of Medical Cannabis Program Act, at retail in the municipality on the gross receipts from these sales made in the course of that business. If imposed, the tax may not exceed 3% of the gross receipts from these sales and shall only be imposed in 1/4% increments. The tax imposed under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Department of Revenue. The Department of Revenue shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2a, 2b, 2c, 2i, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, ~~5h,~~ 5i, 5j, 5k, 5l, 5m, 5n, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as

fully as if those provisions were set forth herein.

(b) Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with any State tax that sellers are required to collect.

(c) Whenever the Department of Revenue determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department of Revenue shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department of Revenue.

(d) The Department of Revenue shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Local Cannabis Retailers' Occupation Tax Trust Fund.

(e) On or before the 25th day of each calendar month, the Department of Revenue shall prepare and certify to the Comptroller the amount of money to be disbursed from the Local Cannabis Retailers' Occupation Tax Trust Fund to municipalities from which retailers have paid taxes or penalties under this Section during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected under this Section from sales made in the municipality during

the second preceding calendar month, plus an amount the Department of Revenue determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

(f) An ordinance or resolution imposing or discontinuing a tax under this Section or effecting a change in the rate thereof that is adopted on or after June 25, 2019 (the effective date of Public Act 101-27) and for which a certified copy is filed with the Department on or before April 1, 2020

shall be administered and enforced by the Department beginning on July 1, 2020. For ordinances filed with the Department after April 1, 2020, an ordinance or resolution imposing or discontinuing a tax under this Section or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing. Sec. 8-11-24. Municipal Grocery Occupation Tax Law.

(a) The corporate authorities of any municipality may, by ordinance or resolution that takes effect on or after January 1, 2026, impose a tax upon all persons engaged in the business of selling groceries at retail in the municipality on the gross receipts from those sales made in the course of that business. If imposed, the tax shall be at the rate of 1% of the gross receipts from these sales.

The tax imposed by a municipality under this subsection and all civil penalties that may be assessed as an incident of

the tax shall be collected and enforced by the Department. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted under this subsection without registering separately with the Department under that ordinance or resolution or under this subsection.

The Department shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection; to dispose of taxes and penalties so collected in the manner provided in this Section and under rules adopted by the Department; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection.

In the administration of, and compliance with, this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax and other than the exemption for food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic <u>liquor taxable under Section 8-1 of the Liquor Control Act of 1934</u> ~~beverages~~, food consisting of or infused

with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption), which is authorized to be taxed as provided in this subsection), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12 and 13 of the Retailers' Occupation Tax Act and all of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their seller's tax liability hereunder by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

(b) If a tax has been imposed under subsection (a), then a service occupation tax must also be imposed ~~at the same rate~~ upon all persons engaged, in the municipality, in the business of making sales of service, at the same rate of tax imposed under subsection (a), on the selling price of all ~~who, as an incident to making those sales of service, transfer~~ groceries, as defined in this Section, transferred by the serviceman as an incident to a sale of service.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department. The certificate of

registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under the ordinance or resolution or under this subsection.

The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this Section and under rules adopted by the Department, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this subsection.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure as are set forth in Sections 2, 2c, 3 through 3-50 (in respect to all provisions contained in those Sections other than (i) the State rate of tax; (ii) the exemption for food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic <u>liquor taxable under Section 8-1 of the Liquor Control Act of 1934</u> ~~beverages~~, food consisting of

or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption), which is authorized to be taxed as provided in this subsection; and (iii) the exemption for food prepared for immediate consumption and transferred incident to a sale of service subject to the Service Occupation Tax Act or the Service Use Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act, which is authorized to be taxed as provided in this subsection), 4, 5, 7, 8, 9 (except as to the disposition of taxes and penalties collected), 10, 11, 12, 13, 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, pursuant to any bracketed schedules set forth by the Department.

(c) The Department shall immediately pay over to the State

Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section. Those taxes and penalties shall be deposited into the Municipal Grocery Tax Trust Fund, a trust fund created in the State treasury. Except as otherwise provided in this Section, moneys in the Municipal Grocery Tax Trust Fund shall be used to make payments to municipalities and for the payment of refunds under this Section.

Moneys deposited into the Municipal Grocery Tax Trust Fund under this Section are not subject to appropriation and shall be used as provided in this Section. All deposits into the Municipal Grocery Tax Trust Fund shall be held in the Municipal Grocery Tax Trust Fund by the State Treasurer, ex officio, as trustee separate and apart from all public moneys or funds of this State.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Municipal Grocery Tax Trust Fund.

(d) As soon as possible after the first day of each month, upon certification of the Department, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, if any, as defined in the Innovation Development and Economy Act,

collected under this Section.

After the monthly transfer to the STAR Bonds Revenue Fund, if any, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties under this Section to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the amounts in accordance with the directions contained in the certification.

(e) Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(f) Except as otherwise provided in this subsection, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

(g) When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

(h) As used in this Section, "Department" means the Department of Revenue.

For purposes of the tax authorized to be imposed under

subsection (a), "groceries" has the same meaning as "food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934 ~~beverages~~, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption)", as further defined in Section 2-10 of the Retailers' Occupation Tax Act.

For purposes of the tax authorized to be imposed under subsection (b), "groceries" has the same meaning as "food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934 ~~beverages~~, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption)", as further defined in Section 3-10 of the Service Occupation Tax Act. For purposes of the tax authorized to be imposed under subsection (b), "groceries" also means food prepared for immediate consumption and transferred incident to a sale of service subject to the Service Occupation Tax Act or the Service Use Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant

to the Life Care Facilities Act.

(65 ILCS 5/11-74.3-6)

Sec. 11-74.3-6. Business district revenue and obligations; business district tax allocation fund.

(a) If the corporate authorities of a municipality have approved a business district plan, have designated a business district, and have elected to impose a tax by ordinance pursuant to subsection (10) or (11) of Section 11-74.3-3, then each year after the date of the approval of the ordinance but terminating upon the date all business district project costs and all obligations paying or reimbursing business district project costs, if any, have been paid, but in no event later than the dissolution date, all amounts generated by the retailers' occupation tax and service occupation tax shall be collected and the tax shall be enforced by the Department of Revenue in the same manner as all retailers' occupation taxes and service occupation taxes imposed in the municipality imposing the tax and all amounts generated by the hotel operators' occupation tax shall be collected and the tax shall be enforced by the municipality in the same manner as all hotel operators' occupation taxes imposed in the municipality imposing the tax. The corporate authorities of the

municipality shall deposit the proceeds of the taxes imposed under subsections (10) and (11) of Section 11-74.3-3 into a special fund of the municipality called the "[Name of] Business District Tax Allocation Fund" for the purpose of paying or reimbursing business district project costs and obligations incurred in the payment of those costs.

(b) The corporate authorities of a municipality that has designated a business district under this Law may, by ordinance, impose a Business District Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the business district at a rate not to exceed 1% of the gross receipts from the sales made in the course of such business, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the rate of 1% under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22

of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms

and employ the same modes of procedure, as are prescribed in Sections 1, 1a through 1o, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c through 2h, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 5m, 5n, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under this subsection may reimburse themselves for their seller's tax liability under this subsection by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the business district retailers' occupation

tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into the business district retailers' occupation tax fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this subsection during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the

disbursement of stated sums of money to named municipalities from the business district retailers' occupation tax fund, the municipalities to be those from which retailers have paid taxes or penalties under this subsection to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected under this subsection during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, less 2% of that amount (except the amount collected on aviation fuel sold on or after December 1, 2019), which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this subsection, on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement

certification to the municipalities provided for in this subsection to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification. The proceeds of the tax paid to municipalities under this subsection shall be deposited into the Business District Tax Allocation Fund by the municipality.

An ordinance imposing or discontinuing the tax under this subsection or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this subsection are met, shall proceed to administer and enforce this subsection as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other requirements of this subsection are met, the Department shall proceed to administer and enforce this subsection as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of the tax under this subsection, until the municipality also provides, in the manner prescribed by the Department, the boundaries of the business district and each address in the business district in such a way that the Department can

determine by its address whether a business is located in the business district. The municipality must provide this boundary and address information to the Department on or before April 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a business district or address change, addition, or deletion until the municipality reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The municipality must provide this boundary change information or address change, addition, or deletion to the Department on or before April 1 for administration and enforcement by the Department of the change beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change beginning on the following January 1. The retailers in the business district shall be responsible for charging the tax imposed under this subsection. If a retailer is incorrectly included or excluded from the list of those required to collect the tax under this subsection, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the municipality.

A municipality that imposes the tax under this subsection must submit to the Department of Revenue any other information as the Department may require for the administration and enforcement of the tax.

When certifying the amount of a monthly disbursement to a municipality under this subsection, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Nothing in this subsection shall be construed to authorize the municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsection (c) of this Section.

(c) If a tax has been imposed under subsection (b), a Business District Service Occupation Tax shall also be imposed upon all persons engaged, in the business district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the business district, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax shall be imposed at the same rate as the tax imposed in subsection (b) and shall not

exceed 1% of the selling price of tangible personal property so transferred within the business district, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or

resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure as are prescribed in Sections 2, 2a through 2d, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the business district), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the municipality), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements

of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the municipality), the first paragraph of Section 15, and Sections 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the business district retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the

Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into the business district retailers' occupation tax fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this subsection during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities from the business district retailers' occupation tax fund, the municipalities to be those from which suppliers and servicemen

have paid taxes or penalties under this subsection to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected under this subsection during the second preceding calendar month by the Department, less 2% of that amount (except the amount collected on aviation fuel sold on or after December 1, 2019), which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this subsection, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities, provided for in this subsection to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification. The proceeds of the tax paid to municipalities under this subsection shall be deposited into the Business District Tax Allocation Fund by the municipality.

An ordinance imposing or discontinuing the tax under this

subsection or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this subsection are met, shall proceed to administer and enforce this subsection as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other conditions of this subsection are met, the Department shall proceed to administer and enforce this subsection as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of the tax under this subsection, until the municipality also provides, in the manner prescribed by the Department, the boundaries of the business district in such a way that the Department can determine by its address whether a business is located in the business district. The municipality must provide this boundary and address information to the Department on or before April 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following January 1. The Department of Revenue shall not administer or

enforce any change made to the boundaries of a business district or address change, addition, or deletion until the municipality reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The municipality must provide this boundary change information or address change, addition, or deletion to the Department on or before April 1 for administration and enforcement by the Department of the change beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change beginning on the following January 1. The retailers in the business district shall be responsible for charging the tax imposed under this subsection. If a retailer is incorrectly included or excluded from the list of those required to collect the tax under this subsection, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the municipality.

A municipality that imposes the tax under this subsection must submit to the Department of Revenue any other information as the Department may require for the administration and enforcement of the tax.

Nothing in this subsection shall be construed to authorize the municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the

State.

If a tax is imposed under this subsection (c), a tax shall also be imposed under subsection (b) of this Section.

(c-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(d) By ordinance, a municipality that has designated a business district under this Law may impose an occupation tax upon all persons engaged in the business district in the business of renting, leasing, or letting rooms in a hotel, as defined in the Hotel Operators' Occupation Tax Act, at a rate not to exceed 1% of the gross rental receipts from the renting, leasing, or letting of hotel rooms within the business district, to be imposed only in 0.25% increments, excluding, however, from gross rental receipts the proceeds of renting, leasing, or letting to permanent residents of a hotel, as defined in the Hotel Operators' Occupation Tax Act, and proceeds from the tax imposed under subsection (c) of Section 13 of the Metropolitan Pier and Exposition Authority Act.

The tax imposed by the municipality under this subsection and all civil penalties that may be assessed as an incident to

that tax shall be collected and enforced by the municipality imposing the tax. The municipality shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the municipality and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and shall employ the same modes of procedure as are employed with respect to a tax adopted by the municipality under Section 8-3-14 of this Code.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability for that tax by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes imposed under the Hotel Operators' Occupation Tax Act, and with any other tax.

Nothing in this subsection shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

The proceeds of the tax imposed under this subsection

shall be deposited into the Business District Tax Allocation Fund.

(e) Obligations secured by the Business District Tax Allocation Fund may be issued to provide for the payment or reimbursement of business district project costs. Those obligations, when so issued, shall be retired in the manner provided in the ordinance authorizing the issuance of those obligations by the receipts of taxes imposed pursuant to subsections (10) and (11) of Section 11-74.3-3 and by other revenue designated or pledged by the municipality. A municipality may in the ordinance pledge, for any period of time up to and including the dissolution date, all or any part of the funds in and to be deposited in the Business District Tax Allocation Fund to the payment of business district project costs and obligations. Whenever a municipality pledges all of the funds to the credit of a business district tax allocation fund to secure obligations issued or to be issued to pay or reimburse business district project costs, the municipality may specifically provide that funds remaining to the credit of such business district tax allocation fund after the payment of such obligations shall be accounted for annually and shall be deemed to be "surplus" funds, and such "surplus" funds shall be expended by the municipality for any business district project cost as approved in the business district plan. Whenever a municipality pledges less than all of the monies to the credit of a business district tax

allocation fund to secure obligations issued or to be issued to pay or reimburse business district project costs, the municipality shall provide that monies to the credit of the business district tax allocation fund and not subject to such pledge or otherwise encumbered or required for payment of contractual obligations for specific business district project costs shall be calculated annually and shall be deemed to be "surplus" funds, and such "surplus" funds shall be expended by the municipality for any business district project cost as approved in the business district plan.

No obligation issued pursuant to this Law and secured by a pledge of all or any portion of any revenues received or to be received by the municipality from the imposition of taxes pursuant to subsection (10) of Section 11-74.3-3, shall be deemed to constitute an economic incentive agreement under Section 8-11-20, notwithstanding the fact that such pledge provides for the sharing, rebate, or payment of retailers' occupation taxes or service occupation taxes imposed pursuant to subsection (10) of Section 11-74.3-3 and received or to be received by the municipality from the development or redevelopment of properties in the business district.

Without limiting the foregoing in this Section, the municipality may further secure obligations secured by the business district tax allocation fund with a pledge, for a period not greater than the term of the obligations and in any case not longer than the dissolution date, of any part or any

combination of the following: (i) net revenues of all or part of any business district project; (ii) taxes levied or imposed by the municipality on any or all property in the municipality, including, specifically, taxes levied or imposed by the municipality in a special service area pursuant to the Special Service Area Tax Law; (iii) the full faith and credit of the municipality; (iv) a mortgage on part or all of the business district project; or (v) any other taxes or anticipated receipts that the municipality may lawfully pledge.

Such obligations may be issued in one or more series, bear such date or dates, become due at such time or times as therein provided, but in any case not later than (i) 20 years after the date of issue or (ii) the dissolution date, whichever is earlier, bear interest payable at such intervals and at such rate or rates as set forth therein, except as may be limited by applicable law, which rate or rates may be fixed or variable, be in such denominations, be in such form, either coupon, registered, or book-entry, carry such conversion, registration and exchange privileges, be subject to defeasance upon such terms, have such rank or priority, be executed in such manner, be payable in such medium or payment at such place or places within or without the State, make provision for a corporate trustee within or without the State with respect to such obligations, prescribe the rights, powers, and duties thereof to be exercised for the benefit of the municipality and the

benefit of the owners of such obligations, provide for the holding in trust, investment, and use of moneys, funds, and accounts held under an ordinance, provide for assignment of and direct payment of the moneys to pay such obligations or to be deposited into such funds or accounts directly to such trustee, be subject to such terms of redemption with or without premium, and be sold at such price, all as the corporate authorities shall determine. No referendum approval of the electors shall be required as a condition to the issuance of obligations pursuant to this Law except as provided in this Section.

In the event the municipality authorizes the issuance of obligations pursuant to the authority of this Law secured by the full faith and credit of the municipality, or pledges ad valorem taxes pursuant to this subsection, which obligations are other than obligations which may be issued under home rule powers provided by Section 6 of Article VII of the Illinois Constitution or which ad valorem taxes are other than ad valorem taxes which may be pledged under home rule powers provided by Section 6 of Article VII of the Illinois Constitution or which are levied in a special service area pursuant to the Special Service Area Tax Law, the ordinance authorizing the issuance of those obligations or pledging those taxes shall be published within 10 days after the ordinance has been adopted, in a newspaper having a general circulation within the municipality. The publication of the

ordinance shall be accompanied by a notice of (i) the specific number of voters required to sign a petition requesting the question of the issuance of the obligations or pledging such ad valorem taxes to be submitted to the electors; (ii) the time within which the petition must be filed; and (iii) the date of the prospective referendum. The municipal clerk shall provide a petition form to any individual requesting one.

If no petition is filed with the municipal clerk, as hereinafter provided in this Section, within 21 days after the publication of the ordinance, the ordinance shall be in effect. However, if within that 21-day period a petition is filed with the municipal clerk, signed by electors numbering not less than 15% of the number of electors voting for the mayor or president at the last general municipal election, asking that the question of issuing obligations using full faith and credit of the municipality as security for the cost of paying or reimbursing business district project costs, or of pledging such ad valorem taxes for the payment of those obligations, or both, be submitted to the electors of the municipality, the municipality shall not be authorized to issue obligations of the municipality using the full faith and credit of the municipality as security or pledging such ad valorem taxes for the payment of those obligations, or both, until the proposition has been submitted to and approved by a majority of the voters voting on the proposition at a regularly scheduled election. The municipality shall certify

the proposition to the proper election authorities for submission in accordance with the general election law.

The ordinance authorizing the obligations may provide that the obligations shall contain a recital that they are issued pursuant to this Law, which recital shall be conclusive evidence of their validity and of the regularity of their issuance.

In the event the municipality authorizes issuance of obligations pursuant to this Law secured by the full faith and credit of the municipality, the ordinance authorizing the obligations may provide for the levy and collection of a direct annual tax upon all taxable property within the municipality sufficient to pay the principal thereof and interest thereon as it matures, which levy may be in addition to and exclusive of the maximum of all other taxes authorized to be levied by the municipality, which levy, however, shall be abated to the extent that monies from other sources are available for payment of the obligations and the municipality certifies the amount of those monies available to the county clerk.

A certified copy of the ordinance shall be filed with the county clerk of each county in which any portion of the municipality is situated, and shall constitute the authority for the extension and collection of the taxes to be deposited in the business district tax allocation fund.

A municipality may also issue its obligations to refund,

in whole or in part, obligations theretofore issued by the municipality under the authority of this Law, whether at or prior to maturity. However, the last maturity of the refunding obligations shall not be expressed to mature later than the dissolution date.

In the event a municipality issues obligations under home rule powers or other legislative authority, the proceeds of which are pledged to pay or reimburse business district project costs, the municipality may, if it has followed the procedures in conformance with this Law, retire those obligations from funds in the business district tax allocation fund in amounts and in such manner as if those obligations had been issued pursuant to the provisions of this Law.

No obligations issued pursuant to this Law shall be regarded as indebtedness of the municipality issuing those obligations or any other taxing district for the purpose of any limitation imposed by law.

Obligations issued pursuant to this Law shall not be subject to the provisions of the Bond Authorization Act.

(f) When business district project costs, including, without limitation, all obligations paying or reimbursing business district project costs have been paid, any surplus funds then remaining in the Business District Tax Allocation Fund shall be distributed to the municipal treasurer for deposit into the general corporate fund of the municipality. Upon payment of all business district project costs and

retirement of all obligations paying or reimbursing business district project costs, but in no event more than 23 years after the date of adoption of the ordinance imposing taxes pursuant to subsection (10) or (11) of Section 11-74.3-3, the municipality shall adopt an ordinance immediately rescinding the taxes imposed pursuant to subsection (10) or (11) of Section 11-74.3-3.

Section 70-80. The Civic Center Code is amended by changing Section 245-12 as follows:

(70 ILCS 200/245-12)

Sec. 245-12. Use and occupation taxes.

(a) The Authority may adopt a resolution that authorizes a referendum on the question of whether the Authority shall be authorized to impose a retailers' occupation tax, a service occupation tax, and a use tax in one-quarter percent increments at a rate not to exceed 1%. The Authority shall certify the question to the proper election authorities who shall submit the question to the voters of the metropolitan area at the next regularly scheduled election in accordance with the general election law. The question shall be in substantially the following form:

"Shall the Salem Civic Center Authority be authorized to impose a retailers' occupation tax, a service occupation

tax, and a use tax at the rate of (rate) for the sole purpose of obtaining funds for the support, construction, maintenance, or financing of a facility of the Authority?"

Votes shall be recorded as "yes" or "no".

If a majority of all votes cast on the proposition are in favor of the proposition, the Authority is authorized to impose the tax.

(b) The Authority shall impose the retailers' occupation tax upon all persons engaged in the business of selling tangible personal property at retail in the metropolitan area, at the rate approved by referendum, on the gross receipts from the sales made in the course of such business within the metropolitan area. Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the Authority does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The Authority must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority.

The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner provided in this Section; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2, 2-5, 2-5.5, 2-10 (in respect to all provisions therein other than the State rate of tax), 2-12, 2-15 through 2-70, 2a, 2b, 2c, 3 (except as to the disposition of taxes and penalties collected and provisions related to quarter monthly payments, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 5m, 5n, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this

subsection.

Persons subject to any tax imposed under this subsection may reimburse themselves for their seller's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section or the Local Government Aviation Trust Fund, as appropriate.

If a tax is imposed under this subsection (b), a tax shall also be imposed at the same rate under subsections (c) and (d) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale, by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the

seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the metropolitan area, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the metropolitan area as an incident to a sale of service. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue.

Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the Authority does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The Authority must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C.

47107(b) and 49 U.S.C. 47133 are binding on the Authority.

The Department has full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the metropolitan area), 2a, 2b, 3 through 3-55 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use

requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the Authority), 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section or the Local Government Aviation Trust Fund, as appropriate.

Nothing in this paragraph shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in

any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(c-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(d) If a tax has been imposed under subsection (b), a use tax shall also be imposed at the same rate upon the privilege of using, in the metropolitan area, any item of tangible personal property that is purchased outside the metropolitan area at retail from a retailer, and that is titled or registered at a location within the metropolitan area with an agency of this State's government. "Selling price" is defined as in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan area. The tax shall be collected by the Department of Revenue for the Authority. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State

officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department has full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3, 3-5, 3-10, 3-45, 3-55, 3-65, 3-70, 3-85, 3a, 4, 6, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except provisions relating to quarter monthly payments), 10, 11, 12, 12a, 12b, 13, 14, 15, 19, 20, 21, and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, that are not inconsistent with this paragraph, as fully as if those

provisions were set forth herein.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section.

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (c), or (d) of this Section and no additional registration shall be required. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(f) The results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax shall be certified by the proper election authorities and filed with the Illinois Department on or before the first day of April. In addition, an ordinance imposing, discontinuing, or effecting a change in the rate of tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before the first day of

April. After proper receipt of such certifications, the Department shall proceed to administer and enforce this Section as of the first day of July next following such adoption and filing.

(g) Except as otherwise provided, the Department of Revenue shall, upon collecting any taxes and penalties as provided in this Section, pay the taxes and penalties over to the State Treasurer as trustee for the Authority. The taxes and penalties shall be held in a trust fund outside the State Treasury. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District. On or before the 25th day of each calendar month, the Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the Authority, which shall be the balance in the fund, less any amount determined by the Department to be necessary for the payment of refunds and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the Authority, the

Comptroller shall cause an order to be drawn for payment for the amount in accordance with the directions contained in the certification. Amounts received from the tax imposed under this Section shall be used only for the support, construction, maintenance, or financing of a facility of the Authority.

(h) When certifying the amount of a monthly disbursement to the Authority under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a miscalculation is discovered.

Section 70-85. The Flood Prevention District Act is amended by changing Section 25 as follows:

(70 ILCS 750/25)

Sec. 25. Flood prevention retailers' and service occupation taxes.

(a) If the Board of Commissioners of a flood prevention district determines that an emergency situation exists regarding levee repair or flood prevention, and upon an ordinance confirming the determination adopted by the

affirmative vote of a majority of the members of the county board of the county in which the district is situated, the county may impose a flood prevention retailers' occupation tax upon all persons engaged in the business of selling tangible personal property at retail within the territory of the district to provide revenue to pay the costs of providing emergency levee repair and flood prevention and to secure the payment of bonds, notes, and other evidences of indebtedness issued under this Act for a period not to exceed 25 years or as required to repay the bonds, notes, and other evidences of indebtedness issued under this Act. The tax rate shall be 0.25% of the gross receipts from all taxable sales made in the course of that business. Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The County must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to

determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder.

For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) are subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) shall employ the same modes of procedure as are set forth in Sections 1 through 1o, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a through 2h, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, ~~5h,~~ 5i, 5j, 5k, 5l, 5m, 5n, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act as if those provisions were set forth in this subsection.

Persons subject to any tax imposed under this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination in a single amount with State taxes that sellers are required to collect under the Use Tax Act, under any bracket schedules the Department may prescribe.

If a tax is imposed under this subsection (a), a tax shall also be imposed under subsection (b) of this Section.

(b) If a tax has been imposed under subsection (a), a flood prevention service occupation tax shall also be imposed upon all persons engaged within the territory of the district in the business of making sales of service, who, as an incident to making the sales of service, transfer tangible personal property, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service to provide revenue to pay the costs of providing emergency levee repair and flood prevention and to secure the payment of bonds, notes, and other evidences of indebtedness issued under this Act for a period not to exceed 25 years or as required to repay the bonds, notes, and other evidences of indebtedness. The tax rate shall be 0.25% of the selling price of all tangible personal property transferred. Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an

airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The County must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are set forth in Sections 2 (except that the

reference to State in the definition of supplier maintaining a place of business in this State means the district), 2a through 2d, 3 through 3-50 (in respect to all provisions contained in those Sections other than the State rate of tax), 4 (except that the reference to the State shall be to the district), 5, 7, 8 (except that the jurisdiction to which the tax is a debt to the extent indicated in that Section 8 is the district), 9 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State means the district), Section 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, that charge may be stated in combination in a single amount with State tax that servicemen are authorized to collect under the Service Use Tax Act, under any bracket schedules the Department may prescribe.

(c) The taxes imposed in subsections (a) and (b) may not be imposed on personal property titled or registered with an

agency of the State or on personal property taxed at the 1% rate under the Retailers' Occupation Tax Act and the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly).

(c-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(d) Nothing in this Section shall be construed to authorize the district to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(e) The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or a serviceman under the Service Occupation Tax Act permits the retailer or serviceman to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section.

(f) Except as otherwise provided, the Department shall immediately pay over to the State Treasurer, ex officio, as

trustee, all taxes and penalties collected under this Section to be deposited into the Flood Prevention Occupation Tax Fund, which shall be an unappropriated trust fund held outside the State treasury. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers or servicemen have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each county is equal to the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020) collected from the county under this Section during the second preceding calendar month by the Department, (i) less 2% of that amount (except the amount collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020), which shall be deposited into the Tax Compliance and Administration Fund and shall be

used by the Department in administering and enforcing the provisions of this Section on behalf of the county, (ii) plus an amount that the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body; (iii) less an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county; and (iv) less any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county. When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements within the previous 6 months from the time a miscalculation is discovered.

Within 10 days after receipt by the Comptroller from the Department of the disbursement certification to the counties provided for in this Section, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

If the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, then the Department shall notify the Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the Treasurer out of

the Flood Prevention Occupation Tax Fund or the Local Government Aviation Trust Fund, as appropriate.

(g) If a county imposes a tax under this Section, then the county board shall, by ordinance, discontinue the tax upon the payment of all indebtedness of the flood prevention district. The tax shall not be discontinued until all indebtedness of the District has been paid.

(h) Any ordinance imposing the tax under this Section, or any ordinance that discontinues the tax, must be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

(j) County Flood Prevention Occupation Tax Fund. All proceeds received by a county from a tax distribution under this Section must be maintained in a special fund known as the [name of county] flood prevention occupation tax fund. The county shall, at the direction of the flood prevention district, use moneys in the fund to pay the costs of providing emergency levee repair and flood prevention and to pay bonds, notes, and other evidences of indebtedness issued under this Act.

(k) This Section may be cited as the Flood Prevention Occupation Tax Law.

Section 70-90. The Metro-East Park and Recreation District Act is amended by changing Section 30 as follows:

(70 ILCS 1605/30)

Sec. 30. Taxes.

(a) The board shall impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the District on the gross receipts from the sales made in the course of business. This tax shall be imposed only at the rate of one-tenth of one per cent.

This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel shall be excluded from tax. The board must comply with the

certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District. The tax imposed by the Board under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of

terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2, 2-5, 2-5.5, 2-10 (in respect to all provisions contained in those Sections other than the State rate of tax), 2-12, 2-15 through 2-70, 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, ~~5h,~~ 5i, 5j, 5k, 5l, 5m, 5n, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State

Treasurer out of the State Metro-East Park and Recreation District Fund or the Local Government Aviation Trust Fund, as appropriate.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed ~~at the same rate~~ upon all persons engaged, in the District, in the business of making sales of service, at the same rate of tax imposed under subsection (a), on the selling price of all ~~who, as an incident to making those sales of service, transfer~~ tangible personal property transferred by the serviceman ~~within the District~~ as an incident to a sale of service. This tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019 and through December 31, 2020, this tax may not be imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel shall be excluded from tax. The board must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49

U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the District), 2a, 2b, 2c, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the District), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the District), 9 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that

are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the District), Sections 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the State Metro-East Park and Recreation District Fund or the Local Government Aviation Trust Fund, as appropriate.

Nothing in this subsection shall be construed to authorize

the board to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(b-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(c) Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the State Metro-East Park and Recreation District Fund, which shall be an unappropriated trust fund held outside of the State treasury. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district. The Department shall make this certification only if the Metro East Park and Recreation District imposes a tax on real property as provided in the definition of "local sales taxes" under the Innovation Development and Economy Act.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money pursuant to Section 35 of this Act to the District from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to the District shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including

(i) an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the District, (ii) any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the District, (iii) any amounts that are transferred to the STAR Bonds Revenue Fund, and (iv) 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the District, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the disbursement certification to the District and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

(d) For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside

Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to authorize the board to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(f) An ordinance imposing a tax under this Section or an ordinance extending the imposition of a tax to an additional county or counties shall be certified by the board and filed with the Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the filing.

(g) When certifying the amount of a monthly disbursement to the District under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Section 70-95. The Local Mass Transit District Act is

amended by changing Section 5.01 as follows:

(70 ILCS 3610/5.01) (from Ch. 111 2/3, par. 355.01)

Sec. 5.01. Metro East Mass Transit District; use and occupation taxes.

(a) The Board of Trustees of any Metro East Mass Transit District may, by ordinance adopted with the concurrence of two-thirds of the then trustees, impose throughout the District any or all of the taxes and fees provided in this Section. Except as otherwise provided, all taxes and fees imposed under this Section shall be used only for public mass transportation systems, and the amount used to provide mass transit service to unserved areas of the District shall be in the same proportion to the total proceeds as the number of persons residing in the unserved areas is to the total population of the District. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes.

(b) The Board may impose a Metro East Mass Transit District Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the district at a rate of 1/4 of 1%, or as authorized under subsection (d-5) of this Section, of the gross receipts from

the sales made in the course of such business within the district, including sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934, ~~beverages,~~ food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption), except that the rate of tax imposed under this Section on sales of aviation fuel on or after December 1, 2019 shall be 0.25% in Madison County unless the Metro-East Mass Transit District in Madison County has an "airport-related purpose" and any additional amount authorized under subsection (d-5) is expended for airport-related purposes. If there is no airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from any additional amount authorized under subsection (d-5). The rate in St. Clair County shall be 0.25% unless the Metro-East Mass Transit District in St. Clair County has an "airport-related purpose" and the additional 0.50% of the 0.75% tax on aviation fuel imposed in that County is expended for airport-related purposes. If there is no airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the additional 0.50% of the 0.75% tax.

The Board must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section,

"airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax and other than the exemption for food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934, ~~beverages,~~ food consisting of or infused with adult use cannabis, soft drinks, candy, and

food that has been prepared for immediate consumption), which is taxed at the rate as provided in this subsection), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, ~~5h,~~ 5i, 5j, 5k, 5l, 5m, 5n, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section or the Local

Government Aviation Trust Fund, as appropriate.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsections (c) and (d) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale, by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the Metro East Mass Transit District to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a Metro East Mass Transit District Service Occupation Tax shall also be imposed upon all persons engaged, in the district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal

property within the District, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax rate shall be (1) 1/4%, or as authorized under subsection (d-5) of this Section, of the selling price of tangible personal property so transferred within the district, including food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934, ~~beverages,~~ food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption); and (2) 1/4%, or as authorized under subsection (d-5) of this Section, of the serviceman's cost price of food prepared for immediate consumption and transferred incident to a sale of service subject to the service occupation tax by an entity that is licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, or the MC/DD Act, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act. However, the rate of tax imposed in these Counties under this Section on sales of aviation fuel on or after December 1, 2019 shall be 0.25% in Madison County unless the Metro-East Mass Transit District in Madison County has an "airport-related purpose" and any additional amount authorized under subsection (d-5) is

expended for airport-related purposes. If there is no airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from any additional amount authorized under subsection (d-5). The rate in St. Clair County shall be 0.25% unless the Metro-East Mass Transit District in St. Clair County has an "airport-related purpose" and the additional 0.50% of the 0.75% tax on aviation fuel is expended for airport-related purposes. If there is no airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the additional 0.50% of the 0.75% tax.

The Board must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights

to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure as are prescribed in Sections 1a-1, 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the Authority), 2a, 3 through 3-50 (in respect to all provisions therein other than (i) the State rate of tax; (ii) the exemption for food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934, ~~beverages,~~ food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption), which is taxed at the rate as provided in this subsection; and (iii) the exemption for food prepared for immediate consumption and transferred incident to a sale of service subject to the service occupation tax by an entity that is licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, or the MC/DD Act, or the Child Care Act of 1969, or an

entity that holds a permit issued pursuant to the Life Care Facilities Act, which is taxed at the rate as provided in this subsection), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the District), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the District), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section or the Local Government Aviation Trust Fund, as appropriate.

Nothing in this paragraph shall be construed to authorize the District to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a Metro East Mass Transit District Use Tax shall also be imposed upon the privilege of using, in the district, any item of tangible personal property that is purchased outside the district at retail from a retailer, and that is titled or registered with an agency of this State's government, at a rate of 1/4%, or as authorized under subsection (d-5) of this Section, of the selling price of the tangible personal property within the District, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the District. The tax shall be collected by the Department of Revenue for the Metro East Mass Transit District. The tax must

be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by

retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, that are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section.

(d-1) If, on January 1, 2025, a unit of local government has in effect a tax under subsections (b), (c), and (d) or if, after January 1, 2025, a unit of local government imposes a tax under subsections (b), (c), and (d), then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(d-5) (A) The county board of any county participating in the Metro East Mass Transit District may authorize, by ordinance, a referendum on the question of whether the tax rates for the Metro East Mass Transit District Retailers'

Occupation Tax, the Metro East Mass Transit District Service Occupation Tax, and the Metro East Mass Transit District Use Tax for the District should be increased from 0.25% to 0.75%. Upon adopting the ordinance, the county board shall certify the proposition to the proper election officials who shall submit the proposition to the voters of the District at the next election, in accordance with the general election law.

The proposition shall be in substantially the following form:

> Shall the tax rates for the Metro East Mass Transit District Retailers' Occupation Tax, the Metro East Mass Transit District Service Occupation Tax, and the Metro East Mass Transit District Use Tax be increased from 0.25% to 0.75%?

(B) Two thousand five hundred electors of any Metro East Mass Transit District may petition the Chief Judge of the Circuit Court, or any judge of that Circuit designated by the Chief Judge, in which that District is located to cause to be submitted to a vote of the electors the question whether the tax rates for the Metro East Mass Transit District Retailers' Occupation Tax, the Metro East Mass Transit District Service Occupation Tax, and the Metro East Mass Transit District Use Tax for the District should be increased from 0.25% to 0.75%.

Upon submission of such petition the court shall set a date not less than 10 nor more than 30 days thereafter for a hearing on the sufficiency thereof. Notice of the filing of

such petition and of such date shall be given in writing to the District and the County Clerk at least 7 days before the date of such hearing.

If such petition is found sufficient, the court shall enter an order to submit that proposition at the next election, in accordance with general election law.

The form of the petition shall be in substantially the following form: To the Circuit Court of the County of (name of county):

We, the undersigned electors of the (name of transit district), respectfully petition your honor to submit to a vote of the electors of (name of transit district) the following proposition:

Shall the tax rates for the Metro East Mass Transit District Retailers' Occupation Tax, the Metro East Mass Transit District Service Occupation Tax, and the Metro East Mass Transit District Use Tax be increased from 0.25% to 0.75%?

Name	Address, with Street and Number.
.....	.....
.....	.....

(C) The votes shall be recorded as "YES" or "NO". If a majority of all votes cast on the proposition are for the increase in the tax rates, the Metro East Mass Transit District shall begin imposing the increased rates in the District, and the Department of Revenue shall begin collecting

the increased amounts, as provided under this Section. An ordinance imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing, or on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing.

(D) If the voters have approved a referendum under this subsection, before November 1, 1994, to increase the tax rate under this subsection, the Metro East Mass Transit District Board of Trustees may adopt by a majority vote an ordinance at any time before January 1, 1995 that excludes from the rate increase tangible personal property that is titled or registered with an agency of this State's government. The ordinance excluding titled or registered tangible personal property from the rate increase must be filed with the Department at least 15 days before its effective date. At any time after adopting an ordinance excluding from the rate increase tangible personal property that is titled or registered with an agency of this State's government, the Metro East Mass Transit District Board of Trustees may adopt an ordinance applying the rate increase to that tangible personal property. The ordinance shall be adopted, and a

certified copy of that ordinance shall be filed with the Department, on or before October 1, whereupon the Department shall proceed to administer and enforce the rate increase against tangible personal property titled or registered with an agency of this State's government as of the following January 1. After December 31, 1995, any reimposed rate increase in effect under this subsection shall no longer apply to tangible personal property titled or registered with an agency of this State's government. Beginning January 1, 1996, the Board of Trustees of any Metro East Mass Transit District may never reimpose a previously excluded tax rate increase on tangible personal property titled or registered with an agency of this State's government. After July 1, 2004, if the voters have approved a referendum under this subsection to increase the tax rate under this subsection, the Metro East Mass Transit District Board of Trustees may adopt by a majority vote an ordinance that excludes from the rate increase tangible personal property that is titled or registered with an agency of this State's government. The ordinance excluding titled or registered tangible personal property from the rate increase shall be adopted, and a certified copy of that ordinance shall be filed with the Department on or before October 1, whereupon the Department shall administer and enforce this exclusion from the rate increase as of the following January 1, or on or before April 1, whereupon the Department shall administer and enforce this exclusion from

the rate increase as of the following July 1. The Board of Trustees of any Metro East Mass Transit District may never reimpose a previously excluded tax rate increase on tangible personal property titled or registered with an agency of this State's government.

(d-6) If the Board of Trustees of any Metro East Mass Transit District has imposed a rate increase under subsection (d-5) and filed an ordinance with the Department of Revenue excluding titled property from the higher rate, then that Board may, by ordinance adopted with the concurrence of two-thirds of the then trustees, impose throughout the District a fee. The fee on the excluded property shall not exceed $20 per retail transaction or an amount equal to the amount of tax excluded, whichever is less, on tangible personal property that is titled or registered with an agency of this State's government. Beginning July 1, 2004, the fee shall apply only to titled property that is subject to either the Metro East Mass Transit District Retailers' Occupation Tax or the Metro East Mass Transit District Service Occupation Tax. No fee shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

(d-7) Until June 30, 2004, if a fee has been imposed under subsection (d-6), a fee shall also be imposed upon the privilege of using, in the district, any item of tangible

personal property that is titled or registered with any agency of this State's government, in an amount equal to the amount of the fee imposed under subsection (d-6).

(d-7.1) Beginning July 1, 2004, any fee imposed by the Board of Trustees of any Metro East Mass Transit District under subsection (d-6) and all civil penalties that may be assessed as an incident of the fees shall be collected and enforced by the State Department of Revenue. Reference to "taxes" in this Section shall be construed to apply to the administration, payment, and remittance of all fees under this Section. For purposes of any fee imposed under subsection (d-6), 4% of the fee, penalty, and interest received by the Department in the first 12 months that the fee is collected and enforced by the Department and 2% of the fee, penalty, and interest following the first 12 months (except the amount collected on aviation fuel sold on or after December 1, 2019) shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department. No retailers' discount shall apply to any fee imposed under subsection (d-6).

(d-8) No item of titled property shall be subject to both the higher rate approved by referendum, as authorized under subsection (d-5), and any fee imposed under subsection (d-6) or (d-7).

(d-9) (Blank).

(d-10) (Blank).

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (c) or (d) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(f) (Blank).

(g) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the Metro East Mass Transit District as of September 1 next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, except as provided in subsection (d-5) of this Section, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a

certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing, or, beginning January 1, 2004, on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing.

(h) Except as provided in subsection (d-7.1), the State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the District. The taxes shall be held in a trust fund outside the State treasury. If an airport-related purpose has been certified, taxes and penalties collected in St. Clair County on aviation fuel sold on or after December 1, 2019 from the 0.50% of the 0.75% rate shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order

transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district. The Department shall make this certification only if the local mass transit district imposes a tax on real property as provided in the definition of "local sales taxes" under the Innovation Development and Economy Act.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the District, which shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019 that are deposited into the Local Government Aviation Trust Fund) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including any amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the District, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid

to the District, and less any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the District, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the District and the Tax Compliance and Administration Fund, the Comptroller shall cause an order to be drawn for payment for the amount in accordance with the direction in the certification.

Section 70-100. The Regional Transportation Authority Act is amended by changing Section 4.03 as follows:

(70 ILCS 3615/4.03) (from Ch. 111 2/3, par. 704.03)

(Text of Section before amendment by P.A. 104-457)

Sec. 4.03. Taxes.

(a) In order to carry out any of the powers or purposes of the Authority, the Board may, by ordinance adopted with the concurrence of 12 of the then Directors, impose throughout the metropolitan region any or all of the taxes provided in this Section. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed

incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes. Nothing in Public Act 95-708 is intended to invalidate any taxes currently imposed by the Authority. The increased vote requirements to impose a tax shall only apply to actions taken after January 1, 2008 (the effective date of Public Act 95-708).

(b) The Board may impose a public transportation tax upon all persons engaged in the metropolitan region in the business of selling at retail motor fuel for operation of motor vehicles upon public highways. The tax shall be at a rate not to exceed 5% of the gross receipts from the sales of motor fuel in the course of the business. As used in this Act, the term "motor fuel" shall have the same meaning as in the Motor Fuel Tax Law. The Board may provide for details of the tax. The provisions of any tax shall conform, as closely as may be practicable, to the provisions of the Municipal Retailers Occupation Tax Act, including, without limitation, conformity to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed, except that reference in the Act to any municipality shall refer to the Authority and the tax shall be imposed only with regard to

receipts from sales of motor fuel in the metropolitan region, at rates as limited by this Section.

(c) In connection with the tax imposed under paragraph (b) of this Section, the Board may impose a tax upon the privilege of using in the metropolitan region motor fuel for the operation of a motor vehicle upon public highways, the tax to be at a rate not in excess of the rate of tax imposed under paragraph (b) of this Section. The Board may provide for details of the tax.

(d) The Board may impose a motor vehicle parking tax upon the privilege of parking motor vehicles at off-street parking facilities in the metropolitan region at which a fee is charged, and may provide for reasonable classifications in and exemptions to the tax, for administration and enforcement thereof and for civil penalties and refunds thereunder and may provide criminal penalties thereunder, the maximum penalties not to exceed the maximum criminal penalties provided in the Retailers' Occupation Tax Act. The Authority may collect and enforce the tax itself or by contract with any unit of local government. The State Department of Revenue shall have no responsibility for the collection and enforcement unless the Department agrees with the Authority to undertake the collection and enforcement. As used in this paragraph, the term "parking facility" means a parking area or structure having parking spaces for more than 2 vehicles at which motor vehicles are permitted to park in return for an hourly, daily,

or other periodic fee, whether publicly or privately owned, but does not include parking spaces on a public street, the use of which is regulated by parking meters.

(e) The Board may impose a Regional Transportation Authority Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the metropolitan region. In Cook County, the tax rate shall be 1.25% of the gross receipts from sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934, ~~beverages,~~ food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption) and tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act, and 1% of the gross receipts from other taxable sales made in the course of that business. In DuPage, Kane, Lake, McHenry, and Will counties, the tax rate shall be 0.75% of the gross receipts from all taxable sales made in the course of that business, including sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934, ~~beverages,~~ food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption). The rate of tax imposed in DuPage, Kane, Lake, McHenry, and Will counties

under this Section on sales of aviation fuel on or after December 1, 2019 shall, however, be 0.25% unless the Regional Transportation Authority in DuPage, Kane, Lake, McHenry, and Will counties has an "airport-related purpose" and the additional 0.50% of the 0.75% tax on aviation fuel is expended for airport-related purposes. If there is no airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the additional 0.50% of the 0.75% tax. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax and other than the exemption for food for human consumption that is to be consumed off the premises where it is

sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934, ~~beverages,~~ food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption), which is taxed at the rate as provided in this subsection), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, ~~5h,~~ 5i, 5j, 5k, 5l, 5m, 5n, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

The Board and DuPage, Kane, Lake, McHenry, and Will counties must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax

as an additional charge, which charge may be stated in combination in a single amount with State taxes that sellers are required to collect under the Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section or the Local Government Aviation Trust Fund, as appropriate.

If a tax is imposed under this subsection (e), a tax shall also be imposed under subsections (f) and (g) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of

another state if that motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the Regional Transportation Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(f) If a tax has been imposed under paragraph (e), a Regional Transportation Authority Service Occupation Tax shall also be imposed upon all persons engaged in the metropolitan region in the business of making sales of service who, as an incident to making the sales of service, transfer tangible personal property within the metropolitan region, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. In Cook County, the tax rate shall be: (1) 1.25% of the serviceman's cost price of food prepared for immediate consumption and transferred incident to a sale of service subject to the service occupation tax by an entity that is located in the metropolitan region and that is licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, the MC/DD Act, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act; (2) 1.25% of the selling price of food for human

consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934, ~~beverages,~~ food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption) and tangible personal property taxed at the 1% rate under the Service Occupation Tax Act; and (3) 1% of the selling price from other taxable sales of tangible personal property transferred. In DuPage, Kane, Lake, McHenry, and Will counties, the rate shall be (1) 0.75% of the selling price of all tangible personal property transferred, including food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934, ~~beverages,~~ food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption); and (2) 0.75% of the serviceman's cost price of food prepared for immediate consumption and transferred incident to a sale of service subject to the service occupation tax by an entity that is located in the metropolitan region and that is licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, or the MC/DD Act, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities

Act. The rate of tax imposed in DuPage, Kane, Lake, McHenry, and Will counties under this Section on sales of aviation fuel on or after December 1, 2019 shall, however, be 0.25% unless the Regional Transportation Authority in DuPage, Kane, Lake, McHenry, and Will counties has an "airport-related purpose" and the additional 0.50% of the 0.75% tax on aviation fuel is expended for airport-related purposes. If there is no airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the additional 0.5% of the 0.75% tax.

The Board and DuPage, Kane, Lake, McHenry, and Will counties must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority.

The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties collected in the manner hereinafter provided; and to determine all rights to

credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than (i) the State rate of tax; (ii) the exemption for food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934, ~~beverages,~~ food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption), which is taxed at the rate as provided in this subsection; and (iii) the exemption for food prepared for immediate consumption and transferred incident to a sale of service subject to the service occupation tax by an entity that is licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, or the MC/DD Act, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act, which is taxed at the rate as provided in this

subsection), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the Authority), the first paragraph of Section 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, that charge may be stated in combination in a single amount with State tax that servicemen are authorized to collect under the Service Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State

Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section or the Local Government Aviation Trust Fund, as appropriate.

Nothing in this paragraph shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(g) If a tax has been imposed under paragraph (e), a tax shall also be imposed upon the privilege of using in the metropolitan region, any item of tangible personal property that is purchased outside the metropolitan region at retail from a retailer, and that is titled or registered with an agency of this State's government. In Cook County, the tax rate shall be 1% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. In DuPage, Kane, Lake, McHenry, and Will counties, the tax rate shall be 0.75% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan region. The tax shall be collected by the Department of Revenue for the Regional Transportation Authority. The tax must be paid to the State, or an exemption

determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties, and interest due hereunder; to dispose of taxes, penalties, and interest collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12,

12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21, and 22 of the Use Tax Act, and are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

(g-5) If, on January 1, 2025, a unit of local government has in effect a tax under subsections (e), (f), and (g), or if, after January 1, 2025, a unit of local government imposes a tax under subsections (e), (f), and (g), then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by Public Act 103-592.

(h) The Authority may impose a replacement vehicle tax of $50 on any passenger car as defined in Section 1-157 of the Illinois Vehicle Code purchased within the metropolitan region by or on behalf of an insurance company to replace a passenger car of an insured person in settlement of a total loss claim.

The tax imposed may not become effective before the first day of the month following the passage of the ordinance imposing the tax and receipt of a certified copy of the ordinance by the Department of Revenue. The Department of Revenue shall collect the tax for the Authority in accordance with Sections 3-2002 and 3-2003 of the Illinois Vehicle Code.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the Authority. The amount to be paid to the Authority shall be the amount collected hereunder during the second preceding calendar month by the Department, less any amount determined by the Department to be necessary for the payment of refunds, and less any amounts that are transferred to the STAR Bonds

Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the Authority provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for that amount in accordance with the directions contained in the certification.

(i) The Board may not impose any other taxes except as it may from time to time be authorized by law to impose.

(j) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (e), (f) or (g) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(k) The provisions of any tax imposed under paragraph (c) of this Section shall conform as closely as may be practicable to the provisions of the Use Tax Act, including, without limitation, conformity as to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed. The taxes shall be imposed only on use within the metropolitan region and at rates as provided in the paragraph.

(l) The Board in imposing any tax as provided in paragraphs (b) and (c) of this Section, shall, after seeking the advice of the State Department of Revenue, provide means for retailers, users or purchasers of motor fuel for purposes other than those with regard to which the taxes may be imposed as provided in those paragraphs to receive refunds of taxes improperly paid, which provisions may be at variance with the refund provisions as applicable under the Municipal Retailers Occupation Tax Act. The State Department of Revenue may provide for certificates of registration for users or purchasers of motor fuel for purposes other than those with regard to which taxes may be imposed as provided in paragraphs (b) and (c) of this Section to facilitate the reporting and nontaxability of the exempt sales or uses.

(m) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the Regional Transportation Authority as of September 1 next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing.

Beginning January 1, 1993, an ordinance or resolution imposing, increasing, decreasing, or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department, whereupon the Department shall proceed to administer and enforce this Section as of the first day of the first month to occur not less than 60 days following such adoption and filing. Any ordinance or resolution of the Authority imposing a tax under this Section and in effect on August 1, 2007 shall remain in full force and effect and shall be administered by the Department of Revenue under the terms and conditions and rates of tax established by such ordinance or resolution until the Department begins administering and enforcing an increased tax under this Section as authorized by Public Act 95-708. The tax rates authorized by Public Act 95-708 are effective only if imposed by ordinance of the Authority.

(n) Except as otherwise provided in this subsection (n), the State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the Authority. The taxes shall be held in a trust fund outside the State Treasury. If an airport-related purpose has been certified, taxes and penalties collected in DuPage, Kane, Lake, McHenry and Will counties on aviation fuel sold on or after December 1, 2019 from the 0.50% of the 0.75% rate shall be immediately paid over by the Department to the State Treasurer, ex officio, as

trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority. On or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois and to the Authority (i) the amount of taxes collected in each county other than Cook County in the metropolitan region, (not including, if an airport-related purpose has been certified, the taxes and penalties collected from the 0.50% of the 0.75% rate on aviation fuel sold on or after December 1, 2019 that are deposited into the Local Government Aviation Trust Fund) (ii) the amount of taxes collected within the City of Chicago, and (iii) the amount collected in that portion of Cook County outside of Chicago, each amount less the amount necessary for the payment of refunds to taxpayers located in those areas described in items (i), (ii), and (iii), and less 1.5% of the remainder, which shall be transferred from the trust fund into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the certification of the amounts, the

Comptroller shall cause an order to be drawn for the transfer of the amount certified into the Tax Compliance and Administration Fund and the payment of two-thirds of the amounts certified in item (i) of this subsection to the Authority and one-third of the amounts certified in item (i) of this subsection to the respective counties other than Cook County and the amount certified in items (ii) and (iii) of this subsection to the Authority.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in July 1991 and each year thereafter to the Regional Transportation Authority. The allocation shall be made in an amount equal to the average monthly distribution during the preceding calendar year (excluding the 2 months of lowest receipts) and the allocation shall include the amount of average monthly distribution from the Regional Transportation Authority Occupation and Use Tax Replacement Fund. The distribution made in July 1992 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department of Revenue shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

(o) Failure to adopt a budget ordinance or otherwise to comply with Section 4.01 of this Act or to adopt a Five-year Capital Program or otherwise to comply with paragraph (b) of

Section 2.01 of this Act shall not affect the validity of any tax imposed by the Authority otherwise in conformity with law.

(p) At no time shall a public transportation tax or motor vehicle parking tax authorized under paragraphs (b), (c), and (d) of this Section be in effect at the same time as any retailers' occupation, use or service occupation tax authorized under paragraphs (e), (f), and (g) of this Section is in effect.

Any taxes imposed under the authority provided in paragraphs (b), (c), and (d) shall remain in effect only until the time as any tax authorized by paragraph (e), (f), or (g) of this Section is imposed and becomes effective. Once any tax authorized by paragraph (e), (f), or (g) is imposed the Board may not reimpose taxes as authorized in paragraphs (b), (c), and (d) of the Section unless any tax authorized by paragraph (e), (f), or (g) of this Section becomes ineffective by means other than an ordinance of the Board.

(q) Any existing rights, remedies and obligations (including enforcement by the Regional Transportation Authority) arising under any tax imposed under paragraph (b), (c), or (d) of this Section shall not be affected by the imposition of a tax under paragraph (e), (f), or (g) of this Section.

Sec. 4.03. Taxes.

(a) Except as provided in subsection (m), in order to carry out any of the powers or purposes of the Authority, the Board may, by ordinance approved by a supermajority vote, impose throughout the metropolitan region any or all of the taxes provided in this Section. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes. Nothing in Public Act 95-708 is intended to invalidate any taxes currently imposed by the Authority. The increased vote requirements to impose a tax shall only apply to actions taken after January 1, 2008 (the effective date of Public Act 95-708).

(b) The Board may impose a public transportation tax upon all persons engaged in the metropolitan region in the business of selling at retail motor fuel for operation of motor vehicles upon public highways. The tax shall be at a rate not to exceed 5% of the gross receipts from the sales of motor fuel in the course of the business. As used in this Act, the term "motor fuel" shall have the same meaning as in the Motor Fuel Tax Law. The Board may provide for details of the tax. The provisions of any tax shall conform, as closely as may be

practicable, to the provisions of the Municipal Retailers Occupation Tax Act, including, without limitation, conformity to penalties with respect to the tax imposed and as to the powers of the Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed, except that reference in the Act to any municipality shall refer to the Authority and the tax shall be imposed only with regard to receipts from sales of motor fuel in the metropolitan region, at rates as limited by this Section.

(c) In connection with the tax imposed under paragraph (b) of this Section, the Board may impose a tax upon the privilege of using in the metropolitan region motor fuel for the operation of a motor vehicle upon public highways, the tax to be at a rate not in excess of the rate of tax imposed under paragraph (b) of this Section. The Board may provide for details of the tax.

(d) The Board may impose a motor vehicle parking tax upon the privilege of parking motor vehicles at off-street parking facilities in the metropolitan region at which a fee is charged, and may provide for reasonable classifications in and exemptions to the tax, for administration and enforcement thereof and for civil penalties and refunds thereunder and may provide criminal penalties thereunder, the maximum penalties not to exceed the maximum criminal penalties provided in the Retailers' Occupation Tax Act. The Authority may collect and

enforce the tax itself or by contract with any unit of local government. The Department of Revenue shall have no responsibility for the collection and enforcement unless the Department agrees with the Authority to undertake the collection and enforcement. As used in this paragraph, the term "parking facility" means a parking area or structure having parking spaces for more than 2 vehicles at which motor vehicles are permitted to park in return for an hourly, daily, or other periodic fee, whether publicly or privately owned, but does not include parking spaces on a public street, the use of which is regulated by parking meters.

(e) The Board may impose a Northern Illinois Transit Authority Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the metropolitan region. In Cook County, unless the tax rate is increased by the Board by ordinance, as provided in this Section, the tax rate shall be 1.25% of the gross receipts from sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934 ~~beverages~~, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption) and tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act, and 1% of the gross receipts from other taxable sales made in the course of that business. In Cook County, on and after the

effective date of this amendatory Act of the 104th General Assembly, the Board may, by ordinance, increase the tax rate to not more than 1.5% of the gross receipts from sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934 ~~beverages~~, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption) and tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act, and 1.25% of the gross receipts from other taxable sales made in the course of that business. The Board shall take such a vote on whether to increase the tax rate no later than 60 days after the effective date of this Act. In DuPage, Kane, Lake, McHenry, and Will counties, unless the tax rate is increased by the Board by an ordinance as approved by this Section, the tax rate shall be 0.75% of the gross receipts from all taxable sales made in the course of that business, including sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934 ~~beverages~~, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption). In DuPage, Kane, Lake, McHenry, and Will counties, on and after the effective date of this amendatory Act of the 104th General Assembly, the Board may, by ordinance, increase the tax rate

to not more than 1% of the gross receipts from all taxable sales made in the course of that business, including sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934 ~~beverages~~, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption). The rate of tax imposed in DuPage, Kane, Lake, McHenry, and Will counties under this Section on sales of aviation fuel on or after December 1, 2019 shall, however, be 0.25% unless the Authority in DuPage, Kane, Lake, McHenry, and Will counties has an "airport-related purpose" and the additional 0.50% of the 0.75% tax (or 0.75% of 1% tax if the tax rate is increased by the Board to 1%) on aviation fuel is expended for airport-related purposes. If there is no airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the additional tax. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this Section, the Department and persons

who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax and other than the exemption for food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934 ~~beverages~~, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption), which is taxed at the rate as provided in this subsection), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, ~~5h,~~ 5i, 5j, 5k, 5l, 5m, 5n, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

The Board and DuPage, Kane, Lake, McHenry, and Will counties must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers'

Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination in a single amount with State taxes that sellers are required to collect under the Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Northern Illinois Transit Authority tax fund established under paragraph (n) of this Section or the Local Government Aviation Trust Fund, as appropriate.

If a tax is imposed under this subsection (e), a tax shall also be imposed under subsections (f) and (g) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer

of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(f) If a tax has been imposed under paragraph (e), a Northern Illinois Transit Authority Service Occupation Tax shall also be imposed upon all persons engaged in the metropolitan region in the business of making sales of service who, as an incident to making the sales of service, transfer tangible personal property within the metropolitan region, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. In Cook County, unless the tax rate is increased by the Board by ordinance, as provided in this Section, the tax rate shall be: (1) 1.25% of the serviceman's cost price of food prepared for

immediate consumption and transferred incident to a sale of service subject to the service occupation tax by an entity that is located in the metropolitan region and that is licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, the MC/DD Act, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act; (2) 1.25% of the selling price of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934 ~~beverages~~, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption) and tangible personal property taxed at the 1% rate under the Service Occupation Tax Act; and (3) 1% of the selling price from other taxable sales of tangible personal property transferred. In Cook County, on and after the effective date of this amendatory Act of the 104th General Assembly, the Board may, by ordinance, increase the tax rate to not more than: (1) 1.5% of the serviceman's cost price of food prepared for immediate consumption and transferred incident to a sale of service subject to the service occupation tax by an entity that is located in the metropolitan region and that is licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living

and Shared Housing Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, the MC/DD Act, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act; (2) 1.5% of the selling price of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934 ~~beverages~~, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption) and tangible personal property taxed at the 1% rate under the Service Occupation Tax Act; and (3) 1.25% of the selling price from other taxable sales of tangible personal property transferred. In DuPage, Kane, Lake, McHenry, and Will counties, before the effective date of this amendatory Act of the 104th General Assembly, the rate shall be (1) 0.75% of the selling price of all tangible personal property transferred, including food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic liquor taxable under Section 8-1 of the Liquor Control Act of 1934 ~~beverages~~, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption); and (2) 0.75% of the serviceman's cost price of food prepared for immediate consumption and transferred incident to a sale of service subject to the service occupation tax by an entity that is located in the

metropolitan region and that is licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, or the MC/DD Act, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act. In DuPage, Kane, Lake, McHenry, and Will counties, on and after the effective date of this amendatory Act of the 104th General Assembly, the Board may, by ordinance, increase the tax rate to not more than 1% of the selling price of all tangible personal property transferred. The rate of tax imposed in DuPage, Kane, Lake, McHenry, and Will counties under this Section on sales of aviation fuel on or after December 1, 2019 shall, however, be 0.25% unless the Authority in DuPage, Kane, Lake, McHenry, and Will counties has an "airport-related purpose" and the additional 0.50% of the 0.75% (or 0.75% of 1% tax if the tax rate is increased by the Board to 1%) tax on aviation fuel is expended for airport-related purposes. If there is no airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the additional tax.

The Board and DuPage, Kane, Lake, McHenry, and Will counties must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section

6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority.

The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than (i) the State rate of tax; (ii) the exemption for food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic <u>liquor taxable under Section 8-1 of the Liquor Control Act of 1934</u> ~~beverages~~, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has

been prepared for immediate consumption), which is taxed at the rate as provided in this subsection; and (iii) the exemption for food prepared for immediate consumption and transferred incident to a sale of service subject to the service occupation tax by an entity that is licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, or the MC/DD Act, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act, which is taxed at the rate as provided in this subsection), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the Authority), the first paragraph of Section 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were

set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, that charge may be stated in combination in a single amount with State tax that servicemen are authorized to collect under the Service Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department of Revenue determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department of Revenue shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named in the notification from the Department of Revenue. The refund shall be paid by the State Treasurer out of the Northern Illinois Transit Authority tax fund established under paragraph (n) of this Section or the Local Government Aviation Trust Fund, as appropriate.

Nothing in this paragraph shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(g) If a tax has been imposed under paragraph (e), a tax shall also be imposed upon the privilege of using in the metropolitan region, any item of tangible personal property that is purchased outside the metropolitan region at retail

from a retailer, and that is titled or registered with an agency of this State's government. In Cook County, unless the tax rate is increased by the Board by ordinance, as provided in this Section, the tax rate shall be 1% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. In Cook County, on and after the effective date of this amendatory Act of the 104th General Assembly, the Board may, by ordinance, increase the tax rate to not more than 1.25% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. In DuPage, Kane, Lake, McHenry, and Will counties, before the effective date of this amendatory Act of the 104th General Assembly, the tax rate shall be 0.75% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. In DuPage, Kane, Lake, McHenry, and Will counties, on and after the effective date of this amendatory Act of the 104th General Assembly, the Board may, by ordinance, increase the tax rate to not more than 1% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan region. The tax shall be collected by the Department of Revenue for the Authority. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be

issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties, and interest due hereunder; to dispose of taxes, penalties, and interest collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21, and 22 of the Use Tax Act, and are not inconsistent

with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Northern Illinois Transit Authority tax fund established under paragraph (n) of this Section.

(g-5) If, on January 1, 2025, a unit of local government has in effect a tax under subsections (e), (f), and (g), or if, after January 1, 2025, a unit of local government imposes a tax under subsections (e), (f), and (g), then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by Public Act 103-592.

(h) The Authority may impose a replacement vehicle tax of $50 on any passenger car as defined in Section 1-157 of the Illinois Vehicle Code purchased within the metropolitan region by or on behalf of an insurance company to replace a passenger car of an insured person in settlement of a total loss claim. The tax imposed may not become effective before the first day of the month following the passage of the ordinance imposing the tax and receipt of a certified copy of the ordinance by the

Department of Revenue. The Department of Revenue shall collect the tax for the Authority in accordance with Sections 3-2002 and 3-2003 of the Illinois Vehicle Code.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the Authority. The amount to be paid to the Authority shall be the amount collected hereunder during the second preceding calendar month by the Department, less any amount determined by the Department to be necessary for the payment of refunds, and less any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the Authority provided for in this Section to be given to the Comptroller by the

Department, the Comptroller shall cause the orders to be drawn for that amount in accordance with the directions contained in the certification.

(i) The Board may not impose any other taxes except as it may from time to time be authorized by law to impose.

(j) A certificate of registration issued by the Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (e), (f) or (g) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(k) The provisions of any tax imposed under paragraph (c) of this Section shall conform as closely as may be practicable to the provisions of the Use Tax Act, including, without limitation, conformity as to penalties with respect to the tax imposed and as to the powers of the Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed. The taxes shall be imposed only on use within the metropolitan region and at rates as provided in the paragraph.

(l) The Board in imposing any tax as provided in paragraphs (b) and (c) of this Section, shall, after seeking the advice of the Department of Revenue, provide means for

retailers, users or purchasers of motor fuel for purposes other than those with regard to which the taxes may be imposed as provided in those paragraphs to receive refunds of taxes improperly paid, which provisions may be at variance with the refund provisions as applicable under the Municipal Retailers Occupation Tax Act. The Department of Revenue may provide for certificates of registration for users or purchasers of motor fuel for purposes other than those with regard to which taxes may be imposed as provided in paragraphs (b) and (c) of this Section to facilitate the reporting and nontaxability of the exempt sales or uses.

(m) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the Authority as of September 1 next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing, increasing, decreasing, or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department, whereupon

the Department shall proceed to administer and enforce this Section as of the first day of the first month to occur not less than 60 days following such adoption and filing. Any ordinance or resolution of the Authority imposing a tax under this Section and in effect on August 1, 2007 shall remain in full force and effect and shall be administered by the Department of Revenue under the terms and conditions and rates of tax established by such ordinance or resolution until the Department begins administering and enforcing an increased tax under this Section as authorized by Public Act 95-708. Any ordinance or resolution of the Authority imposing a tax under this Section and in effect on the effective date of this amendatory Act of the 104th General Assembly shall remain in full force and effect and shall be administered by the Department of Revenue under the terms and conditions and rates of tax established by such ordinance or resolution until the Department begins administering and enforcing an increased tax under this Section as authorized by this amendatory Act of the 104th General Assembly. The tax rates authorized by Public Act 95-708 are effective only if imposed by ordinance of the Authority. The tax rates authorized by this amendatory Act of the 104th General Assembly are effective only if an ordinance is approved by the Authority with the affirmative votes of a simple majority of its then Directors.

(n) Except as otherwise provided in this subsection (n), the Department of Revenue shall, upon collecting any taxes as

provided in this Section, pay the taxes over to the State Treasurer as trustee for the Authority. The taxes shall be held in a trust fund outside the State treasury. If an airport-related purpose has been certified, taxes and penalties collected in DuPage, Kane, Lake, McHenry and Will counties on aviation fuel sold on or after December 1, 2019 from the 0.50% of the 0.75% rate shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority. On or before the 25th day of each calendar month, the Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois and to the Authority (i) the amount of taxes collected in each county other than Cook County in the metropolitan region, (not including, if an airport-related purpose has been certified, the taxes and penalties collected from the 0.50% of the 0.75% rate on aviation fuel sold on or after December 1, 2019 that are deposited into the Local Government Aviation Trust Fund) (ii) the amount of taxes collected within the City of Chicago, and (iii) the amount collected in that portion of Cook County outside of Chicago, each amount less the amount necessary for the payment of refunds to taxpayers located in those areas described in items

(i), (ii), and (iii), and less 1.5% of the remainder, which shall be transferred from the trust fund into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the certification of the amounts, the Comptroller shall cause an order to be drawn for the transfer of the amount certified into the Tax Compliance and Administration Fund and the payment of two-thirds of the amounts certified in item (i) of this subsection to the Authority and one-third of the amounts certified in item (i) of this subsection to the respective counties other than Cook County and the amount certified in items (ii) and (iii) of this subsection to the Authority.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in July 1991 and each year thereafter to the Authority. The allocation shall be made in an amount equal to the average monthly distribution during the preceding calendar year (excluding the 2 months of lowest receipts) and the allocation shall include the amount of average monthly distribution from the Northern Illinois Transit Authority Occupation and Use Tax Replacement Fund. The distribution made in July 1992 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by

the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department of Revenue shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

(o) Failure to adopt a budget ordinance or otherwise to comply with Section 4.01 or to adopt a 5-Year Capital Program or otherwise to comply with paragraph (b) of Section 2.01 of this Act shall not affect the validity of any tax imposed by the Authority otherwise in conformity with law.

(p) At no time shall a public transportation tax or motor vehicle parking tax authorized under paragraphs (b), (c), and (d) of this Section be in effect at the same time as any retailers' occupation, use or service occupation tax authorized under paragraphs (e), (f), and (g) of this Section is in effect.

Any taxes imposed under the authority provided in paragraphs (b), (c), and (d) shall remain in effect only until the time as any tax authorized by paragraph (e), (f), or (g) of this Section is imposed and becomes effective. Once any tax authorized by paragraph (e), (f), or (g) is imposed the Board may not reimpose taxes as authorized in paragraphs (b), (c), and (d) of the Section unless any tax authorized by paragraph (e), (f), or (g) of this Section becomes ineffective by means other than an ordinance of the Board.

(q) Any existing rights, remedies and obligations (including enforcement by the Authority) arising under any tax

imposed under paragraph (b), (c), or (d) of this Section shall not be affected by the imposition of a tax under paragraph (e), (f), or (g) of this Section.

(r) The Board shall hold a vote on whether to adopt an ordinance to increase the tax rate to the rates authorized by this amendatory Act of the 104th General Assembly within 60 days of the effective date of this amendatory Act of the 104th General Assembly.

Section 70-105. The Water Commission Act of 1985 is amended by changing Section 4 as follows:

(70 ILCS 3720/4) (from Ch. 111 2/3, par. 254)

(Text of Section before amendment by P.A. 104-457)

Sec. 4. Taxes.

(a) The board of commissioners of any county water commission may, by ordinance, impose throughout the territory of the commission any or all of the taxes provided in this Section for its corporate purposes. However, no county water commission may impose any such tax unless the commission certifies the proposition of imposing the tax to the proper election officials, who shall submit the proposition to the voters residing in the territory at an election in accordance

with the general election law, and the proposition has been approved by a majority of those voting on the proposition.

The proposition shall be in the form provided in Section 5 or shall be substantially in the following form:

Shall the (insert corporate name of county water commission) impose (state type of tax or taxes to be imposed) at the rate of 1/4%?

YES

NO

Taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes.

(b) The board of commissioners may impose a County Water Commission Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the territory of the commission at a rate of 1/4% of the gross receipts from the sales made in the course of such business within the territory. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this paragraph and all civil

penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax except that tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act shall not be subject to tax hereunder), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel sold on or after December 1, 2019 and through December 31, 2020), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, ~~5h,~~ 5i, 5j, 5k, 5l, 5m, 5n, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those

provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act and under subsection (e) of Section 4.03 of the Regional Transportation Authority Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under subsection (g) of this Section.

For the purpose of determining whether a tax authorized under this paragraph is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a

sale in interstate or foreign commerce.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsections (c) and (d) of this Section.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this paragraph shall be construed to authorize a county water commission to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a County Water Commission Service Occupation Tax shall also be imposed upon all persons engaged, in the territory of the commission, in the business of making sales of service, who, as an incident to making the sales of service, transfer tangible personal property within the territory. The tax rate shall be 1/4% of the selling price of tangible personal property so transferred within the territory. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The

Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the territory of the commission), 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax except that tangible personal property taxed at the 1% rate under the Service Occupation Tax Act shall not be subject to tax hereunder), 4 (except that the reference to the State shall be to the territory of the commission), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the commission), 9 (except as to the disposition of taxes and penalties collected and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the

retailer's discount is not allowed for taxes paid on aviation fuel sold on or after December 1, 2019 and through December 31, 2020), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the territory of the commission), the first paragraph of Section 15, 15.5, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, and any tax for which servicemen may be liable under subsection (f) of Section 4.03 of the Regional Transportation Authority Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under subsection (g) of this Section.

Nothing in this paragraph shall be construed to authorize a county water commission to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a tax shall also be imposed upon the privilege of using, in the territory of the commission, any item of tangible personal property that is purchased outside the territory at retail from a retailer, and that is titled or registered with an agency of this State's government, at a rate of 1/4% of the selling price of the tangible personal property within the territory, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the territory. The tax shall be collected by the Department of Revenue for a county water commission. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties, and interest due hereunder; to dispose of taxes, penalties, and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21, and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act that are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State

Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under subsection (g) of this Section.

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under subsection (b), (c), or (d) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under subsection (c) of this Section.

(f) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the county water commission as of September 1 next following the adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning

January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing.

(g) The State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the commission. The taxes shall be held in a trust fund outside the State Treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the commission, which shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any

amounts that were erroneously paid to a different taxing body, and not including any amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the commission, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the commission, and less any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which shall be transferred into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the commission, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the commission and the Tax Compliance and Administration Fund, the Comptroller shall cause an order to be drawn for the payment for the amount in accordance with the direction in the certification.

(h) Beginning June 1, 2016, any tax imposed pursuant to this Section may no longer be imposed or collected, unless a continuation of the tax is approved by the voters at a referendum as set forth in this Section.

Sec. 4. Taxes.

(a) The board of commissioners of any county water commission may, by ordinance, impose throughout the territory of the commission any or all of the taxes provided in this Section for its corporate purposes. However, no county water commission may impose any such tax unless the commission certifies the proposition of imposing the tax to the proper election officials, who shall submit the proposition to the voters residing in the territory at an election in accordance with the general election law, and the proposition has been approved by a majority of those voting on the proposition.

The proposition shall be in the form provided in Section 5 or shall be substantially in the following form:

Shall the (insert corporate name of county water commission) impose (state type of tax or taxes to be imposed) at the rate of 1/4%?	YES --- NO

Taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all

rights for refunds for erroneous payments of the taxes.

(b) The board of commissioners may impose a County Water Commission Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the territory of the commission at a rate of 1/4% of the gross receipts from the sales made in the course of such business within the territory. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2

through 2-65 (in respect to all provisions therein other than the State rate of tax except that tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act shall not be subject to tax hereunder), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel sold on or after December 1, 2019 and through December 31, 2020), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, ~~5h,~~ 5i, 5j, 5k, 5l, 5m, 5n, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act and under subsection (e) of Section 4.03 of the Northern Illinois Transit Authority Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification

from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under subsection (g) of this Section.

For the purpose of determining whether a tax authorized under this paragraph is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsections (c) and (d) of this Section.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this paragraph shall be construed to authorize a county water commission to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a County Water Commission Service Occupation Tax shall also be imposed upon all persons engaged, in the territory of the

commission, in the business of making sales of service, who, as an incident to making the sales of service, transfer tangible personal property within the territory. The tax rate shall be 1/4% of the selling price of tangible personal property so transferred within the territory. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the territory of the

commission), 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax except that tangible personal property taxed at the 1% rate under the Service Occupation Tax Act shall not be subject to tax hereunder), 4 (except that the reference to the State shall be to the territory of the commission), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the commission), 9 (except as to the disposition of taxes and penalties collected and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel sold on or after December 1, 2019 and through December 31, 2020), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the territory of the commission), the first paragraph of Section 15, 15.5, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, and any tax for which servicemen may be liable under

subsection (f) of Section 4.03 of the Northern Illinois Transit Authority Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under subsection (g) of this Section.

Nothing in this paragraph shall be construed to authorize a county water commission to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a tax shall also be imposed upon the privilege of using, in the territory of the commission, any item of tangible personal property that is purchased outside the territory at retail from a retailer, and that is titled or registered with an agency of this State's government, at a rate of 1/4% of the selling price of the tangible personal property within the territory, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the

territory. The tax shall be collected by the Department of Revenue for a county water commission. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties, and interest due hereunder; to dispose of taxes, penalties, and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except

provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21, and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act that are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under subsection (g) of this Section.

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under subsection (b), (c), or (d) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under subsection (c) of this Section.

(f) Any ordinance imposing or discontinuing any tax under

this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the county water commission as of September 1 next following the adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing.

(g) The State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the commission. The taxes shall be held in a trust fund outside the State treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined

in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the commission, which shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including any amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the commission, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the commission, and less any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which shall be transferred into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the commission, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to

the commission and the Tax Compliance and Administration Fund, the Comptroller shall cause an order to be drawn for the payment for the amount in accordance with the direction in the certification.

(h) Beginning June 1, 2016, any tax imposed pursuant to this Section may no longer be imposed or collected, unless a continuation of the tax is approved by the voters at a referendum as set forth in this Section.

Section 75-5. The Retailers' Occupation Tax Act is amended by changing Sections 2a and 2b as follows:

(35 ILCS 120/2a) (from Ch. 120, par. 441a)

Sec. 2a. Registration of retailers. It is unlawful for any person to engage in the business of selling, which, on and after January 1, 2025, includes leasing, tangible personal property at retail in this State without a certificate of registration from the Department. Application for a certificate of registration shall be made to the Department

upon forms furnished by it. Each such application shall be signed and verified and shall state: (1) the name and social security number of the applicant; (2) the address of his principal place of business; (3) the address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State and the addresses of all other places of business, if any (enumerating such addresses, if any, in a separate list attached to and made a part of the application), from which he engages in the business of selling tangible personal property at retail in this State; (4) the name and address of the person or persons who will be responsible for filing returns and payment of taxes due under this Act; (5) in the case of a publicly traded corporation, the name and title of the Chief Financial Officer, Chief Operating Officer, and any other officer or employee with responsibility for preparing tax returns under this Act, and, in the case of all other corporations, the name, title, and social security number of each corporate officer; (6) in the case of a limited liability company, the name, social security number, and FEIN number of each manager and member; and (7) such other information as the Department may reasonably require. The application shall contain an acceptance of responsibility signed by the person or persons who will be responsible for filing returns and payment of the taxes due under this Act. If the applicant will sell tangible personal property at retail through vending

machines, his application to register shall indicate the number of vending machines to be so operated. If requested by the Department at any time, that person shall verify the total number of vending machines he or she uses in his or her business of selling tangible personal property at retail.

The Department shall provide by rule for an expedited business registration process for remote retailers required to register and file under subsection (b) of Section 2 who use a certified service provider to file their returns under this Act. Such expedited registration process shall allow the Department to register a taxpayer based upon the same registration information required by the Streamlined Sales Tax Governing Board for states participating in the Streamlined Sales Tax Project.

The Department may deny a certificate of registration to any applicant if a person who is named as the owner, a partner, a manager or member of a limited liability company, or a corporate officer of the applicant on the application for the certificate of registration is or has been named as the owner, a partner, a manager or member of a limited liability company, or a corporate officer on the application for the certificate of registration of another retailer that (i) is in default for moneys due under this Act or any other tax or fee Act administered by the Department or (ii) fails to file any return, on or before the due date prescribed for filing that return (including any extensions of time granted by the

Department), that the retailer is required to file under this Act or any other tax or fee Act administered by the Department. For purposes of this paragraph only, in determining whether a person is in default for moneys due, the Department shall include only amounts established as a final liability within the 23 years prior to the date of the Department's notice of denial of a certificate of registration.

The Department may require an applicant for a certificate of registration hereunder to, at the time of filing such application, furnish a bond from a surety company authorized to do business in the State of Illinois, or an irrevocable bank letter of credit or a bond signed by 2 personal sureties who have filed, with the Department, sworn statements disclosing net assets equal to at least 3 times the amount of the bond to be required of such applicant, or a bond secured by an assignment of a bank account or certificate of deposit, stocks or bonds, conditioned upon the applicant paying to the State of Illinois all moneys becoming due under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution. In making a determination as to whether to require a bond or other security, the Department shall take into consideration whether the owner, any partner, any manager or member of a limited

liability company, or a corporate officer of the applicant is or has been the owner, a partner, a manager or member of a limited liability company, or a corporate officer of another retailer that is in default for moneys due under this Act or any other tax or fee Act administered by the Department; and whether the owner, any partner, any manager or member of a limited liability company, or a corporate officer of the applicant is or has been the owner, a partner, a manager or member of a limited liability company, or a corporate officer of another retailer whose certificate of registration has been revoked within the previous 5 years under this Act or any other tax or fee Act administered by the Department. If a bond or other security is required, the Department shall fix the amount of the bond or other security, taking into consideration the amount of money expected to become due from the applicant under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance, or resolution. The amount of security required by the Department shall be such as, in its opinion, will protect the State of Illinois against failure to pay the amount which may become due from the applicant under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of

registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution, but the amount of the security required by the Department shall not exceed three times the amount of the applicant's average monthly tax liability, or $50,000.00, whichever amount is lower.

No certificate of registration under this Act shall be issued by the Department until the applicant provides the Department with satisfactory security, if required, as herein provided for.

Upon receipt of the application for certificate of registration in proper form, and upon approval by the Department of the security furnished by the applicant, if required, the Department shall issue to such applicant, in the manner and form determined by the Department, a certificate of registration which shall permit the person to whom it is issued to engage in the business of selling tangible personal property at retail in this State. The certificate of registration shall be conspicuously displayed, in the manner and form as the Department may require by rule, at the place of business which the person so registered states in his application to be the principal place of business from which he engages in the business of selling tangible personal property at retail in this State.

No certificate of registration issued prior to July 1,

2017 to a taxpayer who files returns required by this Act on a monthly basis or renewed prior to July 1, 2017 by a taxpayer who files returns required by this Act on a monthly basis shall be valid after the expiration of 5 years from the date of its issuance or last renewal. No certificate of registration issued on or after July 1, 2017 to a taxpayer who files returns required by this Act on a monthly basis or renewed on or after July 1, 2017 by a taxpayer who files returns required by this Act on a monthly basis shall be valid after the expiration of one year from the date of its issuance or last renewal. The expiration date of a sub-certificate of registration shall be that of the certificate of registration to which the sub-certificate relates. Prior to July 1, 2017, a certificate of registration shall automatically be renewed, subject to revocation as provided by this Act, for an additional 5 years from the date of its expiration unless otherwise notified by the Department as provided by this paragraph. On and after July 1, 2017, a certificate of registration shall automatically be renewed, subject to revocation as provided by this Act, for an additional one year from the date of its expiration unless otherwise notified by the Department as provided by this paragraph.

Where a taxpayer to whom a certificate of registration is issued under this Act is in default to the State of Illinois for delinquent returns or for moneys due under this Act or any other State tax law or municipal or county ordinance

administered or enforced by the Department, the Department shall, not less than 60 days before the expiration date of such certificate of registration, give notice to the taxpayer to whom the certificate was issued of the account period of the delinquent returns, the amount of tax, penalty and interest due and owing from the taxpayer, and that the certificate of registration shall not be automatically renewed upon its expiration date unless the taxpayer, on or before the date of expiration, has filed and paid the delinquent returns or paid the defaulted amount in full. A taxpayer to whom such a notice is issued shall be deemed an applicant for renewal. The Department shall promulgate regulations establishing procedures for taxpayers who file returns on a monthly basis but desire and qualify to change to a quarterly or yearly filing basis and will no longer be subject to renewal under this Section, and for taxpayers who file returns on a yearly or quarterly basis but who desire or are required to change to a monthly filing basis and will be subject to renewal under this Section.

The Department may in its discretion approve renewal by an applicant who is in default if, at the time of application for renewal, the applicant files all of the delinquent returns or pays to the Department such percentage of the defaulted amount as may be determined by the Department and agrees in writing to waive all limitations upon the Department for collection of the remaining defaulted amount to the Department over a period

not to exceed 5 years from the date of renewal of the certificate; however, no renewal application submitted by an applicant who is in default shall be approved if the immediately preceding renewal by the applicant was conditioned upon the installment payment agreement described in this Section. The payment agreement herein provided for shall be in addition to and not in lieu of the security that may be required by this Section of a taxpayer who is no longer considered a prior continuous compliance taxpayer. The execution of the payment agreement as provided in this Act shall not toll the accrual of interest at the statutory rate.

The Department may suspend a certificate of registration if the Department finds that the person to whom the certificate of registration has been issued knowingly sold contraband cigarettes.

A certificate of registration issued under this Act more than 5 years before January 1, 1990 (the effective date of Public Act 86-383) shall expire and be subject to the renewal provisions of this Section on the next anniversary of the date of issuance of such certificate which occurs more than 6 months after January 1, 1990 (the effective date of Public Act 86-383). A certificate of registration issued less than 5 years before January 1, 1990 (the effective date of Public Act 86-383) shall expire and be subject to the renewal provisions of this Section on the 5th anniversary of the issuance of the certificate.

If a person who is licensed as a retailer of alcoholic liquor under the Liquor Control Act of 1934 has had the renewal of his or her certificate of registration denied under this Section 2a, then, pursuant to Section 7-6.5 of the Liquor Control Act of 1934, the Department shall file a notice with the Liquor Control Commission that includes a certification, signed by the Director of Revenue or his or her designee, attesting that the person's certificate of registration renewal has been denied after notice and an opportunity to be heard.

If the person so registered states that he operates other places of business from which he engages in the business of selling tangible personal property at retail in this State, the Department shall furnish him with a sub-certificate of registration for each such place of business, and the applicant shall display the appropriate sub-certificate of registration at each such place of business. All sub-certificates of registration shall bear the same registration number as that appearing upon the certificate of registration to which such sub-certificates relate.

If the applicant will sell tangible personal property at retail through vending machines, the Department shall furnish him with a sub-certificate of registration for each such vending machine, and the applicant shall display the appropriate sub-certificate of registration on each such vending machine by attaching the sub-certificate of

registration to a conspicuous part of such vending machine. If a person who is registered to sell tangible personal property at retail through vending machines adds an additional vending machine or additional vending machines to the number of vending machines he or she uses in his or her business of selling tangible personal property at retail, he or she shall notify the Department, on a form prescribed by the Department, to request an additional sub-certificate or additional sub-certificates of registration, as applicable. With each such request, the applicant shall report the number of sub-certificates of registration he or she is requesting as well as the total number of vending machines from which he or she makes retail sales.

Where the same person engages in 2 or more businesses of selling tangible personal property at retail in this State, which businesses are substantially different in character or engaged in under different trade names or engaged in under other substantially dissimilar circumstances (so that it is more practicable, from an accounting, auditing or bookkeeping standpoint, for such businesses to be separately registered), the Department may require or permit such person (subject to the same requirements concerning the furnishing of security as those that are provided for hereinbefore in this Section as to each application for a certificate of registration) to apply for and obtain a separate certificate of registration for each such business or for any of such businesses, under a single

certificate of registration supplemented by related sub-certificates of registration.

Any person who is registered under the Retailers' Occupation Tax Act as of March 8, 1963, and who, during the 3-year period immediately prior to March 8, 1963, or during a continuous 3-year period part of which passed immediately before and the remainder of which passes immediately after March 8, 1963, has been so registered continuously and who is determined by the Department not to have been either delinquent or deficient in the payment of tax liability during that period under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the registrant under this Act will permit the registrant to engage in business without registering separately under such other law, ordinance or resolution, shall be considered to be a Prior Continuous Compliance taxpayer. Also any taxpayer who has, as verified by the Department, faithfully and continuously complied with the condition of his bond or other security under the provisions of this Act for a period of 3 consecutive years shall be considered to be a Prior Continuous Compliance taxpayer.

Every Prior Continuous Compliance taxpayer shall be exempt from all requirements under this Act concerning the furnishing of a bond or other security as a condition precedent to his being authorized to engage in the business of selling tangible

personal property at retail in this State. This exemption shall continue for each such taxpayer until such time as he may be determined by the Department to be delinquent in the filing of any returns, or is determined by the Department (either through the Department's issuance of a final assessment which has become final under the Act, or by the taxpayer's filing of a return which admits tax that is not paid to be due) to be delinquent or deficient in the paying of any tax under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the registrant under this Act will permit the registrant to engage in business without registering separately under such other law, ordinance or resolution, at which time that taxpayer shall become subject to all the financial responsibility requirements of this Act and, as a condition of being allowed to continue to engage in the business of selling tangible personal property at retail, may be required to post bond or other acceptable security with the Department covering liability which such taxpayer may thereafter incur. Any taxpayer who fails to pay an admitted or established liability under this Act may also be required to post bond or other acceptable security with this Department guaranteeing the payment of such admitted or established liability.

No certificate of registration shall be issued to any person who is in default to the State of Illinois for moneys

due under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution.

Any person aggrieved by any decision of the Department under this Section may, within 20 days after notice of such decision, protest and request a hearing, whereupon the Department shall give notice to such person of the time and place fixed for such hearing and shall hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to such person. In the absence of such a protest within 20 days, the Department's decision shall become final without any further determination being made or notice given.

With respect to security other than bonds (upon which the Department may sue in the event of a forfeiture), if the taxpayer fails to pay, when due, any amount whose payment such security guarantees, the Department shall, after such liability is admitted by the taxpayer or established by the Department through the issuance of a final assessment that has become final under the law, convert the security which that taxpayer has furnished into money for the State, after first giving the taxpayer at least 10 days' written notice, by registered or certified mail, to pay the liability or forfeit

such security to the Department. If the security consists of stocks or bonds or other securities which are listed on a public exchange, the Department shall sell such securities through such public exchange. If the security consists of an irrevocable bank letter of credit, the Department shall convert the security in the manner provided for in the Uniform Commercial Code. If the security consists of a bank certificate of deposit, the Department shall convert the security into money by demanding and collecting the amount of such bank certificate of deposit from the bank which issued such certificate. If the security consists of a type of stocks or other securities which are not listed on a public exchange, the Department shall sell such security to the highest and best bidder after giving at least 10 days' notice of the date, time and place of the intended sale by publication in the "State Official Newspaper". If the Department realizes more than the amount of such liability from the security, plus the expenses incurred by the Department in converting the security into money, the Department shall pay such excess to the taxpayer who furnished such security, and the balance shall be paid into the State Treasury.

The Department shall discharge any surety and shall release and return any security deposited, assigned, pledged or otherwise provided to it by a taxpayer under this Section within 30 days after:

(1) such taxpayer becomes a Prior Continuous

Compliance taxpayer; or

(2) such taxpayer has ceased to collect receipts on which he is required to remit tax to the Department, has filed a final tax return, and has paid to the Department an amount sufficient to discharge his remaining tax liability, as determined by the Department, under this Act and under every other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration issued under this Act permits the registrant to engage in business without registering separately under such other law, ordinance or resolution. The Department shall make a final determination of the taxpayer's outstanding tax liability as expeditiously as possible after his final tax return has been filed; if the Department cannot make such final determination within 45 days after receiving the final tax return, within such period it shall so notify the taxpayer, stating its reasons therefor.

(35 ILCS 120/2b) (from Ch. 120, par. 441b)

Sec. 2b. The Department may, after notice and a hearing as provided herein, revoke the certificate of registration of any person who violates any of the provisions of this Act. Before revocation of a certificate of registration the Department

shall, within 90 days after non-compliance and at least 7 days prior to the date of the hearing, give the person so accused notice in writing of the charge against him or her, and on the date designated shall conduct a hearing upon this matter. The lapse of such 90 day period shall not preclude the Department from conducting revocation proceedings at a later date if necessary. Any hearing held under this Section shall be conducted by the Director of Revenue or by any officer or employee of the Department designated, in writing, by the Director of Revenue.

Upon the hearing of any such proceeding, the Director of Revenue, or any officer or employee of the Department designated, in writing, by the Director of Revenue, may administer oaths and the Department may procure by its subpoena the attendance of witnesses and, by its subpoena duces tecum, the production of relevant books and papers. Any circuit court, upon application either of the accused or of the Department, may, by order duly entered, require the attendance of witnesses and the production of relevant books and papers, before the Department in any hearing relating to the revocation of certificates of registration. Upon refusal or neglect to obey the order of the court, the court may compel obedience thereof by proceedings for contempt.

The Department may, by application to any circuit court, obtain an injunction restraining any person who engages in the business of selling tangible personal property at retail in

this State without a certificate of registration (either because the certificate of registration has been revoked or because of a failure to obtain a certificate of registration in the first instance) from engaging in such business until such person, as if he or she were a new applicant for a certificate of registration, shall comply with all of the conditions, restrictions and requirements of Section 2a of this Act and qualify for and obtain a certificate of registration. Upon refusal or neglect to obey the order of the court, the court may compel obedience thereof by proceedings for contempt.

It shall not be a defense in a proceeding before the Department to revoke a certificate of registration issued under the Act, or in any action by the Department to collect any tax due under this Act, that the holder of the certificate is a party to an installment payment agreement under Section 2a of this Act if the liability which is the basis of the revocation proceeding, or the tax that is sought to be collected: (1) was incurred after the date of the agreement was approved by the Department; or (2) was incurred prior to the date the agreement was approved by the Department, but was not included in the agreement; or (3) was included in the agreement, but the taxpayer is in default of the agreement.

<u>If a person who is licensed as a retailer of alcoholic liquor under the Liquor Control Act of 1934 has had his or her certificate of registration revoked under this Section 2b,</u>

then, pursuant to Section 7-6.5 of the Liquor Control Act of 1934, the Department shall file a notice with the Liquor Control Commission that includes a certification, signed by its Director of Revenue or his or her designee, attesting that the person's certificate of registration has been revoked, after notice and an opportunity to be heard.

(Source: P.A. 86-338; 86-383; 86-1028.)

Section 75-10. The Liquor Control Act of 1934 is amended by adding Sections 1-3.49 and 7-6.5 as follows:

(235 ILCS 5/1-3.49 new)

Sec. 1-3.49. Inactive license. "Inactive license" means a status of licensure in which the licensee holds a current license under this Act, but the licensee is prohibited from engaging in all licensed activities because the licensee does not hold an active certificate of registration issued by the Department of Revenue pursuant to the Retailers' Occupation Tax Act.

(235 ILCS 5/7-6.5 new)

Sec. 7-6.5. Inactive licenses; certificate of registration. Notwithstanding anything in this Act to the contrary, the Commission shall inactivate the license of any licensee authorized to sell alcoholic liquor at retail if that person's certificate of registration renewal has been denied

by the Department of Revenue pursuant to Section 2a of the Retailers' Occupation Tax Act or that person's certificate of registration has been revoked by the Department of Revenue pursuant to Section 2b of the Retailers' Occupation Tax Act until the violation resulting in the nonrenewal or revocation has been remedied and the certificate of registration has been reinstated by the Department of Revenue. The Department of Revenue shall file a notice with the Commission that includes a certification, signed by Director of Revenue or his or her designee, attesting that the person's certificate of registration renewal has been denied or the person's certificate of registration has been revoked after notice and an opportunity to be heard.

If a person who is licensed as a retailer of alcoholic liquor under this Act has had the renewal of his or her certificate of registration denied under Section 2a or revoked under Section 2b of the Retailers' Occupation Tax Act, then, pursuant to this Section, distributors licensed under this Act are prohibited from selling alcoholic liquor to that retailer, that retailer is prohibited from purchasing alcoholic liquor from distributors, and all other licensed activities are prohibited pending notification by the Department of Revenue that the nonrenewal or revocation has been resolved to the Department of Revenue's satisfaction.

The Department shall hold the hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to the cigarette machine operator. In the absence of a written protest and request for a hearing within 30 ~~20~~ days, the Department's decision shall become final without any further determination being made or notice given.

No license so revoked shall be reissued to any cigarette machine operator for a period of 6 months after the date of the final determination of such revocation. No license shall be reissued at all so long as the person who would receive the

Sec. 1-105. Hearings regarding seized cigarettes and cigarette machines. After seizing any cigarettes or cigarette machines, as provided in Section 1-100 of this Act, the Department shall hold a hearing and shall determine whether such cigarettes, at the time of their seizure by the Department, were contraband cigarettes, or whether such cigarette machines, at the time of their seizure by the Department, contained or made contraband cigarettes. The Department is not required to hold such a hearing if a waiver and consent to forfeiture has been executed by the owner of the property, if the owner is known, and by the person in whose possession the property so taken was found, if that person is known and if that person is not the owner of the property. In case neither the owner nor the person in possession of such property is known, the Department shall cause publication of the time and place of such hearing to be made at least once in each week for 3 weeks successively in a newspaper of general circulation in the county where such hearing is to be held.

If, as the result of such hearing, the Department

determines that the cigarettes seized were, at the time of seizure, contraband cigarettes, or that any cigarette machine at the time of its seizure contained or made contraband cigarettes, or upon receipt of a properly executed waiver and consent to forfeiture as provided in this Section, the Department shall enter an order declaring such cigarettes or such cigarette machine confiscated and forfeited to the State, and to be held by the Department for disposal as provided in this Section. The Department shall give notice of such order to the owner of such property if he is known, and also to the person in whose possession the property so taken was found, if such person is known, and if such person in possession is not the owner of the property. The cost of destruction shall be assessed against the owner of the forfeited property or the person in possession of

the forfeited property. Those costs shall be assessed regardless of whether the forfeiture is determined by hearing or waiver.

Any person aggrieved by any decision of the Department under this Section may, within 30 days after notice of the decision, protest and request a hearing. Upon receiving a written request for a hearing, the Department shall give notice to the person requesting the hearing of the time and place fixed for the hearing and shall hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to that person. In the absence of a protest and request for a hearing within 30 days, the Department's decision shall become final without any further determination being made or notice given.

(35 ILCS 143/10-20)

Sec. 10-20. Distributor's licenses.

(a) It shall be unlawful for any person to engage in business as a distributor of tobacco products within the meaning of this Act without first having obtained a license to do so from the Department. Application for that license shall be made to the Department, by electronic means, in a form prescribed ~~and furnished~~ by the Department. Each applicant for a license shall furnish to the Department in ~~on~~ a form, signed and verified by the applicant under penalty of perjury, in an

electronic format established by the Department, the following ~~information~~:

The Department shall fix the amount of the bond for each applicant, taking into consideration the amount of money expected to become due from the applicant under this Act. The amount of bond required by the Department shall be an amount that, in its opinion, will protect the State of Illinois against failure to pay the amount that may become due from the applicant under this Act. Except as otherwise

provided in this Section, the bond, a reissue, or a substitute shall be kept in full force and effect during the entire period covered by the license. A separate application for license shall be made, and bond filed, for each place of business at which a person who is required to procure a distributor's license proposes to engage in business as a distributor under this Act.

(b) The following are ineligible to receive a distributor's license under this Section:

(1) a person who is not of good character and reputation in the community in which the person resides; the Department may consider prior conviction of a felony but, except as provided in paragraph (2), the conviction shall not operate as an absolute bar to licensure;

(2) a person who has been convicted of a felony under any federal or State law, if the Department, after investigation and consideration of any mitigating factors and evidence of rehabilitation contained in the applicant's record, including those in Section 4i of the Cigarette Tax Act, and hearing, if requested by the applicant, determines that such person has not been sufficiently rehabilitated to warrant the public trust and the conviction will impair the ability of the person to engage in the position for which a license is sought;

(3) a corporation, if any officer, manager, or director thereof, or any stockholder or stockholders

owning in the aggregate more than 5% of the stock of such corporation, would not be eligible to receive a license under this Act for any reason;

(4) a person who has delinquent reports under Section 25 of the Tobacco Products Manufacturers' Escrow Enforcement Act of 2003; or

(5) a person, or any person who owns more than 15% of the ownership interests in a person or a related party who:

(B) had a license under this Act, the Cigarette Tax Act, the Cigarette Use Tax Act, or the Cigarette Machine Operator's Occupation Tax Act revoked within the past 2 years by the Department for misconduct relating to stolen or contraband cigarettes or has been convicted of a State or federal crime, punishable by imprisonment of one year or more, relating to stolen or contraband cigarettes;

(C) manufactures cigarettes, whether in this State or out of this State, and who is neither (i) a participating manufacturer as defined in subsection

II(jj) of the "Master Settlement Agreement" as defined in Sections 10 of the Tobacco Product Manufacturers' Escrow Act and the Tobacco Products Manufacturers' Escrow Enforcement Act of 2003; nor (ii) in full compliance with Tobacco Product Manufacturers' Escrow Act and the Tobacco Products Manufacturers' Escrow Enforcement Act of 2003;

(D) has been found by the Department, after notice and a hearing, to have imported or caused to be imported into the United States for sale or distribution any cigarette in violation of 19 U.S.C. 1681a;

(E) has been found by the Department, after notice and a hearing, to have imported or caused to be imported into the United States for sale or distribution or manufactured for sale or distribution in the United States any cigarette that does not fully comply with the Federal Cigarette Labeling and Advertising Act (15 U.S.C. 1331, et seq.); or

(F) has been found by the Department, after notice and a hearing, to have made a materially false statement in the application or has failed to produce records required to be maintained by this Act.

(c) The Department, upon receipt of an application and bond, if required, in proper form, from a person who is eligible to receive a distributor's license shall issue to the

applicant a license, in a form prescribed by the Department. The license ~~, which~~ shall allow ~~permit~~ the applicant ~~to whom it is issued~~ to engage in business as a distributor at the place shown on the ~~his or her~~ application. ~~The license shall be issued by the Department without charge or cost to the applicant.~~ No license issued under this Section ~~Act~~ is transferable or assignable. The license shall be conspicuously displayed in the place of business conducted by the licensee under the license. No distributor licensee acquires any vested interest or compensable property right in a license issued under this Section.

Licenses issued by the Department under this Section ~~Act~~ shall be valid for a period not to exceed one year after issuance unless sooner revoked, canceled, or suspended as provided in this Act.

A licensed distributor shall notify the Department of any change in the information contained on the application form, including any change in ownership and shall do so within 30 days after any such change ~~No license shall be issued to any person who is in default to the State of Illinois for moneys due under this Act or any other tax Act administered by the Department~~.

(1) the taxpayer becomes a prior continuous compliance

taxpayer; or

(2) the taxpayer has ceased to collect receipts on which the taxpayer is required to remit the tax under this Act to the Department, has filed a final tax return, and has paid to the Department an amount sufficient to discharge his remaining tax liability as determined by the Department under this Act.

For the purposes of item (2), the Department shall make a final determination of the taxpayer's outstanding tax liability as expeditiously as possible after the taxpayer's final tax return under this Act has been filed. If the Department will be unable to make such a final determination within 45 days after receiving the taxpayer's final tax return, then the Department shall notify the taxpayer within that 45-day period stating the reasons why it is unable to make the final determination within that 45-day period.

The Department may, in its discretion, upon application, authorize the payment of the tax imposed under Section 10-10 by any distributor or manufacturer not otherwise subject to the tax imposed under this Act who, to the satisfaction of the Department, furnishes adequate security to ensure payment of the tax. The distributor or manufacturer shall be issued, without charge, a license to remit the tax. When so authorized, it shall be the duty of the distributor or manufacturer to remit the tax imposed upon the wholesale price of tobacco products sold or otherwise disposed of to retailers

or consumers located in this State, in the same manner and subject to the same requirements as any other distributor or manufacturer licensed under this Act.

The Department may revoke, suspend, or cancel the license of a distributor of roll-your-own tobacco, ~~(~~ as that term is used in Section 10 of the Tobacco Product Manufacturers' Escrow Act, ~~)~~ under this Act if the tobacco product manufacturer, as defined in Section 10 of the Tobacco Product Manufacturers' Escrow Act, that made or sold the roll-your-own tobacco has failed to become a participating manufacturer, as defined in subdivision (a)(1) of Section 15 of the Tobacco Product Manufacturers' Escrow Act, or has failed to create a qualified escrow fund for any roll-your-own tobacco manufactured by the tobacco product manufacturer and sold in this State or otherwise failed to bring itself into compliance with subdivision (a)(2) of Section 15 of the Tobacco Product Manufacturers' Escrow Act.

Any applicant applying for a distributor's license after the applicant's distributor's license has been revoked by the Department shall also file a bond with the Department in an amount equal to 3 times the amount of the applicant's average monthly tax liability under this Act, as that average monthly tax liability was calculated immediately prior to the revocation of the applicant's distributor's license.

Any person aggrieved by any decision of the Department under this Section may, within 30 ~~20~~ days after notice of the

~~that~~ decision, protest and request a hearing, whereupon the Department must give notice to that person of the time and place fixed for the hearing and must hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to that person. In the absence of such a protest within 30 ~~20~~ days, the Department's decision becomes final without any further determination being made or notice given.

(35 ILCS 143/10-21)

Sec. 10-21. Retailer's license. Beginning on January 1, 2016, no person may engage in business as a retailer of tobacco products in this State without first having obtained a license from the Department. Application for license shall be made to the Department, by electronic means, in a form prescribed by the Department. Each applicant for a license under this Section shall furnish to the Department, in a form signed and verified by the applicant under penalty of perjury, in an electronic format established by the Department, the following information:

(1) the name and address of the applicant;

(2) the address of the location at which the applicant proposes to engage in business as a retailer of tobacco products in this State;

(3) such other additional information as the

Department may reasonably ~~lawfully~~ require by its rules ~~and regulations~~.

The annual license fee payable to the Department for each retailer's license shall be $150. The fee will be deposited into the Tax Compliance and Administration Fund and shall be used for the cost of tobacco retail inspection and contraband tobacco and tobacco smuggling with at least two-thirds of the money being used for contraband tobacco and tobacco smuggling operations and enforcement.

Each applicant for license shall pay such fee to the Department at the time of submitting its application for license to the Department. The Department shall require an applicant for a license under this Section to electronically file and pay the fee.

A separate application for license shall be made and a separate annual license fee shall be paid for each place of business at which a person who is required to procure a retailer's license under this Section proposes to engage in business as a retailer in Illinois under this Section ~~Act~~.

The following are ineligible to receive a retailer's license under this Act:

(1) a person who has been convicted of a felony under any federal or State law for smuggling cigarettes or tobacco products or tobacco tax evasion, if the Department, after investigation and a hearing if requested by the applicant, determines that such person has not been

sufficiently rehabilitated to warrant the public trust; and

(2) a corporation, if any officer, manager, or director thereof, or any stockholder or stockholders owning in the aggregate more than 5% of the stock of such corporation, would not be eligible to receive a license under this Act for any reason; a limited liability company, if any member or managing member would not be eligible to receive a license under this Act for any reason; a partnership, if any partner would not be eligible to receive a license under this Act for any reason.

The Department, upon receipt of an application and license fee, in proper form, from a person who is eligible to receive a retailer's license under this Act, shall issue to such applicant a license in form as prescribed by the Department, which license shall permit the applicant to which it is issued to engage in business as a retailer under this Act at the place shown in the ~~his~~ application. All licenses issued by the Department under this Section shall be valid for a period not to exceed one year after issuance unless sooner revoked, canceled or suspended as provided in this Act. No license issued under this Section is transferable or assignable. Such license shall be conspicuously displayed in the place of business conducted by the licensee in Illinois under such license. No licensee acquires any vested interest or

compensable property right in a license issued under this Section.

A licensed retailer shall notify the Department of any change in the information contained on the application form, including any change in ownership and shall do so within 30 days after any such change.

A person who obtains a license as a retailer who ceases to do business as specified in the license, or who never commenced business, or whose license is suspended or revoked, shall immediately surrender the license to the Department. The Department shall not issue a license to a retailer unless the retailer is also validly registered under the Retailers' ~~Retailers~~ Occupation Tax Act.

A retailer as defined under this Act need not obtain an additional license under this Act, but shall be deemed to be sufficiently licensed by virtue of ~~his~~ being properly licensed as a retailer under Section 4g of the Cigarette Tax Act.

Any person aggrieved by any decision of the Department under this Section may, within 30 days after notice of the decision, protest and request a hearing. Upon receiving a request for a hearing, the Department shall give notice to the person requesting the hearing of the time and place fixed for the hearing and shall hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to that person. In the absence of a protest and request for a hearing within 30 days, the

Department's decision shall become final without any further determination being made or notice given.

The notice shall specify the alleged violation or violations upon which the revocation, cancellation, or suspension proceeding is based.

(b) The Department may, after notice and hearing as provided for by this Act, revoke, cancel, or suspend the license of any distributor or retailer for the violation of any provision of this Act, or for noncompliance with the provisions of this Act, or for any noncompliance with any lawful rule promulgated by the Department under this Act, or because the licensee is determined to be ineligible for a distributor's license for any one or more of the reasons provided for in Section 10-20 of this Act, or because the licensee is determined to be ineligible for a retailer's

license for any one or more of the reasons provided for in Section 10-21 of this Act.

(b-5) The Department may revoke, cancel, or suspend the license of any distributor for a violation of the Tobacco Products Manufacturers' Escrow Enforcement Act of 2003 as provided in Section 30 of that Act.

(c) If the retailer has a training program that facilitates compliance with minimum-age tobacco laws, the Department shall suspend for 3 days the license of that retailer for a fourth or subsequent violation of the Prevention of Tobacco Use by Persons under 21 Years of Age and Sale and Distribution of Tobacco Products Act, as provided in subsection (a) of Section 2 of that Act. For the purposes of this Section, any violation of subsection (a) of Section 2 of the Prevention of Tobacco Use by Persons under 21 Years of Age and Sale and Distribution of Tobacco Products Act occurring at the retailer's licensed location, during a 24-month period, shall be counted as a violation against the retailer.

If the retailer does not have a training program that facilitates compliance with minimum-age tobacco laws, the Department shall suspend for 3 days the license of that retailer for a second violation of the Prevention of Tobacco Use by Persons under 21 Years of Age and Sale and Distribution of Tobacco Products Act, as provided in subsection (a-5) of Section 2 of that Act.

If the retailer does not have a training program that

facilitates compliance with minimum-age tobacco laws, the Department shall suspend for 7 days the license of that retailer for a third violation of the Prevention of Tobacco Use by Persons under 21 Years of Age and Sale and Distribution of Tobacco Products Act, as provided in subsection (a-5) of Section 2 of that Act.

If the retailer does not have a training program that facilitates compliance with minimum-age tobacco laws, the Department shall suspend for 30 days the license of a retailer for a fourth or subsequent violation of the Prevention of Tobacco Use by Persons under 21 Years of Age and Sale and Distribution of Tobacco Products Act, as provided in subsection (a-5) of Section 2 of that Act.

A training program that facilitates compliance with minimum-age tobacco laws must include at least the following elements: (i) it must explain that only individuals displaying valid identification demonstrating that they are 21 years of age or older shall be eligible to purchase cigarettes or tobacco products and (ii) it must explain where a clerk can check identification for a date of birth. The training may be conducted electronically. Each retailer that has a training program shall require each employee who completes the training program to sign a form attesting that the employee has received and completed tobacco training. The form shall be kept in the employee's file and may be used to provide proof of training.

(c-5) Any distributor or retailer aggrieved by any decision of the Department under this Section may, within 30 days after notice of the decision, protest and request a hearing. Upon receiving a written request for a hearing, the Department shall give notice in writing to the distributor or retailer requesting the hearing that contains a statement of the charges preferred against the distributor or retailer and that states the time and place fixed for the hearing. The Department shall hold the hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to the distributor or retailer. In the absence of a written protest and request for a hearing within 30 days, the Department's decision shall become final without any further determination being made or notice given.

(c-10) No license so revoked shall be reissued to any distributor or retailer for a period of 6 months after the date of the final determination of such revocation. No license shall be reissued at all so long as the person who would receive the license is ineligible to receive a distributor's license under this Act for any one or more of the reasons provided for in Section 10-20 of this Act or a retailer's license under this Act for any one or more of the reasons provided for in Section 10-21 of this Act.

(d) The Department may, by application to any circuit court, obtain an injunction restraining any person who engages in business as a distributor of tobacco products without a

license (either because the ~~his or her~~ license has been revoked, canceled, or suspended or because of a failure to obtain a license in the first instance) from engaging in that business until that person, as if that person were a new applicant for a license, complies with all of the conditions, restrictions, and requirements of Section 10-20 of this Act and qualifies for and obtains a license. Refusal or neglect to obey the order of the court may result in punishment for contempt.

(e) The Department, upon complaint filed in the circuit court, may, by injunction, restrain any person who fails or refuses to comply with any of the provisions of this Act from acting as a distributor or retailer in this State.

(35 ILCS 143/10-56)

Sec. 10-56. Seizure and forfeiture. After seizing any tobacco products or vending devices, as provided in Section 10-55, the Department must hold a hearing and determine whether (i) the distributor or retailer was properly licensed to sell the tobacco products at the time of their seizure by the Department; (ii) the possession of the tobacco products was in violation of this Act; or (iii) the tax imposed by this Act had been paid on the tobacco products. The Department is not required to hold such a hearing if a waiver and consent to forfeiture has been executed by the owner of the property, if the owner is known, and by the person in whose possession the property so taken was found, if that person is known and if that person is not the owner of the property. The Department shall give not less than 20 days' notice of the time and place of the hearing to the owner of the property, if the owner is known, and also to the person in whose possession the property was found, if that person is known and if the person in possession is not the owner of the property. The Department must give notice of the order to the owner of the property, if the owner is known, and also to the person in whose possession the property was found, if that person is known and if the person in possession is not the owner of the property. If neither the owner nor the person in possession of the property is known, the Department must cause publication of the order to be made at least once in each week for 3 weeks successively in a newspaper of general circulation in the county where the hearing was held.

(35 ILCS 143/10-58)

Sec. 10-58. Sale of forfeited tobacco products or vending devices.

(a) When any tobacco products or any vending devices are declared forfeited to the State by the Department, as provided in Section 10-55, and when all proceedings for the judicial review of the Department's decision have terminated, the Department shall, to the extent that its decision is sustained on review, sell the property for the best price obtainable and shall forthwith pay over the proceeds of the sale to the State Treasurer. If the value of the property to be sold at any one time is $500 or more, however, the property shall be sold only to the highest and best bidder on terms and conditions, and on open competitive bidding after public advertisement, in a manner and for terms as the Department, by rule, may prescribe.

(b) If no complaint for review, as provided in Section 12 of the Retailers' Occupation Tax Act, has been filed within the time required by law ~~Law~~, and if no stay order has been entered under that law ~~Law~~, the Department shall proceed to destroy, maintain and use in an undercover capacity, or sell the property for the best price obtainable and shall forthwith pay over the proceeds of the sale to the State Treasurer. If the value of the property to be sold at any one time is $500 or more, however, the property shall be sold only to the highest and best bidder on terms and conditions, and on open competitive bidding after public advertisement, in a manner and for terms as the Department, by rule, may prescribe.

(c) Upon making a sale of tobacco products as provided in

this Section, the Department shall affix a distinctive stamp to each of the tobacco products so sold indicating that they are sold under this Section.

(d) The cost of destruction shall be assessed against the owner or the person in possession of the forfeited property. Such cost shall be assessed regardless of whether the forfeiture is determined by hearing or waiver.

(e) Notwithstanding the foregoing, any tobacco products seized under this Act may, at the discretion of the Director of Revenue, be distributed to any eleemosynary institution within the State of Illinois.

(f) Any person aggrieved by any decision of the Department under this Section may, within 30 days after notice of the decision, protest and request a hearing. Upon receiving a written request for a hearing, the Department shall give notice to the person requesting the hearing of the time and place fixed for the hearing and shall hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to that person. In the absence of a protest and request for a hearing within 30 days, the Department's decision shall become final without any further determination being made or notice given. If a hearing has already been set pursuant to Section 10-25 or Section 10-56 of this Act, all issues related to the cost of destruction shall be heard simultaneously.

For the purposes of this paragraph, "rules" is given the meaning given to that term in Section 1-70 of the Illinois Administrative Procedure Act.

(b) In determining whether to grant an owners license to an applicant, the Board shall consider:

(1) the character, reputation, experience, and financial integrity of the applicants and of any other or separate person that either:

(10) the extent to which the ownership of an applicant includes the most qualified number of minority persons, women, and persons with a disability; and

(11) whether the applicant has entered into a fully executed construction project labor agreement with the applicable local building trades council.

(c) Each owners license shall specify the place where the casino shall operate or the riverboat shall operate and dock.

(d) Each applicant shall submit with his or her application, on forms provided by the Board, 2 sets of his or her fingerprints.

(e) In addition to any licenses authorized under subsection (e-5) of this Section, the Board may issue up to 10 licenses authorizing the holders of such licenses to own riverboats. In the application for an owners license, the applicant shall state the dock at which the riverboat is based and the water on which the riverboat will be located. The Board

shall issue 5 licenses to become effective not earlier than January 1, 1991. Three of such licenses shall authorize riverboat gambling on the Mississippi River, or, with approval by the municipality in which the riverboat was docked on August 7, 2003 and with Board approval, be authorized to relocate to a new location, in a municipality that (1) borders on the Mississippi River or is within 5 miles of the city limits of a municipality that borders on the Mississippi River and (2) on August 7, 2003, had a riverboat conducting riverboat gambling operations pursuant to a license issued under this Act; one of which shall authorize riverboat gambling from a home dock in the city of East St. Louis; and one of which shall authorize riverboat gambling from a home dock in the City of Alton. One other license shall authorize riverboat gambling on the Illinois River in the City of East Peoria or, with Board approval, shall authorize land-based gambling operations anywhere within the corporate limits of the City of Peoria. The Board shall issue one additional license to become effective not earlier than March 1, 1992, which shall authorize riverboat gambling on the Des Plaines River in Will County. The Board may issue 4 additional licenses to become effective not earlier than March 1, 1992. In determining the water upon which riverboats will operate, the Board shall consider the economic benefit which riverboat gambling confers on the State~~,~~ and shall seek to ensure ~~assure~~ that all regions of the State share in the economic benefits of

riverboat gambling.

In granting all licenses, the Board may give favorable consideration to economically depressed areas of the State, to applicants presenting plans which provide for significant economic development over a large geographic area, and to applicants who currently operate non-gambling riverboats in Illinois. The Board shall review all applications for owners licenses~~,~~ and shall inform each applicant of the Board's decision. The Board may grant an owners license to an applicant that has not submitted the highest license bid, but if it does not select the highest bidder, the Board shall issue a written decision explaining why another applicant was selected and identifying the factors set forth in this Section that favored the winning bidder. The fee for issuance or renewal of a license pursuant to this subsection (e) shall be $250,000.

(e-5) In addition to licenses authorized under subsection (e) of this Section:

(1) the Board may issue one owners license authorizing the conduct of casino gambling in the City of Chicago;

(2) the Board may issue one owners license authorizing the conduct of riverboat gambling in the City of Danville;

(3) the Board may issue one owners license authorizing the conduct of riverboat gambling in the City of Waukegan;

(4) the Board may issue one owners license authorizing the conduct of riverboat gambling in the City of Rockford;

(5) the Board may issue one owners license authorizing the conduct of riverboat gambling in a municipality that is wholly or partially located in one of the following townships of Cook County: Bloom, Bremen, Calumet, Rich, Thornton, or Worth Township; and

(6) the Board may issue one owners license authorizing the conduct of riverboat gambling in the unincorporated area of Williamson County adjacent to the Big Muddy River.

Except for the license authorized under paragraph (1), each application for a license pursuant to this subsection (e-5) shall be submitted to the Board no later than 120 days after June 28, 2019 (the effective date of Public Act 101-31). All applications for a license under this subsection (e-5) shall include the nonrefundable application fee and the nonrefundable background investigation fee as provided in subsection (d) of Section 6 of this Act. In the event that an applicant submits an application for a license pursuant to this subsection (e-5) prior to June 28, 2019 (the effective date of Public Act 101-31), such applicant shall submit the nonrefundable application fee and background investigation fee as provided in subsection (d) of Section 6 of this Act no later than 6 months after June 28, 2019 (the effective date of Public Act 101-31).

The Board shall consider issuing a license pursuant to paragraphs (1) through (6) of this subsection only after the corporate authority of the municipality or the county board of

the county in which the riverboat or casino shall be located has certified to the Board the following:

(i) that the applicant has negotiated with the corporate authority or county board in good faith;

(ii) that the applicant and the corporate authority or county board have mutually agreed on the permanent location of the riverboat or casino;

(iii) that the applicant and the corporate authority or county board have mutually agreed on the temporary location of the riverboat or casino;

(iv) that the applicant and the corporate authority or the county board have mutually agreed on the percentage of revenues that will be shared with the municipality or county, if any;

(v) that the applicant and the corporate authority or county board have mutually agreed on any zoning, licensing, public health, or other issues that are within the jurisdiction of the municipality or county;

(vi) that the corporate authority or county board has passed a resolution or ordinance in support of the riverboat or casino in the municipality or county;

(vii) that the applicant for a license under paragraph (1) has made a public presentation concerning its casino proposal; and

(viii) that the applicant for a license under paragraph (1) has prepared a summary of its casino

proposal and such summary has been posted on a public website of the municipality or the county.

At least 7 days before the corporate authority of a municipality or county board of the county submits a certification to the Board concerning items (i) through (viii) of this subsection, it shall hold a public hearing to discuss items (i) through (viii), as well as any other details concerning the proposed riverboat or casino in the municipality or county. The corporate authority or county board must subsequently memorialize the details concerning the proposed riverboat or casino in a resolution that must be adopted by a majority of the corporate authority or county board before any certification is sent to the Board. The Board shall not alter, amend, change, or otherwise interfere with any agreement between the applicant and the corporate authority of the municipality or county board of the county regarding the location of any temporary or permanent facility.

In addition, within 10 days after June 28, 2019 (the effective date of Public Act 101-31), the Board, with consent and at the expense of the City of Chicago, shall select and retain the services of a nationally recognized casino gaming feasibility consultant. Within 45 days after June 28, 2019 (the effective date of Public Act 101-31), the consultant shall prepare and deliver to the Board a study concerning the feasibility of, and the ability to finance, a casino in the City of Chicago. The feasibility study shall be delivered to

the Mayor of the City of Chicago, the Governor, the President of the Senate, and the Speaker of the House of Representatives. Ninety days after receipt of the feasibility study, the Board shall make a determination, based on the results of the feasibility study, whether to recommend to the General Assembly that the terms of the license under paragraph (1) of this subsection (e-5) should be modified. The Board may begin accepting applications for the owners license under paragraph (1) of this subsection (e-5) upon the determination to issue such an owners license.

In addition, prior to the Board issuing the owners license authorized under paragraph (4) of this subsection (e-5), an impact study shall be completed to determine what location in the city will provide the greater impact to the region, including the creation of jobs and the generation of tax revenue.

(e-10) The licenses authorized under subsection (e-5) of this Section shall be issued within 12 months after the date the license application is submitted. If the Board does not issue the licenses within that time period, then the Board shall give a written explanation to the applicant as to why it has not reached a determination and when it reasonably expects to make a determination. The fee for the issuance or renewal of a license issued pursuant to this subsection (e-10) shall be $250,000. Additionally, a licensee located outside of Cook County shall pay a minimum initial fee of $17,500 per gaming

position, and a licensee located in Cook County shall pay a minimum initial fee of $30,000 per gaming position. The initial fees payable under this subsection (e-10) shall be deposited into the Rebuild Illinois Projects Fund. If at any point after June 1, 2020 there are no pending applications for a license under subsection (e-5) and not all licenses authorized under subsection (e-5) have been issued, then the Board shall reopen the license application process for those licenses authorized under subsection (e-5) that have not been issued. The Board shall follow the licensing process provided in subsection (e-5) with all time frames tied to the last date of a final order issued by the Board under subsection (e-5) rather than the effective date of the amendatory Act.

(e-15) Each licensee of a license authorized under subsection (e-5) of this Section shall make a reconciliation payment 3 years after the date the licensee begins operating in an amount equal to 75% of the adjusted gross receipts for the most lucrative 12-month period of operations, minus an amount equal to the initial payment per gaming position paid by the specific licensee. Each licensee shall pay a $15,000,000 reconciliation fee upon issuance of an owners license. If this calculation results in a negative amount, then the licensee is not entitled to any reimbursement of fees previously paid. This reconciliation payment may be made in installments over a period of no more than 6 years.

All payments by licensees under this subsection (e-15)

shall be deposited into the Rebuild Illinois Projects Fund.

(e-20) In addition to any other revocation powers granted to the Board under this Act, the Board may revoke the owners license of a licensee which fails to begin conducting gambling within 15 months of receipt of the Board's approval of the application if the Board determines that license revocation is in the best interests of the State.

(f) The first 10 owners licenses issued under this Act shall permit the holder to own up to 2 riverboats and equipment thereon for a period of 3 years after the effective date of the license. Holders of the first 10 owners licenses must pay the annual license fee for each of the 3 years during which they are authorized to own riverboats.

(g) Upon the termination, expiration, or revocation of each of the first 10 licenses, which shall be issued for a 3-year period, all licenses are renewable annually upon payment of the fee and a determination by the Board that the licensee continues to meet all of the requirements of this Act and the Board's rules. However, for licenses renewed on or after June 10, 2021 (the effective date of Public Act 102-13) ~~this amendatory Act of the 102nd General Assembly~~, renewal shall be for a period of 4 years.

(h) An owners license, except for an owners license issued under subsection (e-5) of this Section, shall entitle the licensee to own up to 2 riverboats.

An owners licensee of a casino or riverboat that is

located in the City of Chicago pursuant to paragraph (1) of subsection (e-5) of this Section shall limit the number of gaming positions to 4,000 for such owner. An owners licensee authorized under subsection (e) or paragraph (2), (3), (4), or (5) of subsection (e-5) of this Section shall limit the number of gaming positions to 2,000 for any such owners license. An owners licensee authorized under paragraph (6) of subsection (e-5) of this Section shall limit the number of gaming positions to 1,200 for such owner. The initial fee for each gaming position obtained on or after June 28, 2019 (the effective date of Public Act 101-31) shall be a minimum of $17,500 for licensees not located in Cook County and a minimum of $30,000 for licensees located in Cook County, in addition to the reconciliation payment, as set forth in subsection (e-15) of this Section. The fees under this subsection (h) shall be deposited into the Rebuild Illinois Projects Fund. The fees under this subsection (h) that are paid by an owners licensee authorized under subsection (e) shall be paid by July 1, 2021.

Each owners licensee under subsection (e) of this Section shall reserve its gaming positions within 30 days after June 28, 2019 (the effective date of Public Act 101-31). The Board may grant an extension to this 30-day period, provided that the owners licensee submits a written request and explanation as to why it is unable to reserve its positions within the 30-day period.

Each owners licensee under subsection (e-5) of this Section shall reserve its gaming positions within 30 days after issuance of its owners license. The Board may grant an extension to this 30-day period, provided that the owners licensee submits a written request and explanation as to why it is unable to reserve its positions within the 30-day period.

A licensee may operate both of its riverboats concurrently, provided that the total number of gaming positions on both riverboats does not exceed the limit established pursuant to this subsection. Riverboats licensed to operate on the Mississippi River and the Illinois River south of Marshall County shall have an authorized capacity of at least 500 persons. Any other riverboat licensed under this Act shall have an authorized capacity of at least 400 persons.

(h-5) An owners licensee who conducted gambling operations prior to January 1, 2012 and obtains positions pursuant to Public Act 101-31 shall make a reconciliation payment 3 years after any additional gaming positions begin operating in an amount equal to 75% of the owners licensee's average gross receipts for the most lucrative 12-month period of operations minus an amount equal to the initial fee that the owners licensee paid per additional gaming position. For purposes of this subsection (h-5), "average gross receipts" means (i) the increase in adjusted gross receipts for the most lucrative 12-month period of operations over the adjusted gross receipts

for 2019, multiplied by (ii) the percentage derived by dividing the number of additional gaming positions that an owners licensee had obtained by the total number of gaming positions operated by the owners licensee. If this calculation results in a negative amount, then the owners licensee is not entitled to any reimbursement of fees previously paid. This reconciliation payment may be made in installments over a period of no more than 6 years. These reconciliation payments shall be deposited into the Rebuild Illinois Projects Fund.

(i) A licensed owner is authorized to apply to the Board for and, if approved therefor, to receive all licenses from the Board necessary for the operation of a riverboat or casino, including a liquor license, a license to prepare and serve food for human consumption, and other necessary licenses. All use, occupation, and excise taxes which apply to the sale of food and beverages in this State and all taxes imposed on the sale or use of tangible personal property apply to such sales aboard the riverboat or in the casino.

(j) The Board may issue or re-issue a license authorizing a riverboat to dock in a municipality or approve a relocation under Section 11.2 only if, prior to the issuance or re-issuance of the license or approval, the governing body of the municipality in which the riverboat will dock has by a majority vote approved the docking of riverboats in the municipality. The Board may issue or re-issue a license authorizing a riverboat to dock in areas of a county outside

any municipality or approve a relocation under Section 11.2 only if, prior to the issuance or re-issuance of the license or approval, the governing body of the county has by a majority vote approved of the docking of riverboats within such areas.

(k) An owners licensee may conduct land-based gambling operations upon approval by the Board and payment of a fee of $250,000, which shall be deposited into the State Gaming Fund.

(l) An owners licensee may conduct gaming at a temporary facility pending the construction of a permanent facility or the remodeling or relocation of an existing facility to accommodate gaming participants for up to 24 months after the temporary facility begins to conduct gaming. Upon request by an owners licensee and upon a showing of good cause by the owners licensee: (i) for a licensee authorized under paragraph (3) of subsection (e-5), upon payment of an administrative fee of $10,000, the Board may ~~shall~~ extend the period during which the licensee may conduct gaming at a temporary facility by up to 48 ~~30~~ months; ~~and~~ (ii) for a licensee authorized under paragraph (1) of subsection (e-5), upon payment of an administrative fee of $10,000, the Board may extend the period during which the licensee may conduct gaming at a temporary facility by up to 18 months, and the Board may authorize no more than 2 additional 3-month extensions; and (iii) for all other licensees, the Board shall extend the period during which the licensee may conduct gaming at a temporary facility by up to 12 months. The Board shall make rules concerning the

conduct of gaming from temporary facilities.

*If the distance between 2 axles is 96 inches or less, the 2 axles are tandem axles and the maximum total weight may not exceed 34,000 pounds, notwithstanding the higher limit resulting from the application of the formula.

**Two consecutive sets of tandem axles may carry 34,000 pounds each if the overall distance between the first and last axles of these tandems is 36 feet or more.

Vehicles not in a combination having more than 4 axles may not exceed the weight in the table in this subsection (a) for 4 axles measured between the extreme axles of the vehicle.

Vehicles in a combination having more than 6 axles may not

exceed the weight in the table in this subsection (a) for 6 axles measured between the extreme axles of the combination.

Local authorities, with respect to streets and highways under their jurisdiction, without additional fees, may also by ordinance or resolution allow the weight limitations of this subsection, provided the maximum gross weight on any one axle shall not exceed 20,000 pounds and the maximum total weight on any tandem axle shall not exceed 34,000 pounds, on designated highways when appropriate regulatory signs giving notice are erected upon the street or highway or portion of any street or highway affected by the ordinance or resolution.

The following are exceptions to the above formula:

(1) Vehicles for which a different limit is established and posted in accordance with Section 15-316 of this Code.

(2) Vehicles for which the Department of Transportation and local authorities issue overweight permits under authority of Section 15-301 of this Code. These vehicles are not subject to the bridge formula.

(3) Cities having a population of more than 50,000 may permit by ordinance axle loads on 2-axle motor vehicles 33 1/2% above those provided for herein, but the increase shall not become effective until the city has officially notified the Department of the passage of the ordinance and shall not apply to those vehicles when outside of the limits of the city, nor shall the gross weight of any

2-axle motor vehicle operating over any street of the city exceed 40,000 pounds.

(4) Weight limitations shall not apply to vehicles (including loads) operated by a public utility when transporting equipment required for emergency repair of public utility facilities or properties or water wells.

(4.5) A 3-axle or 4-axle vehicle (including when laden) operated or hired by a municipality within Cook, Lake, McHenry, Kane, DuPage, or Will county being operated for the purpose of performing emergency sewer repair that would be subject to a weight limitation less than 66,000 pounds under the formula in this subsection (a) shall have a weight limitation of 66,000 pounds or the vehicle's gross vehicle weight rating, whichever is less. This paragraph (4.5) does not apply to vehicles being operated on the National System of Interstate and Defense Highways, or to vehicles being operated on bridges or other elevated structures constituting a part of a highway.

(5) Two consecutive sets of tandem axles may carry a total weight of 34,000 pounds each if the overall distance between the first and last axles of the consecutive sets of tandem axles is 36 feet or more, notwithstanding the lower limit resulting from the application of the above formula.

(6) A truck, not in combination and used exclusively for the collection of rendering materials, may, when

laden, transmit upon the road surface, except when on part of the National System of Interstate and Defense Highways, the following maximum weights: 22,000 pounds on a single axle; 40,000 pounds on a tandem axle.

(7) A truck not in combination, equipped with a self compactor or an industrial roll-off hoist and roll-off container, used exclusively for garbage, refuse, or recycling operations, may, when laden, transmit upon the road surface, except when on part of the National System of Interstate and Defense Highways, the following maximum weights: 22,000 pounds on a single axle; 40,000 pounds on a tandem axle; 40,000 pounds gross weight on a 2-axle vehicle; 54,000 pounds gross weight on a 3-axle vehicle. This vehicle is not subject to the bridge formula.

(7.5) A 3-axle rear discharge truck mixer registered as a Special Hauling Vehicle, used exclusively for the mixing and transportation of concrete in the plastic state, may, when laden, transmit upon the road surface, except when on part of the National System of Interstate and Defense Highways, the following maximum weights: 22,000 pounds on single axle; 40,000 pounds on a tandem axle; 54,000 pounds gross weight on a 3-axle vehicle. This vehicle is not subject to the bridge formula.

(8) Except as provided in paragraph (7.5) of this subsection (a), tandem axles on a 3-axle truck registered as a Special Hauling Vehicle~~, manufactured prior to or in~~

~~the model year of 2024 and first registered in Illinois prior to January 1, 2025,~~ with a distance greater than 72 inches but not more than 96 inches between any series of 2 axles, is allowed a combined weight on the series not to exceed 36,000 pounds and neither axle of the series may exceed 20,000 pounds. Any vehicle of this type ~~manufactured after the model year of 2024 or first registered in Illinois after December 31, 2024~~ may not exceed a combined weight of 34,000 pounds through the series of 2 axles and neither axle of the series may exceed 20,000 pounds.

A 3-axle combination sewer cleaning jetting vacuum truck registered as a Special Hauling Vehicle, used exclusively for the transportation of non-hazardous solid waste, ~~manufactured before or in the model year of 2014, first registered in Illinois before January 1, 2015,~~ may, when laden, transmit upon the road surface, except when on part of the National System of Interstate and Defense Highways, the following maximum weights: 22,000 pounds on a single axle; 40,000 pounds on a tandem axle; 54,000 pounds gross weight on a 3-axle vehicle. This vehicle is not subject to the bridge formula.

(9) A 4-axle truck mixer registered as a Special Hauling Vehicle, used exclusively for the mixing and transportation of concrete in the plastic state, and not operated on a highway that is part of the National System

of Interstate Highways, is allowed the following maximum weights: 20,000 pounds on any single axle; 36,000 pounds on a series of axles greater than 72 inches but not more than 96 inches; and 34,000 pounds on any series of 2 axles greater than 40 inches but not more than 72 inches. The gross weight of this vehicle may not exceed the weights allowed by the bridge formula for 4 axles. The bridge formula does not apply to any series of 3 axles while the vehicle is transporting concrete in the plastic state, but no axle or tandem axle of the series may exceed the maximum weight permitted under this paragraph (9) of subsection (a).

(10) Combinations of vehicles, registered as Special Hauling Vehicles that include a semitrailer ~~manufactured prior to or in the model year of 2024, and registered in Illinois prior to January 1, 2025,~~ having 5 axles with a distance of 42 feet or less between extreme axles, may not exceed the following maximum weights: 20,000 pounds on a single axle; 34,000 pounds on a tandem axle; and 72,000 pounds gross weight. This combination of vehicles is not subject to the bridge formula. For all those combinations of vehicles that include a semitrailer manufactured after the effective date of P.A. 92-0417, the overall distance between the first and last axles of the 2 sets of tandems must be 18 feet 6 inches or more. ~~Any combination of vehicles that has had its cargo container replaced in its~~

~~entirety after December 31, 2024 may not exceed the weights allowed by the bridge formula.~~

(11) The maximum weight allowed on a vehicle with crawler type tracks is 40,000 pounds.

(12) A combination of vehicles, including a tow truck and a disabled vehicle or disabled combination of vehicles, that exceeds the weight restriction imposed by this Code, may be operated on a public highway in this State provided that neither the disabled vehicle nor any vehicle being towed nor the tow truck itself shall exceed the weight limitations permitted under this Chapter. During the towing operation, neither the tow truck nor the vehicle combination shall exceed 24,000 pounds on a single rear axle and 44,000 pounds on a tandem rear axle, provided the towing vehicle:

(i) is specifically designed as a tow truck having a gross vehicle weight rating of at least 18,000 pounds and is equipped with air brakes, provided that air brakes are required only if the towing vehicle is towing a vehicle, semitrailer, or tractor-trailer combination that is equipped with air brakes;

(ii) is equipped with flashing, rotating, or oscillating amber lights, visible for at least 500 feet in all directions;

(iii) is capable of utilizing the lighting and braking systems of the disabled vehicle or combination

of vehicles; and

(iv) does not engage in a tow exceeding 20 miles from the initial point of wreck or disablement. Any additional movement of the vehicles may occur only upon issuance of authorization for that movement under the provisions of Sections 15-301 through 15-318 of this Code. The towing vehicle, however, may tow any disabled vehicle to a point where repairs are actually to occur. This movement shall be valid only on State routes. The tower must abide by posted bridge weight limits.

(12.5) The vehicle weight limitations in this Section do not apply to a covered heavy duty tow and recovery vehicle. The covered heavy duty tow and recovery vehicle license plate must cover the operating empty weight of the covered heavy duty tow and recovery vehicle only.

(13) Upon and during a declaration of an emergency propane supply disaster by the Governor under Section 7 of the Illinois Emergency Management Agency Act:

(i) a truck not in combination, equipped with a cargo tank, used exclusively for the transportation of propane or liquefied petroleum gas may, when laden, transmit upon the road surface, except when on part of the National System of Interstate and Defense Highways, the following maximum weights: 22,000 pounds on a single axle; 40,000 pounds on a tandem axle;

40,000 pounds gross weight on a 2-axle vehicle; 54,000 pounds gross weight on a 3-axle vehicle; and

(ii) a truck when in combination with a trailer equipped with a cargo tank used exclusively for the transportation of propane or liquefied petroleum gas may, when laden, transmit upon the road surface, except when on part of the National System of Interstate and Defense Highways, the following maximum weights: 22,000 pounds on a single axle; 40,000 pounds on a tandem axle; 90,000 pounds gross weight on a 5-axle or 6-axle vehicle.

Vehicles operating under this paragraph (13) are not subject to the bridge formula.

(14) A vehicle or combination of vehicles that uses natural gas or propane gas as a motor fuel may exceed the above weight limitations by up to 2,000 pounds, the total allowance is calculated by an amount that is equal to the difference between the weight of the vehicle attributable to the natural gas or propane gas tank and fueling system carried by the vehicle, and the weight of a comparable diesel tank and fueling system. This paragraph (14) shall not allow a vehicle to exceed any posted weight limit on a highway or structure.

(15) An emergency vehicle or fire apparatus that is a vehicle designed to be used under emergency conditions to transport personnel and equipment, and used to support the

suppression of fires and mitigation of other hazardous situations on a Class I highway, may not exceed 86,000 pounds gross weight, or any of the following weight allowances:

(i) 24,000 pounds on a single steering axle;

(ii) 33,500 pounds on a single drive axle;

(iii) 62,000 pounds on a tandem axle; or

(iv) 52,000 pounds on a tandem rear drive steer axle.

(16) A bus, motor coach, or recreational vehicle may carry a total weight of 24,000 pounds on a single axle, but may not exceed other weight provisions of this Section.

Gross weight limits shall not apply to the combination of the tow truck and vehicles being towed. The tow truck license plate must cover the operating empty weight of the tow truck only. The weight of each vehicle being towed shall be covered by a valid license plate issued to the owner or operator of the vehicle being towed and displayed on that vehicle. If no valid plate issued to the owner or operator of that vehicle is displayed on that vehicle, or the plate displayed on that vehicle does not cover the weight of the vehicle, the weight of the vehicle shall be covered by the third tow truck plate issued to the owner or operator of the tow truck and temporarily affixed to the vehicle being towed. If a roll-back carrier is registered and being used as a tow truck, however, the license plate or plates for the tow truck must cover the

gross vehicle weight, including any load carried on the bed of the roll-back carrier.

The Department may by rule or regulation prescribe additional requirements. However, nothing in this Code shall prohibit a tow truck under instructions of a police officer from legally clearing a disabled vehicle, that may be in violation of weight limitations of this Chapter, from the roadway to the berm or shoulder of the highway. If in the opinion of the police officer that location is unsafe, the officer is authorized to have the disabled vehicle towed to the nearest place of safety.

For the purpose of this subsection, gross vehicle weight rating, or GVWR, means the value specified by the manufacturer as the loaded weight of the tow truck.

(b) As used in this Section, "recycling haul" or "recycling operation" means the hauling of non-hazardous, non-special, non-putrescible materials, such as paper, glass, cans, or plastic, for subsequent use in the secondary materials market.

(c) No vehicle or combination of vehicles equipped with pneumatic tires shall be operated, unladen or with load, upon the highways of this State in violation of the provisions of any permit issued under the provisions of Sections 15-301 through 15-318 of this Chapter.

(d) No vehicle or combination of vehicles equipped with other than pneumatic tires may be operated, unladen or with

load, upon the highways of this State when the gross weight on the road surface through any wheel exceeds 800 pounds per inch width of tire tread or when the gross weight on the road surface through any axle exceeds 16,000 pounds.

(e) No person shall operate a vehicle or combination of vehicles over a bridge or other elevated structure constituting part of a highway with a gross weight that is greater than the maximum weight permitted by the Department, when the structure is sign posted as provided in this Section.

(f) The Department upon request from any local authority shall, or upon its own initiative may, conduct an investigation of any bridge or other elevated structure constituting a part of a highway, and if it finds that the structure cannot with safety to itself withstand the weight of vehicles otherwise permissible under this Code the Department shall determine and declare the maximum weight of vehicles that the structures can withstand, and shall cause or permit suitable signs stating maximum weight to be erected and maintained before each end of the structure. No person shall operate a vehicle or combination of vehicles over any structure with a gross weight that is greater than the posted maximum weight.

(g) Upon the trial of any person charged with a violation of subsection (e) or (f) of this Section, proof of the determination of the maximum allowable weight by the Department and the existence of the signs, constitutes

conclusive evidence of the maximum weight that can be maintained with safety to the bridge or structure.

Sec. 15-111. Wheel and axle loads and gross weights.

(a) No vehicle or combination of vehicles with pneumatic tires may be operated, unladen or with load, when the total weight on the road surface exceeds the following: 20,000 pounds on a single axle; 34,000 pounds on a tandem axle with no axle within the tandem exceeding 20,000 pounds; 80,000 pounds gross weight for vehicle combinations of 5 or more axles; or a total weight on a group of 2 or more consecutive axles in excess of that weight produced by the application of the following formula: W = 500 times the sum of (LN divided by N-1) + 12N + 36, where "W" equals overall total weight on any group of 2 or more consecutive axles to the nearest 500 pounds, "L" equals the distance measured to the nearest foot between extremes of any group of 2 or more consecutive axles, and "N" equals the number of axles in the group under consideration.

The above formula when expressed in tabular form results in allowable loads as follows:

(ii) is equipped with flashing, rotating, or oscillating amber lights, visible for at least 500 feet in all directions;

(iii) is capable of utilizing the lighting and braking systems of the disabled vehicle or combination of vehicles; and

(iv) does not engage in a tow exceeding 20 miles from the initial point of wreck or disablement. Any additional movement of the vehicles may occur only upon issuance of authorization for that movement under the provisions of Sections 15-301 through 15-318 of

this Code. The towing vehicle, however, may tow any disabled vehicle to a point where repairs are actually to occur. This movement shall be valid only on State routes. The tower must abide by posted bridge weight limits.

(12.5) The vehicle weight limitations in this Section do not apply to a covered heavy duty tow and recovery vehicle. The covered heavy duty tow and recovery vehicle license plate must cover the operating empty weight of the covered heavy duty tow and recovery vehicle only.

(13) Upon and during a declaration of an emergency propane supply disaster by the Governor under Section 7 of the Illinois Emergency Management Agency Act:

(i) a truck not in combination, equipped with a cargo tank, used exclusively for the transportation of propane or liquefied petroleum gas may, when laden, transmit upon the road surface, except when on part of the National System of Interstate and Defense Highways, the following maximum weights: 22,000 pounds on a single axle; 40,000 pounds on a tandem axle; 40,000 pounds gross weight on a 2-axle vehicle; 54,000 pounds gross weight on a 3-axle vehicle; and

(ii) a truck when in combination with a trailer equipped with a cargo tank used exclusively for the transportation of propane or liquefied petroleum gas may, when laden, transmit upon the road surface,

except when on part of the National System of Interstate and Defense Highways, the following maximum weights: 22,000 pounds on a single axle; 40,000 pounds on a tandem axle; 90,000 pounds gross weight on a 5-axle or 6-axle vehicle.

Vehicles operating under this paragraph (13) are not subject to the bridge formula.

(14) A vehicle or combination of vehicles that uses either natural gas or propane gas as a motor fuel or is operated by an engine fueled wholly or partially by an electric battery or hydrogen fuel cell electric fueling system may exceed the above weight limitations by up to 2,000 pounds, the total allowance is calculated by an amount that is equal to the difference between the weight of the vehicle attributable to the natural gas or propane or hydrogen gas tank, batteries, and fueling system carried by the vehicle, and the weight of a comparable diesel tank and fueling system. This paragraph (14) shall not allow a vehicle to exceed any posted weight limit on a highway or structure.

(15) An emergency vehicle or fire apparatus that is a vehicle designed to be used under emergency conditions to transport personnel and equipment, and used to support the suppression of fires and mitigation of other hazardous situations on a Class I highway, may not exceed 86,000 pounds gross weight, or any of the following weight

allowances:

(i) 24,000 pounds on a single steering axle;

(ii) 33,500 pounds on a single drive axle;

(iii) 62,000 pounds on a tandem axle; or

(iv) 52,000 pounds on a tandem rear drive steer axle.

(16) A bus, motor coach, or recreational vehicle may carry a total weight of 24,000 pounds on a single axle, but may not exceed other weight provisions of this Section.

Gross weight limits shall not apply to the combination of the tow truck and vehicles being towed. The tow truck license plate must cover the operating empty weight of the tow truck only. The weight of each vehicle being towed shall be covered by a valid license plate issued to the owner or operator of the vehicle being towed and displayed on that vehicle. If no valid plate issued to the owner or operator of that vehicle is displayed on that vehicle, or the plate displayed on that vehicle does not cover the weight of the vehicle, the weight of the vehicle shall be covered by the third tow truck plate issued to the owner or operator of the tow truck and temporarily affixed to the vehicle being towed. If a roll-back carrier is registered and being used as a tow truck, however, the license plate or plates for the tow truck must cover the gross vehicle weight, including any load carried on the bed of the roll-back carrier.

The Department may by rule or regulation prescribe

additional requirements. However, nothing in this Code shall prohibit a tow truck under instructions of a police officer from legally clearing a disabled vehicle, that may be in violation of weight limitations of this Chapter, from the roadway to the berm or shoulder of the highway. If in the opinion of the police officer that location is unsafe, the officer is authorized to have the disabled vehicle towed to the nearest place of safety.

For the purpose of this subsection, gross vehicle weight rating, or GVWR, means the value specified by the manufacturer as the loaded weight of the tow truck.

(b) As used in this Section, "recycling haul" or "recycling operation" means the hauling of non-hazardous, non-special, non-putrescible materials, such as paper, glass, cans, or plastic, for subsequent use in the secondary materials market.

(c) No vehicle or combination of vehicles equipped with pneumatic tires shall be operated, unladen or with load, upon the highways of this State in violation of the provisions of any permit issued under the provisions of Sections 15-301 through 15-318 of this Chapter.

(d) No vehicle or combination of vehicles equipped with other than pneumatic tires may be operated, unladen or with load, upon the highways of this State when the gross weight on the road surface through any wheel exceeds 800 pounds per inch width of tire tread or when the gross weight on the road

surface through any axle exceeds 16,000 pounds.

(e) No person shall operate a vehicle or combination of vehicles over a bridge or other elevated structure constituting part of a highway with a gross weight that is greater than the maximum weight permitted by the Department, when the structure is sign posted as provided in this Section.

(f) The Department upon request from any local authority shall, or upon its own initiative may, conduct an investigation of any bridge or other elevated structure constituting a part of a highway, and if it finds that the structure cannot with safety to itself withstand the weight of vehicles otherwise permissible under this Code the Department shall determine and declare the maximum weight of vehicles that the structures can withstand, and shall cause or permit suitable signs stating maximum weight to be erected and maintained before each end of the structure. No person shall operate a vehicle or combination of vehicles over any structure with a gross weight that is greater than the posted maximum weight.

(g) Upon the trial of any person charged with a violation of subsection (e) or (f) of this Section, proof of the determination of the maximum allowable weight by the Department and the existence of the signs, constitutes conclusive evidence of the maximum weight that can be maintained with safety to the bridge or structure.

(30 ILCS 105/6z-18) (from Ch. 127, par. 142z-18)

Sec. 6z-18. Local Government Tax Fund. A portion of the money paid into the Local Government Tax Fund from sales of tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act and the Service Occupation Tax Act, which occurred in municipalities, shall be distributed to

each municipality based upon the sales which occurred in that municipality. The remainder shall be distributed to each county based upon the sales which occurred in the unincorporated area of that county.

Moneys transferred from the Grocery Tax Replacement Fund to the Local Government Tax Fund under Section 6z-130 shall be treated under this Section in the same manner as if they had been remitted with the return on which they were reported.

A portion of the money paid into the Local Government Tax Fund from the 6.25% general use tax rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by any agency of this State's government shall be distributed to municipalities as provided in this paragraph. Each municipality shall receive the amount attributable to sales for which Illinois addresses for titling or registration purposes are given as being in such municipality. The remainder of the money paid into the Local Government Tax Fund from such sales shall be distributed to counties. Each county shall receive the amount attributable to sales for which Illinois addresses for titling or registration purposes are given as being located in the unincorporated area of such county.

A portion of the money paid into the Local Government Tax Fund from the 6.25% general rate (and, beginning July 1, 2000 and through December 31, 2000, the 1.25% rate on motor fuel and

gasohol, and beginning on August 6, 2010 through August 15, 2010, and beginning again on August 5, 2022 through August 14, 2022, the 1.25% rate on sales tax holiday items) on sales subject to taxation under the Retailers' Occupation Tax Act and the Service Occupation Tax Act, which occurred in municipalities, shall be distributed to each municipality, based upon the sales which occurred in that municipality. The remainder shall be distributed to each county, based upon the sales which occurred in the unincorporated area of such county.

For the purpose of determining allocation to the local government unit, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Whenever the Department determines that a refund of money paid into the Local Government Tax Fund should be made to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the Local

Government Tax Fund.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected during the second preceding calendar month for sales within a STAR bond district and deposited into the Local Government Tax Fund, less 3% of that amount, which shall be transferred into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering the Innovation Development and Economy Act.

As soon as possible after the first day of each month, beginning July 1, 2026, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Statewide Innovation Development and Economy Act, collected during the second preceding calendar month for sales within a STAR bond district and deposited into the Local Government Tax Fund, less 3% of that amount, which shall be transferred to the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering the Statewide Innovation

Development and Economy Act.

After the monthly transfers ~~transfer~~ to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities and counties, the municipalities and counties to be those entitled to distribution of taxes or penalties paid to the Department during the second preceding calendar month. The amount to be paid to each municipality or county shall be the amount (not including credit memoranda) collected during the second preceding calendar month by the Department and paid into the Local Government Tax Fund, plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, and not including any amount which the Department determines is necessary to offset any amounts which are payable to a different taxing body but were erroneously paid to the municipality or county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities and counties, provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions

contained in such certification.

When certifying the amount of monthly disbursement to a municipality or county under this Section, the Department shall increase or decrease that amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the 6 months preceding the time a misallocation is discovered.

The provisions directing the distributions from the special fund in the State treasury provided for in this Section shall constitute an irrevocable and continuing appropriation of all amounts as provided herein. The State Treasurer and State Comptroller are hereby authorized to make distributions as provided in this Section.

In construing any development, redevelopment, annexation, preannexation, or other lawful agreement in effect prior to September 1, 1990, which describes or refers to receipts from a county or municipal retailers' occupation tax, use tax or service occupation tax which now cannot be imposed, such description or reference shall be deemed to include the replacement revenue for such abolished taxes, distributed from the Local Government Tax Fund.

As soon as possible after March 8, 2013 (the effective date of Public Act 98-3), the State Comptroller shall order and the State Treasurer shall transfer $6,600,000 from the Local Government Tax Fund to the Illinois State Medical Disciplinary Fund.

Of the money received from the 6.25% general rate (and, beginning July 1, 2000 and through December 31, 2000, the 1.25% rate on motor fuel and gasohol, and beginning on August 6, 2010 through August 15, 2010, and beginning again on August 5, 2022 through August 14, 2022, the 1.25% rate on sales tax holiday items) on sales subject to taxation under the Retailers' Occupation Tax Act and Service Occupation Tax Act and paid into the County and Mass Transit District Fund, distribution to the Regional Transportation Authority tax fund, created pursuant to Section 4.03 of the Regional Transportation Authority Act, for deposit therein shall be made based upon the retail sales occurring in a county having more than 3,000,000 inhabitants. The remainder shall be distributed to each county having 3,000,000 or fewer inhabitants based upon the retail sales occurring in each such county.

For the purpose of determining allocation to the local government unit, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted

from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

The remainder of the money paid from such sales shall be distributed to each county based on sales for which Illinois addresses for titling or registration purposes are given as being located in the county. Any money paid into the Regional Transportation Authority Occupation and Use Tax Replacement Fund from the County and Mass Transit District Fund prior to January 14, 1991, which has not been paid to the Authority prior to that date, shall be transferred to the Regional Transportation Authority tax fund.

Whenever the Department determines that a refund of money paid into the County and Mass Transit District Fund should be

made to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the County and Mass Transit District Fund.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected during the second preceding calendar month for sales within a STAR bond district and deposited into the County and Mass Transit District Fund, less 3% of that amount, which shall be transferred into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering the Innovation Development and Economy Act.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the Regional Transportation Authority and to named counties, the counties to be those entitled to distribution, as hereinabove provided, of taxes or penalties paid to the Department during the second

preceding calendar month. The amount to be paid to the Regional Transportation Authority and each county having 3,000,000 or fewer inhabitants shall be the amount (not including credit memoranda) collected during the second preceding calendar month by the Department and paid into the County and Mass Transit District Fund, plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the Regional Transportation Authority or county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the amount to be paid to the Regional Transportation Authority, which shall be transferred into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Regional Transportation Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the Regional Transportation Authority, counties, and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by

the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

When certifying the amount of a monthly disbursement to the Regional Transportation Authority or to a county under this Section, the Department shall increase or decrease that amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the 6 months preceding the time a misallocation is discovered.

The provisions directing the distributions from the special fund in the State Treasury provided for in this Section and from the Regional Transportation Authority tax fund created by Section 4.03 of the Regional Transportation Authority Act shall constitute an irrevocable and continuing appropriation of all amounts as provided herein. The State Treasurer and State Comptroller are hereby authorized to make distributions as provided in this Section.

In construing any development, redevelopment, annexation, preannexation or other lawful agreement in effect prior to September 1, 1990, which describes or refers to receipts from a county or municipal retailers' occupation tax, use tax or service occupation tax which now cannot be imposed, such description or reference shall be deemed to include the replacement revenue for such abolished taxes, distributed from the County and Mass Transit District Fund or Local Government

the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the County and Mass Transit District Fund.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected during the second preceding calendar month for sales within a STAR bond district and deposited into the County and Mass Transit District Fund, less 3% of that amount, which shall be transferred into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering the Innovation Development and Economy Act.

As soon as possible after the first day of each month, beginning July 1, 2026, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Statewide Innovation Development and Economy Act, collected during the second preceding calendar month for sales within a STAR bond district and deposited into the County and Mass Transit District Fund, less 3% of that amount, which shall be

transferred into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering the Statewide Innovation Development and Economy Act.

After the monthly transfers ~~transfer~~ to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the Northern Illinois Transit Authority and to named counties, the counties to be those entitled to distribution, as hereinabove provided, of taxes or penalties paid to the Department during the second preceding calendar month. The amount to be paid to the Northern Illinois Transit Authority and each county having 3,000,000 or fewer inhabitants shall be the amount (not including credit memoranda) collected during the second preceding calendar month by the Department and paid into the County and Mass Transit District Fund, plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the Northern Illinois Transit Authority or county, and not including any amounts that are transferred to the STAR Bonds

Revenue Fund, less 1.5% of the amount to be paid to the Northern Illinois Transit Authority, which shall be transferred into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Northern Illinois Transit Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the Northern Illinois Transit Authority, counties, and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

When certifying the amount of a monthly disbursement to the Northern Illinois Transit Authority or to a county under this Section, the Department shall increase or decrease that amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the 6 months preceding the time a misallocation is discovered.

The provisions directing the distributions from the special fund in the State treasury provided for in this Section and from the Northern Illinois Transit Authority tax fund created by Section 4.03 of the Northern Illinois Transit

Authority Act shall constitute an irrevocable and continuing appropriation of all amounts as provided herein. The State Treasurer and State Comptroller are hereby authorized to make distributions as provided in this Section.

In construing any development, redevelopment, annexation, preannexation or other lawful agreement in effect prior to September 1, 1990, which describes or refers to receipts from a county or municipal retailers' occupation tax, use tax or service occupation tax which now cannot be imposed, such description or reference shall be deemed to include the replacement revenue for such abolished taxes, distributed from the County and Mass Transit District Fund or Local Government Distributive Fund, as the case may be.

Section 100-15. The Counties Code is amended by changing Sections 5-1006, 5-1006.8, 5-1006.9, and 5-1007 as follows:

(55 ILCS 5/5-1006) (from Ch. 34, par. 5-1006)

Sec. 5-1006. Home Rule County Retailers' Occupation Tax Law. Any county that is a home rule unit may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from such sales made in the course of their business. If imposed,

this tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The changes made to this Section by this amendatory Act of the 101st General Assembly are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in

the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

The tax imposed by a home rule county pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the

State rate of tax), 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule county pursuant to this Section unless the county also imposes a tax at the same rate pursuant to Section 5-1007.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the home rule county retailers' occupation

tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Home Rule County Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

As soon as possible after the first day of each month, beginning July 1, 2026, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the

local sales tax increment, as defined in the Statewide Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfers ~~transfer~~ to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named counties, the counties to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such county, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the

time of each monthly disbursement to the counties, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than $500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

For the purpose of determining the local governmental unit

whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or

discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease such amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

This Section shall be known and may be cited as the Home Rule County Retailers' Occupation Tax Law.

The Department of Revenue shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this Section. In the administration of and compliance with this Section, the Department of Revenue and persons who are subject to this

Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure, as are described in Sections 1, 1a, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2a, 2b, 2c, 2i, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6bb, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as fully as if those provisions were set forth in this Section.

(b) Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with any State tax that sellers are required to collect.

(c) Whenever the Department of Revenue determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department of Revenue shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department of Revenue.

(d) Except as otherwise provided in this Section, the ~~The~~ Department of Revenue shall immediately pay over to the State

Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Local Cannabis Retailers' Occupation Tax Trust Fund.

As soon as possible after the first day of each month, beginning July 1, 2026, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Statewide Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

The amount to be paid to each county shall be the amount (not including credit memoranda) collected under this Section from sales made in the county during the second preceding calendar month, plus an amount the Department of Revenue determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such county, and not including any

amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

(f) An ordinance or resolution imposing or discontinuing a tax under this Section or effecting a change in the rate thereof that is adopted on or after June 25, 2019 (the effective date of Public Act 101-27) and for which a certified copy is filed with the Department on or before April 1, 2020 shall be administered and enforced by the Department beginning on July 1, 2020. Sec. 5-1006.9. County Grocery Occupation Tax Law.

(a) The corporate authorities of any county may, by ordinance or resolution that takes effect on or after January 1, 2026, impose a tax upon all persons engaged in the business of selling groceries at retail in the county, but outside of any municipality, on the gross receipts from those sales made in the course of that business. If imposed, the tax shall be at

the rate of 1% of the gross receipts from these sales.

The tax imposed by a county under this subsection and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Department. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted under this subsection without registering separately with the Department under that ordinance or resolution or under this subsection.

The Department shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection; to dispose of taxes and penalties so collected in the manner provided in this Section and under rules adopted by the Department; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection.

In the administration of, and compliance with, this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax and other than the exemption for food for human consumption that

is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption), which is authorized to be taxed as provided in this subsection), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12 and 13 of the Retailers' Occupation Tax Act and all of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their seller's tax liability hereunder by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

(b) If a tax has been imposed under subsection (a), then a service occupation tax must also be imposed at the same rate upon all persons engaged, in the county but outside of a municipality, in the business of making sales of service, who, as an incident to making those sales of service, transfer groceries, as defined in this Section, as an incident to a sale of service.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be

collected and enforced by the Department. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under the ordinance or resolution or under this subsection.

The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this Section and under rules adopted by the Department, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this subsection.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure as are set forth in Sections 2, 2c, 3 through 3-50 (in respect to all provisions contained in those Sections other than: (i) the State rate of tax; (ii) the exemption for food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or

infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption), which is authorized to be taxed as provided in this subsection; and (iii) the exemption for food prepared for immediate consumption and transferred incident to a sale of service subject to the Service Occupation Tax Act or the Service Use Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act, which is authorized to be taxed as provided in this subsection), 4, 5, 7, 8, 9 (except as to the disposition of taxes and penalties collected), 10, 11, 12, 13, 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, pursuant to any bracketed schedules set forth by the Department.

(c) The Department shall immediately pay over to the State

Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section. Those taxes and penalties shall be deposited into the County Grocery Tax Trust Fund, a trust fund created in the State treasury. Except as otherwise provided in this Section, moneys in the County Grocery Tax Trust Fund shall be used to make payments to counties and for the payment of refunds under this Section.

Moneys deposited into the County Grocery Tax Trust Fund under this Section are not subject to appropriation and shall be used as provided in this Section. All deposits into the County Grocery Tax Trust Fund shall be held in the County Grocery Tax Trust Fund by the State Treasurer, ex officio, as trustee separate and apart from all public moneys or funds of this State.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Grocery Tax Trust Fund.

(d) As soon as possible after the first day of each month, upon certification of the Department, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, if any, as defined in the Innovation Development and Economy Act,

collected under this Section.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Statewide Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfers ~~transfer~~ to the STAR Bonds Revenue Fund, if any, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named counties, the counties to be those from which retailers have paid taxes or penalties under this Section to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such county, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county, and not including any

amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the counties provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the amounts in accordance with the directions contained in the certification.

(e) Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(f) Except as otherwise provided in this subsection, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing, or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

(g) When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase

or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

(h) As used in this Section, "Department" means the Department of Revenue.

For purposes of the tax authorized to be imposed under subsection (a), "groceries" has the same meaning as "food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption)", as further defined in Section 2-10 of the Retailers' Occupation Tax Act.

For purposes of the tax authorized to be imposed under subsection (b), "groceries" has the same meaning as "food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption)", as further defined in Section 3-10 of the Service Occupation Tax Act.

For purposes of the tax authorized to be imposed under subsection (b), "groceries" also means food prepared for immediate consumption and transferred incident to a sale of service subject to the Service Occupation Tax Act or the

Service Use Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act.

(55 ILCS 5/5-1007) (from Ch. 34, par. 5-1007)

Sec. 5-1007. Home Rule County Service Occupation Tax Law. The corporate authorities of a home rule county may impose a tax upon all persons engaged, in such county, in the business of making sales of service at the same rate of tax imposed pursuant to Section 5-1006 of the selling price of all tangible personal property transferred by such servicemen either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. If imposed, such tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related

purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The changes made to this Section by this amendatory Act of the 101st General Assembly are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution. The tax imposed by a home rule county pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose

of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the taxing county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the taxing county), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this county tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the taxing county), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were

set forth herein.

No tax may be imposed by a home rule county pursuant to this Section unless such county also imposes a tax at the same rate pursuant to Section 5-1006.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their serviceman's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which servicemen are authorized to collect under the Service Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by

the State Treasurer out of the home rule county retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Home Rule County Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

<u>As soon as possible after the first day of each month, beginning July 1, 2026, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the</u>

Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Statewide Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfers ~~transfer~~ to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named counties, the counties to be those from which suppliers and servicemen have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after

receipt, by the Comptroller, of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in each year to each county which received more than $500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax

hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof

filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

This Section shall be known and may be cited as the Home Rule County Service Occupation Tax Law.

(65 ILCS 5/8-11-1) (from Ch. 24, par. 8-11-1)

Sec. 8-11-1. Home Rule Municipal Retailers' Occupation Tax Act. The corporate authorities of a home rule municipality may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the municipality on the gross receipts from these sales made in the course of such business. If imposed, the tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each

municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. The changes made to this Section by this amendatory Act of the 101st General Assembly are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution. The tax imposed by a home rule municipality under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the

administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule municipality under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-5 of this Act.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance

with the changes made by this amendatory Act of the 103rd General Assembly.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the home rule municipal retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Home Rule Municipal Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government

Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

As soon as possible after the first day of each month, beginning July 1, 2026, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Statewide Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfers ~~transfer~~ to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the

Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the

directions contained in the certification.

In addition to the disbursement required by the preceding paragraph and in order to mitigate delays caused by distribution procedures, an allocation shall, if requested, be made within 10 days after January 14, 1991, and in November of 1991 and each year thereafter, to each municipality that received more than $500,000 during the preceding fiscal year, (July 1 through June 30) whether collected by the municipality or disbursed by the Department as required by this Section. Within 10 days after January 14, 1991, participating municipalities shall notify the Department in writing of their intent to participate. In addition, for the initial distribution, participating municipalities shall certify to the Department the amounts collected by the municipality for each month under its home rule occupation and service occupation tax during the period July 1, 1989 through June 30, 1990. The allocation within 10 days after January 14, 1991, shall be in an amount equal to the monthly average of these amounts, excluding the 2 months of highest receipts. The monthly average for the period of July 1, 1990 through June 30, 1991 will be determined as follows: the amounts collected by the municipality under its home rule occupation and service occupation tax during the period of July 1, 1990 through September 30, 1990, plus amounts collected by the Department and paid to such municipality through June 30, 1991, excluding the 2 months of highest receipts. The monthly average for each

subsequent period of July 1 through June 30 shall be an amount equal to the monthly distribution made to each such municipality under the preceding paragraph during this period, excluding the 2 months of highest receipts. The distribution made in November 1991 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding period of July 1 through June 30. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department

on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following the adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing. However, a municipality located in a county with a population in excess of 3,000,000 that elected to become a home rule unit at the general primary election in 1994 may adopt an ordinance or resolution imposing the tax under this Section and file a certified copy of the ordinance or resolution with the Department on or before July 1, 1994. The Department shall then proceed to administer and enforce this Section as of October 1, 1994. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall

either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Any unobligated balance remaining in the Municipal Retailers' Occupation Tax Fund on December 31, 1989, which fund was abolished by Public Act 85-1135, and all receipts of municipal tax as a result of audits of liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund for distribution as provided by this Section prior to the enactment of Public Act 85-1135. All receipts of municipal tax as a result of an assessment not arising from an audit, for liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund for distribution before July 1, 1990, as provided by this Section prior to the enactment of

Public Act 85-1135; and on and after July 1, 1990, all such receipts shall be distributed as provided in Section 6z-18 of the State Finance Act.

As used in this Section, "municipal" and "municipality" means a city, village or incorporated town, including an incorporated town that has superseded a civil township.

This Section shall be known and may be cited as the Home Rule Municipal Retailers' Occupation Tax Act.

(65 ILCS 5/8-11-1.3) (from Ch. 24, par. 8-11-1.3)

Sec. 8-11-1.3. Non-Home Rule Municipal Retailers' Occupation Tax Act. The corporate authorities of a non-home rule municipality may impose, by ordinance or resolution adopted in the manner described in Section 8-11-1.1, a tax upon all persons engaged in the business of selling tangible personal property, other than on an item of tangible personal property which is titled and registered by an agency of this State's Government, at retail in the municipality. If imposed, the tax shall be imposed on the gross receipts from such sales made in the course of such business. The proceeds of the tax may be used for public infrastructure or for property tax relief or both, as defined in Section 8-11-1.2. If the tax is approved by referendum on or after July 14, 2010 (the effective date of Public Act 96-1057) and before August 5, 2024 (the effective date of Public Act 103-781), the corporate

authorities of the non-home rule municipality may, until January 1, 2031, use the proceeds of the tax for expenditure on municipal operations, in addition to or in lieu of any expenditure on public infrastructure or for property tax relief. If the tax is approved by an ordinance or resolution adopted on or after August 5, 2024 (the effective date of Public Act 103-781), the corporate authorities of the non-home rule municipality may, until January 1, 2031, use the proceeds of the tax for expenditure on municipal operations, in addition to or in lieu of any expenditure on public infrastructure or for property tax relief. The tax imposed may not be more than 1% and may be imposed only in 1/4% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use

requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. The tax imposed by a municipality pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit such retailer to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda, arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that

the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as fully as if those provisions were set forth herein.

No municipality may impose a tax under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-1.4 of this Code.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be

made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the non-home rule municipal retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Non-Home Rule Municipal Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under

this Section during the second preceding calendar month for sales within a STAR bond district.

As soon as possible after the first day of each month, beginning July 1, 2026, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Statewide Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfers ~~transfer~~ to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such

municipality, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale, by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease such amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

The Department of Revenue shall implement Public Act 91-649 so as to collect the tax on and after January 1, 2002.

As used in this Section, "municipal" and "municipality" mean a city, village, or incorporated town, including an incorporated town which has superseded a civil township.

This Section shall be known and may be cited as the Non-Home Rule Municipal Retailers' Occupation Tax Act.

Sec. 8-11-1.4. Non-Home Rule Municipal Service Occupation Tax Act. The corporate authorities of a non-home rule municipality may impose, by ordinance or resolution adopted in the manner described in Section 8-11-1.1, a tax upon all persons engaged in the municipality in the business of making

sales of service. If imposed, the tax shall be imposed on the selling price of all tangible personal property transferred by such servicemen, either in the form of tangible personal property or in the form of real estate, as an incident to a sale of service. The proceeds of the tax may be used for public infrastructure or for property tax relief or both, as defined in Section 8-11-1.2. If the tax is approved by referendum on or after July 14, 2010 (the effective date of Public Act 96-1057) and before August 5, 2024 (the effective date of Public Act 103-781), the corporate authorities of a non-home rule municipality may, until January 1, 2031, use the proceeds of the tax for expenditure on municipal operations, in addition to or in lieu of any expenditure on public infrastructure or for property tax relief. If the tax is approved by an ordinance or resolution adopted on or after August 5, 2024 (the effective date of Public Act 103-781), the corporate authorities of the non-home rule municipality may, until January 1, 2031, use the proceeds of the tax for expenditure on municipal operations, in addition to or in lieu of any expenditure on public infrastructure or for property tax relief. The tax imposed may not be more than 1% and may be imposed only in 1/4% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation

fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. The tax imposed by a municipality pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty

hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the taxing municipality), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the taxing municipality), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this municipal tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the taxing municipality), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No municipality may impose a tax under this Section unless the municipality also imposes a tax at the same rate under

Section 8-11-1.3 of this Code.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their serviceman's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which servicemen are authorized to collect under the Service Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the municipal retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the municipal retailers' occupation tax fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

As soon as possible after the first day of each month, beginning July 1, 2026, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Statewide Innovation Development and Economy Act, collected under this

Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfers ~~transfer~~ to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which suppliers and servicemen have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities, the General Revenue Fund, and the Tax

Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

The Department of Revenue shall implement Public Act 91-649 so as to collect the tax on and after January 1, 2002.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

As used in this Section, "municipal" or "municipality" means or refers to a city, village or incorporated town, including an incorporated town which has superseded a civil township.

Sec. 8-11-1.6. Non-home rule municipal retailers' occupation tax; municipalities between 20,000 and 25,000. The corporate authorities of a non-home rule municipality with a population of more than 20,000 but less than 25,000 that has, prior to January 1, 1987, established a Redevelopment Project

Area that has been certified as a State Sales Tax Boundary and has issued bonds or otherwise incurred indebtedness to pay for costs in excess of $5,000,000, which is secured in part by a tax increment allocation fund, in accordance with the provisions of Division 11-74.4 of this Code may, by passage of an ordinance, impose a tax upon all persons engaged in the business of selling tangible personal property, other than on an item of tangible personal property that is titled and registered by an agency of this State's Government, at retail in the municipality. This tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. If imposed, the tax shall only be imposed in .25% increments of

the gross receipts from such sales made in the course of business. Any tax imposed by a municipality under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. An ordinance imposing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted under this Section without registering separately with the Department under the ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section, to collect all taxes and penalties due hereunder, to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda, arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations,

penalties, and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as fully as if those provisions were set forth herein.

A tax may not be imposed by a municipality under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-1.7 of this Act.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax

as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant, instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Non-Home Rule Municipal Retailers' Occupation Tax Fund, which is hereby created or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Non-Home Rule Municipal Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

As soon as possible after the first day of each month, beginning July 1, 2026, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Statewide Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfers ~~transfer~~ to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December

1, 2019) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the

place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

As used in this Section, "municipal" and "municipality" means a city, village, or incorporated town, including an incorporated town that has superseded a civil township.

Sec. 8-11-1.7. Non-home rule municipal service occupation tax; municipalities between 20,000 and 25,000. The corporate authorities of a non-home rule municipality with a population of more than 20,000 but less than 25,000 as determined by the

last preceding decennial census that has, prior to January 1, 1987, established a Redevelopment Project Area that has been certified as a State Sales Tax Boundary and has issued bonds or otherwise incurred indebtedness to pay for costs in excess of $5,000,000, which is secured in part by a tax increment allocation fund, in accordance with the provisions of Division 11-74.4 of this Code may, by passage of an ordinance, impose a tax upon all persons engaged in the municipality in the business of making sales of service. If imposed, the tax shall only be imposed in .25% increments of the selling price of all tangible personal property transferred by such servicemen either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. This tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation

fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. The tax imposed by a municipality under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. An ordinance imposing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxable under any ordinance or resolution enacted under this Section without registering separately with the Department under the ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section, to collect all taxes and penalties due hereunder, to dispose of taxes and penalties so collected in a manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities,

powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the taxing municipality), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the taxing municipality), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this municipal tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12, (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the taxing municipality), the first paragraph of Sections 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

A tax may not be imposed by a municipality under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-1.6 of this Act.

If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025,

a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

Person subject to any tax imposed under the authority granted in this Section may reimburse themselves for their servicemen's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, under such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. The refund shall be paid by the State Treasurer out of the Non-Home Rule Municipal Retailers' Occupation Tax Fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected

hereunder for deposit into the Non-Home Rule Municipal Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Municipality.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

<u>As soon as possible after the first day of each month, beginning July 1, 2026, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Statewide Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.</u>

After the monthly transfers ~~transfer~~ to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which suppliers and servicemen have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities, the Tax Compliance and Administration Fund, and the General Revenue Fund, provided for in this Section to be given to the Comptroller by the Department, the Comptroller

shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

(65 ILCS 5/8-11-5) (from Ch. 24, par. 8-11-5)

Sec. 8-11-5. Home Rule Municipal Service Occupation Tax Act. The corporate authorities of a home rule municipality may impose a tax upon all persons engaged, in such municipality, in the business of making sales of service at the same rate of tax imposed pursuant to Section 8-11-1, of the selling price of all tangible personal property transferred by such servicemen either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. If imposed, such tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be

imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax may not be imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel shall be excluded from tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State. The changes made to this Section by this amendatory Act of the 101st General Assembly are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution. The tax imposed by a home rule municipality pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is

taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the taxing municipality), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the taxing municipality), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this municipal tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C.

47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the taxing municipality), the first paragraph of Section 15, 16, 17 (except that credit memoranda issued hereunder may not be used to discharge any State tax liability), 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule municipality pursuant to this Section unless such municipality also imposes a tax at the same rate pursuant to Section 8-11-1 of this Act.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their serviceman's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which servicemen are authorized to collect under the Service Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the home rule municipal retailers'

occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Home Rule Municipal Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

<u>As soon as possible after the first day of each month, beginning July 1, 2026, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the</u>

local sales tax increment, as defined in the Statewide Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfers ~~transfer~~ to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which suppliers and servicemen have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the

Comptroller, of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

In addition to the disbursement required by the preceding paragraph and in order to mitigate delays caused by distribution procedures, an allocation shall, if requested, be made within 10 days after January 14, 1991, and in November of 1991 and each year thereafter, to each municipality that received more than $500,000 during the preceding fiscal year, (July 1 through June 30) whether collected by the municipality or disbursed by the Department as required by this Section. Within 10 days after January 14, 1991, participating municipalities shall notify the Department in writing of their intent to participate. In addition, for the initial distribution, participating municipalities shall certify to the Department the amounts collected by the municipality for each month under its home rule occupation and service occupation tax during the period July 1, 1989 through June 30, 1990. The allocation within 10 days after January 14, 1991, shall be in an amount equal to the monthly average of these amounts, excluding the 2 months of highest receipts. Monthly average for the period of July 1, 1990 through June 30, 1991 will be determined as follows: the amounts collected by the

municipality under its home rule occupation and service occupation tax during the period of July 1, 1990 through September 30, 1990, plus amounts collected by the Department and paid to such municipality through June 30, 1991, excluding the 2 months of highest receipts. The monthly average for each subsequent period of July 1 through June 30 shall be an amount equal to the monthly distribution made to each such municipality under the preceding paragraph during this period, excluding the 2 months of highest receipts. The distribution made in November 1991 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding period of July 1 through June 30. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution

Sec. 8-11-23. Municipal Cannabis Retailers' Occupation Tax Law.

(a) This Section may be referred to as the Municipal Cannabis Retailers' Occupation Tax Law. The corporate authorities of any municipality may, by ordinance, impose a tax upon all persons engaged in the business of selling cannabis, other than cannabis purchased under the Compassionate Use of Medical Cannabis Program Act, at retail in the municipality on the gross receipts from these sales made in the course of that business. If imposed, the tax may not exceed 3% of the gross receipts from these sales and shall only be imposed in 1/4% increments. The tax imposed under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Department of Revenue. The Department of Revenue shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions,

(b) Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with any State tax that sellers are required to collect.

(c) Whenever the Department of Revenue determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department of Revenue shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department of Revenue.

(d) Except as otherwise provided in this Section, the ~~The~~ Department of Revenue shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Local Cannabis

Retailers' Occupation Tax Trust Fund.

As soon as possible after the first day of each month, beginning July 1, 2026, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Statewide Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

(e) After the monthly transfer to the STAR Bonds Revenue Fund, on ~~On~~ or before the 25th day of each calendar month, the Department of Revenue shall prepare and certify to the Comptroller the amount of money to be disbursed from the Local Cannabis Retailers' Occupation Tax Trust Fund to municipalities from which retailers have paid taxes or penalties under this Section during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected under this Section from sales made in the municipality during the second preceding calendar month, plus an amount the Department of Revenue determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any

amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

Sec. 8-11-24. Municipal Grocery Occupation Tax Law.

(a) The corporate authorities of any municipality may, by ordinance or resolution that takes effect on or after January 1, 2026, impose a tax upon all persons engaged in the business of selling groceries at retail in the municipality on the gross receipts from those sales made in the course of that business. If imposed, the tax shall be at the rate of 1% of the gross receipts from these sales.

The tax imposed by a municipality under this subsection and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Department. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted under this subsection without registering separately with the Department

under that ordinance or resolution or under this subsection.

The Department shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection; to dispose of taxes and penalties so collected in the manner provided in this Section and under rules adopted by the Department; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection.

In the administration of, and compliance with, this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax and other than the exemption for food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption), which is authorized to be taxed as provided in this subsection), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12 and 13 of the Retailers' Occupation Tax Act and all of the Uniform Penalty and Interest Act, as fully as if those

provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their seller's tax liability hereunder by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

(b) If a tax has been imposed under subsection (a), then a service occupation tax must also be imposed at the same rate upon all persons engaged, in the municipality, in the business of making sales of service, who, as an incident to making those sales of service, transfer groceries, as defined in this Section, as an incident to a sale of service.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under the ordinance or resolution or under this subsection.

The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties

due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this Section and under rules adopted by the Department, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this subsection.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure as are set forth in Sections 2, 2c, 3 through 3-50 (in respect to all provisions contained in those Sections other than (i) the State rate of tax; (ii) the exemption for food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption), which is authorized to be taxed as provided in this subsection; and (iii) the exemption for food prepared for immediate consumption and transferred incident to a sale of service subject to the Service Occupation Tax Act or the Service Use Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the

Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act, which is authorized to be taxed as provided in this subsection), 4, 5, 7, 8, 9 (except as to the disposition of taxes and penalties collected), 10, 11, 12, 13, 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, pursuant to any bracketed schedules set forth by the Department.

(c) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section. Those taxes and penalties shall be deposited into the Municipal Grocery Tax Trust Fund, a trust fund created in the State treasury. Except as otherwise provided in this Section, moneys in the Municipal Grocery Tax Trust Fund shall be used to make payments to municipalities and for the payment of refunds under this Section.

Moneys deposited into the Municipal Grocery Tax Trust Fund under this Section are not subject to appropriation and shall be used as provided in this Section. All deposits into the

Municipal Grocery Tax Trust Fund shall be held in the Municipal Grocery Tax Trust Fund by the State Treasurer, ex officio, as trustee separate and apart from all public moneys or funds of this State.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Municipal Grocery Tax Trust Fund.

(d) As soon as possible after the first day of each month, upon certification of the Department, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, if any, as defined in the Innovation Development and Economy Act, collected under this Section.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Statewide Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfers ~~transfer~~ to the STAR Bonds Revenue Fund, if any, on or before the 25th day of each

calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties under this Section to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the amounts in accordance with the directions contained in the certification.

(e) Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of

engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(f) Except as otherwise provided in this subsection, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

(g) When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

(h) As used in this Section, "Department" means the Department of Revenue.

For purposes of the tax authorized to be imposed under subsection (a), "groceries" has the same meaning as "food for human consumption that is to be consumed off the premises

where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption)", as further defined in Section 2-10 of the Retailers' Occupation Tax Act.

For purposes of the tax authorized to be imposed under subsection (b), "groceries" has the same meaning as "food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption)", as further defined in Section 3-10 of the Service Occupation Tax Act. For purposes of the tax authorized to be imposed under subsection (b), "groceries" also means food prepared for immediate consumption and transferred incident to a sale of service subject to the Service Occupation Tax Act or the Service Use Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act.

Sec. 11-74.3-6. Business district revenue and obligations; business district tax allocation fund.

(a) If the corporate authorities of a municipality have approved a business district plan, have designated a business district, and have elected to impose a tax by ordinance pursuant to subsection (10) or (11) of Section 11-74.3-3, then each year after the date of the approval of the ordinance but terminating upon the date all business district project costs and all obligations paying or reimbursing business district project costs, if any, have been paid, but in no event later than the dissolution date, all amounts generated by the retailers' occupation tax and service occupation tax shall be collected and the tax shall be enforced by the Department of Revenue in the same manner as all retailers' occupation taxes and service occupation taxes imposed in the municipality imposing the tax and all amounts generated by the hotel operators' occupation tax shall be collected and the tax shall be enforced by the municipality in the same manner as all hotel operators' occupation taxes imposed in the municipality imposing the tax. The corporate authorities of the municipality shall deposit the proceeds of the taxes imposed under subsections (10) and (11) of Section 11-74.3-3 into a special fund of the municipality called the "[Name of] Business District Tax Allocation Fund" for the purpose of

paying or reimbursing business district project costs and obligations incurred in the payment of those costs.

(b) The corporate authorities of a municipality that has designated a business district under this Law may, by ordinance, impose a Business District Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the business district at a rate not to exceed 1% of the gross receipts from the sales made in the course of such business, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the rate of 1% under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for

so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a through 1o, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c through 2h, 3 (except as to the disposition of taxes and

penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under this subsection may reimburse themselves for their seller's tax liability under this subsection by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the business district retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer,

ex officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into the business district retailers' occupation tax fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this subsection during the second preceding calendar month for sales within a STAR bond district.

As soon as possible after the first day of each month, beginning July 1, 2026, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Statewide Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales

within a STAR bond district.

After the monthly transfers ~~transfer~~ to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities from the business district retailers' occupation tax fund, the municipalities to be those from which retailers have paid taxes or penalties under this subsection to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected under this subsection during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, less 2% of that amount (except the amount collected on aviation fuel sold on or after December 1, 2019), which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this subsection, on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a

different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities provided for in this subsection to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification. The proceeds of the tax paid to municipalities under this subsection shall be deposited into the Business District Tax Allocation Fund by the municipality.

An ordinance imposing or discontinuing the tax under this subsection or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this subsection are met, shall proceed to administer and enforce this subsection as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other requirements of this subsection are met, the Department shall proceed to administer and enforce this subsection as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of

the tax under this subsection, until the municipality also provides, in the manner prescribed by the Department, the boundaries of the business district and each address in the business district in such a way that the Department can determine by its address whether a business is located in the business district. The municipality must provide this boundary and address information to the Department on or before April 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a business district or address change, addition, or deletion until the municipality reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The municipality must provide this boundary change information or address change, addition, or deletion to the Department on or before April 1 for administration and enforcement by the Department of the change beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change beginning on the following January 1. The retailers in the business district shall be responsible for charging the tax imposed under this subsection. If a retailer is incorrectly included or excluded from the list of those

required to collect the tax under this subsection, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the municipality.

A municipality that imposes the tax under this subsection must submit to the Department of Revenue any other information as the Department may require for the administration and enforcement of the tax.

When certifying the amount of a monthly disbursement to a municipality under this subsection, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Nothing in this subsection shall be construed to authorize the municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsection (c) of this Section.

(c) If a tax has been imposed under subsection (b), a Business District Service Occupation Tax shall also be imposed upon all persons engaged, in the business district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal

property within the business district, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax shall be imposed at the same rate as the tax imposed in subsection (b) and shall not exceed 1% of the selling price of tangible personal property so transferred within the business district, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The

certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure as are prescribed in Sections 2, 2a through 2d, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the business district), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the municipality), 9 (except as to the disposition of taxes and penalties

collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the municipality), the first paragraph of Section 15, and Sections 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by

the State Treasurer out of the business district retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into the business district retailers' occupation tax fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this subsection during the second preceding calendar month for sales within a STAR bond district.

<u>As soon as possible after the first day of each month, beginning July 1, 2026, upon certification of the Department</u>

of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Statewide Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfers ~~transfer~~ to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities from the business district retailers' occupation tax fund, the municipalities to be those from which suppliers and servicemen have paid taxes or penalties under this subsection to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected under this subsection during the second preceding calendar month by the Department, less 2% of that amount (except the amount collected on aviation fuel sold on or after December 1, 2019), which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this subsection, and not including an amount equal to the amount of refunds made during the second

preceding calendar month by the Department on behalf of such municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities, provided for in this subsection to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification. The proceeds of the tax paid to municipalities under this subsection shall be deposited into the Business District Tax Allocation Fund by the municipality.

An ordinance imposing or discontinuing the tax under this subsection or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this subsection are met, shall proceed to administer and enforce this subsection as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other conditions of this subsection are met, the Department shall proceed to administer and enforce this subsection as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of

the tax under this subsection, until the municipality also provides, in the manner prescribed by the Department, the boundaries of the business district in such a way that the Department can determine by its address whether a business is located in the business district. The municipality must provide this boundary and address information to the Department on or before April 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a business district or address change, addition, or deletion until the municipality reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The municipality must provide this boundary change information or address change, addition, or deletion to the Department on or before April 1 for administration and enforcement by the Department of the change beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change beginning on the following January 1. The retailers in the business district shall be responsible for charging the tax imposed under this subsection. If a retailer is incorrectly included or excluded from the list of those

required to collect the tax under this subsection, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the municipality.

A municipality that imposes the tax under this subsection must submit to the Department of Revenue any other information as the Department may require for the administration and enforcement of the tax.

Nothing in this subsection shall be construed to authorize the municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

If a tax is imposed under this subsection (c), a tax shall also be imposed under subsection (b) of this Section.

(c-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(d) By ordinance, a municipality that has designated a business district under this Law may impose an occupation tax upon all persons engaged in the business district in the

business of renting, leasing, or letting rooms in a hotel, as defined in the Hotel Operators' Occupation Tax Act, at a rate not to exceed 1% of the gross rental receipts from the renting, leasing, or letting of hotel rooms within the business district, to be imposed only in 0.25% increments, excluding, however, from gross rental receipts the proceeds of renting, leasing, or letting to permanent residents of a hotel, as defined in the Hotel Operators' Occupation Tax Act, and proceeds from the tax imposed under subsection (c) of Section 13 of the Metropolitan Pier and Exposition Authority Act.

The tax imposed by the municipality under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the municipality imposing the tax. The municipality shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the municipality and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and shall employ the same modes of procedure as are employed with respect to a tax

adopted by the municipality under Section 8-3-14 of this Code.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability for that tax by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes imposed under the Hotel Operators' Occupation Tax Act, and with any other tax.

Nothing in this subsection shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

The proceeds of the tax imposed under this subsection shall be deposited into the Business District Tax Allocation Fund.

(e) Obligations secured by the Business District Tax Allocation Fund may be issued to provide for the payment or reimbursement of business district project costs. Those obligations, when so issued, shall be retired in the manner provided in the ordinance authorizing the issuance of those obligations by the receipts of taxes imposed pursuant to subsections (10) and (11) of Section 11-74.3-3 and by other revenue designated or pledged by the municipality. A municipality may in the ordinance pledge, for any period of time up to and including the dissolution date, all or any part of the funds in and to be deposited in the Business District Tax Allocation Fund to the payment of business district

project costs and obligations. Whenever a municipality pledges all of the funds to the credit of a business district tax allocation fund to secure obligations issued or to be issued to pay or reimburse business district project costs, the municipality may specifically provide that funds remaining to the credit of such business district tax allocation fund after the payment of such obligations shall be accounted for annually and shall be deemed to be "surplus" funds, and such "surplus" funds shall be expended by the municipality for any business district project cost as approved in the business district plan. Whenever a municipality pledges less than all of the monies to the credit of a business district tax allocation fund to secure obligations issued or to be issued to pay or reimburse business district project costs, the municipality shall provide that monies to the credit of the business district tax allocation fund and not subject to such pledge or otherwise encumbered or required for payment of contractual obligations for specific business district project costs shall be calculated annually and shall be deemed to be "surplus" funds, and such "surplus" funds shall be expended by the municipality for any business district project cost as approved in the business district plan.

No obligation issued pursuant to this Law and secured by a pledge of all or any portion of any revenues received or to be received by the municipality from the imposition of taxes pursuant to subsection (10) of Section 11-74.3-3, shall be

deemed to constitute an economic incentive agreement under Section 8-11-20, notwithstanding the fact that such pledge provides for the sharing, rebate, or payment of retailers' occupation taxes or service occupation taxes imposed pursuant to subsection (10) of Section 11-74.3-3 and received or to be received by the municipality from the development or redevelopment of properties in the business district.

Without limiting the foregoing in this Section, the municipality may further secure obligations secured by the business district tax allocation fund with a pledge, for a period not greater than the term of the obligations and in any case not longer than the dissolution date, of any part or any combination of the following: (i) net revenues of all or part of any business district project; (ii) taxes levied or imposed by the municipality on any or all property in the municipality, including, specifically, taxes levied or imposed by the municipality in a special service area pursuant to the Special Service Area Tax Law; (iii) the full faith and credit of the municipality; (iv) a mortgage on part or all of the business district project; or (v) any other taxes or anticipated receipts that the municipality may lawfully pledge.

Such obligations may be issued in one or more series, bear such date or dates, become due at such time or times as therein provided, but in any case not later than (i) 20 years after the date of issue or (ii) the dissolution date, whichever is

earlier, bear interest payable at such intervals and at such rate or rates as set forth therein, except as may be limited by applicable law, which rate or rates may be fixed or variable, be in such denominations, be in such form, either coupon, registered, or book-entry, carry such conversion, registration and exchange privileges, be subject to defeasance upon such terms, have such rank or priority, be executed in such manner, be payable in such medium or payment at such place or places within or without the State, make provision for a corporate trustee within or without the State with respect to such obligations, prescribe the rights, powers, and duties thereof to be exercised for the benefit of the municipality and the benefit of the owners of such obligations, provide for the holding in trust, investment, and use of moneys, funds, and accounts held under an ordinance, provide for assignment of and direct payment of the moneys to pay such obligations or to be deposited into such funds or accounts directly to such trustee, be subject to such terms of redemption with or without premium, and be sold at such price, all as the corporate authorities shall determine. No referendum approval of the electors shall be required as a condition to the issuance of obligations pursuant to this Law except as provided in this Section.

In the event the municipality authorizes the issuance of obligations pursuant to the authority of this Law secured by the full faith and credit of the municipality, or pledges ad

valorem taxes pursuant to this subsection, which obligations are other than obligations which may be issued under home rule powers provided by Section 6 of Article VII of the Illinois Constitution or which ad valorem taxes are other than ad valorem taxes which may be pledged under home rule powers provided by Section 6 of Article VII of the Illinois Constitution or which are levied in a special service area pursuant to the Special Service Area Tax Law, the ordinance authorizing the issuance of those obligations or pledging those taxes shall be published within 10 days after the ordinance has been adopted, in a newspaper having a general circulation within the municipality. The publication of the ordinance shall be accompanied by a notice of (i) the specific number of voters required to sign a petition requesting the question of the issuance of the obligations or pledging such ad valorem taxes to be submitted to the electors; (ii) the time within which the petition must be filed; and (iii) the date of the prospective referendum. The municipal clerk shall provide a petition form to any individual requesting one.

If no petition is filed with the municipal clerk, as hereinafter provided in this Section, within 21 days after the publication of the ordinance, the ordinance shall be in effect. However, if within that 21-day period a petition is filed with the municipal clerk, signed by electors numbering not less than 15% of the number of electors voting for the mayor or president at the last general municipal election,

asking that the question of issuing obligations using full faith and credit of the municipality as security for the cost of paying or reimbursing business district project costs, or of pledging such ad valorem taxes for the payment of those obligations, or both, be submitted to the electors of the municipality, the municipality shall not be authorized to issue obligations of the municipality using the full faith and credit of the municipality as security or pledging such ad valorem taxes for the payment of those obligations, or both, until the proposition has been submitted to and approved by a majority of the voters voting on the proposition at a regularly scheduled election. The municipality shall certify the proposition to the proper election authorities for submission in accordance with the general election law.

The ordinance authorizing the obligations may provide that the obligations shall contain a recital that they are issued pursuant to this Law, which recital shall be conclusive evidence of their validity and of the regularity of their issuance.

In the event the municipality authorizes issuance of obligations pursuant to this Law secured by the full faith and credit of the municipality, the ordinance authorizing the obligations may provide for the levy and collection of a direct annual tax upon all taxable property within the municipality sufficient to pay the principal thereof and interest thereon as it matures, which levy may be in addition

to and exclusive of the maximum of all other taxes authorized to be levied by the municipality, which levy, however, shall be abated to the extent that monies from other sources are available for payment of the obligations and the municipality certifies the amount of those monies available to the county clerk.

A certified copy of the ordinance shall be filed with the county clerk of each county in which any portion of the municipality is situated, and shall constitute the authority for the extension and collection of the taxes to be deposited in the business district tax allocation fund.

A municipality may also issue its obligations to refund, in whole or in part, obligations theretofore issued by the municipality under the authority of this Law, whether at or prior to maturity. However, the last maturity of the refunding obligations shall not be expressed to mature later than the dissolution date.

In the event a municipality issues obligations under home rule powers or other legislative authority, the proceeds of which are pledged to pay or reimburse business district project costs, the municipality may, if it has followed the procedures in conformance with this Law, retire those obligations from funds in the business district tax allocation fund in amounts and in such manner as if those obligations had been issued pursuant to the provisions of this Law.

No obligations issued pursuant to this Law shall be

regarded as indebtedness of the municipality issuing those obligations or any other taxing district for the purpose of any limitation imposed by law.

Obligations issued pursuant to this Law shall not be subject to the provisions of the Bond Authorization Act.

(f) When business district project costs, including, without limitation, all obligations paying or reimbursing business district project costs have been paid, any surplus funds then remaining in the Business District Tax Allocation Fund shall be distributed to the municipal treasurer for deposit into the general corporate fund of the municipality. Upon payment of all business district project costs and retirement of all obligations paying or reimbursing business district project costs, but in no event more than 23 years after the date of adoption of the ordinance imposing taxes pursuant to subsection (10) or (11) of Section 11-74.3-3, the municipality shall adopt an ordinance immediately rescinding the taxes imposed pursuant to subsection (10) or (11) of Section 11-74.3-3.

Section 100-25. The Metro-East Park and Recreation District Act is amended by changing Section 30 as follows:

(70 ILCS 1605/30)

Sec. 30. Taxes.

(a) The board shall impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the District on the gross receipts from the sales made in the course of business. This tax shall be imposed only at the rate of one-tenth of one per cent.

This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel shall be excluded from tax. The board must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District. The tax imposed by the Board under this Section and all civil penalties that may be assessed as an incident of the

tax shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2, 2-5, 2-5.5, 2-10 (in respect to all provisions contained in those Sections other than the State rate of tax), 2-12, 2-15 through 2-70, 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5,

5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the State Metro-East Park and Recreation District Fund or the Local Government Aviation Trust Fund, as appropriate.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the District, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the District as an incident to a sale of service. This tax may

not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act (or at the 0% rate imposed under this amendatory Act of the 102nd General Assembly). Beginning December 1, 2019 and through December 31, 2020, this tax may not be imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel shall be excluded from tax. The board must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this subsection, the Department and

persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the District), 2a, 2b, 2c, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the District), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the District), 9 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the District), Sections 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an

additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the State Metro-East Park and Recreation District Fund or the Local Government Aviation Trust Fund, as appropriate.

Nothing in this subsection shall be construed to authorize the board to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(b-5) If, on January 1, 2025, a unit of local government has in effect a tax under this Section, or if, after January 1, 2025, a unit of local government imposes a tax under this Section, then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(c) Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the State Metro-East Park and Recreation District Fund, which shall be an unappropriated trust fund held outside of the State treasury. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district. The Department shall make this certification only if the Metro East Park and Recreation District imposes a tax on real property as provided in the definition of "local sales taxes" under the Innovation

Development and Economy Act.

As soon as possible after the first day of each month, beginning July 1, 2026, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Statewide Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district. The Department shall make this certification only if the Metro East Park and Recreation District imposes a tax on real property as provided in the definition of "local sales taxes" under the Statewide Innovation Development and Economy Act.

After the monthly transfers ~~transfer~~ to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money pursuant to Section 35 of this Act to the District from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to the District shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were

erroneously paid to a different taxing body, and not including (i) an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the District, (ii) any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the District, (iii) any amounts that are transferred to the STAR Bonds Revenue Fund, and (iv) 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the District, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the disbursement certification to the District and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

(d) For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered

or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to authorize the board to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(f) An ordinance imposing a tax under this Section or an ordinance extending the imposition of a tax to an additional county or counties shall be certified by the board and filed with the Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the filing.

(g) When certifying the amount of a monthly disbursement to the District under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Section 100-30. The Local Mass Transit District Act is amended by changing Section 5.01 as follows:

(70 ILCS 3610/5.01) (from Ch. 111 2/3, par. 355.01)

Sec. 5.01. Metro East Mass Transit District; use and occupation taxes.

(a) The Board of Trustees of any Metro East Mass Transit District may, by ordinance adopted with the concurrence of two-thirds of the then trustees, impose throughout the District any or all of the taxes and fees provided in this Section. Except as otherwise provided, all taxes and fees imposed under this Section shall be used only for public mass transportation systems, and the amount used to provide mass transit service to unserved areas of the District shall be in the same proportion to the total proceeds as the number of persons residing in the unserved areas is to the total population of the District. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes.

(b) The Board may impose a Metro East Mass Transit District Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the district at a rate of 1/4 of 1%, or as authorized under

subsection (d-5) of this Section, of the gross receipts from the sales made in the course of such business within the district, including sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption), except that the rate of tax imposed under this Section on sales of aviation fuel on or after December 1, 2019 shall be 0.25% in Madison County unless the Metro-East Mass Transit District in Madison County has an "airport-related purpose" and any additional amount authorized under subsection (d-5) is expended for airport-related purposes. If there is no airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from any additional amount authorized under subsection (d-5). The rate in St. Clair County shall be 0.25% unless the Metro-East Mass Transit District in St. Clair County has an "airport-related purpose" and the additional 0.50% of the 0.75% tax on aviation fuel imposed in that County is expended for airport-related purposes. If there is no airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the additional 0.50% of the 0.75% tax.

The Board must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section,

"airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax and other than the exemption for food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption), which is

taxed at the rate as provided in this subsection), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section or the Local Government Aviation Trust Fund, as appropriate.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsections (c) and (d) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale, by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the Metro East Mass Transit District to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a Metro East Mass Transit District Service Occupation Tax shall also be imposed upon all persons engaged, in the district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the District, either in the form of tangible

personal property or in the form of real estate as an incident to a sale of service. The tax rate shall be (1) 1/4%, or as authorized under subsection (d-5) of this Section, of the selling price of tangible personal property so transferred within the district, including food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption); and (2) 1/4%, or as authorized under subsection (d-5) of this Section, of the serviceman's cost price of food prepared for immediate consumption and transferred incident to a sale of service subject to the service occupation tax by an entity that is licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, or the MC/DD Act, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act. However, the rate of tax imposed in these Counties under this Section on sales of aviation fuel on or after December 1, 2019 shall be 0.25% in Madison County unless the Metro-East Mass Transit District in Madison County has an "airport-related purpose" and any additional amount authorized under subsection (d-5) is expended for airport-related purposes. If there is no airport-related purpose to which aviation fuel tax revenue is

dedicated, then aviation fuel is excluded from any additional amount authorized under subsection (d-5). The rate in St. Clair County shall be 0.25% unless the Metro-East Mass Transit District in St. Clair County has an "airport-related purpose" and the additional 0.50% of the 0.75% tax on aviation fuel is expended for airport-related purposes. If there is no airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the additional 0.50% of the 0.75% tax.

The Board must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of,

and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure as are prescribed in Sections 1a-1, 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the Authority), 2a, 3 through 3-50 (in respect to all provisions therein other than (i) the State rate of tax; (ii) the exemption for food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption), which is taxed at the rate as provided in this subsection; and (iii) the exemption for food prepared for immediate consumption and transferred incident to a sale of service subject to the service occupation tax by an entity that is licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, or the MC/DD Act, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act, which is taxed at the rate as provided in this subsection), 4 (except that the reference to the State shall

be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the District), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the District), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State

Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section or the Local Government Aviation Trust Fund, as appropriate.

Nothing in this paragraph shall be construed to authorize the District to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a Metro East Mass Transit District Use Tax shall also be imposed upon the privilege of using, in the district, any item of tangible personal property that is purchased outside the district at retail from a retailer, and that is titled or registered with an agency of this State's government, at a rate of 1/4%, or as authorized under subsection (d-5) of this Section, of the selling price of the tangible personal property within the District, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the District. The tax shall be collected by the Department of Revenue for the Metro East Mass Transit District. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued.

The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act

and Section 3-7 of the Uniform Penalty and Interest Act, that are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section.

(d-1) If, on January 1, 2025, a unit of local government has in effect a tax under subsections (b), (c), and (d) or if, after January 1, 2025, a unit of local government imposes a tax under subsections (b), (c), and (d), then that tax applies to leases of tangible personal property in effect, entered into, or renewed on or after that date in the same manner as the tax under this Section and in accordance with the changes made by this amendatory Act of the 103rd General Assembly.

(d-5) (A) The county board of any county participating in the Metro East Mass Transit District may authorize, by ordinance, a referendum on the question of whether the tax rates for the Metro East Mass Transit District Retailers' Occupation Tax, the Metro East Mass Transit District Service Occupation Tax, and the Metro East Mass Transit District Use Tax for the District should be increased from 0.25% to 0.75%.

Upon adopting the ordinance, the county board shall certify the proposition to the proper election officials who shall submit the proposition to the voters of the District at the next election, in accordance with the general election law.

The proposition shall be in substantially the following form:

(B) Two thousand five hundred electors of any Metro East Mass Transit District may petition the Chief Judge of the Circuit Court, or any judge of that Circuit designated by the Chief Judge, in which that District is located to cause to be submitted to a vote of the electors the question whether the tax rates for the Metro East Mass Transit District Retailers' Occupation Tax, the Metro East Mass Transit District Service Occupation Tax, and the Metro East Mass Transit District Use Tax for the District should be increased from 0.25% to 0.75%.

Upon submission of such petition the court shall set a date not less than 10 nor more than 30 days thereafter for a hearing on the sufficiency thereof. Notice of the filing of such petition and of such date shall be given in writing to the District and the County Clerk at least 7 days before the date of such hearing.

If such petition is found sufficient, the court shall enter an order to submit that proposition at the next election, in accordance with general election law.

The form of the petition shall be in substantially the following form: To the Circuit Court of the County of (name of county):

(35 ILCS 143/10-10)

Sec. 10-10. Tax imposed.

(a) Except as otherwise provided in this Section with respect to little cigars, on the first day of the third month after the month in which this Act becomes law, a tax is imposed on any person engaged in business as a distributor of tobacco products, as defined in Section 10-5, at the rate of:

(1) ~~(i)~~ 18% of the wholesale price of tobacco products sold or otherwise disposed of to retailers or consumers located in this State prior to July 1, 2012;

(2) ~~(ii)~~ 36% of the wholesale price of tobacco products sold or otherwise disposed of to retailers or consumers located in this State beginning on July 1, 2012 and through June 30, 2025; except that, beginning on January 1, 2013 and through June 30, 2025, the tax on moist snuff shall be imposed at a rate of $0.30 per ounce, and a proportionate tax at the like rate on all fractional parts of an ounce, sold or otherwise disposed of to retailers or consumers located in this State; and except that,

beginning July 1, 2019 and through June 30, 2025, the tax on electronic cigarettes shall be imposed at the rate of 15% of the wholesale price of electronic cigarettes sold or otherwise disposed of to retailers or consumers located in this State; and

(3) ~~(iii)~~ 45% of the wholesale price of tobacco products, including moist snuff and electronic cigarettes, sold or otherwise disposed of to retailers or consumers located in this State on and after July 1, 2025 and through December 31, 2026; and~~.~~

(4) beginning on January 1, 2027, 45% of:

(A) the actual cost paid by a distributor or remote retail seller for the tobacco product sold or otherwise disposed of to a retailer or consumer in the State; or

(B) if documentation of the actual cost paid by a distributor or remote retail seller is not available due to matters beyond the distributor or remote retail seller's control, the actual cost list paid by a distributor or remote retail seller for the tobacco product sold or otherwise disposed of to retailers or consumers located in this State for which documentation is not available.

The tax imposed under this subsection (a) is in addition to all other occupation or privilege taxes imposed by the State of Illinois, by any political subdivision thereof, or by

any municipal corporation. However, the tax is not imposed upon any activity in that business in interstate commerce or otherwise, to the extent to which that activity may not, under the Constitution and Statutes of the United States, be made the subject of taxation by this State, and except that, beginning July 1, 2013, the tax on little cigars shall be imposed at the same rate, and the proceeds shall be distributed in the same manner, as the tax imposed on cigarettes under the Cigarette Tax Act. The tax is also not imposed on sales made to the United States or any entity thereof.

If the Department determines that the actual cost list for a tobacco product is not indicative of the actual cost paid for the tobacco product, then the Department may determine the distributor's or remote retail seller's tax liability for the tobacco product based on the distributor's or remote retail seller's books and records or from information on invoices obtained from the distributor's or remote retail seller's suppliers.

(a-5) Beginning January 1, 2027, the tax imposed under subsection (a) is also imposed upon persons who are engaged in business as remote retail sellers of cigars, pipe tobacco, or alternative nicotine products and who make sales to Illinois consumers on which the tax has not been paid by a distributor, if the cumulative gross receipts of the remote retail seller from sales of tangible personal property to consumers in this

State are $100,000 or more.

A remote retail seller that meets or exceeds the threshold in this subsection shall be liable for taxes imposed by this Act on all sales made by that remote retail seller of taxable products under this Act to Illinois consumers on which the tax has not been paid by a distributor.

The remote retail seller shall determine on a quarterly basis, ending on the last day of March, June, September, and December, whether it meets the threshold of this subsection for the preceding 12-month period. If the remote retail seller meets the threshold for a 12-month period, then the remote retail seller is considered to be engaged in business as a remote retail seller in this State and is required to collect and remit the tax imposed under this Act and to file all applicable returns for the next 12-month period. At the end of that 12-month period, the remote retail seller shall determine whether the remote retail seller met the threshold for the preceding 12-month period. If the remote retail seller met the threshold for the preceding 12-month period, the remote retail seller is considered to be engaged in business as a remote retail seller in this State and is required to collect and remit the tax imposed under this Act and file returns for the subsequent year. If, at the end of a one-year period, a remote retail seller that was required to collect and remit the tax imposed under this Act determines that the remote retail seller did not meet the threshold during the preceding

12-month period, then the remote retail seller shall certify to the Department, in the form and manner required by the Department, that the remote retail seller did not meet the threshold during the preceding 12-month period and shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether the remote retail seller meets the threshold for the preceding 12-month period.

(b) Notwithstanding subsection (a) of this Section, stamping distributors of packages of little cigars containing 20 or 25 little cigars sold or otherwise disposed of in this State shall remit the tax by purchasing tax stamps from the Department and affixing them to packages of little cigars in the same manner as stamps are purchased and affixed to cigarettes under the Cigarette Tax Act, unless the stamping distributor sells or otherwise disposes of those packages of little cigars to another stamping distributor. Only persons meeting the definition of "stamping distributor" contained in Section 10-5 of this Act may affix stamps to packages of little cigars containing 20 or 25 little cigars. Stamping distributors may not sell or dispose of little cigars at retail to consumers or users at locations where stamping distributors affix stamps to packages of little cigars containing 20 or 25 little cigars.

(c) The impact of the tax levied by this Act is imposed upon distributors engaged in the business of selling tobacco

products to retailers or consumers in this State. Beginning January 1, 2027, the impact of the tax levied by this Act is also imposed upon remote retail sellers that meet the threshold in subsection (a-5) of this Section. A remote retail seller shall pay the tax on all sales of cigars, pipe tobacco, and alternative nicotine products to consumers in this State on which the tax has not been paid by a distributor. Whenever a stamping distributor brings or causes to be brought into this State from without this State, or purchases from without or within this State, any packages of little cigars containing 20 or 25 little cigars upon which there are no tax stamps affixed as required by this Act, for purposes of resale or disposal in this State to a person not a stamping distributor, then such stamping distributor shall pay the tax to the Department and add the amount of the tax to the price of such packages sold by such stamping distributor. Payment of the tax shall be evidenced by a stamp or stamps affixed to each package of little cigars containing 20 or 25 little cigars.

Stamping distributors paying the tax to the Department on packages of little cigars containing 20 or 25 little cigars sold to other distributors, wholesalers or retailers shall add the amount of the tax to the price of the packages of little cigars containing 20 or 25 little cigars sold by such stamping distributors.

(d) Beginning on January 1, 2013, the tax rate imposed per ounce of moist snuff may not exceed 15% of the tax imposed upon

a package of 20 cigarettes pursuant to the Cigarette Tax Act.

(d-5) Notwithstanding any other provision of this Section, beginning January 1, 2027 and continuing through December 31, 2029, the tax per cigar sold or otherwise disposed of shall not exceed $0.75 per cigar. This subsection does not apply to little cigars.

(e) All moneys received by the Department under this Act from sales occurring prior to July 1, 2012 shall be paid into the Long-Term Care Provider Fund of the State Treasury. Of the moneys received by the Department from sales occurring on or after July 1, 2012, except for moneys received from the tax imposed on the sale of little cigars, 50% shall be paid into the Long-Term Care Provider Fund and 50% shall be paid into the Healthcare Provider Relief Fund. Beginning July 1, 2013, all moneys received by the Department under this Act from the tax imposed on little cigars shall be distributed as provided in Section 2 of the Cigarette Tax Act. Sec. 10-24. Remote retail seller's license. Beginning on January 1, 2027, it is unlawful for any person who meets the threshold established in subsection (a-5) of Section 10-10 to engage in business as a remote retail seller within the meaning of this Act without first having obtained a license to do so from the Department. Application for that license shall be made to the Department, by electronic means, in a form prescribed by the Department. Each applicant for a license shall furnish to the Department, in an electronic format established by the Department, the following information:

(1) the name and address of the applicant;

(2) the address of the location at which the applicant proposes to engage in business as a remote retail seller outside this State; and

(3) such other additional information as the Department may lawfully require by rule.

Beginning on January 1, 2027, in addition to obtaining a license to engage in business as a remote retail seller in this State, no remote retail seller who meets the threshold established in subsection (a-5) of Section 10-10 may engage in business as a remote retail seller within the meaning of this Act without registering under the Retailers' Occupation Tax Act pursuant to Section 2a of that Act.

A separate annual license shall be obtained for each place of business at which a person who is required to procure a remote retail seller's license under this Section proposes to engage in business as a remote retail seller under this Act. All licenses issued by the Department under this Section shall be valid for a period not to exceed one year after issuance unless sooner revoked, canceled, or suspended as provided in this Act. All licenses must be renewed on an annual basis. An application submitted by a remote retail seller shall include an acknowledgement consenting to the jurisdiction of the Department and the courts of this State concerning the enforcement of this Act and any related laws, rules, and regulations, including authorizing the Department of Revenue to conduct inspections and audits for the purpose of ensuring compliance with this Act and to issue penalties for violations of this Act.

Each remote retail seller must perform age verification through an independent, third-party age verification service that compares information available from a commercially available database, or aggregate of databases, that are regularly used by government agencies and businesses for the purpose of age and identity verification to the personal information entered by the individual during the ordering process that establishes that the individual is of age.

The following are ineligible to receive a remote retail seller's license under this Act:

(1) a person who has been convicted of a felony under any federal or State law for smuggling cigarettes or tobacco products or tobacco tax evasion, if the Department, after investigation and a hearing if requested by the applicant, determines that such person has not been sufficiently rehabilitated to warrant the public trust;

(2) a corporation, if any officer, manager or director thereof, or any stockholder or stockholders owning in the aggregate more than 5% of the stock of such corporation, would not be eligible to receive a license under this Act for any reason; or

(3) any person who is in default to the State of Illinois for moneys due under this Act or any other tax Act administered by the Department.

The Department, upon receipt of an application, in proper form, from a person who is eligible to receive a remote retail seller's license under this Act, shall issue to such applicant a license in form as prescribed by the Department, which license shall permit the applicant to which it is issued to engage in business as a remote retail seller under this Act at the place shown in the remote retail seller's application. No license issued under this Section is transferable or assignable. A person who obtains a license as a remote retail seller who ceases to do business as specified in the license, or who never commenced business, or whose license is suspended or revoked, shall immediately surrender the license to the

Department.

The Department may, in its discretion, upon application, authorize the payment of the tax imposed under Section 10-10 by any remote retail seller not otherwise subject to the tax imposed under this Act who, to the satisfaction of the Department, furnishes adequate security to ensure payment of the tax. The remote retail seller shall be issued, without charge, a license to remit the tax. When so authorized, it shall be the duty of the remote retail seller to remit the tax imposed upon the actual cost or actual cost list price of the cigars, pipe tobacco, or alternative nicotine products sold or otherwise disposed of to consumers located in this State, in the same manner and subject to the same requirements as any other remote retail seller required to be licensed under this Act.

Any person aggrieved by any decision of the Department under this Section may, within 30 days after notice of the decision, protest and request a hearing. Upon receiving a request for a hearing, the Department shall give notice to the person requesting the hearing of the time and place fixed for the hearing and shall hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to that person. In the absence of a protest and request for a hearing within 30 days, the Department's decision shall become final without any further determination being made or notice given.

(35 ILCS 143/10-25)

Sec. 10-25. License actions.

(a) The Department may, after notice and a hearing, revoke, cancel, or suspend the license of any distributor, ~~or~~ retailer, or remote retail seller who violates any of the provisions of this Act, fails to keep books and records as required under this Act, fails to make books and records available for inspection upon demand by a duly authorized employee of the Department, or violates a rule or regulation of the Department for the administration and enforcement of this Act. The notice shall specify the alleged violation or violations upon which the revocation, cancellation, or suspension proceeding is based.

(a-5) The Department may, after notice and a hearing, revoke, cancel, or suspend the license of a distributor or remote retail seller that fails to properly register and remit tax under the Retailers' Occupation Tax Act for all tobacco products that are sold to consumers in this State.

(a-10) The Department may, after notice and a hearing, revoke, cancel, or suspend the license of a distributor or remote retail seller who is found in violation of any law, rule, or regulation of the state where the business is located as listed on the license issued by the Department. The notice shall specify the alleged violation or violations upon which the revocation, cancellation, or suspension proceeding is

based.

(b) The Department may revoke, cancel, or suspend the license of any distributor or remote retail seller for a violation of the Tobacco Products Manufacturers' Escrow Enforcement Act of 2003 as provided in Section 30 of that Act.

(c) If the retailer or remote retail seller has a training program that facilitates compliance with minimum-age tobacco laws, the Department shall suspend for 3 days the license of that retailer or remote retail seller for a fourth or subsequent violation of the Prevention of Tobacco Use by Persons under 21 Years of Age and Sale and Distribution of Tobacco Products Act, as provided in subsection (a) of Section 2 of that Act. For the purposes of this Section, any violation of subsection (a) of Section 2 of the Prevention of Tobacco Use by Persons under 21 Years of Age and Sale and Distribution of Tobacco Products Act occurring at the retailer's or remote retail seller's licensed location, during a 24-month period, shall be counted as a violation against the retailer or remote retail seller.

If the retailer or remote retail seller does not have a training program that facilitates compliance with minimum-age tobacco laws, the Department shall suspend for 3 days the license of that retailer or remote retail seller for a second violation of the Prevention of Tobacco Use by Persons under 21 Years of Age and Sale and Distribution of Tobacco Products Act, as provided in subsection (a-5) of Section 2 of that Act.

If the retailer or remote retail seller does not have a training program that facilitates compliance with minimum-age tobacco laws, the Department shall suspend for 7 days the license of that retailer or remote retail seller for a third violation of the Prevention of Tobacco Use by Persons under 21 Years of Age and Sale and Distribution of Tobacco Products Act, as provided in subsection (a-5) of Section 2 of that Act.

If the retailer or remote retail seller does not have a training program that facilitates compliance with minimum-age tobacco laws, the Department shall suspend for 30 days the license of a retailer or remote retail seller for a fourth or subsequent violation of the Prevention of Tobacco Use by Persons under 21 Years of Age and Sale and Distribution of Tobacco Products Act, as provided in subsection (a-5) of Section 2 of that Act.

A training program that facilitates compliance with minimum-age tobacco laws must include at least the following elements: (i) it must explain that only individuals displaying valid identification demonstrating that they are 21 years of age or older shall be eligible to purchase cigarettes or tobacco products and (ii) it must explain where a clerk can check identification for a date of birth. The training may be conducted electronically. Each retailer or remote retail seller that has a training program shall require each employee who completes the training program to sign a form attesting that the employee has received and completed tobacco training.

The form shall be kept in the employee's file and may be used to provide proof of training.

(d) The Department may, by application to any circuit court, obtain an injunction restraining any person who engages in business as a distributor or remote retail seller of tobacco products without a license (either because his or her license has been revoked, canceled, or suspended or because of a failure to obtain a license in the first instance) from engaging in that business until that person, as if that person were a new applicant for a license, complies with all of the conditions, restrictions, and requirements of Section 10-20 or 10-24 of this Act and qualifies for and obtains a license. Refusal or neglect to obey the order of the court may result in punishment for contempt.

(35 ILCS 143/10-30)

Sec. 10-30. Returns.

(a) Every distributor shall, on or before the 15th day of each month, file a return with the Department covering the preceding calendar month. Through June 30, 2025, the return shall disclose the wholesale price for all tobacco products other than moist snuff and the quantity in ounces of moist snuff sold or otherwise disposed of and other information that the Department may reasonably require. Beginning July 1, 2025 and through December 1, 2026, the return shall disclose the

wholesale price for all tobacco products, including moist snuff, sold or otherwise disposed of and other information that the Department may reasonably require. Beginning January 1, 2027, the return shall disclose the actual cost or actual cost list price for all tobacco products, other than little cigars, sold or otherwise disposed of and other information that the Department may reasonably require. Information that the Department may reasonably require includes information related to the uniform regulation and taxation of tobacco products.

(a-5) Beginning February 1, 2027, every remote retail seller shall, on or before the 15th day of each month, file a return with the Department covering the preceding calendar month. The remote retail seller's return must report all cigars, pipe tobacco, or alternative nicotine products brought in or caused to be brought in from outside the State or shipped or transported to consumers within the State during the preceding calendar month. The return must include further information as the Department may prescribe and must show the total actual cost or actual cost list price paid by a remote retail seller for a tobacco product for the previous calendar month. The return must show the amount of tax due for all remote retail sales made from outside the State, to a consumer within the State during the preceding calendar month. It is the intent and purpose of this amendatory Act of the 104th General Assembly that the remote retail seller remit the tax

at the time the return is filed. It is further the intent and purpose of this amendatory Act of the 104th General Assembly to impose the tax under this Act only once on all tobacco products sold in the State.

(b) In addition to the information required under subsection (a), on or before the 15th day of each month, covering the preceding calendar month, each stamping distributor shall report the quantity of little cigars sold or otherwise disposed of, including the number of packages of little cigars sold or disposed of during the month containing 20 or 25 little cigars.

(c) At the time when any return of any distributor is due to be filed with the Department, the distributor shall also remit to the Department the tax liability that the distributor has incurred for transactions occurring in the preceding calendar month.

(d) All returns and supporting schedules required to be filed under this Section and all payments required to be made under this Section shall be by electronic means in the form prescribed by the Department.

(e) If any payment provided for in this Section exceeds the distributor's liabilities under this Act, as shown on an original return, the distributor may credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department.

(35 ILCS 143/10-35)

Sec. 10-35. Record keeping.

(a) Every distributor, as defined in Section 10-5, shall keep complete and accurate records of tobacco products held, purchased, manufactured, brought in or caused to be brought in from without the State, and tobacco products sold, or otherwise disposed of, and shall preserve and keep all invoices, bills of lading, sales records, and copies of bills of sale, the wholesale price, and, beginning January 1, 2027, the actual cost or actual cost list price for tobacco products sold or otherwise disposed of, an inventory of tobacco products prepared as of December 31 of each year or as of the last day of the distributor's fiscal year if the distributor ~~he or she~~ files federal income tax returns on the basis of a fiscal year, and other pertinent papers and documents relating to the manufacture, purchase, sale, or disposition of tobacco products. Every sales invoice issued by a licensed distributor to a retailer in this State shall contain the distributor's Tobacco Products License number unless the distributor has been granted a waiver by the Department in response to a written request in cases where (i) the distributor sells little cigars or other tobacco products only to licensed

retailers that are wholly-owned by the distributor or owned by a wholly-owned subsidiary of the distributor; (ii) the licensed retailer obtains little cigars or other tobacco products only from the distributor requesting the waiver; and (iii) the distributor affixes the tax stamps to the original packages of little cigars or has or will pay the tax on the other tobacco products sold to the licensed retailer. The distributor shall file a written request with the Department, and, if the Department determines that the distributor meets the conditions for a waiver, the Department shall grant the waiver.

(b) Every retailer, as defined in Section 10-5, whether or not the retailer has obtained a retailer's license pursuant to Section 4g, shall keep complete and accurate records of tobacco products held, purchased, sold, or otherwise disposed of, and shall preserve and keep all invoices, bills of lading, sales records, and copies of bills of sale, returns and other pertinent papers and documents relating to the purchase, sale, or disposition of tobacco products. Such records need not be maintained on the licensed premises, but must be maintained in the State of Illinois; however, if access is available electronically, the records may be maintained out of state. However, all original invoices or copies thereof covering purchases of tobacco products must be retained on the licensed premises for a period of 90 days after such purchase, unless the Department has granted a waiver in response to a written

request in cases where records are kept at a central business location within the State of Illinois or in cases where records that are available electronically are maintained out of state. The Department shall adopt rules regarding the eligibility for a waiver, revocation of a waiver, and requirements and standards for maintenance and accessibility of records located at a central location out-of-State pursuant to a waiver provided under this Section.

(b-5) Every remote retail seller, as defined in Section 10-5 shall keep complete and accurate records of tobacco products held, purchased, sold, or otherwise disposed of and shall preserve and keep all invoices, bills of lading, sales records, and copies of bills of sale, returns and other pertinent papers and documents relating to the purchase, sale, or disposition of tobacco products. Such records must be on the remote retail seller's premises but need not be maintained in the State of Illinois; however, remote retail sellers shall also provide access electronically. However, all original invoices or copies thereof covering purchases of tobacco products must be retained on the remote retail seller's premises until the expiration of the period with respect to which the Department is authorized to issue a notice of tax liability.

(c) Books, records, papers, and documents that are required by this Act to be kept shall, at all times during the usual business hours of the day, be subject to inspection by

the Department or its duly authorized agents and employees. The books, records, papers, and documents for any period with respect to which the Department is authorized to issue a notice of tax liability shall be preserved until the expiration of that period.

(35 ILCS 143/10-37)

Sec. 10-37. Proof of payment of tax imposed by this Act. Every licensed distributor of tobacco products in this State is required to show proof of the tax having been paid as required by this Act by displaying its Tobacco Products License number on every sales invoice issued to a retailer in this State. Every licensed remote retail seller of tobacco products in this State is required to show proof of the tax having been paid as required by this Act by displaying its Tobacco Products License number on every sales invoice issued to a consumer in this State. No retailer shall possess tobacco products without either a proper invoice indicating that the tobacco products tax was paid by a distributor for the tobacco products in the retailer's possession or other proof that the tax was paid by the retailer if it has purchased tobacco products on which tax has not been paid as required by this Act. Failure to comply with the provisions of this paragraph may be grounds for revocation of a distributor's, remote retail seller's, or retailer's license in accordance with

Section 10-25 of this Act or Section 6 of the Cigarette Tax Act. In addition, the Department may impose a civil penalty not to exceed $1,000 for the first violation and $3,000 for each subsequent violation, which shall be deposited into the Tax Compliance and Administration Fund.

(35 ILCS 143/10-38)

Sec. 10-38. Presumption for unlicensed distributors, remote retail sellers, or persons. Whenever any person obtains tobacco products from an unlicensed in-state or out-of-state distributor, remote retail seller, or person, a prima facie presumption shall arise that the tax imposed by this Act on such tobacco products has not been paid in violation of this Act. Invoices or other documents kept in the normal course of business in the possession of a person reflecting purchases of tobacco products from an unlicensed in-state or out-of-state distributor, remote retail seller, or person or invoices or other documents kept in the normal course of business obtained by the Department from in-state or out-of-state distributors, remote retail sellers, or persons, are sufficient to raise the presumption that the tax imposed by this Act has not been paid. If a presumption is raised, the Department may assess tax, penalty, and interest on the tobacco products. In addition, any person who violates this Section is liable to pay to the Department, for deposit in the Tax Compliance and

Administration Fund, a penalty of $1,000 for the first violation and $3,000 for any subsequent violation. The Department may adopt rules to administer the penalties under this Section.

Sec. 10-45. Incorporation by reference. All of the provisions of Sections 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, ~~5h,~~ 5i, 5j, 6, 6a, 6b, 6c, 8, 9, 10, 11, 11a, and 12 of the Retailers' Occupation Tax Act, and all applicable provisions of the Uniform Penalty and Interest Act that are not inconsistent with this Act, apply to distributors and remote retail sellers of tobacco products to the same extent as if those provisions were included in this Act. References in the incorporated Sections of the Retailers' Occupation Tax Act to retailers, to sellers, or to persons engaged in the business of selling tangible personal property mean distributors or remote retail sellers when used in this Act. References in the incorporated Sections to sales of tangible personal property mean sales of tobacco products when used in this Act.

All of the provisions of Sections 7, 8, 8a, 16, 18a, 18b, 18c, 22, 23, 24, 26, 27, and 28a of the Cigarette Tax Act which are not inconsistent with this Act shall apply, as far as practicable, to the subject matter of this Act to the same extent as if those provisions were included in this Act.

References in the incorporated Sections to sales of cigarettes mean sales of little cigars in packages of 20 or 25 little cigars.

ARTICLE 115

Section 115-5. The Liquor Control Act of 1934 is amended by changing Section 8-1 as follows:

(235 ILCS 5/8-1)

Sec. 8-1. A tax is imposed upon the privilege of engaging in business as a manufacturer or as an importing distributor of alcoholic liquor, other than beer, at the rate of ~~$0.185 per gallon until September 1, 2009 and~~ $0.231 per gallon ~~beginning September 1, 2009~~ for cider containing not less than 0.5% alcohol by volume nor more than 7% alcohol by volume, ~~$0.73 per gallon until September 1, 2009 and~~ $1.39 per gallon ~~beginning September 1, 2009~~ for alcoholic liquor containing not more than 20% alcohol by volume ~~wine other than cider containing~~

~~less than 7% alcohol by volume, and $4.50 per gallon until September 1, 2009~~ and $8.55 per gallon ~~beginning September 1, 2009~~ on alcoholic liquor containing more than 20% alcohol by volume ~~alcohol and spirits manufactured and~~ sold or used by such manufacturer, or as agent for any other person, or sold or used by such importing distributor, or as agent for any other person. A tax is imposed upon the privilege of engaging in business as a manufacturer of beer or as an importing distributor of beer at the rate of ~~$0.185 per gallon until September 1, 2009 and~~ $0.231 per gallon ~~beginning September 1, 2009~~ on all beer, regardless of alcohol by volume, manufactured and sold or used by such manufacturer, or as agent for any other person, or sold or used by such importing distributor, or as agent for any other person. Any brewer manufacturing beer in this State shall be entitled to and given a credit or refund of 75% of the tax imposed on each gallon of beer up to 4.9 million gallons per year in any given calendar year for tax paid or payable on beer produced and sold in the State of Illinois.

For purposes of this Section, "beer" means beer, ale, porter, stout, and other similar fermented beverages of any name or description containing one-half of one percent or more of alcohol by volume, brewed or produced from malt, wholly or in part, or from any substitute for malt.

For the purpose of this Section, "cider" means any alcoholic beverage obtained by the alcohol fermentation of the

juice of apples or pears including, but not limited to, flavored, sparkling, or carbonated cider.

The credit or refund created by this Act shall apply to all beer taxes in the calendar years 1982 through 1986.

The increases made by this amendatory Act of the 91st General Assembly in the rates of taxes imposed under this Section shall apply beginning on July 1, 1999.

A tax at the rate of 1¢ per gallon on beer and 48¢ per gallon on alcohol and spirits is also imposed upon the privilege of engaging in business as a retailer or as a distributor who is not also an importing distributor with respect to all beer and all alcohol and spirits owned or possessed by such retailer or distributor when this amendatory Act of 1969 becomes effective, and with respect to which the additional tax imposed by this amendatory Act upon manufacturers and importing distributors does not apply. Retailers and distributors who are subject to the additional tax imposed by this paragraph of this Section shall be required to inventory such alcoholic liquor and to pay this additional tax in a manner prescribed by the Department.

The provisions of this Section shall be construed to apply to any importing distributor engaging in business in this State, whether licensed or not.

However, such tax is not imposed upon any such business as to any alcoholic liquor shipped outside Illinois by an Illinois licensed manufacturer or importing distributor, nor

as to any alcoholic liquor delivered in Illinois by an Illinois licensed manufacturer or importing distributor to a purchaser for immediate transportation by the purchaser to another state into which the purchaser has a legal right, under the laws of such state, to import such alcoholic liquor, nor as to any alcoholic liquor other than beer sold by one Illinois licensed manufacturer or importing distributor to another Illinois licensed manufacturer or importing distributor to the extent to which the sale of alcoholic liquor other than beer by one Illinois licensed manufacturer or importing distributor to another Illinois licensed manufacturer or importing distributor is authorized by the licensing provisions of this Act, nor to alcoholic liquor whether manufactured in or imported into this State when sold to a "non-beverage user" licensed by the State for use in the manufacture of any of the following when they are unfit for beverage purposes:

Patent and proprietary medicines and medicinal, antiseptic, culinary and toilet preparations;

Flavoring extracts and syrups and food products;

Scientific, industrial and chemical products, excepting denatured alcohol;

Or for scientific, chemical, experimental or mechanical purposes;

Nor is the tax imposed upon the privilege of engaging in any business in interstate commerce or otherwise, which

business may not, under the Constitution and Statutes of the United States, be made the subject of taxation by this State.

The tax herein imposed shall be in addition to all other occupation or privilege taxes imposed by the State of Illinois or political subdivision thereof.

If any alcoholic liquor manufactured in or imported into this State is sold to a licensed manufacturer or importing distributor by a licensed manufacturer or importing distributor to be used solely as an ingredient in the manufacture of any beverage for human consumption, the tax imposed upon such purchasing manufacturer or importing distributor shall be reduced by the amount of the taxes which have been paid by the selling manufacturer or importing distributor under this Act as to such alcoholic liquor so used to the Department of Revenue.

If any person received any alcoholic liquors from a manufacturer or importing distributor, with respect to which alcoholic liquors no tax is imposed under this Article, and such alcoholic liquor shall thereafter be disposed of in such manner or under such circumstances as may cause the same to become the base for the tax imposed by this Article, such person shall make the same reports and returns, pay the same taxes and be subject to all other provisions of this Article relating to manufacturers and importing distributors.

Nothing in this Article shall be construed to require the payment to the Department of the taxes imposed by this Article

more than once with respect to any quantity of alcoholic liquor sold or used within this State.

No tax is imposed by this Act on sales of alcoholic liquor by Illinois licensed foreign importers to Illinois licensed importing distributors.

ARTICLE 120

Section 120-5. The Illinois Income Tax Act is amended by changing Section 203 as follows:

(35 ILCS 5/203) (from Ch. 120, par. 2-203)

Sec. 203. Base income defined.

(a) Individuals.

(1) In general. In the case of an individual, base income means an amount equal to the taxpayer's adjusted gross income for the taxable year as modified by paragraph (2).

(2) Modifications. The adjusted gross income referred to in paragraph (1) shall be modified by adding thereto the sum of the following amounts:

(A) An amount equal to all amounts paid or accrued to the taxpayer as interest or dividends during the taxable year to the extent excluded from gross income in the computation of adjusted gross income, except stock dividends of qualified public utilities described in Section 305(e) of the Internal Revenue Code;

(B) An amount equal to the amount of tax imposed by this Act to the extent deducted from gross income in the computation of adjusted gross income for the taxable year;

(C) An amount equal to the amount received during the taxable year as a recovery or refund of real property taxes paid with respect to the taxpayer's principal residence under the Revenue Act of 1939 and for which a deduction was previously taken under

subparagraph (L) of this paragraph (2) prior to July 1, 1991, the retrospective application date of Article 4 of Public Act 87-17. In the case of multi-unit or multi-use structures and farm dwellings, the taxes on the taxpayer's principal residence shall be that portion of the total taxes for the entire property which is attributable to such principal residence;

(D) An amount equal to the amount of the capital gain deduction allowable under the Internal Revenue Code, to the extent deducted from gross income in the computation of adjusted gross income;

(D-5) An amount, to the extent not included in adjusted gross income, equal to the amount of money withdrawn by the taxpayer in the taxable year from a medical care savings account and the interest earned on the account in the taxable year of a withdrawal pursuant to subsection (b) of Section 20 of the Medical Care Savings Account Act or subsection (b) of Section 20 of the Medical Care Savings Account Act of 2000;

(D-10) For taxable years ending after December 31, 1997, an amount equal to any eligible remediation costs that the individual deducted in computing adjusted gross income and for which the individual claims a credit under subsection (l) of Section 201;

(D-15) For taxable years 2001 through 2025, an

amount equal to the bonus depreciation deduction taken on the taxpayer's federal income tax return for the taxable year under subsection (k) of Section 168 of the Internal Revenue Code; for taxable years 2026 and thereafter, an amount equal to the bonus depreciation deduction taken on the taxpayer's federal income tax return for the taxable year under subsection (k) or (n) of Section 168 of the Internal Revenue Code;

(D-16) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-15), then an amount equal to the aggregate amount of the deductions taken in all taxable years under subparagraph (Z) with respect to that property.

If the taxpayer continues to own property through the last day of the last tax year for which a subtraction is allowed with respect to that property under subparagraph (Z) and for which the taxpayer was allowed in any taxable year to make a subtraction modification under subparagraph (Z), then an amount equal to that subtraction modification.

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

(D-17) An amount equal to the amount otherwise

allowed as a deduction in computing base income for interest paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred. For taxable years ending on and after

December 31, 2025, for purposes of applying this paragraph in the case of a taxpayer to which Section 163(j) of the Internal Revenue Code applies for the taxable year, the reduction in the amount of interest for which a deduction is allowed by reason of Section 163(j) shall be treated as allocable first to persons who are not foreign persons referred to in this paragraph and then to such foreign persons.

For taxable years ending before December 31, 2025, this paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the

person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

For taxable years ending on or after December 31, 2025, this paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(D-18) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the

intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(a)(2)(D-17) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets.

For taxable years ending before December 31, 2025, this paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a person who is subject in a foreign country or state, other than a state which requires mandatory unitary

reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section

304(f);

For taxable years ending on or after December 31, 2025, this paragraph shall not apply to the following:

(i) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an

alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(D-19) For taxable years ending on or after December 31, 2008, an amount equal to the amount of insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a

member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the premiums and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(a)(2)(D-17) or Section 203(a)(2)(D-18) of this Act;

(D-20) For taxable years beginning on or after January 1, 2002 and ending on or before December 31, 2006, in the case of a distribution from a qualified tuition program under Section 529 of the Internal Revenue Code, other than (i) a distribution from a College Savings Pool created under Section 16.5 of the State Treasurer Act or (ii) a distribution from the Illinois Prepaid Tuition Trust Fund, an amount equal to the amount excluded from gross income under Section 529(c)(3)(B). For taxable years beginning on or after January 1, 2007, in the case of a distribution from a qualified tuition program under Section 529 of the Internal Revenue Code, other than (i) a distribution from a College Savings Pool created under Section 16.5

of the State Treasurer Act, (ii) a distribution from the Illinois Prepaid Tuition Trust Fund, or (iii) a distribution from a qualified tuition program under Section 529 of the Internal Revenue Code that (I) adopts and determines that its offering materials comply with the College Savings Plans Network's disclosure principles and (II) has made reasonable efforts to inform in-state residents of the existence of in-state qualified tuition programs by informing Illinois residents directly and, where applicable, to inform financial intermediaries distributing the program to inform in-state residents of the existence of in-state qualified tuition programs at least annually, an amount equal to the amount excluded from gross income under Section 529(c)(3)(B).

For the purposes of this subparagraph (D-20), a qualified tuition program has made reasonable efforts if it makes disclosures (which may use the term "in-state program" or "in-state plan" and need not specifically refer to Illinois or its qualified programs by name) (i) directly to prospective participants in its offering materials or makes a public disclosure, such as a website posting; and (ii) where applicable, to intermediaries selling the out-of-state program in the same manner that the out-of-state program distributes its offering

materials;

(D-20.5) For taxable years beginning on or after January 1, 2018, in the case of a distribution from a qualified ABLE program under Section 529A of the Internal Revenue Code, other than a distribution from a qualified ABLE program created under Section 16.6 of the State Treasurer Act, an amount equal to the amount excluded from gross income under Section 529A(c)(1)(B) of the Internal Revenue Code;

(D-21) For taxable years beginning on or after January 1, 2007, in the case of transfer of moneys from a qualified tuition program under Section 529 of the Internal Revenue Code that is administered by the State to an out-of-state program, an amount equal to the amount of moneys previously deducted from base income under subsection (a)(2)(Y) of this Section;

(D-21.5) For taxable years beginning on or after January 1, 2018, in the case of the transfer of moneys from a qualified tuition program under Section 529 or a qualified ABLE program under Section 529A of the Internal Revenue Code that is administered by this State to an ABLE account established under an out-of-state ABLE account program, an amount equal to the contribution component of the transferred amount that was previously deducted from base income under subsection (a)(2)(Y) or subsection (a)(2)(HH) of this

Section;

(D-22) For taxable years beginning on or after January 1, 2009, and prior to January 1, 2018, in the case of a nonqualified withdrawal or refund of moneys from a qualified tuition program under Section 529 of the Internal Revenue Code administered by the State that is not used for qualified expenses at an eligible education institution, an amount equal to the contribution component of the nonqualified withdrawal or refund that was previously deducted from base income under subsection (a)(2)(y) of this Section, provided that the withdrawal or refund did not result from the beneficiary's death or disability. For taxable years beginning on or after January 1, 2018: (1) in the case of a nonqualified withdrawal or refund, as defined under Section 16.5 of the State Treasurer Act, of moneys from a qualified tuition program under Section 529 of the Internal Revenue Code administered by the State, an amount equal to the contribution component of the nonqualified withdrawal or refund that was previously deducted from base income under subsection (a)(2)(Y) of this Section, and (2) in the case of a nonqualified withdrawal or refund from a qualified ABLE program under Section 529A of the Internal Revenue Code administered by the State that is not used for qualified disability expenses, an

amount equal to the contribution component of the nonqualified withdrawal or refund that was previously deducted from base income under subsection (a)(2)(HH) of this Section;

(D-23) An amount equal to the credit allowable to the taxpayer under Section 218(a) of this Act, determined without regard to Section 218(c) of this Act;

(D-26) For taxable years ending on and after December 31, 2026, an amount equal to the amount of gain excluded from gross income under Section 1202 of the Internal Revenue Code;

and by deducting from the total so obtained the sum of the following amounts:

(E) For taxable years ending before December 31, 2001, any amount included in such total in respect of any compensation (including but not limited to any compensation paid or accrued to a serviceman while a prisoner of war or missing in action) paid to a

resident by reason of being on active duty in the Armed Forces of the United States and in respect of any compensation paid or accrued to a resident who as a governmental employee was a prisoner of war or missing in action, and in respect of any compensation paid to a resident in 1971 or thereafter for annual training performed pursuant to Sections 502 and 503, Title 32, United States Code as a member of the Illinois National Guard or, beginning with taxable years ending on or after December 31, 2007, the National Guard of any other state. (W) For taxable years beginning on or after January 1, 1998, all amounts included in the taxpayer's federal gross income in the taxable year from amounts converted from a regular IRA to a Roth IRA. This paragraph is exempt from the provisions of Section 250;

This paragraph is exempt from the provisions of Section 250;

(Y) For taxable years beginning on or after January 1, 2002 and ending on or before December 31, 2004, moneys contributed in the taxable year to a College Savings Pool account under Section 16.5 of the State Treasurer Act, except that amounts excluded from gross income under Section 529(c)(3)(C)(i) of the Internal Revenue Code shall not be considered moneys

(1) "y" equals the amount of the depreciation deduction taken for the taxable year on the taxpayer's federal income tax return on property for which the bonus depreciation deduction was taken in any year under subsection (k) or (n) of Section 168 of the Internal Revenue Code, but not

including the bonus depreciation deduction;

(2) for taxable years ending on or before December 31, 2005, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429); and

(3) for taxable years ending after December 31, 2005:

(i) for property on which a bonus depreciation deduction of 30% of the adjusted basis was taken, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429);

(ii) for property on which a bonus depreciation deduction of 50% of the adjusted basis was taken, "x" equals "y" multiplied by 1.0;

(iii) for property on which a bonus depreciation deduction of 100% of the adjusted basis was taken in a taxable year ending on or after December 31, 2021, "x" equals the depreciation deduction that would be allowed on that property if the taxpayer had made the election under Section 168(k)(7) or Section 168(n)(6) of the Internal Revenue Code to not claim bonus depreciation on that property; and

(iv) for property on which a bonus

depreciation deduction of a percentage other than 30%, 50% or 100% of the adjusted basis was taken in a taxable year ending on or after December 31, 2021, "x" equals "y" multiplied by 100 times the percentage bonus depreciation on the property (that is, 100(bonus%)) and then divided by 100 times 1 minus the percentage bonus depreciation on the property (that is, 100(1-bonus%)).

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction taken on that property on the taxpayer's federal income tax return under subsection (k) or (n) of Section 168 of the Internal Revenue Code. This subparagraph (Z) is exempt from the provisions of Section 250;

(AA) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-15), then an amount equal to that addition modification.

under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred. For taxable years ending on and after December 31, 2025, for purposes of applying this paragraph in the case of a taxpayer to which Section 163(j) of the Internal Revenue Code applies for the taxable year, the reduction in the amount of interest for which a deduction is allowed by reason of Section 163(j) shall be treated as allocable first to persons who are not foreign persons referred to in this paragraph and then to such foreign persons.

For taxable years ending before December 31, 2025, this paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or

incurred, directly or indirectly, to a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance;

or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

For taxable years ending on or after December 31, 2025, this paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(ii) an item of interest paid, accrued, or

incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(E-13) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of

the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence shall not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(b)(2)(E-12) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or

indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets.

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

For taxable years ending on or after December 31, 2025, this paragraph shall not apply to the following:

(i) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is

not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(E-14) For taxable years ending on or after December 31, 2008, an amount equal to the amount of insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the premiums and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(b)(2)(E-12) or Section 203(b)(2)(E-13) of this

Act;

(E-15) For taxable years beginning after December 31, 2008, any deduction for dividends paid by a captive real estate investment trust that is allowed to a real estate investment trust under Section 857(b)(2)(B) of the Internal Revenue Code for dividends paid;

This subparagraph (S) is exempt from the

provisions of Section 250;

(T) For taxable years 2001 and thereafter, for the taxable year in which the bonus depreciation deduction is taken on the taxpayer's federal income tax return under subsection (k) or (n) of Section 168 of the Internal Revenue Code and for each applicable taxable year thereafter, an amount equal to "x", where:

(1) "y" equals the amount of the depreciation deduction taken for the taxable year on the taxpayer's federal income tax return on property for which the bonus depreciation deduction was taken in any year under subsection (k) or (n) of Section 168 of the Internal Revenue Code, but not including the bonus depreciation deduction;

(2) for taxable years ending on or before December 31, 2005, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429); and

(3) for taxable years ending after December 31, 2005:

(i) for property on which a bonus depreciation deduction of 30% of the adjusted basis was taken, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429);

(ii) for property on which a bonus

depreciation deduction of 50% of the adjusted basis was taken, "x" equals "y" multiplied by 1.0;

(iii) for property on which a bonus depreciation deduction of 100% of the adjusted basis was taken in a taxable year ending on or after December 31, 2021, "x" equals the depreciation deduction that would be allowed on that property if the taxpayer had made the election under Section 168(k)(7) or Section 168(n)(6) of the Internal Revenue Code to not claim bonus depreciation on that property; and

(iv) for property on which a bonus depreciation deduction of a percentage other than 30%, 50% or 100% of the adjusted basis was taken in a taxable year ending on or after December 31, 2021, "x" equals "y" multiplied by 100 times the percentage bonus depreciation on the property (that is, 100(bonus%)) and then divided by 100 times 1 minus the percentage bonus depreciation on the property (that is, 100(1-bonus%)).

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction taken on that property on the

taxpayer's federal income tax return under subsection (k) or (n) of Section 168 of the Internal Revenue Code. This subparagraph (T) is exempt from the provisions of Section 250;

(U) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (E-10), then an amount equal to that addition modification.

If the taxpayer continues to own property through the last day of the last tax year for which a subtraction is allowed with respect to that property under subparagraph (T) and for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (E-10), then an amount equal to that addition modification.

The taxpayer is allowed to take the deduction under this subparagraph only once with respect to any one piece of property.

This subparagraph (U) is exempt from the provisions of Section 250;

(V) The amount of: (i) any interest income (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under

Section 203(a)(2)(D-17), 203(b)(2)(E-12), 203(c)(2)(G-12), or 203(d)(2)(D-7), but not to exceed the amount of such addition modification, (ii) any income from intangible property (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-18), 203(b)(2)(E-13), 203(c)(2)(G-13), or 203(d)(2)(D-8), but not to exceed the amount of such addition modification, and (iii) any insurance premium income (net of deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-19), Section 203(b)(2)(E-14), Section 203(c)(2)(G-14), or Section 203(d)(2)(D-9), but not to exceed the amount of that addition modification. This subparagraph (V) is exempt from the provisions of Section 250;

(W) An amount equal to the interest income taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business

activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section 203(b)(2)(E-12) for interest paid, accrued, or incurred, directly or indirectly, to the same person. This subparagraph (W) is exempt from the provisions of Section 250;

(X) An amount equal to the income from intangible property taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is

prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section 203(b)(2)(E-13) for intangible expenses and costs paid, accrued, or incurred, directly or indirectly, to the same foreign person. This subparagraph (X) is exempt from the provisions of Section 250;

(Y) For taxable years ending on or after December 31, 2011, in the case of a taxpayer who was required to add back any insurance premiums under Section 203(b)(2)(E-14), such taxpayer may elect to subtract that part of a reimbursement received from the insurance company equal to the amount of the expense or loss (including expenses incurred by the insurance company) that would have been taken into account as a deduction for federal income tax purposes if the expense or loss had been uninsured. If a taxpayer makes the election provided for by this subparagraph (Y), the insurer to which the premiums were paid must add back to income the amount subtracted by the taxpayer pursuant to this subparagraph (Y). This subparagraph (Y) is exempt from the provisions of Section 250;

(Z) The difference between the nondeductible controlled foreign corporation dividends under Section 965(e)(3) of the Internal Revenue Code over the taxable income of the taxpayer, computed without regard to Section 965(e)(2)(A) of the Internal Revenue Code, and without regard to any net operating loss deduction. This subparagraph (Z) is exempt from the provisions of Section 250; and

(AA) For taxable years beginning on or after January 1, 2023, for any cannabis establishment operating in this State and licensed under the Cannabis Regulation and Tax Act or any cannabis cultivation center or medical cannabis dispensing organization operating in this State and licensed under the Compassionate Use of Medical Cannabis Program Act, an amount equal to the deductions that were disallowed under Section 280E of the Internal Revenue Code for the taxable year and that would not be added back under this subsection. The provisions of this subparagraph (AA) are exempt from the provisions of Section 250.

(3) Special rule. For purposes of paragraph (2)(A), "gross income" in the case of a life insurance company, for tax years ending on and after December 31, 1994, and prior to December 31, 2011, shall mean the gross investment income for the taxable year and, for tax years

ending on or after December 31, 2011, shall mean all amounts included in life insurance gross income under Section 803(a)(3) of the Internal Revenue Code.

(c) Trusts and estates.

(1) In general. In the case of a trust or estate, base income means an amount equal to the taxpayer's taxable income for the taxable year as modified by paragraph (2).

(2) Modifications. Subject to the provisions of paragraph (3), the taxable income referred to in paragraph (1) shall be modified by adding thereto the sum of the following amounts:

(A) An amount equal to all amounts paid or accrued to the taxpayer as interest or dividends during the taxable year to the extent excluded from gross income in the computation of taxable income;

(B) In the case of (i) an estate, $600; (ii) a trust which, under its governing instrument, is required to distribute all of its income currently, $300; and (iii) any other trust, $100, but in each such case, only to the extent such amount was deducted in the computation of taxable income;

(C) An amount equal to the amount of tax imposed by this Act to the extent deducted from gross income in the computation of taxable income for the taxable year;

(D) The amount of any net operating loss deduction taken in arriving at taxable income, other than a net operating loss carried forward from a taxable year ending prior to December 31, 1986;

(E) For taxable years in which a net operating loss carryback or carryforward from a taxable year ending prior to December 31, 1986 is an element of taxable income under paragraph (1) of subsection (e) or subparagraph (E) of paragraph (2) of subsection (e), the amount by which addition modifications other than those provided by this subparagraph (E) exceeded subtraction modifications in such taxable year, with the following limitations applied in the order that they are listed:

(i) the addition modification relating to the net operating loss carried back or forward to the taxable year from any taxable year ending prior to December 31, 1986 shall be reduced by the amount of addition modification under this subparagraph (E) which related to that net operating loss and which was taken into account in calculating the base income of an earlier taxable year, and

(ii) the addition modification relating to the net operating loss carried back or forward to the taxable year from any taxable year ending prior to December 31, 1986 shall not exceed the amount of

such carryback or carryforward;

For taxable years in which there is a net operating loss carryback or carryforward from more than one other taxable year ending prior to December 31, 1986, the addition modification provided in this subparagraph (E) shall be the sum of the amounts computed independently under the preceding provisions of this subparagraph (E) for each such taxable year;

(F) For taxable years ending on or after January 1, 1989, an amount equal to the tax deducted pursuant to Section 164 of the Internal Revenue Code if the trust or estate is claiming the same tax for purposes of the Illinois foreign tax credit under Section 601 of this Act;

(G) An amount equal to the amount of the capital gain deduction allowable under the Internal Revenue Code, to the extent deducted from gross income in the computation of taxable income;

(G-5) For taxable years ending after December 31, 1997, an amount equal to any eligible remediation costs that the trust or estate deducted in computing adjusted gross income and for which the trust or estate claims a credit under subsection (l) of Section 201;

(G-10) For taxable years 2001 through 2025, an amount equal to the bonus depreciation deduction taken

on the taxpayer's federal income tax return for the taxable year under subsection (k) of Section 168 of the Internal Revenue Code; for taxable years 2026 and thereafter, an amount equal to the bonus depreciation deduction taken on the taxpayer's federal income tax return for the taxable year under subsection (k) or (n) of Section 168 of the Internal Revenue Code; and

(G-11) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (G-10), then an amount equal to the aggregate amount of the deductions taken in all taxable years under subparagraph (R) with respect to that property.

If the taxpayer continues to own property through the last day of the last tax year for which a subtraction is allowed with respect to that property under subparagraph (R) and for which the taxpayer was allowed in any taxable year to make a subtraction modification under subparagraph (R), then an amount equal to that subtraction modification.

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

(G-12) An amount equal to the amount otherwise allowed as a deduction in computing base income for

interest paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred. For taxable years ending on and after December 31, 2025, for purposes of applying this

paragraph in the case of a taxpayer to which Section 163(j) of the Internal Revenue Code applies for the taxable year, the reduction in the amount of interest for which a deduction is allowed by reason of Section 163(j) shall be treated as allocable first to persons who are not foreign persons referred to in this paragraph and then to such foreign persons.

For taxable years ending before December 31, 2025, this paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the person did not have as a principal purpose the

avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

For taxable years ending on or after December 31, 2025, this paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person, during the same taxable

year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(G-13) An amount equal to the amount of intangible

expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or

indirectly paid, incurred, or accrued. The preceding sentence shall not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(c)(2)(G-12) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes: (1) expenses, losses, and costs for or related to the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets.

For taxable years ending before December 31, 2025, this paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income

with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

For taxable years ending on or after December 31, 2025, this paragraph shall not apply to the following:

(i) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section

304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(G-14) For taxable years ending on or after December 31, 2008, an amount equal to the amount of insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group

(including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the premiums and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(c)(2)(G-12) or Section 203(c)(2)(G-13) of this Act;

(G-15) An amount equal to the credit allowable to the taxpayer under Section 218(a) of this Act, determined without regard to Section 218(c) of this Act;

(G-16) For taxable years ending on or after December 31, 2017, an amount equal to the deduction allowed under Section 199 of the Internal Revenue Code for the taxable year;

(G-17) the amount that is claimed as a federal deduction when computing the taxpayer's federal taxable income for the taxable year and that is attributable to an endowment gift for which the taxpayer receives a credit under the Illinois Gives Tax Credit Act;

(G-18) For taxable years ending on and after

December 31, 2026, an amount equal to the amount of gain excluded from gross income under Section 1202 of the Internal Revenue Code;

and by deducting from the total so obtained the sum of the following amounts:

(H) An amount equal to all amounts included in such total pursuant to the provisions of Sections 402(a), 402(c), 403(a), 403(b), 406(a), 407(a) and 408 of the Internal Revenue Code or included in such total as distributions under the provisions of any retirement or disability plan for employees of any governmental agency or unit, or retirement payments to retired partners, which payments are excluded in computing net earnings from self employment by Section 1402 of the Internal Revenue Code and regulations adopted pursuant thereto;

(I) The valuation limitation amount;

(J) An amount equal to the amount of any tax imposed by this Act which was refunded to the taxpayer and included in such total for the taxable year;

(K) An amount equal to all amounts included in taxable income as modified by subparagraphs (A), (B), (C), (D), (E), (F) and (G) which are exempt from taxation by this State either by reason of its statutes or Constitution or by reason of the Constitution, treaties or statutes of the United

States; provided that, in the case of any statute of this State that exempts income derived from bonds or other obligations from the tax imposed under this Act, the amount exempted shall be the interest net of bond premium amortization;

(L) With the exception of any amounts subtracted under subparagraph (K), an amount equal to the sum of all amounts disallowed as deductions by (i) Sections 171(a)(2) and 265(a)(2) of the Internal Revenue Code, and all amounts of expenses allocable to interest and disallowed as deductions by Section 265(a)(1) of the Internal Revenue Code; and (ii) for taxable years ending on or after August 13, 1999, Sections 171(a)(2), 265, 280C, and 832(b)(5)(B)(i) of the Internal Revenue Code, plus, (iii) for taxable years ending on or after December 31, 2011, Section 45G(e)(3) of the Internal Revenue Code and, for taxable years ending on or after December 31, 2008, any amount included in gross income under Section 87 of the Internal Revenue Code; the provisions of this subparagraph are exempt from the provisions of Section 250;

(M) An amount equal to those dividends included in such total which were paid by a corporation which conducts business operations in a River Edge Redevelopment Zone or zones created under the River

Edge Redevelopment Zone Act and conducts substantially all of its operations in a River Edge Redevelopment Zone or zones. This subparagraph (M) is exempt from the provisions of Section 250;

(N) An amount equal to any contribution made to a job training project established pursuant to the Tax Increment Allocation Redevelopment Act;

(O) An amount equal to those dividends included in such total that were paid by a corporation that conducts business operations in a federally designated Foreign Trade Zone or Sub-Zone and that is designated a High Impact Business located in Illinois; provided that dividends eligible for the deduction provided in subparagraph (M) of paragraph (2) of this subsection shall not be eligible for the deduction provided under this subparagraph (O);

(P) An amount equal to the amount of the deduction used to compute the federal income tax credit for restoration of substantial amounts held under claim of right for the taxable year pursuant to Section 1341 of the Internal Revenue Code;

(Q) For taxable year 1999 and thereafter, an amount equal to the amount of any (i) distributions, to the extent includible in gross income for federal income tax purposes, made to the taxpayer because of his or her status as a victim of persecution for racial

or religious reasons by Nazi Germany or any other Axis regime or as an heir of the victim and (ii) items of income, to the extent includible in gross income for federal income tax purposes, attributable to, derived from or in any way related to assets stolen from, hidden from, or otherwise lost to a victim of persecution for racial or religious reasons by Nazi Germany or any other Axis regime immediately prior to, during, and immediately after World War II, including, but not limited to, interest on the proceeds receivable as insurance under policies issued to a victim of persecution for racial or religious reasons by Nazi Germany or any other Axis regime by European insurance companies immediately prior to and during World War II; provided, however, this subtraction from federal adjusted gross income does not apply to assets acquired with such assets or with the proceeds from the sale of such assets; provided, further, this paragraph shall only apply to a taxpayer who was the first recipient of such assets after their recovery and who is a victim of persecution for racial or religious reasons by Nazi Germany or any other Axis regime or as an heir of the victim. The amount of and the eligibility for any public assistance, benefit, or similar entitlement is not affected by the inclusion of items (i) and (ii) of this paragraph in gross income

for federal income tax purposes. This paragraph is exempt from the provisions of Section 250;

(R) For taxable years 2001 and thereafter, for the taxable year in which the bonus depreciation deduction is taken on the taxpayer's federal income tax return under subsection (k) or (n) of Section 168 of the Internal Revenue Code and for each applicable taxable year thereafter, an amount equal to "x", where:

(1) "y" equals the amount of the depreciation deduction taken for the taxable year on the taxpayer's federal income tax return on property for which the bonus depreciation deduction was taken in any year under subsection (k) or (n) of Section 168 of the Internal Revenue Code, but not including the bonus depreciation deduction;

(2) for taxable years ending on or before December 31, 2005, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429); and

(3) for taxable years ending after December 31, 2005:

(i) for property on which a bonus depreciation deduction of 30% of the adjusted basis was taken, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429);

(ii) for property on which a bonus depreciation deduction of 50% of the adjusted basis was taken, "x" equals "y" multiplied by 1.0;

(iii) for property on which a bonus depreciation deduction of 100% of the adjusted basis was taken in a taxable year ending on or after December 31, 2021, "x" equals the depreciation deduction that would be allowed on that property if the taxpayer had made the election under Section 168(k)(7) or Section 168(n)(6) of the Internal Revenue Code to not claim bonus depreciation on that property; and

(iv) for property on which a bonus depreciation deduction of a percentage other than 30%, 50% or 100% of the adjusted basis was taken in a taxable year ending on or after December 31, 2021, "x" equals "y" multiplied by 100 times the percentage bonus depreciation on the property (that is, 100(bonus%)) and then divided by 100 times 1 minus the percentage bonus depreciation on the property (that is, 100(1-bonus%)).

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus

depreciation deduction taken on that property on the taxpayer's federal income tax return under subsection (k) or (n) of Section 168 of the Internal Revenue Code. This subparagraph (R) is exempt from the provisions of Section 250;

(S) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (G-10), then an amount equal to that addition modification.

If the taxpayer continues to own property through the last day of the last tax year for which a subtraction is allowed with respect to that property under subparagraph (R) and for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (G-10), then an amount equal to that addition modification.

The taxpayer is allowed to take the deduction under this subparagraph only once with respect to any one piece of property.

This subparagraph (S) is exempt from the provisions of Section 250;

(T) The amount of (i) any interest income (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition

modification with respect to such transaction under Section 203(a)(2)(D-17), 203(b)(2)(E-12), 203(c)(2)(G-12), or 203(d)(2)(D-7), but not to exceed the amount of such addition modification and (ii) any income from intangible property (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-18), 203(b)(2)(E-13), 203(c)(2)(G-13), or 203(d)(2)(D-8), but not to exceed the amount of such addition modification. This subparagraph (T) is exempt from the provisions of Section 250;

(U) An amount equal to the interest income taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a foreign person who would be a member of the taxpayer's unitary business group but for the fact the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily

required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section 203(c)(2)(G-12) for interest paid, accrued, or incurred, directly or indirectly, to the same person. This subparagraph (U) is exempt from the provisions of Section 250;

(V) An amount equal to the income from intangible property taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section 203(c)(2)(G-13) for intangible expenses and costs paid, accrued, or incurred, directly or indirectly, to

the same foreign person. This subparagraph (V) is exempt from the provisions of Section 250;

(W) in the case of an estate, an amount equal to all amounts included in such total pursuant to the provisions of Section 111 of the Internal Revenue Code as a recovery of items previously deducted by the decedent from adjusted gross income in the computation of taxable income. This subparagraph (W) is exempt from Section 250;

(X) an amount equal to the refund included in such total of any tax deducted for federal income tax purposes, to the extent that deduction was added back under subparagraph (F). This subparagraph (X) is exempt from the provisions of Section 250;

(Y) For taxable years ending on or after December 31, 2011, in the case of a taxpayer who was required to add back any insurance premiums under Section 203(c)(2)(G-14), such taxpayer may elect to subtract that part of a reimbursement received from the insurance company equal to the amount of the expense or loss (including expenses incurred by the insurance company) that would have been taken into account as a deduction for federal income tax purposes if the expense or loss had been uninsured. If a taxpayer makes the election provided for by this subparagraph (Y), the insurer to which the premiums were paid must

add back to income the amount subtracted by the taxpayer pursuant to this subparagraph (Y). This subparagraph (Y) is exempt from the provisions of Section 250;

(Z) For taxable years beginning after December 31, 2018, the amount of excess business loss of the taxpayer disallowed as a deduction by Section 461(l)(1)(B) of the Internal Revenue Code; and

(AA) For taxable years beginning on or after January 1, 2023, for any cannabis establishment operating in this State and licensed under the Cannabis Regulation and Tax Act or any cannabis cultivation center or medical cannabis dispensing organization operating in this State and licensed under the Compassionate Use of Medical Cannabis Program Act, an amount equal to the deductions that were disallowed under Section 280E of the Internal Revenue Code for the taxable year and that would not be added back under this subsection. The provisions of this subparagraph (AA) are exempt from the provisions of Section 250.

(3) Limitation. The amount of any modification otherwise required under this subsection shall, under regulations prescribed by the Department, be adjusted by any amounts included therein which were properly paid, credited, or required to be distributed, or permanently

set aside for charitable purposes pursuant to Internal Revenue Code Section 642(c) during the taxable year.

(d) Partnerships.

(1) In general. In the case of a partnership, base income means an amount equal to the taxpayer's taxable income for the taxable year as modified by paragraph (2).

(2) Modifications. The taxable income referred to in paragraph (1) shall be modified by adding thereto the sum of the following amounts:

(A) An amount equal to all amounts paid or accrued to the taxpayer as interest or dividends during the taxable year to the extent excluded from gross income in the computation of taxable income;

(B) An amount equal to the amount of tax imposed by this Act to the extent deducted from gross income for the taxable year;

(C) The amount of deductions allowed to the partnership pursuant to Section 707 (c) of the Internal Revenue Code in calculating its taxable income;

(D) An amount equal to the amount of the capital gain deduction allowable under the Internal Revenue Code, to the extent deducted from gross income in the computation of taxable income;

(D-5) For taxable years 2001 through 2025, an

amount equal to the bonus depreciation deduction taken on the taxpayer's federal income tax return for the taxable year under subsection (k) of Section 168 of the Internal Revenue Code; for taxable years 2026 and thereafter, an amount equal to the bonus depreciation deduction taken on the taxpayer's federal income tax return for the taxable year under subsection (k) or (n) of Section 168 of the Internal Revenue Code;

(D-6) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-5), then an amount equal to the aggregate amount of the deductions taken in all taxable years under subparagraph (O) with respect to that property.

If the taxpayer continues to own property through the last day of the last tax year for which a subtraction is allowed with respect to that property under subparagraph (O) and for which the taxpayer was allowed in any taxable year to make a subtraction modification under subparagraph (O), then an amount equal to that subtraction modification.

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

(D-7) An amount equal to the amount otherwise

allowed as a deduction in computing base income for interest paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact the foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred. For taxable years ending on and

after December 31, 2025, for purposes of applying this paragraph in the case of a taxpayer to which Section 163(j) of the Internal Revenue Code applies for the taxable year, the reduction in the amount of interest for which a deduction is allowed by reason of Section 163(j) shall be treated as allocable first to persons who are not foreign persons referred to in this paragraph and then to such foreign persons.

For taxable years ending before December 31, 2025, this paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the

person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

For taxable years ending on or after December 31, 2025, this paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act; and

(D-8) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom

the intangible expenses and costs were directly or indirectly paid, incurred or accrued. The preceding sentence shall not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(d)(2)(D-7) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets;

For taxable years ending on or after December 31, 2025, this paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a person who is subject in a foreign country or state, other than a state which requires mandatory unitary

reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section

304(f);

For taxable years ending on or after December 31, 2025, this paragraph shall not apply to the following:

(i) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(b) the transaction giving rise to the intangible expense or cost between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects arm's-length terms; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an

alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(D-9) For taxable years ending on or after December 31, 2008, an amount equal to the amount of insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a

member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the premiums and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(d)(2)(D-7) or Section 203(d)(2)(D-8) of this Act;

(D-10) An amount equal to the credit allowable to the taxpayer under Section 218(a) of this Act, determined without regard to Section 218(c) of this Act;

(D-11) For taxable years ending on or after December 31, 2017, an amount equal to the deduction allowed under Section 199 of the Internal Revenue Code for the taxable year;

(D-13) For taxable years ending on and after

December 31, 2026, an amount equal to the amount of gain excluded from gross income under Section 1202 of the Internal Revenue Code;

and by deducting from the total so obtained the following amounts:

(E) The valuation limitation amount;

(F) An amount equal to the amount of any tax imposed by this Act which was refunded to the taxpayer and included in such total for the taxable year;

(G) An amount equal to all amounts included in taxable income as modified by subparagraphs (A), (B), (C) and (D) which are exempt from taxation by this State either by reason of its statutes or Constitution or by reason of the Constitution, treaties or statutes of the United States; provided that, in the case of any statute of this State that exempts income derived from bonds or other obligations from the tax imposed under this Act, the amount exempted shall be the interest net of bond premium amortization;

(H) Any income of the partnership which constitutes personal service income as defined in Section 1348(b)(1) of the Internal Revenue Code (as in effect December 31, 1981) or a reasonable allowance for compensation paid or accrued for services rendered by partners to the partnership, whichever is greater; this subparagraph (H) is exempt from the provisions of

Section 250;

(I) An amount equal to all amounts of income distributable to an entity subject to the Personal Property Tax Replacement Income Tax imposed by subsections (c) and (d) of Section 201 of this Act including amounts distributable to organizations exempt from federal income tax by reason of Section 501(a) of the Internal Revenue Code; this subparagraph (I) is exempt from the provisions of Section 250;

(J) With the exception of any amounts subtracted under subparagraph (G), an amount equal to the sum of all amounts disallowed as deductions by (i) Sections 171(a)(2) and 265(a)(2) of the Internal Revenue Code, and all amounts of expenses allocable to interest and disallowed as deductions by Section 265(a)(1) of the Internal Revenue Code; and (ii) for taxable years ending on or after August 13, 1999, Sections 171(a)(2), 265, 280C, and 832(b)(5)(B)(i) of the Internal Revenue Code, plus, (iii) for taxable years ending on or after December 31, 2011, Section 45G(e)(3) of the Internal Revenue Code and, for taxable years ending on or after December 31, 2008, any amount included in gross income under Section 87 of the Internal Revenue Code; the provisions of this subparagraph are exempt from the provisions of Section 250;

(K) An amount equal to those dividends included in such total which were paid by a corporation which conducts business operations in a River Edge Redevelopment Zone or zones created under the River Edge Redevelopment Zone Act and conducts substantially all of its operations from a River Edge Redevelopment Zone or zones. This subparagraph (K) is exempt from the provisions of Section 250;

(L) An amount equal to any contribution made to a job training project established pursuant to the Real Property Tax Increment Allocation Redevelopment Act;

(M) An amount equal to those dividends included in such total that were paid by a corporation that conducts business operations in a federally designated Foreign Trade Zone or Sub-Zone and that is designated a High Impact Business located in Illinois; provided that dividends eligible for the deduction provided in subparagraph (K) of paragraph (2) of this subsection shall not be eligible for the deduction provided under this subparagraph (M);

(N) An amount equal to the amount of the deduction used to compute the federal income tax credit for restoration of substantial amounts held under claim of right for the taxable year pursuant to Section 1341 of the Internal Revenue Code;

(O) For taxable years 2001 and thereafter, for the

taxable year in which the bonus depreciation deduction is taken on the taxpayer's federal income tax return under subsection (k) or (n) of Section 168 of the Internal Revenue Code and for each applicable taxable year thereafter, an amount equal to "x", where:

(1) "y" equals the amount of the depreciation deduction taken for the taxable year on the taxpayer's federal income tax return on property for which the bonus depreciation deduction was taken in any year under subsection (k) or (n) of Section 168 of the Internal Revenue Code, but not including the bonus depreciation deduction;

(2) for taxable years ending on or before December 31, 2005, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429); and

(3) for taxable years ending after December 31, 2005:

(i) for property on which a bonus depreciation deduction of 30% of the adjusted basis was taken, "x" equals "y" multiplied by 30 and then divided by 70 (or "y" multiplied by 0.429);

(ii) for property on which a bonus depreciation deduction of 50% of the adjusted basis was taken, "x" equals "y" multiplied by

1.0;

(iii) for property on which a bonus depreciation deduction of 100% of the adjusted basis was taken in a taxable year ending on or after December 31, 2021, "x" equals the depreciation deduction that would be allowed on that property if the taxpayer had made the election under Section 168(k)(7) or Section 168(n)(6) of the Internal Revenue Code to not claim bonus depreciation on that property; and

(iv) for property on which a bonus depreciation deduction of a percentage other than 30%, 50% or 100% of the adjusted basis was taken in a taxable year ending on or after December 31, 2021, "x" equals "y" multiplied by 100 times the percentage bonus depreciation on the property (that is, 100(bonus%)) and then divided by 100 times 1 minus the percentage bonus depreciation on the property (that is, 100(1-bonus%)).

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction taken on that property on the taxpayer's federal income tax return under subsection (k) or (n) of Section 168 of the Internal Revenue Code.

This subparagraph (O) is exempt from the provisions of Section 250;

(P) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-5), then an amount equal to that addition modification.

If the taxpayer continues to own property through the last day of the last tax year for which a subtraction is allowed with respect to that property under subparagraph (O) and for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-5), then an amount equal to that addition modification.

The taxpayer is allowed to take the deduction under this subparagraph only once with respect to any one piece of property.

This subparagraph (P) is exempt from the provisions of Section 250;

(Q) The amount of (i) any interest income (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-17), 203(b)(2)(E-12), 203(c)(2)(G-12), or 203(d)(2)(D-7), but not to exceed

the amount of such addition modification and (ii) any income from intangible property (net of the deductions allocable thereto) taken into account for the taxable year with respect to a transaction with a taxpayer that is required to make an addition modification with respect to such transaction under Section 203(a)(2)(D-18), 203(b)(2)(E-13), 203(c)(2)(G-13), or 203(d)(2)(D-8), but not to exceed the amount of such addition modification. This subparagraph (Q) is exempt from Section 250;

(R) An amount equal to the interest income taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be

made for the same taxable year under Section 203(d)(2)(D-7) for interest paid, accrued, or incurred, directly or indirectly, to the same person. This subparagraph (R) is exempt from Section 250;

(S) An amount equal to the income from intangible property taken into account for the taxable year (net of the deductions allocable thereto) with respect to transactions with (i) a foreign person who would be a member of the taxpayer's unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304, but not to exceed the addition modification required to be made for the same taxable year under Section 203(d)(2)(D-8) for intangible expenses and costs paid, accrued, or incurred, directly or indirectly, to the same person. This subparagraph (S) is exempt from Section 250;

(T) For taxable years ending on or after December

31, 2011, in the case of a taxpayer who was required to add back any insurance premiums under Section 203(d)(2)(D-9), such taxpayer may elect to subtract that part of a reimbursement received from the insurance company equal to the amount of the expense or loss (including expenses incurred by the insurance company) that would have been taken into account as a deduction for federal income tax purposes if the expense or loss had been uninsured. If a taxpayer makes the election provided for by this subparagraph (T), the insurer to which the premiums were paid must add back to income the amount subtracted by the taxpayer pursuant to this subparagraph (T). This subparagraph (T) is exempt from the provisions of Section 250; and

(U) For taxable years beginning on or after January 1, 2023, for any cannabis establishment operating in this State and licensed under the Cannabis Regulation and Tax Act or any cannabis cultivation center or medical cannabis dispensing organization operating in this State and licensed under the Compassionate Use of Medical Cannabis Program Act, an amount equal to the deductions that were disallowed under Section 280E of the Internal Revenue Code for the taxable year and that would not be added back under this subsection. The provisions of

this subparagraph (U) are exempt from the provisions of Section 250.

(e) Gross income; adjusted gross income; taxable income.

(1) In general. Subject to the provisions of paragraph (2) and subsection (b)(3), for purposes of this Section and Section 803(e), a taxpayer's gross income, adjusted gross income, or taxable income for the taxable year shall mean the amount of gross income, adjusted gross income or taxable income properly reportable for federal income tax purposes for the taxable year under the provisions of the Internal Revenue Code. Taxable income may be less than zero. However, for taxable years ending on or after December 31, 1986, net operating loss carryforwards from taxable years ending prior to December 31, 1986, may not exceed the sum of federal taxable income for the taxable year before net operating loss deduction, plus the excess of addition modifications over subtraction modifications for the taxable year. For taxable years ending prior to December 31, 1986, taxable income may never be an amount in excess of the net operating loss for the taxable year as defined in subsections (c) and (d) of Section 172 of the Internal Revenue Code, provided that when taxable income of a corporation (other than a Subchapter S corporation), trust, or estate is less than zero and addition modifications, other than those provided by subparagraph

(E) of paragraph (2) of subsection (b) for corporations or subparagraph (E) of paragraph (2) of subsection (c) for trusts and estates, exceed subtraction modifications, an addition modification must be made under those subparagraphs for any other taxable year to which the taxable income less than zero (net operating loss) is applied under Section 172 of the Internal Revenue Code or under subparagraph (E) of paragraph (2) of this subsection (e) applied in conjunction with Section 172 of the Internal Revenue Code.

(2) Special rule. For purposes of paragraph (1) of this subsection, the taxable income properly reportable for federal income tax purposes shall mean:

(A) Certain life insurance companies. In the case of a life insurance company subject to the tax imposed by Section 801 of the Internal Revenue Code, life insurance company taxable income, plus the amount of distribution from pre-1984 policyholder surplus accounts as calculated under Section 815a of the Internal Revenue Code;

(B) Certain other insurance companies. In the case of mutual insurance companies subject to the tax imposed by Section 831 of the Internal Revenue Code, insurance company taxable income;

(C) Regulated investment companies. In the case of a regulated investment company subject to the tax

imposed by Section 852 of the Internal Revenue Code, investment company taxable income;

(D) Real estate investment trusts. In the case of a real estate investment trust subject to the tax imposed by Section 857 of the Internal Revenue Code, real estate investment trust taxable income;

(E) Consolidated corporations. In the case of a corporation which is a member of an affiliated group of corporations filing a consolidated income tax return for the taxable year for federal income tax purposes, taxable income determined as if such corporation had filed a separate return for federal income tax purposes for the taxable year and each preceding taxable year for which it was a member of an affiliated group. For purposes of this subparagraph, the taxpayer's separate taxable income shall be determined as if the election provided by Section 243(b)(2) of the Internal Revenue Code had been in effect for all such years;

(F) Cooperatives. In the case of a cooperative corporation or association, the taxable income of such organization determined in accordance with the provisions of Section 1381 through 1388 of the Internal Revenue Code, but without regard to the prohibition against offsetting losses from patronage activities against income from nonpatronage

activities; except that a cooperative corporation or association may make an election to follow its federal income tax treatment of patronage losses and nonpatronage losses. In the event such election is made, such losses shall be computed and carried over in a manner consistent with subsection (a) of Section 207 of this Act and apportioned by the apportionment factor reported by the cooperative on its Illinois income tax return filed for the taxable year in which the losses are incurred. The election shall be effective for all taxable years with original returns due on or after the date of the election. In addition, the cooperative may file an amended return or returns, as allowed under this Act, to provide that the election shall be effective for losses incurred or carried forward for taxable years occurring prior to the date of the election. Once made, the election may only be revoked upon approval of the Director. The Department shall adopt rules setting forth requirements for documenting the elections and any resulting Illinois net loss and the standards to be used by the Director in evaluating requests to revoke elections. Public Act 96-932 is declaratory of existing law;

(G) Subchapter S corporations. In the case of: (i) a Subchapter S corporation for which there is in

effect an election for the taxable year under Section 1362 of the Internal Revenue Code, the taxable income of such corporation determined in accordance with Section 1363(b) of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 1363(b)(1) of the Internal Revenue Code to be separately stated; and (ii) a Subchapter S corporation for which there is in effect a federal election to opt out of the provisions of the Subchapter S Revision Act of 1982 and have applied instead the prior federal Subchapter S rules as in effect on July 1, 1982, the taxable income of such corporation determined in accordance with the federal Subchapter S rules as in effect on July 1, 1982; and

(H) Partnerships. In the case of a partnership, taxable income determined in accordance with Section 703 of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 703(a)(1) to be separately stated but which would be taken into account by an individual in calculating his taxable income.

(3) Recapture of business expenses on disposition of asset or business. Notwithstanding any other law to the contrary, if in prior years income from an asset or business has been classified as business income and in a

later year is demonstrated to be non-business income, then all expenses, without limitation, deducted in such later year and in the 2 immediately preceding taxable years related to that asset or business that generated the non-business income shall be added back and recaptured as business income in the year of the disposition of the asset or business. Such amount shall be apportioned to Illinois using the greater of the apportionment fraction computed for the business under Section 304 of this Act for the taxable year or the average of the apportionment fractions computed for the business under Section 304 of this Act for the taxable year and for the 2 immediately preceding taxable years.

(f) Valuation limitation amount.

(1) In general. The valuation limitation amount referred to in subsections (a)(2)(G), (c)(2)(I) and (d)(2)(E) is an amount equal to:

(A) The sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of gain reportable under the provisions of Section 1245 or 1250 of the Internal Revenue Code) for all property in respect of which such gain was reported for the taxable year; plus

(B) The lesser of (i) the sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of

capital gain) for all property in respect of which such gain was reported for federal income tax purposes for the taxable year, or (ii) the net capital gain for the taxable year, reduced in either case by any amount of such gain included in the amount determined under subsection (a)(2)(F) or (c)(2)(H).

(2) Pre-August 1, 1969 appreciation amount.

(A) If the fair market value of property referred to in paragraph (1) was readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is the lesser of (i) the excess of such fair market value over the taxpayer's basis (for determining gain) for such property on that date (determined under the Internal Revenue Code as in effect on that date), or (ii) the total gain realized and reportable for federal income tax purposes in respect of the sale, exchange or other disposition of such property.

(B) If the fair market value of property referred to in paragraph (1) was not readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is that amount which bears the same ratio to the total gain reported in respect of the property for federal income tax purposes for the taxable year, as the number of full calendar months in that part of the taxpayer's holding period for the

property ending July 31, 1969 bears to the number of full calendar months in the taxpayer's entire holding period for the property.

(C) The Department shall prescribe such regulations as may be necessary to carry out the purposes of this paragraph.

(g) Double deductions. Unless specifically provided otherwise, nothing in this Section shall permit the same item to be deducted more than once.

(h) Legislative intention. Except as expressly provided by this Section there shall be no modifications or limitations on the amounts of income, gain, loss or deduction taken into account in determining gross income, adjusted gross income or taxable income for federal income tax purposes for the taxable year, or in the amount of such items entering into the computation of base income and net income under this Act for such taxable year, whether in respect of property values as of August 1, 1969 or otherwise.

ARTICLE 125

Section 125-5. The Use Tax Act is amended by changing Sections 3-10 and 9 as follows:

(35 ILCS 105/3-10) from Ch. 120, par. 439.33-10

Sec. 3-10. Rate of tax. Unless otherwise provided in this Section, the tax imposed by this Act is at the rate of 6.25% of either the selling price or the fair market value, if any, of the tangible personal property, which, on and after January 1, 2025, includes leases of tangible personal property. In all cases where property functionally used or consumed is the same as the property that was purchased at retail, then the tax is imposed on the selling price of the property. In all cases where property functionally used or consumed is a by-product or waste product that has been refined, manufactured, or produced from property purchased at retail, then the tax is imposed on the lower of the fair market value, if any, of the specific property so used in this State or on the selling price of the property purchased at retail. For purposes of this Section "fair market value" means the price at which property would change hands between a willing buyer and a willing seller, neither being under any compulsion to buy or sell and both having reasonable knowledge of the relevant facts. The fair market value shall be established by Illinois sales by the taxpayer of the same property as that functionally used or

consumed, or if there are no such sales by the taxpayer, then comparable sales or purchases of property of like kind and character in Illinois.

Beginning on July 1, 2000 and through December 31, 2000, with respect to motor fuel, as defined in Section 1.1 of the Motor Fuel Tax Law, and gasohol, as defined in Section 3-40 of the Use Tax Act, the tax is imposed at the rate of 1.25%.

Beginning on August 6, 2010 through August 15, 2010, and beginning again on August 5, 2022 through August 14, 2022, and beginning again on August 7, 2026 through August 16, 2026, with respect to sales tax holiday items as defined in Section 3-6 of this Act, the tax is imposed at the rate of 1.25%.

With respect to gasohol, the tax imposed by this Act applies to (i) 70% of the proceeds of sales made on or after January 1, 1990, and before July 1, 2003, (ii) 80% of the proceeds of sales made on or after July 1, 2003 and on or before July 1, 2017, (iii) 100% of the proceeds of sales made after July 1, 2017 and prior to January 1, 2024, (iv) 90% of the proceeds of sales made on or after January 1, 2024 and on or before December 31, 2028, and (v) 100% of the proceeds of sales made after December 31, 2028. If, at any time, however, the tax under this Act on sales of gasohol is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of gasohol made during that time.

With respect to mid-range ethanol blends, the tax imposed by this Act applies to (i) 80% of the proceeds of sales made on

or after January 1, 2024 and on or before December 31, 2028 and (ii) 100% of the proceeds of sales made thereafter. If, at any time, however, the tax under this Act on sales of mid-range ethanol blends is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of mid-range ethanol blends made during that time.

With respect to majority blended ethanol fuel, the tax imposed by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2028 but applies to 100% of the proceeds of sales made thereafter.

With respect to biodiesel blends with no less than 1% and no more than 10% biodiesel, the tax imposed by this Act applies to (i) 80% of the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2018 and (ii) 100% of the proceeds of sales made after December 31, 2018 and before January 1, 2024. On and after January 1, 2024 and on or before December 31, 2030, the taxation of biodiesel, renewable diesel, and biodiesel blends shall be as provided in Section 3-5.1. If, at any time, however, the tax under this Act on sales of biodiesel blends with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1% and no more than 10% biodiesel made during that time.

With respect to biodiesel and biodiesel blends with more

than 10% but no more than 99% biodiesel, the tax imposed by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2023. On and after January 1, 2024 and on or before December 31, 2030, the taxation of biodiesel, renewable diesel, and biodiesel blends shall be as provided in Section 3-5.1.

Until July 1, 2022 and from July 1, 2023 through December 31, 2025, with respect to food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption), the tax is imposed at the rate of 1%. Beginning on July 1, 2022 and until July 1, 2023, with respect to food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption), the tax is imposed at the rate of 0%. On and after January 1, 2026, food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption) is exempt from the tax imposed by this Act.

With respect to prescription and nonprescription medicines, drugs, medical appliances, products classified as

Class III medical devices by the United States Food and Drug Administration that are used for cancer treatment pursuant to a prescription, as well as any accessories and components related to those devices, modifications to a motor vehicle for the purpose of rendering it usable by a person with a disability, and insulin, blood sugar testing materials, syringes, and needles used by human diabetics, the tax is imposed at the rate of 1%. For the purposes of this Section, until September 1, 2009: the term "soft drinks" means any complete, finished, ready-to-use, non-alcoholic drink, whether carbonated or not, including, but not limited to, soda water, cola, fruit juice, vegetable juice, carbonated water, and all other preparations commonly known as soft drinks of whatever kind or description that are contained in any closed or sealed bottle, can, carton, or container, regardless of size; but "soft drinks" does not include coffee, tea, non-carbonated water, infant formula, milk or milk products as defined in the Grade A Pasteurized Milk and Milk Products Act, or drinks containing 50% or more natural fruit or vegetable juice.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "soft drinks" means non-alcoholic beverages that contain natural or artificial sweeteners. "Soft drinks" does not include beverages that contain milk or milk products, soy, rice or similar milk substitutes, or greater than 50% of vegetable or fruit juice by volume.

Until August 1, 2009, and notwithstanding any other

provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine. Beginning August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks, candy, and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "food for human consumption that is to be consumed off the premises where it is sold" does not include candy. For purposes of this Section, "candy" means a preparation of sugar, honey, or other natural or artificial sweeteners in combination with chocolate, fruits, nuts or other ingredients or flavorings in the form of bars, drops, or pieces. "Candy" does not include any preparation that contains flour or requires refrigeration.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "nonprescription medicines and drugs" does not include grooming and hygiene products. For purposes of this Section, "grooming and hygiene products" includes, but is not limited to, soaps and cleaning solutions, shampoo, toothpaste, mouthwash, antiperspirants, and sun tan

lotions and screens, unless those products are available by prescription only, regardless of whether the products meet the definition of "over-the-counter-drugs". For the purposes of this paragraph, "over-the-counter-drug" means a drug for human use that contains a label that identifies the product as a drug as required by 21 CFR 201.66. The "over-the-counter-drug" label includes:

(A) a "Drug Facts" panel; or

(B) a statement of the "active ingredient(s)" with a list of those ingredients contained in the compound, substance or preparation.

Beginning on January 1, 2014 (the effective date of Public Act 98-122), "prescription and nonprescription medicines and drugs" includes medical cannabis purchased from a registered dispensing organization under the Compassionate Use of Medical Cannabis Program Act.

As used in this Section, "adult use cannabis" means cannabis subject to tax under the Cannabis Cultivation Privilege Tax Law and the Cannabis Purchaser Excise Tax Law and does not include cannabis subject to tax under the Compassionate Use of Medical Cannabis Program Act.

If the property that is purchased at retail from a retailer is acquired outside Illinois and used outside Illinois before being brought to Illinois for use here and is taxable under this Act, the "selling price" on which the tax is computed shall be reduced by an amount that represents a

reasonable allowance for depreciation for the period of prior out-of-state use. No depreciation is allowed in cases where the tax under this Act is imposed on lease receipts.

(35 ILCS 105/9)

(Text of Section before amendment by P.A. 104-457)

Sec. 9. Except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, each retailer required or authorized to collect the tax imposed by this Act shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. Beginning with returns due on or after January 1, 2025, the discount allowed in this Section, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, including any local tax administered by the Department and reported on the same return, shall not exceed

$1,000 per month in the aggregate for returns other than transaction returns filed during the month. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 6.25% rate but for the 1.25% rate imposed on sales tax holiday items under Public Act 102-700 and under this amendatory Act of the 104th General Assembly. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 1% rate but for the 0% rate imposed under Public Act 102-700. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return, but, beginning with returns due on or after January 1, 2025, the discount allowed under this Section and the Retailers' Occupation Tax Act, including any local tax administered by the Department and reported on the same transaction return, shall not exceed $1,000 per month for all transaction returns filed during the month. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return

is filed, but only if the Department's decision to revoke the certificate of registration has become final. A retailer need not remit that part of any tax collected by him to the extent that he is required to remit and does remit the tax imposed by the Retailers' Occupation Tax Act, with respect to the sale of the same property.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the retailer, in collecting the tax (except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State), may collect for each tax return period only the tax applicable to that part of the selling price actually received during such tax return period.

In the case of leases, except as otherwise provided in this Act, the lessor, in collecting the tax, may collect for each tax return period only the tax applicable to that part of the selling price actually received during such tax return period.

Except as provided in this Section, on or before the twentieth day of each calendar month, such retailer shall file a return for the preceding calendar month. Such return shall be filed on forms prescribed by the Department and shall furnish such information as the Department may reasonably

require. The return shall include the gross receipts on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) which were received during the preceding calendar month, quarter, or year, as appropriate, and upon which tax would have been due but for the 0% rate imposed under Public Act 102-700. The return shall also include the amount of tax that would have been due on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) but for the 0% rate imposed under Public Act 102-700.

On and after January 1, 2018, except for returns required to be filed prior to January 1, 2023 for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. On and after January 1, 2023, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act, including, but not limited to, returns for motor vehicles, watercraft, aircraft, and trailers that are required

to be registered with an agency of this State, shall be filed electronically. Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first 2 ~~two~~ months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;

2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;

3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;

4. The amount of credit provided in Section 2d of this Act;

5. The amount of tax due;

5-5. The signature of the taxpayer; and

6. Such other reasonable information as the Department may require.

Each retailer required or authorized to collect the tax imposed by this Act on aviation fuel sold at retail in this State during the preceding calendar month shall, instead of reporting and paying tax on aviation fuel as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, retailers collecting tax on aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Notwithstanding any other provision of this Act to the contrary, retailers subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all

payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required

to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Service Use Tax Act was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act was $20,000 or more during the preceding 4 complete calendar

quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985, and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987, and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal

to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for change in such taxpayer's reporting status. On

and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to 1.25% in Public Act 102-700 and in this amendatory Act of the 104th General Assembly on sales tax holiday items had not occurred. For quarter monthly payments due on or after July 1, 2023 and through June 30, 2024, and on or after July 1, 2027 through June 30, 2028 "25% of the taxpayer's liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 1.25% in Public Act 102-700 and in

this amendatory Act of 104th General Assembly on sales tax holiday items had not occurred. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to 0% in Public Act 102-700 on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) had not occurred. For quarter monthly payments due under this paragraph on or after July 1, 2023 and through June 30, 2024, "25% of the taxpayer's liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 0% in Public Act 102-700 had not occurred. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

If any such payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Retailers'

Occupation Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown by an original monthly return, the Department shall issue to the taxpayer a credit memorandum no later than 30 days after the date of payment, which memorandum may be submitted by the taxpayer to the Department in payment of tax liability subsequently to be remitted by the taxpayer to the Department or be assigned by the taxpayer to a similar taxpayer under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department, except that if such excess payment is shown on an original monthly return and is made after December 31, 1986, no credit memorandum shall be issued, unless requested by the taxpayer. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted by the taxpayer to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's vendor's discount shall be reduced, if necessary, to reflect the difference between the credit taken and that actually due, and the taxpayer shall be liable for penalties and interest on such difference.

If the retailer is otherwise required to file a monthly

return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, except as otherwise provided in this Section, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 3-55 of this Act, then that seller may report the transfer of all the aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every person who is engaged in the

business of leasing or renting such items and who, in connection with such business, sells any such item to a retailer for the purpose of resale is, notwithstanding any other provision of this Section to the contrary, authorized to meet the return-filing requirement of this Act by reporting the transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the Department on the same uniform invoice-transaction reporting return form on or before the 20th of the month following the month in which the transfer takes place. Notwithstanding any other provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

The transaction reporting return in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to

such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft and aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later

than 20 days after the date of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the tax that is imposed by this Act may be transmitted to the Department by way of the State agency with which, or State officer with whom, the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the

retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer, and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the vendor's discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

On and after January 1, 2025, with respect to the lease of trailers, other than semitrailers as defined in Section 1-187

of the Illinois Vehicle Code, that are required to be registered with an agency of this State and that are subject to the tax on lease receipts under this Act, notwithstanding any other provision of this Act to the contrary, for the purpose of reporting and paying tax under this Act on those lease receipts, lessors shall file returns in addition to and separate from the transaction reporting return. Lessors shall file those lease returns and make payment to the Department by electronic means on or before the 20th day of each month following the month, quarter, or year, as applicable, in which lease receipts were received. All lease receipts received by the lessor from the lease of those trailers during the same reporting period shall be reported and tax shall be paid on a single return form to be prescribed by the Department.

Where a retailer collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the retailer refunds the selling price thereof to the purchaser, such retailer shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the retailer may deduct the amount of the tax so refunded by him to the purchaser from any other use tax which such retailer may be required to pay or remit to the Department, as shown by such return, if the amount of the tax to be deducted was previously remitted to the Department by

such retailer. If the retailer has not previously remitted the amount of such tax to the Department, he is entitled to no deduction under this Act upon refunding such tax to the purchaser.

Any retailer filing a return under this Section shall also include (for the purpose of paying tax thereon) the total tax covered by such return upon the selling price of tangible personal property purchased by him at retail from a retailer, but as to which the tax imposed by this Act was not collected from the retailer filing such return, and such retailer shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable retailers, who are required to file returns hereunder and also under the Retailers' Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the retailer has more than one business registered with the Department under separate registration under this Act, such retailer may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State treasury which is hereby created, the net

revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund 4% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State treasury, 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property, other than (i) tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government and (ii) aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation

fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuels Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. If, in any month, the tax on sales tax holiday items, as defined in Section 3-6, is imposed at the rate of 1.25%, then the Department shall pay 100% of the net revenue realized for that month from the 1.25% rate on the selling price of sales tax holiday items into the State and Local Sales Tax Reform Fund.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of

candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act Permit Fund under this Act and the Retailers' Occupation Tax Act shall not exceed $2,000,000 in any fiscal year.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund,

excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, each month the Department shall deposit $500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last

business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on

the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited into ~~in~~ the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not

in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

Sales Tax Refund Fund an amount estimated by the Department to be required for refunds of the 80% portion of the tax on aviation fuel under this Act. The Department shall only deposit moneys into the Aviation Fuel Sales Tax Refund Fund under this paragraph for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Section, the Department shall pay each month into the Road Fund the amount estimated to represent 48% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2024 and until July 1, 2026, subject to the payment of amounts into the State and Local Sales Tax Reform Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 64% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act. Beginning July 1, 2025, of the remainder of the moneys received by the Department pursuant to this Act, 75% shall be deposited into the General Revenue Fund and 25% shall be deposited into the Common School Fund.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Sec. 9. Except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, each retailer required or authorized to collect the tax imposed by this Act shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. Beginning with returns due on or after January 1, 2025, the discount allowed in this Section, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, including any local tax administered by the Department and reported on the same return, shall not exceed $1,000 per month in the aggregate for returns other than transaction returns filed during the month. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 6.25%

rate but for the 1.25% rate imposed on sales tax holiday items under Public Act 102-700 and under this amendatory Act of the 104th General Assembly. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 1% rate but for the 0% rate imposed under Public Act 102-700. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return, but, beginning with returns due on or after January 1, 2025, the discount allowed under this Section and the Retailers' Occupation Tax Act, including any local tax administered by the Department and reported on the same transaction return, shall not exceed $1,000 per month for all transaction returns filed during the month. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final. A retailer need not remit that part of any tax collected by him to the extent that he is required to remit and does remit the tax imposed by

the Retailers' Occupation Tax Act, with respect to the sale of the same property.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the retailer, in collecting the tax (except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State), may collect for each tax return period only the tax applicable to that part of the selling price actually received during such tax return period.

In the case of leases, except as otherwise provided in this Act, the lessor, in collecting the tax, may collect for each tax return period only the tax applicable to that part of the selling price actually received during such tax return period.

Except as provided in this Section, on or before the twentieth day of each calendar month, such retailer shall file a return for the preceding calendar month. Such return shall be filed on forms prescribed by the Department and shall furnish such information as the Department may reasonably require. The return shall include the gross receipts on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks,

and food that has been prepared for immediate consumption) which were received during the preceding calendar month, quarter, or year, as appropriate, and upon which tax would have been due but for the 0% rate imposed under Public Act 102-700. The return shall also include the amount of tax that would have been due on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) but for the 0% rate imposed under Public Act 102-700.

On and after January 1, 2018, except for returns required to be filed prior to January 1, 2023 for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. On and after January 1, 2023, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act, including, but not limited to, returns for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, shall be filed electronically. Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the

electronic filing requirement.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first 2 months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;

2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;

3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;

4. The amount of credit provided in Section 2d of this Act;

5. The amount of tax due;

5-5. The signature of the taxpayer; and

6. Such other reasonable information as the Department may require.

Each retailer required or authorized to collect the tax imposed by this Act on aviation fuel sold at retail in this State during the preceding calendar month shall, instead of

reporting and paying tax on aviation fuel as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, retailers collecting tax on aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Notwithstanding any other provision of this Act to the contrary, retailers subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a

taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Service Use Tax Act was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred.

If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985, and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987, and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount

equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the

month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to 1.25% in Public Act 102-700 and in this amendatory Act of the 104th General Assembly on sales tax holiday items had not occurred. For quarter monthly payments due on or after July 1, 2023 and through June 30, 2024, and on or after July 1, 2027 through June 30, 2028, "25% of the taxpayer's liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 1.25% in Public Act 102-700 and in this amendatory Act of 104th General Assembly on sales tax holiday items had not occurred. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to 0% in Public Act 102-700 on food for human consumption that is to be consumed off the premises

where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) had not occurred. For quarter monthly payments due under this paragraph on or after July 1, 2023 and through June 30, 2024, "25% of the taxpayer's liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 0% in Public Act 102-700 had not occurred. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

If any such payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown by an original monthly return, the Department shall issue to the taxpayer a credit memorandum no later than 30 days after the date of payment, which memorandum may be submitted by the taxpayer to the Department

in payment of tax liability subsequently to be remitted by the taxpayer to the Department or be assigned by the taxpayer to a similar taxpayer under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department, except that if such excess payment is shown on an original monthly return and is made after December 31, 1986, no credit memorandum shall be issued, unless requested by the taxpayer. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted by the taxpayer to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's vendor's discount shall be reduced, if necessary, to reflect the difference between the credit taken and that actually due, and the taxpayer shall be liable for penalties and interest on such difference.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for

April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, except as otherwise provided in this Section, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be

prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 3-55 of this Act, then that seller may report the transfer of all the aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every person who is engaged in the business of leasing or renting such items and who, in connection with such business, sells any such item to a retailer for the purpose of resale is, notwithstanding any other provision of this Section to the contrary, authorized to meet the return-filing requirement of this Act by reporting

the transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the Department on the same uniform invoice-transaction reporting return form on or before the 20th of the month following the month in which the transfer takes place. Notwithstanding any other provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

The transaction reporting return in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such

other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft and aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the date of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the tax that is imposed by this Act may be transmitted to the

Department by way of the State agency with which, or State officer with whom, the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the

mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer, and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the vendor's discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

On and after January 1, 2025, with respect to the lease of trailers, other than semitrailers as defined in Section 1-187 of the Illinois Vehicle Code, that are required to be registered with an agency of this State and that are subject to the tax on lease receipts under this Act, notwithstanding any other provision of this Act to the contrary, for the purpose of reporting and paying tax under this Act on those lease

receipts, lessors shall file returns in addition to and separate from the transaction reporting return. Lessors shall file those lease returns and make payment to the Department by electronic means on or before the 20th day of each month following the month, quarter, or year, as applicable, in which lease receipts were received. All lease receipts received by the lessor from the lease of those trailers during the same reporting period shall be reported and tax shall be paid on a single return form to be prescribed by the Department.

Where a retailer collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the retailer refunds the selling price thereof to the purchaser, such retailer shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the retailer may deduct the amount of the tax so refunded by him to the purchaser from any other use tax which such retailer may be required to pay or remit to the Department, as shown by such return, if the amount of the tax to be deducted was previously remitted to the Department by such retailer. If the retailer has not previously remitted the amount of such tax to the Department, he is entitled to no deduction under this Act upon refunding such tax to the purchaser.

Any retailer filing a return under this Section shall also

include (for the purpose of paying tax thereon) the total tax covered by such return upon the selling price of tangible personal property purchased by him at retail from a retailer, but as to which the tax imposed by this Act was not collected from the retailer filing such return, and such retailer shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable retailers, who are required to file returns hereunder and also under the Retailers' Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the retailer has more than one business registered with the Department under separate registration under this Act, such retailer may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund 4% of the net revenue realized for the preceding month from the 6.25%

general rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State treasury, 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property, other than (i) tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government and (ii) aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuels Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49

U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. If, in any month, the tax on sales tax holiday items, as defined in Section 3-6, is imposed at the rate of 1.25%, then the Department shall pay 100% of the net revenue realized for that month from the 1.25% rate on the selling price of sales tax holiday items into the State and Local Sales Tax Reform Fund.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act Permit Fund 80% of the net revenue

realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act Permit Fund under this Act and the Retailers' Occupation Tax Act shall not exceed $2,000,000 in any fiscal year.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, each month the Department shall deposit

$500,000 into the State Crime Laboratory Fund.

than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Beginning July 1, 2024 and until July 1, 2026, subject to the payment of amounts into the State and Local Sales Tax Reform

Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 64% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning on July 1, 2026, subject to the payment of amounts into the State and Local Sales Tax Reform Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Public Transportation Fund and the Downstate Public Transportation Fund the amount estimated to represent 80% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Moneys shall be apportioned as follows: 85% into the Public Transportation Fund and 15% into the Downstate Public Transportation Fund. As used in this paragraph, "motor fuel" has the meaning given to that term in Section 1.1 of the Motor Fuel Tax Law, and "gasohol" has the meaning given to that term in Section 3-40 of this Act.

Until July 1, 2025, of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the

General Revenue Fund in accordance with Section 8a of the State Finance Act. Beginning July 1, 2025, of the remainder of the moneys received by the Department pursuant to this Act, 75% shall be deposited into the General Revenue Fund and 25% shall be deposited into the Common School Fund.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Section 125-10. The Retailers' Occupation Tax Act is amended by changing Sections 2-8, 2-10, and 3 as follows:

(35 ILCS 120/2-8)

Sec. 2-8. Sales tax holiday items.

(a) Any tangible personal property described in this subsection is a sales tax holiday item and qualifies for the 1.25% reduced rate of tax for the period set forth in Section 2-10 of this Act (hereinafter referred to as the Sales Tax Holiday Period). The reduced rate on these items shall be administered under the provisions of subsection (b) of this Section. The following items are subject to the reduced rate:

(1) Clothing items that each have a retail selling price of less than $125.

"Clothing" means, unless otherwise specified in this Section, all human wearing apparel suitable for general use. "Clothing" does not include clothing accessories, protective equipment, or sport or recreational equipment. "Clothing" includes, but is not limited to: household and shop aprons; athletic supporters; bathing suits and caps; belts and suspenders; boots; coats and jackets; ear muffs; footlets; gloves and mittens for general use; hats and

caps; hosiery; insoles for shoes; lab coats; neckties; overshoes; pantyhose; rainwear; rubber pants; sandals; scarves; shoes and shoelaces; slippers; sneakers; socks and stockings; steel-toed shoes; underwear; and school uniforms.

"Clothing accessories" means, but is not limited to: briefcases; cosmetics; hair notions, including, but not limited to barrettes, hair bows, and hair nets; handbags; handkerchiefs; jewelry; non-prescription sunglasses; umbrellas; wallets; watches; and wigs and hair pieces.

"Protective equipment" means, but is not limited to: breathing masks; clean room apparel and equipment; ear and hearing protectors; face shields; hard hats; helmets; paint or dust respirators; protective gloves; safety glasses and goggles; safety belts; tool belts; and welder's gloves and masks.

"Sport or recreational equipment" means, but is not limited to: ballet and tap shoes; cleated or spiked athletic shoes; gloves, including, but not limited to, baseball, bowling, boxing, hockey, and golf gloves; goggles; hand and elbow guards; life preservers and vests; mouth guards; roller and ice skates; shin guards; shoulder pads; ski boots; waders; and wetsuits and fins.

(2) School supplies. "School supplies" means, unless otherwise specified in this Section, items used by a student in a course of study. The purchase of school

supplies for use by persons other than students for use in a course of study are not eligible for the reduced rate of tax. "School supplies" do not include school art supplies; school instructional materials; cameras; film and memory cards; videocameras, tapes, and videotapes; computers; cell phones; Personal Digital Assistants (PDAs); handheld electronic schedulers; and school computer supplies.

"School supplies" includes, but is not limited to: binders; book bags; calculators; cellophane tape; blackboard chalk; compasses; composition books; crayons; erasers; expandable, pocket, plastic, and manila folders; glue, paste, and paste sticks; highlighters; index cards; index card boxes; legal pads; lunch boxes; markers; notebooks; paper, including loose leaf ruled notebook paper, copy paper, graph paper, tracing paper, manila paper, colored paper, poster board, and construction paper; pencils; pencil leads; pens; ink and ink refills for pens; pencil boxes and other school supply boxes; pencil sharpeners; protractors; rulers; scissors; and writing tablets.

"School art supply" means an item commonly used by a student in a course of study for artwork and includes only the following items: clay and glazes; acrylic, tempera, and oil paint; paintbrushes for artwork; sketch and drawing pads; and watercolors.

"School instructional material" means written material

commonly used by a student in a course of study as a reference and to learn the subject being taught and includes only the following items: reference books; reference maps and globes; textbooks; and workbooks.

"School computer supply" means an item commonly used by a student in a course of study in which a computer is used and applies only to the following items: flashdrives and other computer data storage devices; data storage media, such as diskettes and compact disks; boxes and cases for disk storage; external ports or drives; computer cases; computer cables; computer printers; and printer cartridges, toner, and ink.

(b) Administration. Notwithstanding any other provision of this Act, the reduced rate of tax under Section 2-10 ~~3-10~~ of this Act for clothing and school supplies shall be administered by the Department under the provisions of this subsection (b).

(1) Bundled sales. Items that qualify for the reduced rate of tax that are bundled together with items that do not qualify for the reduced rate of tax and that are sold for one itemized price will be subject to the reduced rate of tax only if the value of the items that qualify for the reduced rate of tax exceeds the value of the items that do not qualify for the reduced rate of tax.

(2) Coupons and discounts. An unreimbursed discount by the seller reduces the sales price of the property so that

the discounted sales price determines whether the sales price is within a sales tax holiday price threshold. A coupon or other reduction in the sales price is treated as a discount if the seller is not reimbursed for the coupon or reduction amount by a third party.

(3) Splitting of items normally sold together. Articles that are normally sold as a single unit must continue to be sold in that manner. Such articles cannot be priced separately and sold as individual items in order to obtain the reduced rate of tax. For example, a pair of shoes cannot have each shoe sold separately so that the sales price of each shoe is within a sales tax holiday price threshold.

(4) Rain checks. A rain check is a procedure that allows a customer to purchase an item at a certain price at a later time because the particular item was out of stock. Eligible property that customers purchase during the Sales Tax Holiday Period with the use of a rain check will qualify for the reduced rate of tax regardless of when the rain check was issued. Issuance of a rain check during the Sales Tax Holiday Period will not qualify eligible property for the reduced rate of tax if the property is actually purchased after the Sales Tax Holiday Period.

(5) Exchanges. The procedure for an exchange in regards to a sales tax holiday is as follows:

(A) If a customer purchases an item of eligible

property during the Sales Tax Holiday Period, but later exchanges the item for a similar eligible item, even if a different size, different color, or other feature, no additional tax is due even if the exchange is made after the Sales Tax Holiday Period.

(B) If a customer purchases an item of eligible property during the Sales Tax Holiday Period, but after the Sales Tax Holiday Period has ended, the customer returns the item and receives credit on the purchase of a different item, the 6.25% general merchandise sales tax rate is due on the sale of the newly purchased item.

(C) If a customer purchases an item of eligible property before the Sales Tax Holiday Period, but during the Sales Tax Holiday Period the customer returns the item and receives credit on the purchase of a different item of eligible property, the reduced rate of tax is due on the sale of the new item if the new item is purchased during the Sales Tax Holiday Period.

(6) (Blank).

(7) Order date and back orders. For the purpose of a sales tax holiday, eligible property qualifies for the reduced rate of tax if: (i) the item is both delivered to and paid for by the customer during the Sales Tax Holiday Period or (ii) the customer orders and pays for the item

and the seller accepts the order during the Sales Tax Holiday Period for immediate shipment, even if delivery is made after the Sales Tax Holiday Period. The seller accepts an order when the seller has taken action to fill the order for immediate shipment. Actions to fill an order include placement of an "in date" stamp on an order or assignment of an "order number" to an order within the Sales Tax Holiday Period. An order is for immediate shipment when the customer does not request delayed shipment. An order is for immediate shipment notwithstanding that the shipment may be delayed because of a backlog of orders or because stock is currently unavailable to, or on back order by, the seller.

(8) Returns. For a 60-day period immediately after the Sales Tax Holiday Period, if a customer returns an item that would qualify for the reduced rate of tax, credit for or refund of sales tax shall be given only at the reduced rate unless the customer provides a receipt or invoice that shows tax was paid at the 6.25% general merchandise rate, or the seller has sufficient documentation to show that tax was paid at the 6.25% general merchandise rate on the specific item. This 60-day period is set solely for the purpose of designating a time period during which the customer must provide documentation that shows that the appropriate sales tax rate was paid on returned merchandise. The 60-day period is not intended to change a

seller's policy on the time period during which the seller will accept returns.

(c) The Department may implement the provisions of this Section through the use of emergency rules, along with permanent rules filed concurrently with such emergency rules, in accordance with the provisions of Section 5-45 of the Illinois Administrative Procedure Act. For purposes of the Illinois Administrative Procedure Act, the adoption of rules to implement the provisions of this Section shall be deemed an emergency and necessary for the public interest, safety, and welfare.

with respect to sales tax holiday items as defined in Section 2-8 of this Act, the tax is imposed at the rate of 1.25%.

Within 14 days after July 1, 2000 (the effective date of Public Act 91-872), each retailer of motor fuel and gasohol shall cause the following notice to be posted in a prominently visible place on each retail dispensing device that is used to dispense motor fuel or gasohol in the State of Illinois: "As of July 1, 2000, the State of Illinois has eliminated the State's share of sales tax on motor fuel and gasohol through December 31, 2000. The price on this pump should reflect the elimination of the tax." The notice shall be printed in bold print on a sign that is no smaller than 4 inches by 8 inches. The sign shall be clearly visible to customers. Any retailer who fails to post or maintain a required sign through December 31, 2000 is guilty of a petty offense for which the fine shall be $500 per day per each retail premises where a violation occurs.

With respect to gasohol, as defined in the Use Tax Act, the tax imposed by this Act applies to (i) 70% of the proceeds of sales made on or after January 1, 1990, and before July 1, 2003, (ii) 80% of the proceeds of sales made on or after July 1, 2003 and on or before July 1, 2017, (iii) 100% of the proceeds of sales made after July 1, 2017 and prior to January 1, 2024, (iv) 90% of the proceeds of sales made on or after January 1, 2024 and on or before December 31, 2028, and (v) 100% of the proceeds of sales made after December 31, 2028. If, at any time, however, the tax under this Act on sales of mid-range ethanol blends is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of mid-range ethanol blends made during that time.

With respect to majority blended ethanol fuel, as defined in the Use Tax Act, the tax imposed by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2028 but applies to 100% of the proceeds of sales made thereafter.

With respect to biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel, the tax imposed by this Act applies to (i) 80% of the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2018 and (ii) 100% of the proceeds of sales made after December 31, 2018 and before January 1, 2024. On and after January 1, 2024 and on or before December 31, 2030, the taxation of biodiesel, renewable diesel, and biodiesel blends

shall be as provided in Section 3-5.1 of the Use Tax Act. If, at any time, however, the tax under this Act on sales of biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1% and no more than 10% biodiesel made during that time.

With respect to biodiesel, as defined in the Use Tax Act, and biodiesel blends, as defined in the Use Tax Act, with more than 10% but no more than 99% biodiesel, the tax imposed by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2023. On and after January 1, 2024 and on or before December 31, 2030, the taxation of biodiesel, renewable diesel, and biodiesel blends shall be as provided in Section 3-5.1 of the Use Tax Act.

Until July 1, 2022 and from July 1, 2023 through December 31, 2025, with respect to food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption), the tax is imposed at the rate of 1%. Beginning July 1, 2022 and until July 1, 2023, with respect to food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate

consumption), the tax is imposed at the rate of 0%. On and after January 1, 2026, food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, candy, and food that has been prepared for immediate consumption) is exempt from the tax imposed by this Act.

With respect to prescription and nonprescription medicines, drugs, medical appliances, products classified as Class III medical devices by the United States Food and Drug Administration that are used for cancer treatment pursuant to a prescription, as well as any accessories and components related to those devices, modifications to a motor vehicle for the purpose of rendering it usable by a person with a disability, and insulin, blood sugar testing materials, syringes, and needles used by human diabetics, the tax is imposed at the rate of 1%. For the purposes of this Section, until September 1, 2009: the term "soft drinks" means any complete, finished, ready-to-use, non-alcoholic drink, whether carbonated or not, including, but not limited to, soda water, cola, fruit juice, vegetable juice, carbonated water, and all other preparations commonly known as soft drinks of whatever kind or description that are contained in any closed or sealed bottle, can, carton, or container, regardless of size; but "soft drinks" does not include coffee, tea, non-carbonated water, infant formula, milk or milk products as defined in the

Grade A Pasteurized Milk and Milk Products Act, or drinks containing 50% or more natural fruit or vegetable juice.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "soft drinks" means non-alcoholic beverages that contain natural or artificial sweeteners. "Soft drinks" does not include beverages that contain milk or milk products, soy, rice or similar milk substitutes, or greater than 50% of vegetable or fruit juice by volume.

Until August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine. Beginning August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks, candy, and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "food for human consumption that is to be consumed off the premises where it is sold" does not include candy. For purposes of this Section, "candy" means a preparation of sugar, honey, or other natural or artificial sweeteners in combination with chocolate, fruits, nuts or

other ingredients or flavorings in the form of bars, drops, or pieces. "Candy" does not include any preparation that contains flour or requires refrigeration.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "nonprescription medicines and drugs" does not include grooming and hygiene products. For purposes of this Section, "grooming and hygiene products" includes, but is not limited to, soaps and cleaning solutions, shampoo, toothpaste, mouthwash, antiperspirants, and sun tan lotions and screens, unless those products are available by prescription only, regardless of whether the products meet the definition of "over-the-counter-drugs". For the purposes of this paragraph, "over-the-counter-drug" means a drug for human use that contains a label that identifies the product as a drug as required by 21 CFR 201.66. The "over-the-counter-drug" label includes:

(A) a "Drug Facts" panel; or

(B) a statement of the "active ingredient(s)" with a list of those ingredients contained in the compound, substance or preparation.

Beginning on January 1, 2014 (the effective date of Public Act 98-122), "prescription and nonprescription medicines and drugs" includes medical cannabis purchased from a registered dispensing organization under the Compassionate Use of Medical Cannabis Program Act.

As used in this Section, "adult use cannabis" means

cannabis subject to tax under the Cannabis Cultivation Privilege Tax Law and the Cannabis Purchaser Excise Tax Law and does not include cannabis subject to tax under the Compassionate Use of Medical Cannabis Program Act.

Sec. 3. Except as provided in this Section, on or before the twentieth day of each calendar month, every person engaged in the business of selling, which, on and after January 1, 2025, includes leasing, tangible personal property at retail in this State during the preceding calendar month shall file a return with the Department, stating:

1. The name of the seller;

2. His residence address and the address of his principal place of business and the address of the principal place of business (if that is a different address) from which he engages in the business of selling tangible personal property at retail in this State;

3. Total amount of receipts received by him during the preceding calendar month or quarter, as the case may be, from sales of tangible personal property, and from services furnished, by him during such preceding calendar

month or quarter;

4. Total amount received by him during the preceding calendar month or quarter on charge and time sales of tangible personal property, and from services furnished, by him prior to the month or quarter for which the return is filed;

5. Deductions allowed by law;

6. Gross receipts which were received by him during the preceding calendar month or quarter and upon the basis of which the tax is imposed, including gross receipts on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) which were received during the preceding calendar month or quarter and upon which tax would have been due but for the 0% rate imposed under Public Act 102-700;

7. The amount of credit provided in Section 2d of this Act;

8. The amount of tax due, including the amount of tax that would have been due on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) but for

the 0% rate imposed under Public Act 102-700;

9. The signature of the taxpayer; and

10. Such other reasonable information as the Department may require.

In the case of leases, except as otherwise provided in this Act, the lessor must remit for each tax return period only the tax applicable to that part of the selling price actually received during such tax return period.

On and after January 1, 2018, except for returns required to be filed prior to January 1, 2023 for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. On and after January 1, 2023, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act, including, but not limited to, returns for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, shall be filed electronically. Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department,

the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Each return shall be accompanied by the statement of prepaid tax issued pursuant to Section 2e for which credit is claimed.

Prior to October 1, 2003 and on and after September 1, 2004, a retailer may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Use Tax as provided in Section 3-85 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-85 of the Use Tax Act. A Manufacturer's Purchase Credit certification, accepted by a retailer prior to October 1, 2003 and on and after September 1, 2004 as provided in Section 3-85 of the Use Tax Act, may be used by that retailer to satisfy Retailers' Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. Manufacturer's Purchase Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to September 1, 2004. No Manufacturer's Purchase Credit may be used after September 30, 2003 through August 31, 2004 to satisfy any tax liability imposed under this Act, including any audit liability.

Beginning on July 1, 2023 and through December 31, 2032, a retailer may accept a Sustainable Aviation Fuel Purchase Credit certification from an air common carrier-purchaser in satisfaction of Use Tax on aviation fuel as provided in Section 3-87 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-87 of the Use Tax Act. A Sustainable Aviation Fuel Purchase Credit certification accepted by a retailer in accordance with this paragraph may be used by that retailer to satisfy Retailers' Occupation Tax liability (but not in satisfaction of penalty or interest) in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a sale of aviation fuel. In addition, for a sale of aviation fuel to qualify to earn the Sustainable Aviation Fuel Purchase Credit, retailers must retain in their books and records a certification from the producer of the aviation fuel that the aviation fuel sold by the retailer and for which a sustainable aviation fuel purchase credit was earned meets the definition of sustainable aviation fuel under Section 3-87 of the Use Tax Act. The documentation must include detail sufficient for the Department to determine the number of gallons of sustainable aviation fuel sold.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The

taxpayer shall also file a return with the Department for each of the first 2 months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;

2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;

3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;

4. The amount of credit provided in Section 2d of this Act;

5. The amount of tax due; and

6. Such other reasonable information as the Department may require.

Every person engaged in the business of selling aviation fuel at retail in this State during the preceding calendar month shall, instead of reporting and paying tax as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, retailers selling aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax

payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

Beginning on October 1, 2003, any person who is not a licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in the business of selling, at retail, alcoholic liquor shall file a statement with the Department of Revenue, in a format and at a time prescribed by the Department, showing the total amount paid for alcoholic liquor purchased during the preceding month and such other information as is reasonably required by the Department. The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions from the filing requirements of this paragraph. For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of the month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed;

the purchaser's tax registration number; and such other information reasonably required by the Department. A distributor, importing distributor, or manufacturer of alcoholic liquor must personally deliver, mail, or provide by electronic means to each retailer listed on the monthly statement a report containing a cumulative total of that distributor's, importing distributor's, or manufacturer's total sales of alcoholic liquor to that retailer no later than the 10th day of the month for the preceding month during which the transaction occurred. The distributor, importing distributor, or manufacturer shall notify the retailer as to the method by which the distributor, importing distributor, or manufacturer will provide the sales information. If the retailer is unable to receive the sales information by electronic means, the distributor, importing distributor, or manufacturer shall furnish the sales information by personal delivery or by mail. For purposes of this paragraph, the term "electronic means" includes, but is not limited to, the use of a secure Internet website, e-mail, or facsimile.

If a total amount of less than $1 is payable, refundable or creditable, such amount shall be disregarded if it is less than 50 cents and shall be increased to $1 if it is 50 cents or more.

Notwithstanding any other provision of this Act to the contrary, retailers subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments

by electronic means in the manner and form required by the Department.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by

rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may

authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May, and June of a given year being due by July 20 of such year; with the return for July, August, and September of a given year being due by October 20 of such year, and with the return for October, November, and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations

under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, except as otherwise provided in this Section, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to another aircraft, watercraft, motor vehicle retailer, or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft, motor vehicles, or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety

Act, a personal watercraft, or any boat equipped with an inboard motor.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every person who is engaged in the business of leasing or renting such items and who, in connection with such business, sells any such item to a retailer for the purpose of resale is, notwithstanding any other provision of this Section to the contrary, authorized to meet the return-filing requirement of this Act by reporting the transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the Department on the same uniform invoice-transaction reporting return form on or before the 20th of the month following the month in which the transfer takes place. Notwithstanding any other provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer

for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit

satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax-exempt ~~tax exempt~~) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit

the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the vendor's discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

On and after January 1, 2025, with respect to the lease of trailers, other than semitrailers as defined in Section 1-187 of the Illinois Vehicle Code, that are required to be registered with an agency of this State and that are subject to the tax on lease receipts under this Act, notwithstanding any other provision of this Act to the contrary, for the purpose of reporting and paying tax under this Act on those lease receipts, lessors shall file returns in addition to and separate from the transaction reporting return. Lessors shall file those lease returns and make payment to the Department by electronic means on or before the 20th day of each month following the month, quarter, or year, as applicable, in which lease receipts were received. All lease receipts received by the lessor from the lease of those trailers during the same reporting period shall be reported and tax shall be paid on a

single return form to be prescribed by the Department.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary, or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. A ~~a~~ certified service

provider, as defined in the Leveling the Playing Field for Illinois Retail Act, filing the return under this Section on behalf of a remote retailer or a retailer maintaining a place of business in this State shall, at the time of such return, pay to the Department the amount of tax imposed by this Act less a discount of 1.75%. A remote retailer or a retailer maintaining a place of business in this State using a certified service provider to file a return on its behalf, as provided in the Leveling the Playing Field for Illinois Retail Act, is not eligible for the discount. Beginning with returns due on or after January 1, 2025, the vendor's discount allowed in this Section, the Service Occupation Tax Act, the Use Tax Act, and the Service Use Tax Act, including any local tax administered by the Department and reported on the same return, shall not exceed $1,000 per month in the aggregate for returns other than transaction returns filed during the month. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 1% rate but for the 0% rate imposed under Public Act 102-700. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 6.25% rate but for the 1.25% rate imposed on sales tax holiday items under Public Act 102-700 and under this amendatory Act of the 104th General Assembly. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the

revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return, but, beginning with returns due on or after January 1, 2025, the vendor's discount allowed under this Section and the Use Tax Act, including any local tax administered by the Department and reported on the same transaction return, shall not exceed $1,000 per month for all transaction returns filed during the month. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each

month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the

month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to

the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the

reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to 0% in Public Act 102-700 on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) had not occurred. For quarter monthly payments due under this paragraph on or after July 1, 2023 and through June 30, 2024, "25% of the taxpayer's liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 0% in Public Act 102-700 had not occurred. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to 1.25% in Public Act 102-700 and in this amendatory Act of the 104th General Assembly on sales tax holiday items had not occurred. For quarter monthly payments due on or after July 1, 2023 and through June 30, 2024, and on or after July 1, 2027 and through June 30, 2028, "25% of the taxpayer's liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 1.25% in Public Act 102-700 and in this amendatory Act of the 104th General

Assembly on sales tax holiday items had not occurred. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of $25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to September 1, 1985 (the effective date of Public Act 84-221), each payment shall be in an amount not less than 22.5% of the

taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is $25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above,

any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of $20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd, and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than $20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that

month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act, or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's vendor's discount shall be reduced, if necessary, to reflect the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month for which the

taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

The net revenue realized at the 15% rate under either Section 4 or Section 5 of this Act shall be deposited as follows: (i) notwithstanding the provisions of this Section to the contrary, the net revenue realized from the portion of the rate in excess of 5% shall be deposited into the State and Local Sales Tax Reform Fund; and (ii) the net revenue realized from the 5% portion of the rate shall be deposited as provided in this Section for the 5% portion of the 6.25% general rate imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund, a special fund in the State treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund, a special fund in the State treasury which is hereby created, 4% of the net revenue realized for the preceding month from the 6.25% general rate other than aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the

net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. If, in any month, the tax on sales tax holiday items, as defined in Section 2-8, is imposed at the rate of 1.25%, then the Department shall pay 20% of the net revenue realized for that month from the 1.25% rate on the selling price of sales tax holiday items into the County and Mass Transit District Fund.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property other than aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuel Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49

U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. If, in any month, the tax on sales tax holiday items, as defined in Section 2-8, is imposed at the rate of 1.25%, then the Department shall pay 80% of the net revenue realized for that month from the 1.25% rate on the selling price of sales tax holiday items into the Local Government Tax Fund.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act Permit Fund under this Act and the Use Tax Act shall not exceed $2,000,000 in any fiscal year.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and this Act, each month the Department shall deposit $500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case

The amounts payable into the Build Illinois Fund under clause (b) of the first sentence in this paragraph shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last federal income tax return. If the total receipts of the business as reported in the federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of

goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly, or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner, or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the

Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, or provides retail selling space for concessionaires or other types of sellers at

the Illinois State Fair, DuQuoin State Fair, county fairs, local fairs, art shows, flea markets, and similar exhibitions or events, including any transient merchant as defined by Section 2 of the Transient Merchant Act of 1987, is required to file a report with the Department providing the name of the merchant's business, the name of the person or persons engaged in merchant's business, the permanent address and Illinois Retailers Occupation Tax Registration Number of the merchant, the dates and location of the event, and other reasonable information that the Department may require. The report must be filed not later than the 20th day of the month next following the month during which the event with retail sales was held. Any person who fails to file a report required by this Section commits a business offense and is subject to a fine not to exceed $250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets, and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence

that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section.

(Text of Section after amendment by P.A. 104-457)

Sec. 3. Except as provided in this Section, on or before the twentieth day of each calendar month, every person engaged in the business of selling, which, on and after January 1, 2025, includes leasing, tangible personal property at retail in this State during the preceding calendar month shall file a return with the Department, stating:

1. The name of the seller;

2. His residence address and the address of his

principal place of business and the address of the principal place of business (if that is a different address) from which he engages in the business of selling tangible personal property at retail in this State;

3. Total amount of receipts received by him during the preceding calendar month or quarter, as the case may be, from sales of tangible personal property, and from services furnished, by him during such preceding calendar month or quarter;

4. Total amount received by him during the preceding calendar month or quarter on charge and time sales of tangible personal property, and from services furnished, by him prior to the month or quarter for which the return is filed;

5. Deductions allowed by law;

6. Gross receipts which were received by him during the preceding calendar month or quarter and upon the basis of which the tax is imposed, including gross receipts on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) which were received during the preceding calendar month or quarter and upon which tax would have been due but for the 0% rate imposed under Public Act 102-700;

7. The amount of credit provided in Section 2d of this Act;

8. The amount of tax due, including the amount of tax that would have been due on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) but for the 0% rate imposed under Public Act 102-700;

9. The signature of the taxpayer; and

10. Such other reasonable information as the Department may require.

In the case of leases, except as otherwise provided in this Act, the lessor must remit for each tax return period only the tax applicable to that part of the selling price actually received during such tax return period.

On and after January 1, 2018, except for returns required to be filed prior to January 1, 2023 for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. On and after January 1, 2023, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act, including, but not limited to, returns for motor

vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, shall be filed electronically. Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Each return shall be accompanied by the statement of prepaid tax issued pursuant to Section 2e for which credit is claimed.

Prior to October 1, 2003 and on and after September 1, 2004, a retailer may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Use Tax as provided in Section 3-85 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-85 of the Use Tax Act. A Manufacturer's Purchase Credit certification, accepted by a retailer prior to October 1, 2003 and on and after September 1, 2004 as provided in Section 3-85 of the Use Tax Act, may be used by that retailer to satisfy Retailers' Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under

this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. Manufacturer's Purchase Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to September 1, 2004. No Manufacturer's Purchase Credit may be used after September 30, 2003 through August 31, 2004 to satisfy any tax liability imposed under this Act, including any audit liability.

Beginning on July 1, 2023 and through December 31, 2032, a retailer may accept a Sustainable Aviation Fuel Purchase Credit certification from an air common carrier-purchaser in satisfaction of Use Tax on aviation fuel as provided in Section 3-87 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-87 of the Use Tax Act. A Sustainable Aviation Fuel Purchase Credit certification accepted by a retailer in accordance with this paragraph may be used by that retailer to satisfy Retailers' Occupation Tax liability (but not in satisfaction of penalty or interest) in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a sale of aviation fuel. In addition, for a sale of aviation fuel to qualify to earn the Sustainable Aviation Fuel Purchase Credit, retailers must retain in their books and records a certification from the producer of the aviation fuel that the aviation fuel sold by the retailer and for which a sustainable aviation fuel purchase credit was earned meets the definition

of sustainable aviation fuel under Section 3-87 of the Use Tax Act. The documentation must include detail sufficient for the Department to determine the number of gallons of sustainable aviation fuel sold.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first 2 months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;

2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;

3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;

4. The amount of credit provided in Section 2d of this Act;

5. The amount of tax due; and

6. Such other reasonable information as the Department may require.

Every person engaged in the business of selling aviation

fuel at retail in this State during the preceding calendar month shall, instead of reporting and paying tax as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, retailers selling aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

Beginning on October 1, 2003, any person who is not a licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in the business of selling, at retail, alcoholic liquor shall file a statement with the Department of Revenue, in a format and at a time prescribed by the Department, showing the total amount paid for alcoholic liquor purchased during the preceding month and such other information as is reasonably required by the Department. The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions from the filing requirements of this paragraph. For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing

distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of the month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed; the purchaser's tax registration number; and such other information reasonably required by the Department. A distributor, importing distributor, or manufacturer of alcoholic liquor must personally deliver, mail, or provide by electronic means to each retailer listed on the monthly statement a report containing a cumulative total of that distributor's, importing distributor's, or manufacturer's total sales of alcoholic liquor to that retailer no later than the 10th day of the month for the preceding month during which the transaction occurred. The distributor, importing distributor, or manufacturer shall notify the retailer as to the method by which the distributor, importing distributor, or manufacturer will provide the sales information. If the retailer is unable to receive the sales information by electronic means, the distributor, importing distributor, or manufacturer shall furnish the sales information by personal delivery or by mail. For purposes of this paragraph, the term "electronic means" includes, but is not limited to, the use of

a secure Internet website, e-mail, or facsimile.

If a total amount of less than $1 is payable, refundable or creditable, such amount shall be disregarded if it is less than 50 cents and shall be increased to $1 if it is 50 cents or more.

Notwithstanding any other provision of this Act to the contrary, retailers subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the

immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount

is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May, and June of a given year being due by July 20 of such year; with the return for July, August, and September of a given year being due by October 20 of such year, and with the return for October, November, and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning

the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, except as otherwise provided in this Section, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to another aircraft, watercraft, motor vehicle retailer, or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor

vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft, motor vehicles, or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every person who is engaged in the business of leasing or renting such items and who, in connection with such business, sells any such item to a retailer for the purpose of resale is, notwithstanding any other provision of this Section to the contrary, authorized to meet the return-filing requirement of this Act by reporting the transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the Department on the same uniform invoice-transaction reporting return form on or before the 20th of the month following the month in which the transfer takes place. Notwithstanding any other provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such

other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of

the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax-exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the

mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the vendor's discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

On and after January 1, 2025, with respect to the lease of trailers, other than semitrailers as defined in Section 1-187 of the Illinois Vehicle Code, that are required to be registered with an agency of this State and that are subject to the tax on lease receipts under this Act, notwithstanding any other provision of this Act to the contrary, for the purpose of reporting and paying tax under this Act on those lease

receipts, lessors shall file returns in addition to and separate from the transaction reporting return. Lessors shall file those lease returns and make payment to the Department by electronic means on or before the 20th day of each month following the month, quarter, or year, as applicable, in which lease receipts were received. All lease receipts received by the lessor from the lease of those trailers during the same reporting period shall be reported and tax shall be paid on a single return form to be prescribed by the Department.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary, or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing

the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. A certified service provider, as defined in the Leveling the Playing Field for Illinois Retail Act, filing the return under this Section on behalf of a remote retailer or a retailer maintaining a place of business in this State shall, at the time of such return, pay to the Department the amount of tax imposed by this Act less a discount of 1.75%. A remote retailer or a retailer maintaining a place of business in this State using a certified service provider to file a return on its behalf, as provided in the Leveling the Playing Field for Illinois Retail Act, is not eligible for the discount. Beginning with returns due on or after January 1, 2025, the vendor's discount allowed in this Section, the Service Occupation Tax Act, the Use Tax Act, and the Service Use Tax Act, including any local tax administered by the Department and reported on the same return, shall not exceed $1,000 per month in the aggregate for returns other than transaction returns filed during the month. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been

due at the 1% rate but for the 0% rate imposed under Public Act 102-700. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 6.25% rate but for the 1.25% rate imposed on sales tax holiday items under Public Act 102-700 and under this amendatory Act of the 104th General Assembly. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return, but, beginning with returns due on or after January 1, 2025, the vendor's discount allowed under this Section and the Use Tax Act, including any local tax administered by the Department and reported on the same transaction return, shall not exceed $1,000 per month for all transaction returns filed during the month. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become

final.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month

or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual

liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar

quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to 0% in Public Act 102-700 on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) had not occurred. For quarter monthly payments due under this paragraph on or after July 1, 2023 and through June 30, 2024, "25% of the taxpayer's liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 0% in Public Act 102-700 had not occurred. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to

1.25% in Public Act 102-700 and in this amendatory Act of the 104th General Assembly on sales tax holiday items had not occurred. For quarter monthly payments due on or after July 1, 2023 and through June 30, 2024, and on or after July 1, 2027 and through June 30, 2028, "25% of the taxpayer's liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 1.25% in Public Act 102-700 and in this amendatory Act of the 104th General Assembly on sales tax holiday items had not occurred. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in

excess of $25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to September 1, 1985 (the effective date of Public Act 84-221), each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is $25,000 or less.

If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of $20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd, and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of

highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than $20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act, or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit

taken was not actually due to the taxpayer, the taxpayer's vendor's discount shall be reduced, if necessary, to reflect the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month for which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

The net revenue realized at the 15% rate under either Section 4 or Section 5 of this Act shall be deposited as follows: (i) notwithstanding the provisions of this Section to the contrary, the net revenue realized from the portion of the rate in excess of 5% shall be deposited into the State and Local Sales Tax Reform Fund; and (ii) the net revenue realized from the 5% portion of the rate shall be deposited as provided in this Section for the 5% portion of the 6.25% general rate imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund, a special fund in the State treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund, a special

fund in the State treasury which is hereby created, 4% of the net revenue realized for the preceding month from the 6.25% general rate other than aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. If, in any month, the tax on sales tax holiday items, as defined in Section 2-8, is imposed at the rate of 1.25%, then the Department shall pay 20% of the net revenue realized for that month from the 1.25% rate on the selling price of sales tax holiday items into the County and Mass Transit District Fund.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property other than aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month

from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuel Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. If, in any month, the tax on sales tax holiday items, as defined in Section 2-8, is imposed at the rate of 1.25%, then the Department shall pay 80% of the net revenue realized for that month from the 1.25% rate on the selling price of sales tax holiday items into the Local Government Tax Fund.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2011, each month the Department shall

pay into the Clean Air Act Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act Permit Fund under this Act and the Use Tax Act shall not exceed $2,000,000 in any fiscal year.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and this Act, each

month the Department shall deposit $500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to this Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as hereinafter defined), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; the "Annual Specified Amount" means the amounts specified below for fiscal years 1986 through 1993:

Fiscal Year	Annual Specified Amount
1986	$54,800,000

and means the Certified Annual Debt Service Requirement (as defined in Section 13 of the Build Illinois Bond Act) or the Tax Act Amount, whichever is greater, for fiscal year 1994 and each fiscal year thereafter; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year. The amounts payable into the Build Illinois Fund under clause (b) of the first sentence in this paragraph shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued

and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of moneys deposited into the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the first sentence of this paragraph and shall reduce the amount otherwise payable for such fiscal year pursuant to that clause (b). The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim

and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice.

Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last federal income tax return. If the total receipts of the business as reported in the federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly, or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the

penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner, or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount

paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, or provides retail selling space for concessionaires or other types of sellers at the Illinois State Fair, DuQuoin State Fair, county fairs, local fairs, art shows, flea markets, and similar exhibitions or events, including any transient merchant as defined by Section 2 of the Transient Merchant Act of 1987, is required to file a report with the Department providing the name of the merchant's business, the name of the person or persons engaged in merchant's business, the permanent address and Illinois Retailers Occupation Tax Registration Number of the merchant, the dates and location of the event, and other reasonable information that the Department may require. The report must be filed not later than the 20th day of the month next following the month during which the event with retail sales was held. Any person who fails to file a report required by this Section commits a business offense and is subject to a fine not to exceed $250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets, and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section.

(c) Personal Property Tax Replacement Income Tax.

Beginning on July 1, 1979 and thereafter, in addition to such income tax, there is also hereby imposed the Personal Property Tax Replacement Income Tax measured by net income on every corporation (including Subchapter S corporations), partnership and trust, for each taxable year ending after June 30, 1979. Such taxes are imposed on the privilege of earning or receiving income in or as a resident of this State. The Personal Property Tax Replacement Income Tax shall be in addition to the income tax imposed by subsections (a) and (b) of this Section and in addition to all other occupation or privilege taxes imposed by this State or by any municipal corporation or political subdivision thereof.

(d-1) Rate reduction for certain foreign insurers. In the case of a foreign insurer, as defined by Section 35A-5 of the

Illinois Insurance Code, whose state or country of domicile imposes on insurers domiciled in Illinois a retaliatory tax (excluding any insurer whose premiums from reinsurance assumed are 50% or more of its total insurance premiums as determined under paragraph (2) of subsection (b) of Section 304, except that for purposes of this determination premiums from reinsurance do not include premiums from inter-affiliate reinsurance arrangements), beginning with taxable years ending on or after December 31, 1999, the sum of the rates of tax imposed by subsections (b) and (d) shall be reduced (but not increased) to the rate at which the total amount of tax imposed under this Act, net of all credits allowed under this Act, shall equal (i) the total amount of tax that would be imposed on the foreign insurer's net income allocable to Illinois for the taxable year by such foreign insurer's state or country of domicile if that net income were subject to all income taxes and taxes measured by net income imposed by such foreign insurer's state or country of domicile, net of all credits allowed or (ii) a rate of zero if no such tax is imposed on such income by the foreign insurer's state of domicile. For the purposes of this subsection (d-1), an inter-affiliate includes a mutual insurer under common management.

(1) For the purposes of subsection (d-1), in no event shall the sum of the rates of tax imposed by subsections (b) and (d) be reduced below the rate at which the sum of:

(A) the total amount of tax imposed on such

foreign insurer under this Act for a taxable year, net of all credits allowed under this Act, plus

(B) the privilege tax imposed by Section 409 of the Illinois Insurance Code, the fire insurance company tax imposed by Section 12 of the Fire Investigation Act, and the fire department taxes imposed under Section 11-10-1 of the Illinois Municipal Code,

equals 1.25% for taxable years ending prior to December 31, 2003, or 1.75% for taxable years ending on or after December 31, 2003, of the net taxable premiums written for the taxable year, as described by subsection (1) of Section 409 of the Illinois Insurance Code. This paragraph will in no event increase the rates imposed under subsections (b) and (d).

(2) Any reduction in the rates of tax imposed by this subsection shall be applied first against the rates imposed by subsection (b) and only after the tax imposed by subsection (a) net of all credits allowed under this Section other than the credit allowed under subsection (i) has been reduced to zero, against the rates imposed by subsection (d).

This subsection (d-1) is exempt from the provisions of Section 250.

(e) Investment credit. A taxpayer shall be allowed a credit against the Personal Property Tax Replacement Income

Tax for investment in qualified property.

(1) A taxpayer shall be allowed a credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1984. There shall be allowed an additional credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1986, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. The provisions added to this Section by Public Act 85-1200 (and restored by Public Act 87-895) shall be construed as declaratory of existing law and not as a new enactment. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is .5% and the denominator of which is 1%, but shall not exceed .5%. The investment credit shall not be allowed to the extent that it would reduce a taxpayer's liability in any tax year below zero, nor may

any credit for qualified property be allowed for any year other than the year in which the property was placed in service in Illinois. For tax years ending on or after December 31, 1987, and on or before December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years if the taxpayer (i) makes investments which cause the creation of a minimum of 2,000 full-time equivalent jobs in Illinois, (ii) is located in an enterprise zone established pursuant to the Illinois Enterprise Zone Act and (iii) is certified by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) as complying with the requirements specified in clause (i) and (ii) by July 1, 1986. The Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) shall notify the Department of Revenue of all such certifications immediately. For tax years ending after December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability

or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(2) The term "qualified property" means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings and signs that are real property, but not including land or improvements to real property that are not a structural component of a building such as landscaping, sewer lines, local access roads, fencing, parking lots, and other appurtenances;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (e);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in Illinois by a taxpayer who is primarily engaged in manufacturing, or in mining coal or fluorite, or in retailing, or was placed in service

on or after July 1, 2006 in a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act; and

(E) has not previously been used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (e) or subsection (f).

(3) For purposes of this subsection (e), "manufacturing" means the material staging and production of tangible personal property by procedures commonly regarded as manufacturing, processing, fabrication, or assembling which changes some existing material into new shapes, new qualities, or new combinations. For purposes of this subsection (e) the term "mining" shall have the same meaning as the term "mining" in Section 613(c) of the Internal Revenue Code. For purposes of this subsection (e), the term "retailing" means the sale of tangible personal property for use or consumption and not for resale, or services rendered in conjunction with the sale of tangible personal property for use or consumption and not for resale. For purposes of this subsection (e), "tangible personal property" has the same meaning as when that term is used in the Retailers' Occupation Tax Act, and, for taxable years ending after December 31, 2008, does not include the generation, transmission, or distribution of electricity.

(4) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(5) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(6) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(7) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the Personal Property Tax Replacement Income Tax for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation and, (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (7), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent

of such reduction.

(8) Unless the investment credit is extended by law, the basis of qualified property shall not include costs incurred after December 31, 2018, except for costs incurred pursuant to a binding contract entered into on or before December 31, 2018.

(9) Each taxable year ending before December 31, 2000, a partnership may elect to pass through to its partners the credits to which the partnership is entitled under this subsection (e) for the taxable year. A partner may use the credit allocated to him or her under this paragraph only against the tax imposed in subsections (c) and (d) of this Section. If the partnership makes that election, those credits shall be allocated among the partners in the partnership in accordance with the rules set forth in Section 704(b) of the Internal Revenue Code, and the rules promulgated under that Section, and the allocated amount of the credits shall be allowed to the partners for that taxable year. The partnership shall make this election on its Personal Property Tax Replacement Income Tax return for that taxable year. The election to pass through the credits shall be irrevocable.

For taxable years ending on or after December 31, 2000, a partner that qualifies its partnership for a subtraction under subparagraph (I) of paragraph (2) of subsection (d) of Section 203 or a shareholder that

qualifies a Subchapter S corporation for a subtraction under subparagraph (S) of paragraph (2) of subsection (b) of Section 203 shall be allowed a credit under this subsection (e) equal to its share of the credit earned under this subsection (e) during the taxable year by the partnership or Subchapter S corporation, determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. This paragraph is exempt from the provisions of Section 250.

(f) Investment credit; Enterprise Zone; River Edge Redevelopment Zone.

(1) A taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service in an Enterprise Zone created pursuant to the Illinois Enterprise Zone Act or, for property placed in service on or after July 1, 2006, a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act. For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, for taxable years ending before December 31, 2023, there shall be allowed a credit under this subsection (f) to be determined in accordance with the

determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. For taxable years ending on or after December 31, 2023, for partners and shareholders of Subchapter S corporations, the provisions of Section 251 shall apply with respect to the credit under this subsection. The credit shall be .5% of the basis for such property. The credit shall be available only in the taxable year in which the property is placed in service in the Enterprise Zone or River Edge Redevelopment Zone and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1985, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including

buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (f);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer; and

(E) has not been previously used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (f) or subsection (e).

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year, any property ceases to

be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside the Enterprise Zone or River Edge Redevelopment Zone within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) There shall be allowed an additional credit equal to 0.5% of the basis of qualified property placed in service during the taxable year in a River Edge Redevelopment Zone, provided such property is placed in service on or after July 1, 2006, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois

shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is 0.5% and the denominator of which is 1%, but shall not exceed 0.5%.

(8) For taxable years beginning on or after January 1, 2021, there shall be allowed an Enterprise Zone construction jobs credit against the taxes imposed under subsections (a) and (b) of this Section as provided in Section 13 of the Illinois Enterprise Zone Act.

The credit or credits may not reduce the taxpayer's liability to less than zero. If the amount of the credit or credits exceeds the taxpayer's liability, the excess may be carried forward and applied against the taxpayer's liability in succeeding calendar years in the same manner provided under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one taxable year that are available to offset a liability, the earlier credit shall be applied first.

For partners, shareholders of Subchapter S

corporations, and owners of limited liability companies, if the liability company is treated as a partnership for the purposes of federal and State income taxation, for taxable years ending before December 31, 2023, there shall be allowed a credit under this Section to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. For taxable years ending on or after December 31, 2023, for partners and shareholders of Subchapter S corporations, the provisions of Section 251 shall apply with respect to the credit under this subsection.

The total aggregate amount of credits awarded under the Blue Collar Jobs Act (Article 20 of Public Act 101-9) shall not exceed $20,000,000 in any State fiscal year.

This paragraph (8) is exempt from the provisions of Section 250.

(g) (Blank).

(h) Investment credit; High Impact Business.

(1) Subject to subsections (b) and (b-5) of Section 5.5 of the Illinois Enterprise Zone Act, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service by a Department of Commerce and Economic Opportunity designated High Impact Business. The credit shall be .5% of the basis for such

property. The credit shall not be available (i) until the minimum investments in qualified property set forth in subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act have been satisfied or (ii) until the time authorized in subsection (b-5) of the Illinois Enterprise Zone Act for entities designated as High Impact Businesses under subdivisions (a)(3)(B), (a)(3)(C), and (a)(3)(D) of Section 5.5 of the Illinois Enterprise Zone Act, and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. The credit applicable to such investments shall be taken in the taxable year in which such investments have been completed. The credit for additional investments beyond the minimum investment by a designated high impact business authorized under subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act shall be available only in the taxable year in which the property is placed in service and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1987, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such

excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

Changes made in this subdivision (h)(1) by Public Act 88-670 restore changes made by Public Act 85-1182 and reflect existing law.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (h);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code; and

(D) is not eligible for the Enterprise Zone Investment Credit provided by subsection (f) of this Section.

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in a federally designated Foreign Trade Zone or Sub-Zone located in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year ending on or before December 31, 1996, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) Beginning with tax years ending after December 31, 1996, if a taxpayer qualifies for the credit under this subsection (h) and thereby is granted a tax abatement and the taxpayer relocates its entire facility in violation of the explicit terms and length of the contract under Section 18-183 of the Property Tax Code, the tax imposed under subsections (a) and (b) of this Section shall be increased for the taxable year in which the taxpayer relocated its facility by an amount equal to the amount of credit received by the taxpayer under this subsection (h).

(h-5) High Impact Business construction jobs credit. For taxable years beginning on or after January 1, 2021, there shall also be allowed a High Impact Business construction jobs credit against the tax imposed under subsections (a) and (b) of this Section as provided in subsections (i) and (j) of Section 5.5 of the Illinois Enterprise Zone Act.

The credit or credits may not reduce the taxpayer's liability to less than zero. If the amount of the credit or credits exceeds the taxpayer's liability, the excess may be carried forward and applied against the taxpayer's liability in succeeding calendar years in the manner provided under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one taxable year that are available to offset a liability, the earlier credit shall be applied first.

For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, for taxable years ending before December 31, 2023, if the liability company is treated as a partnership for the purposes of federal and State income taxation, there shall be allowed a credit under this Section to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. For taxable years ending on or after December 31, 2023, for partners and shareholders of Subchapter S corporations, the provisions of Section 251 shall apply with respect to the credit under this subsection.

The total aggregate amount of credits awarded under the Blue Collar Jobs Act (Article 20 of Public Act 101-9) shall not exceed $20,000,000 in any State fiscal year.

This subsection (h-5) is exempt from the provisions of Section 250.

(i) Credit for Personal Property Tax Replacement Income Tax. For tax years ending prior to December 31, 2003, a credit shall be allowed against the tax imposed by subsections (a) and (b) of this Section for the tax imposed by subsections (c) and (d) of this Section. This credit shall be computed by multiplying the tax imposed by subsections (c) and (d) of this Section by a fraction, the numerator of which is base income allocable to Illinois and the denominator of which is Illinois base income, and further multiplying the product by the tax

rate imposed by subsections (a) and (b) of this Section.

Any credit earned on or after December 31, 1986 under this subsection which is unused in the year the credit is computed because it exceeds the tax liability imposed by subsections (a) and (b) for that year (whether it exceeds the original liability or the liability as later amended) may be carried forward and applied to the tax liability imposed by subsections (a) and (b) of the 5 taxable years following the excess credit year, provided that no credit may be carried forward to any year ending on or after December 31, 2003. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first.

If, during any taxable year ending on or after December 31, 1986, the tax imposed by subsections (c) and (d) of this Section for which a taxpayer has claimed a credit under this subsection (i) is reduced, the amount of credit for such tax shall also be reduced. Such reduction shall be determined by recomputing the credit to take into account the reduced tax imposed by subsections (c) and (d). If any portion of the reduced amount of credit has been carried to a different taxable year, an amended return shall be filed for such taxable year to reduce the amount of credit claimed.

(j) Training expense credit. Beginning with tax years

ending on or after December 31, 1986 and prior to December 31, 2003, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) under this Section for all amounts paid or accrued, on behalf of all persons employed by the taxpayer in Illinois or Illinois residents employed outside of Illinois by a taxpayer, for educational or vocational training in semi-technical or technical fields or semi-skilled or skilled fields, which were deducted from gross income in the computation of taxable income. The credit against the tax imposed by subsections (a) and (b) shall be 1.6% of such training expenses. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, for taxable years ending before December 31, 2023, there shall be allowed a credit under this subsection (j) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code. For taxable years ending on or after December 31, 2023, for partners and shareholders of Subchapter S corporations, the provisions of Section 251 shall apply with respect to the credit under this subsection.

Any credit allowed under this subsection which is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit

is first computed until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. No carryforward credit may be claimed in any tax year ending on or after December 31, 2003.

(k) Research and development credit. For tax years ending after July 1, 1990 and prior to December 31, 2003, and beginning again for tax years ending on or after December 31, 2004, and ending prior to January 1, 2032, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for increasing research activities in this State. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 6 1/2% of the qualifying expenditures for increasing research activities in this State. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, for taxable years ending before December 31, 2023, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code. For taxable years ending on or after December 31, 2023, for partners and shareholders of Subchapter S corporations,

the provisions of Section 251 shall apply with respect to the credit under this subsection.

For purposes of this subsection, "qualifying expenditures" means the qualifying expenditures as defined for the federal credit for increasing research activities which would be allowable under Section 41 of the Internal Revenue Code and which are conducted in this State, "qualifying expenditures for increasing research activities in this State" means the excess of qualifying expenditures for the taxable year in which incurred over qualifying expenditures for the base period, "qualifying expenditures for the base period" means the average of the qualifying expenditures for each year in the base period, and "base period" means the 3 taxable years immediately preceding the taxable year for which the determination is being made.

Any credit in excess of the tax liability for the taxable year may be carried forward. A taxpayer may elect to have the unused credit shown on its final completed return carried over as a credit against the tax liability for the following 5 taxable years or until it has been fully used, whichever occurs first; provided that no credit earned in a tax year ending prior to December 31, 2003 may be carried forward to any year ending on or after December 31, 2003.

If an unused credit is carried forward to a given year from 2 or more earlier years, that credit arising in the earliest year will be applied first against the tax liability for the

given year. If a tax liability for the given year still remains, the credit from the next earliest year will then be applied, and so on, until all credits have been used or no tax liability for the given year remains. Any remaining unused credit or credits then will be carried forward to the next following year in which a tax liability is incurred, except that no credit can be carried forward to a year which is more than 5 years after the year in which the expense for which the credit is given was incurred.

No inference shall be drawn from Public Act 91-644 in construing this Section for taxable years beginning before January 1, 1999.

It is the intent of the General Assembly that the research and development credit under this subsection (k) shall apply continuously for all tax years ending on or after December 31, 2004 and ending prior to January 1, 2032, including, but not limited to, the period beginning on January 1, 2016 and ending on July 6, 2017 (the effective date of Public Act 100-22). All actions taken in reliance on the continuation of the credit under this subsection (k) by any taxpayer are hereby validated.

(l) Environmental Remediation Tax Credit.

(i) For tax years ending after December 31, 1997 and on or before December 31, 2001, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for

unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14 of the Environmental Protection Act that were paid in performing environmental remediation at a site for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. After the Pollution Control Board rules are adopted pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act, determinations as to credit availability for purposes of this Section shall be made consistent with those rules. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a

deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of $100,000 per site, except that the $100,000 threshold shall not apply to any site contained in an enterprise zone as determined by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity). The total credit allowed shall not exceed $40,000 per year with a maximum total of $150,000 per site. For partners and shareholders of subchapter S corporations, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. The term "unused credit" does not include any amounts of unreimbursed eligible remediation costs in excess of the maximum credit per site authorized under paragraph (i). This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under

this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

(m) Education expense credit. Beginning with tax years ending after December 31, 1999, a taxpayer who is the custodian of one or more qualifying pupils shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for qualified education expenses incurred on behalf of the qualifying pupils. The credit shall be equal to

25% of qualified education expenses, but in no event may the total credit under this subsection claimed by a family that is the custodian of qualifying pupils exceed (i) $500 for tax years ending prior to December 31, 2017, and (ii) $750 for tax years ending on or after December 31, 2017. In no event shall a credit under this subsection reduce the taxpayer's liability under this Act to less than zero. Notwithstanding any other provision of law, for taxable years beginning on or after January 1, 2017, no taxpayer may claim a credit under this subsection (m) if the taxpayer's adjusted gross income for the taxable year exceeds (i) $500,000, in the case of spouses filing a joint federal tax return or (ii) $250,000, in the case of all other taxpayers. This subsection is exempt from the provisions of Section 250 of this Act.

For purposes of this subsection:

"Qualifying pupils" means individuals who (i) are residents of the State of Illinois, (ii) are under the age of 21 at the close of the school year for which a credit is sought, and (iii) during the school year for which a credit is sought were full-time pupils enrolled in a kindergarten through twelfth grade education program at any school, as defined in this subsection.

"Qualified education expense" means the amount incurred on behalf of a qualifying pupil in excess of $250 for tuition, book fees, and lab fees at the school in which the pupil is enrolled during the regular school year.

"School" means any public or nonpublic elementary or secondary school in Illinois that is in compliance with Title VI of the Civil Rights Act of 1964 and attendance at which satisfies the requirements of Section 26-1 of the School Code, except that nothing shall be construed to require a child to attend any particular public or nonpublic school to qualify for the credit under this Section.

"Custodian" means, with respect to qualifying pupils, an Illinois resident who is a parent, the parents, a legal guardian, or the legal guardians of the qualifying pupils.

(n) River Edge Redevelopment Zone site remediation tax credit.

(i) For tax years ending on or after December 31, 2006, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14a of the Environmental Protection Act that were paid in performing environmental remediation at a site within a River Edge Redevelopment Zone for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval

of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. Determinations as to credit availability for purposes of this Section shall be made consistent with rules adopted by the Pollution Control Board pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of $100,000 per site.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. This

credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

(o) For each of taxable years during the Compassionate Use of Medical Cannabis Program, a surcharge is imposed on all taxpayers on income arising from the sale or exchange of capital assets, depreciable business property, real property used in the trade or business, and Section 197 intangibles of

an organization registrant under the Compassionate Use of Medical Cannabis Program Act. The amount of the surcharge is equal to the amount of federal income tax liability for the taxable year attributable to those sales and exchanges. The surcharge imposed does not apply if:

(1) the medical cannabis cultivation center registration, medical cannabis dispensary registration, or the property of a registration is transferred as a result of any of the following:

(A) bankruptcy, a receivership, or a debt adjustment initiated by or against the initial registration or the substantial owners of the initial registration;

(B) cancellation, revocation, or termination of any registration by the Illinois Department of Public Health;

(C) a determination by the Illinois Department of Public Health that transfer of the registration is in the best interests of Illinois qualifying patients as defined by the Compassionate Use of Medical Cannabis Program Act;

(D) the death of an owner of the equity interest in a registrant;

(E) the acquisition of a controlling interest in the stock or substantially all of the assets of a publicly traded company;

(F) a transfer by a parent company to a wholly owned subsidiary; or

(G) the transfer or sale to or by one person to another person where both persons were initial owners of the registration when the registration was issued; or

(2) the cannabis cultivation center registration, medical cannabis dispensary registration, or the controlling interest in a registrant's property is transferred in a transaction to lineal descendants in which no gain or loss is recognized or as a result of a transaction in accordance with Section 351 of the Internal Revenue Code in which no gain or loss is recognized.

(p) Pass-through entity tax.

(1) For taxable years ending on or after December 31, 2021, a partnership (other than a publicly traded partnership under Section 7704 of the Internal Revenue Code) or Subchapter S corporation may elect to apply the provisions of this subsection. A separate election shall be made for each taxable year. Such election shall be made at such time, and in such form and manner as prescribed by the Department, and, once made, is irrevocable.

(2) Entity-level tax. A partnership or Subchapter S corporation electing to apply the provisions of this subsection shall be subject to a tax for the privilege of earning or receiving income in this State in an amount

equal to 4.95% of the taxpayer's net income for the taxable year.

(2.1) For taxable years ending on or after December 31, 2026, a partnership making an election under this subsection may elect, in the manner prescribed by the Department, to determine the tax base for the purposes of this subsection under one of the following methods:

(A) Full distributive share method. The electing partnership shall compute and pay tax on the full distributive share of net income allocable to each partner who is an Illinois resident, notwithstanding the apportionment provisions of Section 304. The apportioned business income shall be used solely for determining the tax due on behalf of nonresident partners.

(B) Illinois-sourced income method. The electing partnership shall compute and pay tax only on that portion of each partner's distributive share of net income that is derived from or attributable to sources within this State, determined in accordance with Section 304 and the rules adopted under that Section.

The election under this paragraph (2.1) shall be made annually and shall apply to all partners of the partnership for the taxable year. The method elected shall be irrevocable for that taxable year. The Department shall prescribe the manner and form of the election under this

paragraph (2.1).

(3) Net income defined.

(A) In general. For purposes of paragraph (2), the term net income has the same meaning as defined in Section 202 of this Act, except that, for tax years ending on or after December 31, 2023, a deduction shall be allowed in computing base income for distributions to a retired partner to the extent that the partner's distributions are exempt from tax under Section 203(a)(2)(F) of this Act. In addition, the following modifications shall not apply:

(i) the standard exemption allowed under Section 204;

(ii) the deduction for net losses allowed under Section 207;

(iii) in the case of an S corporation, the modification under Section 203(b)(2)(S); and

(iv) in the case of a partnership, the modifications under Section 203(d)(2)(H) and Section 203(d)(2)(I).

(B) Special rule for tiered partnerships. If a taxpayer making the election under paragraph (1) is a partner of another taxpayer making the election under paragraph (1), net income shall be computed as provided in subparagraph (A), except that the taxpayer shall subtract its distributive share of the net

income of the electing partnership (including its distributive share of the net income of the electing partnership derived as a distributive share from electing partnerships in which it is a partner).

(4) Credit for entity level tax. Each partner or shareholder of a taxpayer making the election under this Section shall be allowed a credit against the tax imposed under subsections (a) and (b) of Section 201 of this Act for the taxable year of the partnership or Subchapter S corporation for which an election is in effect ending within or with the taxable year of the partner or shareholder in an amount equal to 4.95% times the partner or shareholder's distributive share of the net income of the electing partnership or Subchapter S corporation, but not to exceed the partner's or shareholder's share of the tax imposed under paragraph (1) which is actually paid by the partnership or Subchapter S corporation. If the taxpayer is a partnership or Subchapter S corporation that is itself a partner of a partnership making the election under paragraph (1), the credit under this paragraph shall be allowed to the taxpayer's partners or shareholders (or if the partner is a partnership or Subchapter S corporation then its partners or shareholders) in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. If the

amount of the credit allowed under this paragraph exceeds the partner's or shareholder's liability for tax imposed under subsections (a) and (b) of Section 201 of this Act for the taxable year, such excess shall be treated as an overpayment for purposes of Section 909 of this Act.

(5) Nonresidents. A nonresident individual who is a partner or shareholder of a partnership or Subchapter S corporation for a taxable year for which an election is in effect under paragraph (1) shall not be required to file an income tax return under this Act for such taxable year if the only source of net income of the individual (or the individual and the individual's spouse in the case of a joint return) is from an entity making the election under paragraph (1) and the credit allowed to the partner or shareholder under paragraph (4) equals or exceeds the individual's liability for the tax imposed under subsections (a) and (b) of Section 201 of this Act for the taxable year.

(6) Liability for tax. Except as provided in this paragraph, a partnership or Subchapter S making the election under paragraph (1) is liable for the entity-level tax imposed under paragraph (2). If the electing partnership or corporation fails to pay the full amount of tax deemed assessed under paragraph (2), the partners or shareholders shall be liable to pay the tax assessed (including penalties and interest). Each partner

or shareholder shall be liable for the unpaid assessment based on the ratio of the partner's or shareholder's share of the net income of the partnership over the total net income of the partnership. If the partnership or Subchapter S corporation fails to pay the tax assessed (including penalties and interest) and thereafter an amount of such tax is paid by the partners or shareholders, such amount shall not be collected from the partnership or corporation.

(7) Foreign tax. For purposes of the credit allowed under Section 601(b)(3) of this Act, tax paid by a partnership or Subchapter S corporation to another state which, as determined by the Department, is substantially similar to the tax imposed under this subsection, shall be considered tax paid by the partner or shareholder to the extent that the partner's or shareholder's share of the income of the partnership or Subchapter S corporation allocated and apportioned to such other state bears to the total income of the partnership or Subchapter S corporation allocated or apportioned to such other state.

(8) Suspension of withholding. The provisions of Section 709.5 of this Act shall not apply to a partnership or Subchapter S corporation for the taxable year for which an election under paragraph (1) is in effect.

(9) Requirement to pay estimated tax. For each taxable year for which an election under paragraph (1) is in

effect, a partnership or Subchapter S corporation is required to pay estimated tax for such taxable year under Sections 803 and 804 of this Act if the amount payable as estimated tax can reasonably be expected to exceed $500.

(10) The provisions of this subsection shall apply only with respect to taxable years for which the limitation on individual deductions applies under Section 164(b)(6) of the Internal Revenue Code.

ARTICLE 150

Section 150-5. The Illinois Lottery Law is amended by changing Section 9.1 as follows:

(20 ILCS 1605/9.1)

Sec. 9.1. Private manager and management agreement.

(a) As used in this Section:

"Offeror" means a person or group of persons that responds to a request for qualifications under this Section.

"Request for qualifications" means all materials and documents prepared by the Department to solicit the following from offerors:

(1) Statements of qualifications.

(2) Proposals to enter into a management agreement, including the identity of any prospective vendor or vendors that the offeror intends to initially engage to assist the offeror in performing its obligations under the management agreement.

"Final offer" means the last proposal submitted by an offeror in response to the request for qualifications, including the identity of any prospective vendor or vendors that the offeror intends to initially engage to assist the offeror in performing its obligations under the management agreement.

"Final offeror" means the offeror ultimately selected by the Governor to be the private manager for the Lottery under subsection (h) of this Section.

(b) By September 15, 2010, the Governor shall select a private manager for the total management of the Lottery with

(c) Pursuant to the terms of this subsection, the Department shall endeavor to expeditiously terminate the existing contracts in support of the Lottery in effect on July 13, 2009 (the effective date of Public Act 96-37) in connection with the selection of the private manager. As part of its obligation to terminate these contracts and select the private manager, the Department shall establish a mutually agreeable timetable to transfer the functions of existing contractors to the private manager so that existing Lottery operations are not materially diminished or impaired during the transition. To that end, the Department shall do the following:

(1) where such contracts contain a provision authorizing termination upon notice, the Department shall provide notice of termination to occur upon the mutually agreed timetable for transfer of functions;

(2) upon the expiration of any initial term or renewal term of the current Lottery contracts, the Department shall not renew such contract for a term extending beyond the mutually agreed timetable for transfer of functions; or

(3) in the event any current contract provides for termination of that contract upon the implementation of a

contract with the private manager, the Department shall perform all necessary actions to terminate the contract on the date that coincides with the mutually agreed timetable for transfer of functions.

If the contracts to support the current operation of the Lottery in effect on July 13, 2009 (the effective date of Public Act 96-34) are not subject to termination as provided for in this subsection (c), then the Department may include a provision in the contract with the private manager specifying a mutually agreeable methodology for incorporation.

(D) retains ownership of all trade names, trademarks, and intellectual property associated with the Lottery.

(3) A provision imposing an affirmative duty on the private manager to provide the Department with material information and with any information the private manager reasonably believes the Department would want to know to enable the Department to conduct the Lottery.

(4) A provision requiring the private manager to provide the Department with advance notice of any operating decision that bears significantly on the public

interest, including, but not limited to, decisions on the kinds of games to be offered to the public and decisions affecting the relative risk and reward of the games being offered, so the Department has a reasonable opportunity to evaluate and countermand that decision.

(5) A provision providing for compensation of the private manager that may consist of, among other things, a fee for services and a performance based bonus as consideration for managing the Lottery, including terms that may provide the private manager with an increase in compensation if Lottery revenues grow by a specified percentage in a given year.

Women, and Persons with Disabilities Act.

(9) A requirement that so long as the private manager complies with all the conditions of the agreement under the oversight of the Department, the private manager shall have the following duties and obligations with respect to the management of the Lottery:

(12) A code of ethics for the private manager's officers and employees.

(13) A requirement that the Department monitor and oversee the private manager's practices and take action that the Department considers appropriate to ensure that the private manager is in compliance with the terms of the management agreement, while allowing the manager, unless specifically prohibited by law or the management agreement, to negotiate and sign its own contracts with vendors.

(19) A provision requiring the private manager to engage in an open and competitive bidding process for any procurement having a cost in excess of $50,000 that is not a part of the private manager's final offer. The process shall favor the selection of a vendor deemed to have submitted a proposal that provides the Lottery with the best overall value. The process shall not be subject to the provisions of the Illinois Procurement Code, unless specifically required by the management agreement.

(20) The transition of rights and obligations, including any associated equipment or other assets used in the operation of the Lottery, from the manager to any successor manager of the lottery, including the Department, following the termination of or foreclosure upon the management agreement.

(21) Right of use of copyrights, trademarks, and service marks held by the Department in the name of the State. The agreement must provide that any use of them by the manager shall only be for the purpose of fulfilling its obligations under the management agreement during the term of the agreement.

(22) The disclosure of any information requested by

the Department to enable it to comply with the reporting requirements and information requests provided for under subsection (p) of this Section.

(e) Notwithstanding any other law to the contrary, the Department shall select a private manager through a competitive request for qualifications process consistent with Section 20-35 of the Illinois Procurement Code, which shall take into account:

(1) the offeror's ability to market the Lottery to those residents who are new, infrequent, or lapsed players of the Lottery, especially those who are most likely to make regular purchases on the Internet;

(2) the offeror's ability to address the State's concern with the social effects of gambling on those who can least afford to do so;

(f) The Department may retain the services of an advisor or advisors with significant experience in financial services

or the management, operation, and procurement of goods, services, and equipment for a government-run lottery to assist in the preparation of the terms of the request for qualifications and selection of the private manager. Any prospective advisor seeking to provide services under this subsection (f) shall disclose any material business or financial relationship during the past 3 years with any potential offeror, or with a contractor or subcontractor presently providing goods, services, or equipment to the Department to support the Lottery. The Department shall evaluate the material business or financial relationship of each prospective advisor. The Department shall not select any prospective advisor with a substantial business or financial relationship that the Department deems to impair the objectivity of the services to be provided by the prospective advisor. During the course of the advisor's engagement by the Department, and for a period of one year thereafter, the advisor shall not enter into any business or financial relationship with any offeror or any vendor identified to assist an offeror in performing its obligations under the management agreement. Any advisor retained by the Department shall be disqualified from being an offeror. The Department shall not include terms in the request for qualifications that provide a material advantage whether directly or indirectly to any potential offeror, or any contractor or subcontractor presently providing goods, services, or equipment to the

Department to support the Lottery, including terms contained in previous responses to requests for proposals or qualifications submitted to Illinois, another State or foreign government when those terms are uniquely associated with a particular potential offeror, contractor, or subcontractor. The request for proposals offered by the Department on December 22, 2008 as "LOT08GAMESYS" and reference number "22016176" is declared void.

(g) The Department shall select at least 2 offerors as finalists to potentially serve as the private manager no later than August 9, 2010. The Governor or a designee shall attend the public hearing. After the public hearing, the Department shall have 14 calendar days to recommend to the Governor whether a management agreement should be entered into with a particular finalist. After reviewing the Department's recommendation, the Governor may accept or reject the Department's recommendation, and shall select a final offeror as the private manager by publication of a notice in the Illinois Procurement Bulletin on or before September 15, 2010. The Governor shall include in the notice a detailed explanation and the reasons why the final offeror is superior to other offerors and will provide management services in a manner that best achieves the objectives of this Section. The Governor shall also sign the management agreement with the private manager.

(i) Any action to contest the private manager selected by the Governor under this Section must be brought within 7 calendar days after the publication of the notice of the designation of the private manager as provided in subsection (h) of this Section.

(j) The Lottery shall remain, for so long as a private manager manages the Lottery in accordance with provisions of this Act, a Lottery conducted by the State, and the State shall not be authorized to sell or transfer the Lottery to a third

party.

(k) Any tangible personal property used exclusively in connection with the lottery that is owned by the Department and leased to the private manager shall be owned by the Department in the name of the State and shall be considered to be public property devoted to an essential public and governmental function.

(l) The Department may exercise any of its powers under this Section or any other law as necessary or desirable for the execution of the Department's powers under this Section.

(m) Neither this Section nor any management agreement entered into under this Section prohibits the General Assembly from authorizing forms of gambling that are not in direct competition with the Lottery. The forms of gambling authorized by Public Act 101-31 constitute authorized forms of gambling that are not in direct competition with the Lottery.

(n) The private manager shall be subject to a complete investigation in the third, seventh, and tenth years of the agreement (if the agreement is for a 10-year term) by the Department in cooperation with the Auditor General to determine whether the private manager has complied with this Section and the management agreement. The private manager shall bear the cost of an investigation or reinvestigation of the private manager under this subsection.

(o) The powers conferred by this Section are in addition and supplemental to the powers conferred by any other law. If

any other law or rule is inconsistent with this Section, including, but not limited to, provisions of the Illinois Procurement Code, then this Section controls as to any management agreement entered into under this Section. This Section and any rules adopted under this Section contain full and complete authority for a management agreement between the Department and a private manager. No law, procedure, proceeding, publication, notice, consent, approval, order, or act by the Department or any other officer, Department, agency, or instrumentality of the State or any political subdivision is required for the Department to enter into a management agreement under this Section. This Section contains full and complete authority for the Department to approve any contracts entered into by a private manager with a vendor providing goods, services, or both goods and services to the private manager under the terms of the management agreement, including subcontractors of such vendors.

Upon receipt of a written request from the Chief Procurement Officer, the Department shall provide to the Chief Procurement Officer a complete and un-redacted copy of the management agreement or any contract that is subject to the Department's approval authority under this subsection (o). The Department shall provide a copy of the agreement or contract to the Chief Procurement Officer in the time specified by the Chief Procurement Officer in his or her written request, but no later than 5 business days after the request is received by

the Department. The Chief Procurement Officer must retain any portions of the management agreement or of any contract designated by the Department as confidential, proprietary, or trade secret information in complete confidence pursuant to subsection (g) of Section 7 of the Freedom of Information Act. The Department shall also provide the Chief Procurement Officer with reasonable advance written notice of any contract that is pending Department approval.

Notwithstanding any other provision of this Section to the contrary, the Chief Procurement Officer shall adopt administrative rules, including emergency rules, to establish a procurement process to select a successor private manager if a private management agreement has been terminated. The selection process shall at a minimum take into account the criteria set forth in items (1) through (4) of subsection (e) of this Section and may include provisions consistent with subsections (f), (g), (h), and (i) of this Section. The Chief Procurement Officer shall also implement and administer the adopted selection process upon the termination of a private management agreement. The Department, after the Chief Procurement Officer certifies that the procurement process has been followed in accordance with the rules adopted under this subsection (o), shall select a final offeror as the private manager and sign the management agreement with the private manager.

Through June 30, 2022, except as provided in Sections

21.5, 21.6, 21.7, 21.8, 21.9, 21.10, 21.11, 21.12, and 21.13 of this Act and Section 25-70 of the Sports Wagering Act, the Department shall distribute all proceeds of lottery tickets and shares sold in the following priority and manner:

(1) The payment of prizes and retailer bonuses.

(2) The payment of costs incurred in the operation and administration of the Lottery, including the payment of sums due to the private manager under the management agreement with the Department.

(3) On the last day of each month or as soon thereafter as possible, the State Comptroller shall direct and the State Treasurer shall transfer from the State Lottery Fund to the Common School Fund an amount that is equal to the proceeds transferred in the corresponding month of fiscal year 2009, as adjusted for inflation, to the Common School Fund.

(4) On or before September 30 of each fiscal year, deposit any estimated remaining proceeds from the prior fiscal year, subject to payments under items (1), (2), and (3), into the Capital Projects Fund. Beginning in fiscal year 2019, the amount deposited shall be increased or decreased each year by the amount the estimated payment differs from the amount determined from each year-end financial audit. Only remaining net deficits from prior fiscal years may reduce the requirement to deposit these funds, as determined by the annual financial audit.

Beginning July 1, 2022, the Department shall distribute all proceeds of lottery tickets and shares sold in the manner and priority described in Section 9.3 of this Act, except that the Department shall make the deposit into the Capital Projects Fund that would have occurred under item (4) of this subsection (o) on or before September 30, 2022, but for the changes made to this subsection by Public Act 102-699.

(p) The Department shall be subject to the following reporting and information request requirements:

(1) the Department shall submit written quarterly reports to the Governor and the General Assembly on the activities and actions of the private manager selected under this Section;

(2) upon request of the Chief Procurement Officer, the Department shall promptly produce information related to the procurement activities of the Department and the private manager requested by the Chief Procurement Officer; the Chief Procurement Officer must retain confidential, proprietary, or trade secret information designated by the Department in complete confidence pursuant to subsection (g) of Section 7 of the Freedom of Information Act; and

(3) at least 30 days prior to the beginning of the Department's fiscal year, the Department shall prepare an annual written report on the activities of the private manager selected under this Section and deliver that

report to the Governor and General Assembly.

ARTICLE 155

Section 155-5. The Retailers' Occupation Tax Act is amended by changing Section 3 as follows:

(35 ILCS 120/3)

(Text of Section before amendment by P.A. 104-457)

Sec. 3. Except as provided in this Section, on or before the twentieth day of each calendar month, every person engaged in the business of selling, which, on and after January 1, 2025, includes leasing, tangible personal property at retail in this State during the preceding calendar month shall file a return with the Department, stating:

1. The name of the seller;

2. His residence address and the address of his principal place of business and the address of the principal place of business (if that is a different address) from which he engages in the business of selling tangible personal property at retail in this State;

3. Total amount of receipts received by him during the preceding calendar month or quarter, as the case may be,

from sales of tangible personal property, and from services furnished, by him during such preceding calendar month or quarter;

4. Total amount received by him during the preceding calendar month or quarter on charge and time sales of tangible personal property, and from services furnished, by him prior to the month or quarter for which the return is filed;

5. Deductions allowed by law;

6. Gross receipts which were received by him during the preceding calendar month or quarter and upon the basis of which the tax is imposed, including gross receipts on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) which were received during the preceding calendar month or quarter and upon which tax would have been due but for the 0% rate imposed under Public Act 102-700;

7. The amount of credit provided in Section 2d of this Act;

8. The amount of tax due, including the amount of tax that would have been due on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or

infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) but for the 0% rate imposed under Public Act 102-700;

9. The signature of the taxpayer; and

10. Such other reasonable information as the Department may require.

In the case of leases, except as otherwise provided in this Act, the lessor must remit for each tax return period only the tax applicable to that part of the selling price actually received during such tax return period.

On and after January 1, 2018, except for returns required to be filed prior to January 1, 2023 for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. On and after January 1, 2023, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act, including, but not limited to, returns for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, shall be filed electronically. Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Each return shall be accompanied by the statement of prepaid tax issued pursuant to Section 2e for which credit is claimed.

Prior to October 1, 2003 and on and after September 1, 2004, a retailer may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Use Tax as provided in Section 3-85 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-85 of the Use Tax Act. A Manufacturer's Purchase Credit certification, accepted by a retailer prior to October 1, 2003 and on and after September 1, 2004 as provided in Section 3-85 of the Use Tax Act, may be used by that retailer to satisfy Retailers' Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. Manufacturer's Purchase Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to September 1, 2004. No Manufacturer's Purchase Credit may be used after September 30, 2003 through August 31, 2004 to satisfy any tax

liability imposed under this Act, including any audit liability.

Beginning on July 1, 2023 and through December 31, 2032, a retailer may accept a Sustainable Aviation Fuel Purchase Credit certification from an air common carrier-purchaser in satisfaction of Use Tax on aviation fuel as provided in Section 3-87 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-87 of the Use Tax Act. A Sustainable Aviation Fuel Purchase Credit certification accepted by a retailer in accordance with this paragraph may be used by that retailer to satisfy Retailers' Occupation Tax liability (but not in satisfaction of penalty or interest) in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a sale of aviation fuel. In addition, for a sale of aviation fuel to qualify to earn the Sustainable Aviation Fuel Purchase Credit, retailers must retain in their books and records a certification from the producer of the aviation fuel that the aviation fuel sold by the retailer and for which a sustainable aviation fuel purchase credit was earned meets the definition of sustainable aviation fuel under Section 3-87 of the Use Tax Act. The documentation must include detail sufficient for the Department to determine the number of gallons of sustainable aviation fuel sold.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar

quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first 2 months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;

2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;

3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;

4. The amount of credit provided in Section 2d of this Act;

5. The amount of tax due; and

6. Such other reasonable information as the Department may require.

Every person engaged in the business of selling aviation fuel at retail in this State during the preceding calendar month shall, instead of reporting and paying tax as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the

contrary, retailers selling aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

Beginning on October 1, 2003, any person who is not a licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in the business of selling, at retail, alcoholic liquor shall file a statement with the Department of Revenue, in a format and at a time prescribed by the Department, showing the total amount paid for alcoholic liquor purchased during the preceding month and such other information as is reasonably required by the Department. The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions from the filing requirements of this paragraph. For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of the month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or

distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed; the purchaser's tax registration number; and such other information reasonably required by the Department. A distributor, importing distributor, or manufacturer of alcoholic liquor must personally deliver, mail, or provide by electronic means to each retailer listed on the monthly statement a report containing a cumulative total of that distributor's, importing distributor's, or manufacturer's total sales of alcoholic liquor to that retailer no later than the 10th day of the month for the preceding month during which the transaction occurred. The distributor, importing distributor, or manufacturer shall notify the retailer as to the method by which the distributor, importing distributor, or manufacturer will provide the sales information. If the retailer is unable to receive the sales information by electronic means, the distributor, importing distributor, or manufacturer shall furnish the sales information by personal delivery or by mail. For purposes of this paragraph, the term "electronic means" includes, but is not limited to, the use of a secure Internet website, e-mail, or facsimile.

If a total amount of less than $1 is payable, refundable or creditable, such amount shall be disregarded if it is less than 50 cents and shall be increased to $1 if it is 50 cents or more.

Notwithstanding any other provision of this Act to the

contrary, retailers subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the

amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly

return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May, and June of a given year being due by July 20 of such year; with the return for July, August, and September of a given year being due by October 20 of such year, and with the return for October, November, and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, except as otherwise provided in this Section, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to another aircraft, watercraft, motor vehicle retailer, or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft, motor vehicles, or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section,

"watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every person who is engaged in the business of leasing or renting such items and who, in connection with such business, sells any such item to a retailer for the purpose of resale is, notwithstanding any other provision of this Section to the contrary, authorized to meet the return-filing requirement of this Act by reporting the transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the Department on the same uniform invoice-transaction reporting return form on or before the 20th of the month following the month in which the transfer takes place. Notwithstanding any other provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file

monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling

price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax-exempt ~~tax exempt~~) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the

fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the vendor's discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

On and after January 1, 2025, with respect to the lease of trailers, other than semitrailers as defined in Section 1-187 of the Illinois Vehicle Code, that are required to be registered with an agency of this State and that are subject to the tax on lease receipts under this Act, notwithstanding any other provision of this Act to the contrary, for the purpose of reporting and paying tax under this Act on those lease receipts, lessors shall file returns in addition to and separate from the transaction reporting return. Lessors shall file those lease returns and make payment to the Department by electronic means on or before the 20th day of each month following the month, quarter, or year, as applicable, in which lease receipts were received. All lease receipts received by

the lessor from the lease of those trailers during the same reporting period shall be reported and tax shall be paid on a single return form to be prescribed by the Department.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary, or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records,

preparing and filing returns, remitting the tax and supplying data to the Department on request. A ~~a~~ certified service provider, as defined in the Leveling the Playing Field for Illinois Retail Act, filing the return under this Section on behalf of a remote retailer or a retailer maintaining a place of business in this State shall, at the time of such return, pay to the Department the amount of tax imposed by this Act less a discount of 1.75%. A remote retailer or a retailer maintaining a place of business in this State using a certified service provider to file a return on its behalf, as provided in the Leveling the Playing Field for Illinois Retail Act, is not eligible for the discount. Beginning with returns due on or after January 1, 2025, the vendor's discount allowed in this Section, the Service Occupation Tax Act, the Use Tax Act, and the Service Use Tax Act, including any local tax administered by the Department and reported on the same return, shall not exceed $1,000 per month in the aggregate for returns other than transaction returns filed during the month. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 1% rate but for the 0% rate imposed under Public Act 102-700. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 6.25% rate but for the 1.25% rate imposed on sales tax holiday items under Public Act 102-700. The discount under this Section is not allowed for the 1.25%

portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return, but, beginning with returns due on or after January 1, 2025, the vendor's discount allowed under this Section and the Use Tax Act, including any local tax administered by the Department and reported on the same transaction return, shall not exceed $1,000 per month for all transaction returns filed during the month. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $10,000 or more during the preceding 4 complete calendar

quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount

equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $10,000 or more as determined in the manner provided above shall

continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer

to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to 0% in Public Act 102-700 on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) had not occurred. For quarter monthly payments due under this paragraph on or after July 1, 2023 and through June 30, 2024, "25% of the taxpayer's liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 0% in Public Act 102-700 had not occurred. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to 1.25% in Public Act 102-700 on sales tax holiday items had not occurred. For quarter monthly payments due on or after July 1, 2023 and through June 30, 2024, "25% of the taxpayer's liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 1.25% in Public Act 102-700 on sales tax holiday items had not occurred. If any such quarter monthly payment is not paid at the time or in the

amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of $25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to September 1, 1985 (the effective date of Public Act 84-221), each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after

January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is $25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid

taxes that average in excess of $20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd, and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than $20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the

taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act, or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's vendor's discount shall be reduced, if necessary, to reflect the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month for which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

The net revenue realized at the 15% rate under either Section 4 or Section 5 of this Act shall be deposited as follows: (i) notwithstanding the provisions of this Section to the contrary, the net revenue realized from the portion of the rate in excess of 5% shall be deposited into the State and Local Sales Tax Reform Fund; and (ii) the net revenue realized from the 5% portion of the rate shall be deposited as provided in this Section for the 5% portion of the 6.25% general rate imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund, a special fund in the State treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund, a special fund in the State treasury which is hereby created, 4% of the net revenue realized for the preceding month from the 6.25% general rate other than aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. If, in any

month, the tax on sales tax holiday items, as defined in Section 2-8, is imposed at the rate of 1.25%, then the Department shall pay 20% of the net revenue realized for that month from the 1.25% rate on the selling price of sales tax holiday items into the County and Mass Transit District Fund.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property other than aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuel Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall

pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. If, in any month, the tax on sales tax holiday items, as defined in Section 2-8, is imposed at the rate of 1.25%, then the Department shall pay 80% of the net revenue realized for that month from the 1.25% rate on the selling price of sales tax holiday items into the Local Government Tax Fund.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act Permit Fund under this Act and the Use Tax Act shall not exceed $2,000,000 in any fiscal year.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds

collected under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and this Act, each month the Department shall deposit $500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to this Act,

The amounts payable into the Build Illinois Fund under clause (b) of the first sentence in this paragraph shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 48% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2024 and until July 1, 2026, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 64% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning on July 1, 2026, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 80% of the net revenue realized from the taxes imposed on motor fuel and gasohol. As used in this paragraph "motor fuel" has the meaning given to that term in Section 1.1 of the Motor Fuel Tax Law, and "gasohol" has the meaning given to that term in Section 3-40 of the Use Tax Act.

Until July 1, 2025, of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof

shall be paid into the State treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act. Beginning July 1, 2025, of the remainder of the moneys received by the Department pursuant to this Act, 75% shall be deposited into the General Revenue Fund and 25% shall be deposited into the Common School Fund.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last federal income tax return. If the total receipts of the business as reported in the federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the

retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly, or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner, or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, or provides retail selling space for concessionaires or other types of sellers at the Illinois State Fair, DuQuoin State Fair, county fairs, local fairs, art shows, flea markets, and similar exhibitions

or events, including any transient merchant as defined by Section 2 of the Transient Merchant Act of 1987, is required to file a report with the Department providing the name of the merchant's business, the name of the person or persons engaged in merchant's business, the permanent address and Illinois Retailers Occupation Tax Registration Number of the merchant, the dates and location of the event, and other reasonable information that the Department may require. The report must be filed not later than the 20th day of the month next following the month during which the event with retail sales was held. Any person who fails to file a report required by this Section commits a business offense and is subject to a fine not to exceed $250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets, and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the

business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section.

(Text of Section after amendment by P.A. 104-457)

Sec. 3. Except as provided in this Section, on or before the twentieth day of each calendar month, every person engaged in the business of selling, which, on and after January 1, 2025, includes leasing, tangible personal property at retail in this State during the preceding calendar month shall file a return with the Department, stating:

1. The name of the seller;

2. His residence address and the address of his principal place of business and the address of the principal place of business (if that is a different

address) from which he engages in the business of selling tangible personal property at retail in this State;

3. Total amount of receipts received by him during the preceding calendar month or quarter, as the case may be, from sales of tangible personal property, and from services furnished, by him during such preceding calendar month or quarter;

4. Total amount received by him during the preceding calendar month or quarter on charge and time sales of tangible personal property, and from services furnished, by him prior to the month or quarter for which the return is filed;

5. Deductions allowed by law;

6. Gross receipts which were received by him during the preceding calendar month or quarter and upon the basis of which the tax is imposed, including gross receipts on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) which were received during the preceding calendar month or quarter and upon which tax would have been due but for the 0% rate imposed under Public Act 102-700;

7. The amount of credit provided in Section 2d of this Act;

8. The amount of tax due, including the amount of tax that would have been due on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) but for the 0% rate imposed under Public Act 102-700;

9. The signature of the taxpayer; and

10. Such other reasonable information as the Department may require.

In the case of leases, except as otherwise provided in this Act, the lessor must remit for each tax return period only the tax applicable to that part of the selling price actually received during such tax return period.

On and after January 1, 2018, except for returns required to be filed prior to January 1, 2023 for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. On and after January 1, 2023, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act, including, but not limited to, returns for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, shall be filed

electronically. Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Each return shall be accompanied by the statement of prepaid tax issued pursuant to Section 2e for which credit is claimed.

Prior to October 1, 2003 and on and after September 1, 2004, a retailer may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Use Tax as provided in Section 3-85 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-85 of the Use Tax Act. A Manufacturer's Purchase Credit certification, accepted by a retailer prior to October 1, 2003 and on and after September 1, 2004 as provided in Section 3-85 of the Use Tax Act, may be used by that retailer to satisfy Retailers' Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. Manufacturer's Purchase

Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to September 1, 2004. No Manufacturer's Purchase Credit may be used after September 30, 2003 through August 31, 2004 to satisfy any tax liability imposed under this Act, including any audit liability.

Beginning on July 1, 2023 and through December 31, 2032, a retailer may accept a Sustainable Aviation Fuel Purchase Credit certification from an air common carrier-purchaser in satisfaction of Use Tax on aviation fuel as provided in Section 3-87 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-87 of the Use Tax Act. A Sustainable Aviation Fuel Purchase Credit certification accepted by a retailer in accordance with this paragraph may be used by that retailer to satisfy Retailers' Occupation Tax liability (but not in satisfaction of penalty or interest) in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a sale of aviation fuel. In addition, for a sale of aviation fuel to qualify to earn the Sustainable Aviation Fuel Purchase Credit, retailers must retain in their books and records a certification from the producer of the aviation fuel that the aviation fuel sold by the retailer and for which a sustainable aviation fuel purchase credit was earned meets the definition of sustainable aviation fuel under Section 3-87 of the Use Tax Act. The documentation must include detail sufficient for the

Department to determine the number of gallons of sustainable aviation fuel sold.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first 2 months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;

2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;

3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;

4. The amount of credit provided in Section 2d of this Act;

5. The amount of tax due; and

6. Such other reasonable information as the Department may require.

Every person engaged in the business of selling aviation fuel at retail in this State during the preceding calendar month shall, instead of reporting and paying tax as otherwise

required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, retailers selling aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

Beginning on October 1, 2003, any person who is not a licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in the business of selling, at retail, alcoholic liquor shall file a statement with the Department of Revenue, in a format and at a time prescribed by the Department, showing the total amount paid for alcoholic liquor purchased during the preceding month and such other information as is reasonably required by the Department. The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions from the filing requirements of this paragraph. For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with

the Department of Revenue, no later than the 10th day of the month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed; the purchaser's tax registration number; and such other information reasonably required by the Department. A distributor, importing distributor, or manufacturer of alcoholic liquor must personally deliver, mail, or provide by electronic means to each retailer listed on the monthly statement a report containing a cumulative total of that distributor's, importing distributor's, or manufacturer's total sales of alcoholic liquor to that retailer no later than the 10th day of the month for the preceding month during which the transaction occurred. The distributor, importing distributor, or manufacturer shall notify the retailer as to the method by which the distributor, importing distributor, or manufacturer will provide the sales information. If the retailer is unable to receive the sales information by electronic means, the distributor, importing distributor, or manufacturer shall furnish the sales information by personal delivery or by mail. For purposes of this paragraph, the term "electronic means" includes, but is not limited to, the use of a secure Internet website, e-mail, or facsimile.

If a total amount of less than $1 is payable, refundable or

creditable, such amount shall be disregarded if it is less than 50 cents and shall be increased to $1 if it is 50 cents or more.

Notwithstanding any other provision of this Act to the contrary, retailers subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities

under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a

dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May, and June of a given year being due by July 20 of such year; with the return for July, August, and September of a given year being due by October 20 of such year, and with the return for October, November, and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business

which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, except as otherwise provided in this Section, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to another aircraft, watercraft, motor vehicle retailer, or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that

seller may report the transfer of all aircraft, watercraft, motor vehicles, or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every person who is engaged in the business of leasing or renting such items and who, in connection with such business, sells any such item to a retailer for the purpose of resale is, notwithstanding any other provision of this Section to the contrary, authorized to meet the return-filing requirement of this Act by reporting the transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the Department on the same uniform invoice-transaction reporting return form on or before the 20th of the month following the month in which the transfer takes place. Notwithstanding any other provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with

an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the

Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if

titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax-exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer

wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the vendor's discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

On and after January 1, 2025, with respect to the lease of trailers, other than semitrailers as defined in Section 1-187 of the Illinois Vehicle Code, that are required to be registered with an agency of this State and that are subject to the tax on lease receipts under this Act, notwithstanding any other provision of this Act to the contrary, for the purpose of reporting and paying tax under this Act on those lease receipts, lessors shall file returns in addition to and separate from the transaction reporting return. Lessors shall

file those lease returns and make payment to the Department by electronic means on or before the 20th day of each month following the month, quarter, or year, as applicable, in which lease receipts were received. All lease receipts received by the lessor from the lease of those trailers during the same reporting period shall be reported and tax shall be paid on a single return form to be prescribed by the Department.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary, or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this

Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. A certified service provider, as defined in the Leveling the Playing Field for Illinois Retail Act, filing the return under this Section on behalf of a remote retailer or a retailer maintaining a place of business in this State shall, at the time of such return, pay to the Department the amount of tax imposed by this Act less a discount of 1.75%. A remote retailer or a retailer maintaining a place of business in this State using a certified service provider to file a return on its behalf, as provided in the Leveling the Playing Field for Illinois Retail Act, is not eligible for the discount. Beginning with returns due on or after January 1, 2025, the vendor's discount allowed in this Section, the Service Occupation Tax Act, the Use Tax Act, and the Service Use Tax Act, including any local tax administered by the Department and reported on the same return, shall not exceed $1,000 per month in the aggregate for returns other than transaction returns filed during the month. When determining the discount allowed under this Section, retailers shall include the amount of tax that would have been due at the 1% rate but for the 0% rate imposed under Public Act 102-700. When determining the discount allowed under this

Section, retailers shall include the amount of tax that would have been due at the 6.25% rate but for the 1.25% rate imposed on sales tax holiday items under Public Act 102-700. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return, but, beginning with returns due on or after January 1, 2025, the vendor's discount allowed under this Section and the Use Tax Act, including any local tax administered by the Department and reported on the same transaction return, shall not exceed $1,000 per month for all transaction returns filed during the month. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax

Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the

month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month.

Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as

computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to 0% in Public Act 102-700 on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption) had not occurred. For quarter monthly payments due under this paragraph on or after July 1, 2023 and through June 30, 2024, "25% of the taxpayer's liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 0% in Public Act 102-700 had not occurred. Quarter monthly payment status shall be determined under this paragraph as if the rate reduction to 1.25% in Public Act 102-700 on sales tax holiday items had not occurred. For quarter monthly payments due on or after July 1, 2023 and through June 30, 2024, "25% of the taxpayer's

liability for the same calendar month of the preceding year" shall be determined as if the rate reduction to 1.25% in Public Act 102-700 on sales tax holiday items had not occurred. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of $25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to

September 1, 1985 (the effective date of Public Act 84-221), each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is $25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after

October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of $20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd, and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than $20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be

liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act, or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's vendor's discount shall be reduced, if necessary, to reflect the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under

Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month for which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

The net revenue realized at the 15% rate under either Section 4 or Section 5 of this Act shall be deposited as follows: (i) notwithstanding the provisions of this Section to the contrary, the net revenue realized from the portion of the rate in excess of 5% shall be deposited into the State and Local Sales Tax Reform Fund; and (ii) the net revenue realized from the 5% portion of the rate shall be deposited as provided in this Section for the 5% portion of the 6.25% general rate imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund, a special fund in the State treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund, a special fund in the State treasury which is hereby created, 4% of the net revenue realized for the preceding month from the 6.25% general rate other than aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. If, in any month, the tax on sales tax holiday items, as defined in Section 2-8, is imposed at the rate of 1.25%, then the Department shall pay 20% of the net revenue realized for that month from the 1.25% rate on the selling price of sales tax holiday items into the County and Mass Transit District Fund.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property other than aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the

Aviation Fuel Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. If, in any month, the tax on sales tax holiday items, as defined in Section 2-8, is imposed at the rate of 1.25%, then the Department shall pay 80% of the net revenue realized for that month from the 1.25% rate on the selling price of sales tax holiday items into the Local Government Tax Fund.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act Permit Fund under this

Act and the Use Tax Act shall not exceed $2,000,000 in any fiscal year.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and this Act, each month the Department shall deposit $500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the

Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to this Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as hereinafter defined), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; the "Annual Specified Amount" means the amounts specified below for fiscal years 1986 through 1993:

and means the Certified Annual Debt Service Requirement (as

defined in Section 13 of the Build Illinois Bond Act) or the Tax Act Amount, whichever is greater, for fiscal year 1994 and each fiscal year thereafter; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year. The amounts payable into the Build Illinois Fund under clause (b) of the first sentence in this paragraph shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and

costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of moneys deposited into the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the first sentence of this paragraph and shall reduce the amount otherwise payable for such fiscal year pursuant to that clause (b). The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the

Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 48% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning July 1, 2024 and until July 1, 2026, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Road Fund the amount estimated to represent 64% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning on July 1, 2026 and until July 1, 2027, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay $12,500,000 each month into the General Revenue Fund before paying into the Public Transportation Fund and the Downstate Public Transportation Fund the amount estimated to represent 80% of the net revenue realized from

the taxes imposed on motor fuel and gasohol. On June 1, 2027, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay into the Road Fund $20,000,000 of the net revenue realized from the taxes imposed on motor fuel and gasohol. Beginning on July 1, 2027, subject to the payment of amounts into the County and Mass Transit District Fund, the Local Government Tax Fund, the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, the Department shall pay each month into the Public Transportation Fund and the Downstate Public Transportation Fund the amount estimated to represent 80% of the net revenue realized from the taxes imposed on motor fuel and gasohol. Moneys shall be apportioned as follows: 85% into the Public Transportation Fund and 15% into the Downstate Public Transportation Fund. As used in this paragraph "motor fuel" has the meaning given to that term in Section 1.1 of the Motor Fuel Tax Law, and "gasohol" has the meaning given to that term in Section 3-40 of the Use Tax Act.

Until July 1, 2025, of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State treasury and 25% shall be reserved

in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act. Beginning July 1, 2025, of the remainder of the moneys received by the Department pursuant to this Act, 75% shall be deposited into the General Revenue Fund and 25% shall be deposited into the Common School Fund.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last federal income tax return. If the total receipts of the business as reported in the federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional

reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly, or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner, or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an

annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, or provides retail selling space for concessionaires or other types of sellers at the Illinois State Fair, DuQuoin State Fair, county fairs, local fairs, art shows, flea markets, and similar exhibitions or events, including any transient merchant as defined by

Section 2 of the Transient Merchant Act of 1987, is required to file a report with the Department providing the name of the merchant's business, the name of the person or persons engaged in merchant's business, the permanent address and Illinois Retailers Occupation Tax Registration Number of the merchant, the dates and location of the event, and other reasonable information that the Department may require. The report must be filed not later than the 20th day of the month next following the month during which the event with retail sales was held. Any person who fails to file a report required by this Section commits a business offense and is subject to a fine not to exceed $250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets, and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the business of selling tangible personal property at retail at

the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section.

ARTICLE 160

Section 160-5. The Service Use Tax Act is amended by changing Section 9 as follows:

(35 ILCS 110/9)

(Text of Section before amendment by P.A. 104-457)

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1,

1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department on request. Beginning with returns due on or after January 1, 2025, the vendor's discount allowed in this Section, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, and the Use Tax Act, including any local tax administered by the Department and reported on the same return, shall not exceed $1,000 per month in the aggregate. When determining the discount allowed under this Section, servicemen shall include the amount of tax that would have been due at the 1% rate but for the 0% rate imposed under Public Act 102-700. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for servicemen whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final. A serviceman need not remit that part of any tax collected by him to the extent that he is required to pay and does pay the tax imposed by the Service Occupation Tax Act with respect to his sale of

service involving the incidental transfer by him of the same property.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable Rules and Regulations to be promulgated by the Department. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require. The return shall include the gross receipts which were received during the preceding calendar month or quarter on the following items upon which tax would have been due but for the 0% rate imposed under Public Act 102-700: (i) food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption); and (ii) food prepared for immediate consumption and transferred incident to a sale of service subject to this Act or the Service Occupation Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act. The return shall also include the amount of tax that would have been due on the

items listed in the previous sentence but for the 0% rate imposed under Public Act 102-700.

In the case of leases, except as otherwise provided in this Act, the lessor, in collecting the tax, may collect for each tax return period only the tax applicable to that part of the selling price actually received during such tax return period.

On and after January 1, 2018, with respect to servicemen whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Servicemen who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first 2 ~~two~~ months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;

2. The address of the principal place of business from which he engages in business as a serviceman in this State;

3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;

4. The amount of credit provided in Section 2d of this Act;

5. The amount of tax due;

5-5. The signature of the taxpayer; and

6. Such other reasonable information as the Department may require.

Each serviceman required or authorized to collect the tax imposed by this Act on aviation fuel transferred as an incident of a sale of service in this State during the preceding calendar month shall, instead of reporting and paying tax on aviation fuel as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, servicemen collecting tax on aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department,

the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Notwithstanding any other provision of this Act to the contrary, servicemen subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation

and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

If the serviceman is otherwise required to file a monthly return and if the serviceman's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given

year being due by April 20 of such year; with the return for April, May, and June of a given year being due by July 20 of such year; with the return for July, August, and September of a given year being due by October 20 of such year, and with the return for October, November, and December of a given year being due by January 20 of the following year.

If the serviceman is otherwise required to file a monthly or quarterly return and if the serviceman's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such serviceman shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where a serviceman collects the tax with respect to the selling price of property which he sells and the purchaser thereafter returns such property and the serviceman refunds the selling price thereof to the purchaser, such serviceman

shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Use Tax, Service Occupation Tax, retailers' occupation tax, or use tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

Any serviceman filing a return hereunder shall also include the total tax upon the selling price of tangible personal property purchased for use by him as an incident to a sale of service, and such serviceman shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Service Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the serviceman has more than one business registered with the Department under separate registration hereunder,

such serviceman shall not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Tax Reform Fund, a special fund in the State treasury, the net revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on transfers of tangible personal property, other than (i) tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government and (ii) aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only

pay moneys into the State Aviation Program Fund and the Aviation Fuel Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average

monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, this Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, each month the Department shall deposit $500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the

difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be

issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited into ~~in~~ the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly

installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

each fiscal year thereafter that bonds are outstanding under Section 13.2 of the Metropolitan Pier and Exposition Authority Act,	

but not after fiscal year 2060.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Capital Projects Fund, the Clean Air Act Permit Fund, the Build Illinois Fund,

and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, for aviation fuel sold on or after December 1, 2019, the Department shall each month deposit into the Aviation Fuel Sales Tax Refund Fund an amount estimated by the Department to be required for refunds of the 80% portion of the tax on aviation fuel under this Act. The Department shall only deposit moneys into the Aviation Fuel Sales Tax Refund Fund under this paragraph for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993 and ending on September 30, 2013, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, pursuant to the preceding paragraphs or in any amendments to this Section hereafter enacted, beginning on the first day of the first calendar month to occur on or after August 26, 2014 (the effective date of Public Act 98-1098), each month, from the collections made under Section 9 of the

Subject to payments of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Tax Compliance and Administration Fund as provided in this Section, beginning on July 1, 2018 the Department shall pay each month into the Downstate Public Transportation Fund the moneys required to be so paid under Section 2-3 of the Downstate Public Transportation Act.

Subject to successful execution and delivery of a public-private agreement between the public agency and private entity and completion of the civic build, beginning on July 1, 2023, of the remainder of the moneys received by the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and this Act, the Department shall deposit the following specified deposits in the aggregate from

collections under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, as required under Section 8.25g of the State Finance Act for distribution consistent with the Public-Private Partnership for Civic and Transit Infrastructure Project Act. The moneys received by the Department pursuant to this Act and required to be deposited into the Civic and Transit Infrastructure Fund are subject to the pledge, claim, and charge set forth in Section 25-55 of the Public-Private Partnership for Civic and Transit Infrastructure Project Act. Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department on request. Beginning with returns due on or after January 1, 2025, the vendor's discount allowed in this Section, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, and the Use Tax Act, including any local tax administered by the Department and reported on the same return, shall not exceed $1,000 per month in the aggregate. When determining the discount allowed under this Section, servicemen shall include the amount of tax that would have been due at the 1% rate but for the 0% rate imposed under Public Act 102-700. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133. The discount allowed under this Section is allowed only for

returns that are filed in the manner required by this Act. The Department may disallow the discount for servicemen whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final. A serviceman need not remit that part of any tax collected by him to the extent that he is required to pay and does pay the tax imposed by the Service Occupation Tax Act with respect to his sale of service involving the incidental transfer by him of the same property.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable Rules and Regulations to be promulgated by the Department. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require. The return shall include the gross receipts which were received during the preceding calendar month or quarter on the following items upon which tax would have been due but for the 0% rate imposed under Public Act 102-700: (i) food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, food consisting of or infused with adult use cannabis, soft drinks, and food that has been prepared for immediate consumption); and (ii) food prepared for immediate consumption and transferred incident to

a sale of service subject to this Act or the Service Occupation Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Assisted Living and Shared Housing Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969, or an entity that holds a permit issued pursuant to the Life Care Facilities Act. The return shall also include the amount of tax that would have been due on the items listed in the previous sentence but for the 0% rate imposed under Public Act 102-700.

In the case of leases, except as otherwise provided in this Act, the lessor, in collecting the tax, may collect for each tax return period only the tax applicable to that part of the selling price actually received during such tax return period.

On and after January 1, 2018, with respect to servicemen whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Servicemen who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The

taxpayer shall also file a return with the Department for each of the first 2 ~~two~~ months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;

2. The address of the principal place of business from which he engages in business as a serviceman in this State;

3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;

4. The amount of credit provided in Section 2d of this Act;

5. The amount of tax due;

5-5. The signature of the taxpayer; and

6. Such other reasonable information as the Department may require.

Each serviceman required or authorized to collect the tax imposed by this Act on aviation fuel transferred as an incident of a sale of service in this State during the preceding calendar month shall, instead of reporting and paying tax on aviation fuel as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other

provisions of this Act to the contrary, servicemen collecting tax on aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Notwithstanding any other provision of this Act to the contrary, servicemen subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or

more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

If the serviceman is otherwise required to file a monthly return and if the serviceman's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May, and June of a given year being due by July 20 of such year; with the return for July, August, and September of a given year being due by October 20 of such year, and with the return for October, November, and December of a given year being due by January 20 of the following year.

If the serviceman is otherwise required to file a monthly or quarterly return and if the serviceman's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of

business which makes him responsible for filing returns under this Act, such serviceman shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where a serviceman collects the tax with respect to the selling price of property which he sells and the purchaser thereafter returns such property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Use Tax, Service Occupation Tax, retailers' occupation tax, or use tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

Any serviceman filing a return hereunder shall also include the total tax upon the selling price of tangible personal property purchased for use by him as an incident to a sale of service, and such serviceman shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Service Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the serviceman has more than one business registered with the Department under separate registration hereunder, such serviceman shall not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Tax Reform Fund, a special fund in the State treasury, the net revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on transfers of tangible personal property, other than (i) tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government and (ii) aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuel Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service

Occupation Tax Act, and the Retailers' Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, this Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, each month the Department shall deposit $500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax

Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under

this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited into ~~in~~ the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to

clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

each fiscal year thereafter that bonds are outstanding under Section 13.2 of the Metropolitan Pier and Exposition Authority Act, but not after fiscal year 2060.	

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition

Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Capital Projects Fund, the Clean Air Act Permit Fund, the Build Illinois Fund, and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, for aviation fuel sold on or after December 1, 2019, the Department shall each month deposit into the Aviation Fuel Sales Tax Refund Fund an amount estimated by the Department to be required for refunds of the 80% portion of the tax on aviation fuel under this Act. The Department shall only deposit moneys into the Aviation Fuel Sales Tax Refund Fund under this paragraph for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993 and ending on September 30, 2013, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling

price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, pursuant to the preceding paragraphs or in any amendments to this Section hereafter enacted, beginning on the first day of the first calendar month to occur on or after August 26, 2014 (the effective date of Public Act 98-1098), each month, from the collections made under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act, the Department shall pay into the Tax Compliance and Administration Fund, to be used, subject to appropriation, to fund additional auditors and compliance personnel at the Department of Revenue, an amount equal to 1/12 of 5% of 80% of the cash receipts collected during the preceding fiscal year by the Audit Bureau of the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, the Retailers' Occupation Tax Act, and associated local occupation and use taxes administered by the Department.

Section 810-5. The Illinois Housing Development Act is amended by changing Section 7.28 as follows:

(20 ILCS 3805/7.28)

Sec. 7.28. Tax credit for donation to sponsors. The Authority may administer and adopt rules for an affordable housing tax donation credit program to provide tax credits for donations as set forth in this Section.

(a) In this Section:

"Administrative housing agency" means either the Authority or an agency of the City of Chicago.

"Affordable housing project" means either:

(1) a rental project in which at least 25% of the units

have rents (including tenant-paid heat) that do not exceed, on a monthly basis, maximum gross rent figures, as published by the Authority, that are:

(i) based on data published annually by the U.S. Department of Housing and Urban Development;

(ii) based on the annual income of households earning 60% of the area median income;

(iii) computed using a 30% of gross monthly income standard; and

(iv) adjusted for unit size and at least 25% of the units are occupied by persons and families whose incomes do not exceed 60% of the median family income for the geographic area in which the residential unit is located; or

(2) a unit for sale to homebuyers whose gross household income is at or below (A) 60% of the area median income (for taxable years beginning prior to January 1, 2022) or (B) 120% of the area median income (for taxable years beginning on or after January 1, 2022) and who pay no more than 30% of their gross household income for mortgage principal, interest, property taxes, and property insurance (PITI).

"Donation" means money, securities, or real or personal property that is donated to a not-for-profit sponsor that is used solely for costs associated with either (i) purchasing, constructing, or rehabilitating an affordable housing project

in this State, (ii) an employer-assisted housing project in this State, (iii) general operating support, or (iv) technical assistance as defined by this Section.

"Employer-assisted housing project" means either down-payment assistance, reduced-interest mortgages, mortgage guarantee programs, rental subsidies, or individual development account savings plans that are provided by employers to employees to assist in securing affordable housing near the workplace, that are restricted to housing near the workplace, and that are restricted to employees whose gross household income is at or below 120% of the area median income.

"General operating support" means any cost incurred by a sponsor that is a part of its general program costs and is not limited to costs directly incurred by the affordable housing project.

"Geographical area" means the metropolitan area or county designated as an area by the federal Department of Housing and Urban Development under Section 8 of the United States Housing Act of 1937, as amended, for purposes of determining fair market rental rates.

"Median income" means the incomes that are determined by the federal Department of Housing and Urban Development guidelines and adjusted for family size.

"Project" means an affordable housing project, an employer-assisted housing project, general operating support,

or technical assistance.

"Sponsor" means a not-for-profit organization that (i) is organized as a not-for-profit organization under the laws of this State or another state and (1) for an affordable housing project, has as one of its purposes the development of affordable housing; (2) for an employer-assisted housing project, has as one of its purposes home ownership education; and (3) for a technical assistance project, has as one of its purposes either the development of affordable housing or home ownership education; (ii) is organized for the purpose of constructing or rehabilitating affordable housing units and has been issued a ruling from the Internal Revenue Service of the United States Department of the Treasury that the organization is exempt from income taxation under provisions of the Internal Revenue Code; or (iii) is an organization designated as a community development corporation by the United States government under Title VII of the Economic Opportunity Act of 1964.

"Tax credit" means a tax credit allowed under Section 214 of the Illinois Income Tax Act.

"Technical assistance" means any cost incurred by a sponsor for project planning, assistance with applying for financing, or counseling services provided to prospective homebuyers.

(b) A sponsor must apply to an administrative housing agency for approval of the project. The administrative housing

agency must reserve a specific amount of tax credits for each approved project. Tax credits for general operating support can only be reserved as part of a reservation of tax credits for an affordable housing project, an employer-assisted housing project, or technical assistance. No tax credits shall be allowed for a project without a reservation of such tax credits by an administrative housing agency for that project.

(c) The Authority must adopt rules establishing criteria for eligible costs and donations, issuing and verifying tax credits, and selecting projects that are eligible for a tax credit.

(d) Tax credits for employer-assisted housing projects are limited to that pool of tax credits that have been set aside for employer-assisted housing. Tax credits for general operating support are limited to 10% of the total tax credit reservation for the related project (other than general operating support) and are also limited to that pool of tax credits that have been set aside for general operating support. Tax credits for technical assistance are limited to that pool of tax credits that have been set aside for technical assistance.

(e) The amount of tax credits reserved by the administrative housing agency for an approved project is limited to $32,850,352 in State fiscal years 2022 and 2023 and shall increase by 5% each fiscal year thereafter <u>through fiscal year 2026</u>. <u>Beginning in State fiscal year 2027, the</u>

amount of tax credits reserved by the administrative housing agency for an approved project is limited to $41,831,227 in State fiscal year 2027 and shall increase by 10% each fiscal year thereafter. The City of Chicago shall receive 24.5% of total tax credits authorized for each fiscal year. The Authority shall receive the balance of the tax credits authorized for each fiscal year. The tax credits may be used anywhere in this State. The tax credits have the following set-asides:

(1) for employer-assisted housing projects, $2 million; and

(2) for general operating support and technical assistance, $1 million.

The balance of the funds must be used for affordable housing projects. During the first 9 months of a fiscal year, if an administrative housing agency is unable to reserve the tax credits set aside for the purposes described in subsection (e), the administrative housing agency may reserve the tax credits for any approved projects.

(f) The administrative housing agency that reserves tax credits for an affordable housing project must record against the land upon which the affordable housing project is located an instrument to assure that the property maintains its affordable housing compliance for a minimum of 10 years. The Authority has flexibility to assure that the instrument does not cause undue hardship on homeowners.

For taxable years ending before December 31, 2023, partners, shareholders of subchapter S corporations, and owners of limited liability companies (if the limited liability company is treated as a partnership for purposes of federal and State income taxation) are entitled to a credit under this Section to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 703 and subchapter S of the Internal Revenue Code. For taxable years ending on or after December 31, 2023, partners and shareholders of subchapter S corporations are entitled to a credit under this Section as provided in Section 251. Section 201 and who make a donation under Section 7.28 of the Illinois Housing Development Act are entitled to a credit as described in this subsection and may transfer that credit as described in subsection (c).

(b) If the amount of the credit exceeds the tax liability for the year, the excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The tax credit shall be applied to the earliest year for which there is a tax liability. If there are credits for more than one year that are available to offset a liability, the earlier credit shall be applied first.

(c) The transfer of the tax credit allowed under this Section may be made (i) to the purchaser of land that has been designated solely for affordable housing projects in accordance with the Illinois Housing Development Act or (ii) to another donor who has also made a donation in accordance with Section 7.28 of the Illinois Housing Development Act.

Section 815-10. The Live Theater Production Tax Credit Act is amended by changing Sections 10-10 and 10-20 as follows:

(35 ILCS 17/10-20)

Sec. 10-20. Tax credit award. Subject to the conditions set forth in this Act, an applicant is entitled to a tax credit award as approved by the Department for qualifying Illinois labor expenditures and Illinois production spending for each tax year in which the applicant is awarded an accredited theater production certificate issued by the Department. The amount of tax credits awarded pursuant to this Act shall not exceed $2,000,000 in any State fiscal year ending on or before June 30, 2022. The amount of tax credits awarded pursuant to this Act for the State fiscal year ending on June 30, 2023 or the State fiscal year ending on June 30, 2024 shall not exceed $4,000,000. For the State fiscal year ending on June 30, 2023 and the State fiscal year ending on June 30, 2024, no more than $2,000,000 in credits may be awarded in either of those fiscal years to accredited theater productions that are not commercial Broadway touring shows, and no more than $2,000,000 in credits may be awarded in either of those fiscal years to commercial Broadway touring shows. less than $2,000,000 in credits under this Act are awarded for long-run productions and pre-Broadway productions, then the difference between $2,000,000 and the amount of credits awarded for long-run productions and pre-Broadway productions in that fiscal year may be added to the $2,000,000 in credits allowed to be awarded for commercial Broadway touring shows in that State fiscal year.

The $2,000,000 in credits that may be awarded for non-profit theater productions under this Act in a State fiscal year shall be allocated as follows:

(1) no credits may be awarded for non-profit theater productions that have an annual operating budget of less than $25,000;

(7) no more than $700,000 in credits may be awarded, in the aggregate, for non-profit theater productions that have an annual operating budget of $10,000,000 or more.

Credits shall be awarded on a first-come, first-served basis. Notwithstanding the foregoing, if the amount of credits applied for in any fiscal year exceeds the amount authorized to be awarded under this Section, the excess credit amount shall be awarded in the next fiscal year in which credits remain available for award and shall be treated as having been applied for on the first day of that fiscal year.

(c) Other farmland shall be assessed at 1/6 of its debased productivity index equalized assessed value as cropland.

(d) Wasteland shall be assessed on its contributory value to the farmland parcel.

In no case shall the equalized assessed value of permanent pasture be below 1/3, nor the equalized assessed value of other farmland, except wasteland, be below 1/6, of the equalized assessed value per acre of cropland of the lowest productivity index certified under Section 10-115.

The rates under this subsection (b) are subject to the provisions of Section 201.5.

(b-5) Surcharge; sale or exchange of assets, properties, and intangibles of organization gaming licensees. For each of taxable years 2019 through 2027, a surcharge is imposed on all taxpayers on income arising from the sale or exchange of capital assets, depreciable business property, real property used in the trade or business, and Section 197 intangibles (i)

of an organization licensee under the Illinois Horse Racing Act of 1975 and (ii) of an organization gaming licensee under the Illinois Gambling Act. The amount of the surcharge is equal to the amount of federal income tax liability for the taxable year attributable to those sales and exchanges. The surcharge imposed shall not apply if:

(1) the organization gaming license, organization license, or racetrack property is transferred as a result of any of the following:

(A) bankruptcy, a receivership, or a debt adjustment initiated by or against the initial licensee or the substantial owners of the initial licensee;

(B) cancellation, revocation, or termination of any such license by the Illinois Gaming Board or the Illinois Racing Board;

(C) a determination by the Illinois Gaming Board that transfer of the license is in the best interests of Illinois gaming;

(D) the death of an owner of the equity interest in a licensee;

(E) the acquisition of a controlling interest in the stock or substantially all of the assets of a publicly traded company;

(F) a transfer by a parent company to a wholly owned subsidiary; or

(3) live horse racing was not conducted in 2010 at a racetrack located within 3 miles of the Mississippi River under a license issued pursuant to the Illinois Horse Racing Act of 1975.

The transfer of an organization gaming license, organization license, or racetrack property by a person other than the initial licensee to receive the organization gaming license is not subject to a surcharge. The Department shall adopt rules necessary to implement and administer this subsection.

(c) Personal Property Tax Replacement Income Tax. Beginning on July 1, 1979 and thereafter, in addition to such income tax, there is also hereby imposed the Personal Property Tax Replacement Income Tax measured by net income on every corporation (including Subchapter S corporations), partnership and trust, for each taxable year ending after June 30, 1979.

Such taxes are imposed on the privilege of earning or receiving income in or as a resident of this State. The Personal Property Tax Replacement Income Tax shall be in addition to the income tax imposed by subsections (a) and (b) of this Section and in addition to all other occupation or privilege taxes imposed by this State or by any municipal corporation or political subdivision thereof.

(d) Additional Personal Property Tax Replacement Income Tax Rates. The personal property tax replacement income tax imposed by this subsection and subsection (c) of this Section in the case of a corporation, other than a Subchapter S corporation and except as adjusted by subsection (d-1), shall be an additional amount equal to 2.85% of such taxpayer's net income for the taxable year, except that beginning on January 1, 1981, and thereafter, the rate of 2.85% specified in this subsection shall be reduced to 2.5%, and in the case of a partnership, trust or a Subchapter S corporation shall be an additional amount equal to 1.5% of such taxpayer's net income for the taxable year.

(d-1) Rate reduction for certain foreign insurers. In the case of a foreign insurer, as defined by Section 35A-5 of the Illinois Insurance Code, whose state or country of domicile imposes on insurers domiciled in Illinois a retaliatory tax (excluding any insurer whose premiums from reinsurance assumed are 50% or more of its total insurance premiums as determined under paragraph (2) of subsection (b) of Section 304, except

that for purposes of this determination premiums from reinsurance do not include premiums from inter-affiliate reinsurance arrangements), beginning with taxable years ending on or after December 31, 1999, the sum of the rates of tax imposed by subsections (b) and (d) shall be reduced (but not increased) to the rate at which the total amount of tax imposed under this Act, net of all credits allowed under this Act, shall equal (i) the total amount of tax that would be imposed on the foreign insurer's net income allocable to Illinois for the taxable year by such foreign insurer's state or country of domicile if that net income were subject to all income taxes and taxes measured by net income imposed by such foreign insurer's state or country of domicile, net of all credits allowed or (ii) a rate of zero if no such tax is imposed on such income by the foreign insurer's state of domicile. For the purposes of this subsection (d-1), an inter-affiliate includes a mutual insurer under common management.

(1) For the purposes of subsection (d-1), in no event shall the sum of the rates of tax imposed by subsections (b) and (d) be reduced below the rate at which the sum of:

(A) the total amount of tax imposed on such foreign insurer under this Act for a taxable year, net of all credits allowed under this Act, plus

(B) the privilege tax imposed by Section 409 of the Illinois Insurance Code, the fire insurance company tax imposed by Section 12 of the Fire

Investigation Act, and the fire department taxes imposed under Section 11-10-1 of the Illinois Municipal Code,

equals 1.25% for taxable years ending prior to December 31, 2003, or 1.75% for taxable years ending on or after December 31, 2003, of the net taxable premiums written for the taxable year, as described by subsection (1) of Section 409 of the Illinois Insurance Code. This paragraph will in no event increase the rates imposed under subsections (b) and (d).

(2) Any reduction in the rates of tax imposed by this subsection shall be applied first against the rates imposed by subsection (b) and only after the tax imposed by subsection (a) net of all credits allowed under this Section other than the credit allowed under subsection (i) has been reduced to zero, against the rates imposed by subsection (d).

This subsection (d-1) is exempt from the provisions of Section 250.

(e) Investment credit. A taxpayer shall be allowed a credit against the Personal Property Tax Replacement Income Tax for investment in qualified property.

(1) A taxpayer shall be allowed a credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1984. There shall be allowed

an additional credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1986, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. The provisions added to this Section by Public Act 85-1200 (and restored by Public Act 87-895) shall be construed as declaratory of existing law and not as a new enactment. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is .5% and the denominator of which is 1%, but shall not exceed .5%. The investment credit shall not be allowed to the extent that it would reduce a taxpayer's liability in any tax year below zero, nor may any credit for qualified property be allowed for any year other than the year in which the property was placed in service in Illinois. For tax years ending on or after December 31, 1987, and on or before December 31, 1988, the credit shall be allowed for the tax year in which the

property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years if the taxpayer (i) makes investments which cause the creation of a minimum of 2,000 full-time equivalent jobs in Illinois, (ii) is located in an enterprise zone established pursuant to the Illinois Enterprise Zone Act and (iii) is certified by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) as complying with the requirements specified in clause (i) and (ii) by July 1, 1986. The Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) shall notify the Department of Revenue of all such certifications immediately. For tax years ending after December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one

tax year that is available to offset a liability, earlier credit shall be applied first.

(2) The term "qualified property" means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings and signs that are real property, but not including land or improvements to real property that are not a structural component of a building such as landscaping, sewer lines, local access roads, fencing, parking lots, and other appurtenances;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (e);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in Illinois by a taxpayer who is primarily engaged in manufacturing, or in mining coal or fluorite, or in retailing, or was placed in service on or after July 1, 2006 in a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act; and

(E) has not previously been used in Illinois in such a manner and by such a person as would qualify for

the credit provided by this subsection (e) or subsection (f).

(3) For purposes of this subsection (e), "manufacturing" means the material staging and production of tangible personal property by procedures commonly regarded as manufacturing, processing, fabrication, or assembling which changes some existing material into new shapes, new qualities, or new combinations. For purposes of this subsection (e) the term "mining" shall have the same meaning as the term "mining" in Section 613(c) of the Internal Revenue Code. For purposes of this subsection (e), the term "retailing" means the sale of tangible personal property for use or consumption and not for resale, or services rendered in conjunction with the sale of tangible personal property for use or consumption and not for resale. For purposes of this subsection (e), "tangible personal property" has the same meaning as when that term is used in the Retailers' Occupation Tax Act, and, for taxable years ending after December 31, 2008, does not include the generation, transmission, or distribution of electricity.

(4) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(5) If the basis of the property for federal income tax depreciation purposes is increased after it has been

placed in service in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(6) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(7) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the Personal Property Tax Replacement Income Tax for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation and, (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (7), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(8) Unless the investment credit is extended by law, the basis of qualified property shall not include costs incurred after December 31, 2018, except for costs incurred pursuant to a binding contract entered into on or

before December 31, 2018.

(9) Each taxable year ending before December 31, 2000, a partnership may elect to pass through to its partners the credits to which the partnership is entitled under this subsection (e) for the taxable year. A partner may use the credit allocated to him or her under this paragraph only against the tax imposed in subsections (c) and (d) of this Section. If the partnership makes that election, those credits shall be allocated among the partners in the partnership in accordance with the rules set forth in Section 704(b) of the Internal Revenue Code, and the rules promulgated under that Section, and the allocated amount of the credits shall be allowed to the partners for that taxable year. The partnership shall make this election on its Personal Property Tax Replacement Income Tax return for that taxable year. The election to pass through the credits shall be irrevocable.

For taxable years ending on or after December 31, 2000, a partner that qualifies its partnership for a subtraction under subparagraph (I) of paragraph (2) of subsection (d) of Section 203 or a shareholder that qualifies a Subchapter S corporation for a subtraction under subparagraph (S) of paragraph (2) of subsection (b) of Section 203 shall be allowed a credit under this subsection (e) equal to its share of the credit earned under this subsection (e) during the taxable year by the

partnership or Subchapter S corporation, determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. This paragraph is exempt from the provisions of Section 250.

(f) Investment credit; Enterprise Zone; River Edge Redevelopment Zone.

(1) A taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service in an Enterprise Zone created pursuant to the Illinois Enterprise Zone Act or, for property placed in service on or after July 1, 2006, a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act. For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, for taxable years ending before December 31, 2023, there shall be allowed a credit under this subsection (f) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. For taxable years ending on or after December 31, 2023, for partners and shareholders of Subchapter S corporations, the provisions of Section 251

shall apply with respect to the credit under this subsection. The credit shall be .5% of the basis for such property. The credit shall be available only in the taxable year in which the property is placed in service in the Enterprise Zone or River Edge Redevelopment Zone and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1985, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection

(f);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer; and

(E) has not been previously used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (f) or subsection (e).

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside the Enterprise Zone or River Edge Redevelopment Zone within 48 months after being placed in service, the tax imposed under

subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) There shall be allowed an additional credit equal to 0.5% of the basis of qualified property placed in service during the taxable year in a River Edge Redevelopment Zone, provided such property is placed in service on or after July 1, 2006, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. If, in any year, the increase in base employment within Illinois over the preceding year is less

than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is 0.5% and the denominator of which is 1%, but shall not exceed 0.5%.

(8) For taxable years beginning on or after January 1, 2021, there shall be allowed an Enterprise Zone construction jobs credit against the taxes imposed under subsections (a) and (b) of this Section as provided in Section 13 of the Illinois Enterprise Zone Act.

The credit or credits may not reduce the taxpayer's liability to less than zero. If the amount of the credit or credits exceeds the taxpayer's liability, the excess may be carried forward and applied against the taxpayer's liability in succeeding calendar years in the same manner provided under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one taxable year that are available to offset a liability, the earlier credit shall be applied first.

For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for the purposes of federal and State income taxation, for taxable years ending before December 31, 2023, there shall be allowed a credit under this Section to be determined in

accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. For taxable years ending on or after December 31, 2023, for partners and shareholders of Subchapter S corporations, the provisions of Section 251 shall apply with respect to the credit under this subsection.

The total aggregate amount of credits awarded under the Blue Collar Jobs Act (Article 20 of Public Act 101-9) shall not exceed $20,000,000 in any State fiscal year.

This paragraph (8) is exempt from the provisions of Section 250.

(g) (Blank).

(h) Investment credit; High Impact Business.

(1) Subject to subsections (b) and (b-5) of Section 5.5 of the Illinois Enterprise Zone Act, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service by a Department of Commerce and Economic Opportunity designated High Impact Business. The credit shall be .5% of the basis for such property. The credit shall not be available (i) until the minimum investments in qualified property set forth in subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act have been satisfied or (ii) until the time authorized in subsection (b-5) of the Illinois

Enterprise Zone Act for entities designated as High Impact Businesses under subdivisions (a)(3)(B), (a)(3)(C), and (a)(3)(D) of Section 5.5 of the Illinois Enterprise Zone Act, and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. The credit applicable to such investments shall be taken in the taxable year in which such investments have been completed. The credit for additional investments beyond the minimum investment by a designated high impact business authorized under subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act shall be available only in the taxable year in which the property is placed in service and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1987, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a

liability, the credit accruing first in time shall be applied first.

Changes made in this subdivision (h)(1) by Public Act 88-670 restore changes made by Public Act 85-1182 and reflect existing law.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (h);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code; and

(D) is not eligible for the Enterprise Zone Investment Credit provided by subsection (f) of this Section.

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in a federally designated Foreign Trade Zone or Sub-Zone located in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in

service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year ending on or before December 31, 1996, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) Beginning with tax years ending after December 31, 1996, if a taxpayer qualifies for the credit under this subsection (h) and thereby is granted a tax abatement and the taxpayer relocates its entire facility in violation of the explicit terms and length of the contract under

Section 18-183 of the Property Tax Code, the tax imposed under subsections (a) and (b) of this Section shall be increased for the taxable year in which the taxpayer relocated its facility by an amount equal to the amount of credit received by the taxpayer under this subsection (h).

(h-5) High Impact Business construction jobs credit. For taxable years beginning on or after January 1, 2021, there shall also be allowed a High Impact Business construction jobs credit against the tax imposed under subsections (a) and (b) of this Section as provided in subsections (i) and (j) of Section 5.5 of the Illinois Enterprise Zone Act.

The credit or credits may not reduce the taxpayer's liability to less than zero. If the amount of the credit or credits exceeds the taxpayer's liability, the excess may be carried forward and applied against the taxpayer's liability in succeeding calendar years in the manner provided under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one taxable year that are available to offset a liability, the earlier credit shall be applied first.

For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, for taxable years ending before December 31, 2023, if the liability company is treated as a partnership for the purposes of federal and State income taxation, there shall be allowed a credit under this

Section to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. For taxable years ending on or after December 31, 2023, for partners and shareholders of Subchapter S corporations, the provisions of Section 251 shall apply with respect to the credit under this subsection.

The total aggregate amount of credits awarded under the Blue Collar Jobs Act (Article 20 of Public Act 101-9) shall not exceed $20,000,000 in any State fiscal year.

This subsection (h-5) is exempt from the provisions of Section 250.

(i) Credit for Personal Property Tax Replacement Income Tax. For tax years ending prior to December 31, 2003, a credit shall be allowed against the tax imposed by subsections (a) and (b) of this Section for the tax imposed by subsections (c) and (d) of this Section. This credit shall be computed by multiplying the tax imposed by subsections (c) and (d) of this Section by a fraction, the numerator of which is base income allocable to Illinois and the denominator of which is Illinois base income, and further multiplying the product by the tax rate imposed by subsections (a) and (b) of this Section.

Any credit earned on or after December 31, 1986 under this subsection which is unused in the year the credit is computed because it exceeds the tax liability imposed by subsections (a) and (b) for that year (whether it exceeds the original

liability or the liability as later amended) may be carried forward and applied to the tax liability imposed by subsections (a) and (b) of the 5 taxable years following the excess credit year, provided that no credit may be carried forward to any year ending on or after December 31, 2003. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first.

If, during any taxable year ending on or after December 31, 1986, the tax imposed by subsections (c) and (d) of this Section for which a taxpayer has claimed a credit under this subsection (i) is reduced, the amount of credit for such tax shall also be reduced. Such reduction shall be determined by recomputing the credit to take into account the reduced tax imposed by subsections (c) and (d). If any portion of the reduced amount of credit has been carried to a different taxable year, an amended return shall be filed for such taxable year to reduce the amount of credit claimed.

(j) Training expense credit. Beginning with tax years ending on or after December 31, 1986 and prior to December 31, 2003, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) under this Section for all amounts paid or accrued, on behalf of all persons employed by the taxpayer in Illinois or Illinois residents employed

outside of Illinois by a taxpayer, for educational or vocational training in semi-technical or technical fields or semi-skilled or skilled fields, which were deducted from gross income in the computation of taxable income. The credit against the tax imposed by subsections (a) and (b) shall be 1.6% of such training expenses. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, for taxable years ending before December 31, 2023, there shall be allowed a credit under this subsection (j) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code. For taxable years ending on or after December 31, 2023, for partners and shareholders of Subchapter S corporations, the provisions of Section 251 shall apply with respect to the credit under this subsection.

Any credit allowed under this subsection which is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first computed until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be

applied first. No carryforward credit may be claimed in any tax year ending on or after December 31, 2003.

(k) Research and development credit. For tax years ending after July 1, 1990 and prior to December 31, 2003, and beginning again for tax years ending on or after December 31, 2004, and ending prior to January 1, 2037 ~~January 1, 2032~~, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for increasing research activities in this State. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 6 1/2% of the qualifying expenditures for increasing research activities in this State. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, for taxable years ending before December 31, 2023, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code. For taxable years ending on or after December 31, 2023, for partners and shareholders of Subchapter S corporations, the provisions of Section 251 shall apply with respect to the credit under this subsection.

For purposes of this subsection, "qualifying expenditures" means the qualifying expenditures as defined for the federal credit for increasing research activities which would be

allowable under Section 41 of the Internal Revenue Code and which are conducted in this State, "qualifying expenditures for increasing research activities in this State" means the excess of qualifying expenditures for the taxable year in which incurred over qualifying expenditures for the base period, "qualifying expenditures for the base period" means the average of the qualifying expenditures for each year in the base period, and "base period" means the 3 taxable years immediately preceding the taxable year for which the determination is being made.

Any credit in excess of the tax liability for the taxable year may be carried forward. A taxpayer may elect to have the unused credit shown on its final completed return carried over as a credit against the tax liability for the following 5 taxable years or until it has been fully used, whichever occurs first; provided that no credit earned in a tax year ending prior to December 31, 2003 may be carried forward to any year ending on or after December 31, 2003.

If an unused credit is carried forward to a given year from 2 or more earlier years, that credit arising in the earliest year will be applied first against the tax liability for the given year. If a tax liability for the given year still remains, the credit from the next earliest year will then be applied, and so on, until all credits have been used or no tax liability for the given year remains. Any remaining unused credit or credits then will be carried forward to the next

following year in which a tax liability is incurred, except that no credit can be carried forward to a year which is more than 5 years after the year in which the expense for which the credit is given was incurred.

No inference shall be drawn from Public Act 91-644 in construing this Section for taxable years beginning before January 1, 1999.

It is the intent of the General Assembly that the research and development credit under this subsection (k) shall apply continuously for all tax years ending on or after December 31, 2004 and ending prior to January 1, 2037 ~~January 1, 2032~~, including, but not limited to, the period beginning on January 1, 2016 and ending on July 6, 2017 (the effective date of Public Act 100-22). All actions taken in reliance on the continuation of the credit under this subsection (k) by any taxpayer are hereby validated.

(l) Environmental Remediation Tax Credit.

(i) For tax years ending after December 31, 1997 and on or before December 31, 2001, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14 of the Environmental

Protection Act that were paid in performing environmental remediation at a site for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. After the Pollution Control Board rules are adopted pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act, determinations as to credit availability for purposes of this Section shall be made consistent with those rules. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed

eligible remediation costs in excess of $100,000 per site, except that the $100,000 threshold shall not apply to any site contained in an enterprise zone as determined by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity). The total credit allowed shall not exceed $40,000 per year with a maximum total of $150,000 per site. For partners and shareholders of subchapter S corporations, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. The term "unused credit" does not include any amounts of unreimbursed eligible remediation costs in excess of the maximum credit per site authorized under paragraph (i). This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation

site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

(m) Education expense credit. Beginning with tax years ending after December 31, 1999, a taxpayer who is the custodian of one or more qualifying pupils shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for qualified education expenses incurred on behalf of the qualifying pupils. The credit shall be equal to 25% of qualified education expenses, but in no event may the total credit under this subsection claimed by a family that is the custodian of qualifying pupils exceed (i) $500 for tax years ending prior to December 31, 2017, and (ii) $750 for tax years ending on or after December 31, 2017. In no event shall a

credit under this subsection reduce the taxpayer's liability under this Act to less than zero. Notwithstanding any other provision of law, for taxable years beginning on or after January 1, 2017, no taxpayer may claim a credit under this subsection (m) if the taxpayer's adjusted gross income for the taxable year exceeds (i) $500,000, in the case of spouses filing a joint federal tax return or (ii) $250,000, in the case of all other taxpayers. This subsection is exempt from the provisions of Section 250 of this Act.

For purposes of this subsection:

"Qualifying pupils" means individuals who (i) are residents of the State of Illinois, (ii) are under the age of 21 at the close of the school year for which a credit is sought, and (iii) during the school year for which a credit is sought were full-time pupils enrolled in a kindergarten through twelfth grade education program at any school, as defined in this subsection.

"Qualified education expense" means the amount incurred on behalf of a qualifying pupil in excess of $250 for tuition, book fees, and lab fees at the school in which the pupil is enrolled during the regular school year.

"School" means any public or nonpublic elementary or secondary school in Illinois that is in compliance with Title VI of the Civil Rights Act of 1964 and attendance at which satisfies the requirements of Section 26-1 of the School Code, except that nothing shall be construed to require a child to

attend any particular public or nonpublic school to qualify for the credit under this Section.

"Custodian" means, with respect to qualifying pupils, an Illinois resident who is a parent, the parents, a legal guardian, or the legal guardians of the qualifying pupils.

(n) River Edge Redevelopment Zone site remediation tax credit.

(i) For tax years ending on or after December 31, 2006, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14a of the Environmental Protection Act that were paid in performing environmental remediation at a site within a River Edge Redevelopment Zone for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the

remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. Determinations as to credit availability for purposes of this Section shall be made consistent with rules adopted by the Pollution Control Board pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of $100,000 per site.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed

under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

(o) For each of the taxable years during the Compassionate Use of Medical Cannabis Program, a surcharge is imposed on all taxpayers on income arising from the sale or exchange of capital assets, depreciable business property, real property used in the trade or business, and Section 197 intangibles of an organization registrant under the Compassionate Use of Medical Cannabis Program Act. The amount of the surcharge is equal to the amount of federal income tax liability for the taxable year attributable to those sales and exchanges. The surcharge imposed does not apply if:

(1) the medical cannabis cultivation center registration, medical cannabis dispensary registration, or the property of a registration is transferred as a result of any of the following:

(A) bankruptcy, a receivership, or a debt adjustment initiated by or against the initial registration or the substantial owners of the initial registration;

(B) cancellation, revocation, or termination of any registration by the Illinois Department of Public Health;

(C) a determination by the Illinois Department of Public Health that transfer of the registration is in the best interests of Illinois qualifying patients as defined by the Compassionate Use of Medical Cannabis Program Act;

(D) the death of an owner of the equity interest in a registrant;

(E) the acquisition of a controlling interest in the stock or substantially all of the assets of a publicly traded company;

(F) a transfer by a parent company to a wholly owned subsidiary; or

(G) the transfer or sale to or by one person to another person where both persons were initial owners of the registration when the registration was issued;

or

(2) the cannabis cultivation center registration, medical cannabis dispensary registration, or the controlling interest in a registrant's property is transferred in a transaction to lineal descendants in which no gain or loss is recognized or as a result of a transaction in accordance with Section 351 of the Internal Revenue Code in which no gain or loss is recognized.

(p) Pass-through entity tax.

(1) For taxable years ending on or after December 31, 2021, a partnership (other than a publicly traded partnership under Section 7704 of the Internal Revenue Code) or Subchapter S corporation may elect to apply the provisions of this subsection. A separate election shall be made for each taxable year. Such election shall be made at such time, and in such form and manner as prescribed by the Department, and, once made, is irrevocable.

(2) Entity-level tax. A partnership or Subchapter S corporation electing to apply the provisions of this subsection shall be subject to a tax for the privilege of earning or receiving income in this State in an amount equal to 4.95% of the taxpayer's net income for the taxable year.

(3) Net income defined.

(A) In general. For purposes of paragraph (2), the term net income has the same meaning as defined in

Section 202 of this Act, except that, for tax years ending on or after December 31, 2023, a deduction shall be allowed in computing base income for distributions to a retired partner to the extent that the partner's distributions are exempt from tax under Section 203(a)(2)(F) of this Act. In addition, the following modifications shall not apply:

(i) the standard exemption allowed under Section 204;

(ii) the deduction for net losses allowed under Section 207;

(iii) in the case of an S corporation, the modification under Section 203(b)(2)(S); and

(iv) in the case of a partnership, the modifications under Section 203(d)(2)(H) and Section 203(d)(2)(I).

(B) Special rule for tiered partnerships. If a taxpayer making the election under paragraph (1) is a partner of another taxpayer making the election under paragraph (1), net income shall be computed as provided in subparagraph (A), except that the taxpayer shall subtract its distributive share of the net income of the electing partnership (including its distributive share of the net income of the electing partnership derived as a distributive share from electing partnerships in which it is a partner).

(4) Credit for entity level tax. Each partner or shareholder of a taxpayer making the election under this Section shall be allowed a credit against the tax imposed under subsections (a) and (b) of Section 201 of this Act for the taxable year of the partnership or Subchapter S corporation for which an election is in effect ending within or with the taxable year of the partner or shareholder in an amount equal to 4.95% times the partner or shareholder's distributive share of the net income of the electing partnership or Subchapter S corporation, but not to exceed the partner's or shareholder's share of the tax imposed under paragraph (1) which is actually paid by the partnership or Subchapter S corporation. If the taxpayer is a partnership or Subchapter S corporation that is itself a partner of a partnership making the election under paragraph (1), the credit under this paragraph shall be allowed to the taxpayer's partners or shareholders (or if the partner is a partnership or Subchapter S corporation then its partners or shareholders) in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. If the amount of the credit allowed under this paragraph exceeds the partner's or shareholder's liability for tax imposed under subsections (a) and (b) of Section 201 of this Act for the taxable year, such excess shall be treated as an

overpayment for purposes of Section 909 of this Act.

(5) Nonresidents. A nonresident individual who is a partner or shareholder of a partnership or Subchapter S corporation for a taxable year for which an election is in effect under paragraph (1) shall not be required to file an income tax return under this Act for such taxable year if the only source of net income of the individual (or the individual and the individual's spouse in the case of a joint return) is from an entity making the election under paragraph (1) and the credit allowed to the partner or shareholder under paragraph (4) equals or exceeds the individual's liability for the tax imposed under subsections (a) and (b) of Section 201 of this Act for the taxable year.

(6) Liability for tax. Except as provided in this paragraph, a partnership or Subchapter S making the election under paragraph (1) is liable for the entity-level tax imposed under paragraph (2). If the electing partnership or corporation fails to pay the full amount of tax deemed assessed under paragraph (2), the partners or shareholders shall be liable to pay the tax assessed (including penalties and interest). Each partner or shareholder shall be liable for the unpaid assessment based on the ratio of the partner's or shareholder's share of the net income of the partnership over the total net income of the partnership. If the partnership or

Subchapter S corporation fails to pay the tax assessed (including penalties and interest) and thereafter an amount of such tax is paid by the partners or shareholders, such amount shall not be collected from the partnership or corporation.

(7) Foreign tax. For purposes of the credit allowed under Section 601(b)(3) of this Act, tax paid by a partnership or Subchapter S corporation to another state which, as determined by the Department, is substantially similar to the tax imposed under this subsection, shall be considered tax paid by the partner or shareholder to the extent that the partner's or shareholder's share of the income of the partnership or Subchapter S corporation allocated and apportioned to such other state bears to the total income of the partnership or Subchapter S corporation allocated or apportioned to such other state.

(8) Suspension of withholding. The provisions of Section 709.5 of this Act shall not apply to a partnership or Subchapter S corporation for the taxable year for which an election under paragraph (1) is in effect.

(9) Requirement to pay estimated tax. For each taxable year for which an election under paragraph (1) is in effect, a partnership or Subchapter S corporation is required to pay estimated tax for such taxable year under Sections 803 and 804 of this Act if the amount payable as estimated tax can reasonably be expected to exceed $500.

(10) The provisions of this subsection shall apply only with respect to taxable years for which the limitation on individual deductions applies under Section 164(b)(6) of the Internal Revenue Code.

applicant and any other related member own, in the aggregate, directly, indirectly, beneficially, or constructively, at least 50% of the value of the outstanding stock of the qualified new business venture that is the recipient of the applicant's investment.

(4) A corporation and any party related to that corporation in a manner that would require an attribution of stock from the corporation to the party or from the party to the corporation under the attribution rules of Section 318 of the Internal Revenue Code, if the corporation and all such related parties own, in the aggregate, at least 50% of the profits, capital, stock, or other ownership interest in the qualified new business venture that is the recipient of the applicant's investment.

(5) A person to or from whom there is attribution of ownership of stock in the qualified new business venture that is the recipient of the applicant's investment in accordance with Section 1563(e) of the Internal Revenue Code, except that for purposes of determining whether a person is a related member under this paragraph, "20%" shall be substituted for "5%" whenever "5%" appears in Section 1563(e) of the Internal Revenue Code.

(b) For taxable years beginning after December 31, 2010, and ending on or before December 31, 2032 ~~December 31, 2026~~, subject to the limitations provided in this Section, a

claimant may claim, as a credit against the tax imposed under subsections (a) and (b) of Section 201 of this Act, an amount equal to 25% of the claimant's investment made directly in a qualified new business venture. However, the amount of the credit is 35% of the claimant's investment made directly in the qualified new business venture if the investment is made in: (1) a qualified new business venture that is a minority-owned business, a women-owned business, or a business owned by a person with a disability (as those terms are used and defined in the Business Enterprise for Minorities, Women, and Persons with Disabilities Act); or (2) a qualified new business venture in which the principal place of business is located in a county with a population of not more than 250,000. In order for an investment in a qualified new business venture to be eligible for tax credits, the business must have applied for and received certification under subsection (e) for the taxable year in which the investment was made prior to the date on which the investment was made. The credit under this Section may not exceed the taxpayer's Illinois income tax liability for the taxable year. If the amount of the credit exceeds the tax liability for the year, the excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one tax year that are available to offset a liability, the earlier credit

shall be applied first. In the case of a partnership or Subchapter S Corporation, the credit is allowed to the partners or shareholders in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code.

(c) The minimum amount an applicant must invest in any single qualified new business venture in order to be eligible for a credit under this Section is $10,000. The maximum amount of an applicant's total investment made in any single qualified new business venture that may be used as the basis for a credit under this Section is $2,000,000.

(d) The Department shall implement a program to certify an applicant for an angel investment credit. Upon satisfactory review, the Department shall issue a tax credit certificate stating the amount of the tax credit to which the applicant is entitled. The Department shall annually certify that: (i) each qualified new business venture that receives an angel investment under this Section has maintained a minimum employment threshold, as defined by rule, in the State (and continues to maintain a minimum employment threshold in the State for a period of no less than 3 years from the issue date of the last tax credit certificate issued by the Department with respect to such business pursuant to this Section); and (ii) the claimant's investment has been made and remains, except in the event of a qualifying liquidity event, in the qualified new business venture for no less than 3 years.

If an investment for which a claimant is allowed a credit under subsection (b) is held by the claimant for less than 3 years, other than as a result of a permitted sale of the investment to person who is not a related member, the claimant shall pay to the Department of Revenue, in the manner prescribed by the Department of Revenue, the aggregate amount of the disqualified credits that the claimant received related to the subject investment.

If the Department determines that a qualified new business venture failed to maintain a minimum employment threshold in the State through the date which is 3 years from the issue date of the last tax credit certificate issued by the Department with respect to the subject business pursuant to this Section, except for any 3-year reporting period that includes March 13, 2020 to January 1, 2024, the claimant or claimants shall pay to the Department of Revenue, in the manner prescribed by the Department of Revenue, the aggregate amount of the disqualified credits that claimant or claimants received related to investments in that business. For tax credits under this Section involving a 3-year reporting period that includes March 13, 2020 to January 1, 2024, the repayment of any tax credits issued shall be determined at the discretion of the Department.

(e) The Department shall implement a program to register qualified new business ventures for purposes of this Section. A business desiring registration under this Section shall be

required to submit a full and complete application to the Department. A submitted application shall be effective only for the taxable year in which it is submitted, and a business desiring registration under this Section shall be required to submit a separate application in and for each taxable year for which the business desires registration. Further, if at any time prior to the acceptance of an application for registration under this Section by the Department one or more events occurs which makes the information provided in that application materially false or incomplete (in whole or in part), the business shall promptly notify the Department of the same. Any failure of a business to promptly provide the foregoing information to the Department may, at the discretion of the Department, result in a revocation of a previously approved application for that business, or disqualification of the business from future registration under this Section, or both. The Department may register the business only if all of the following conditions are satisfied:

(1) it has its principal place of business in this State;

(2) at least 51% of the employees employed by the business are employed in this State;

(3) the business has the potential for increasing jobs in this State, increasing capital investment in this State, or both, as determined by the Department, and either of the following apply:

(A) it is principally engaged in innovation in any of the following: manufacturing; biotechnology; nanotechnology; communications; agricultural sciences; clean energy creation or storage technology; processing or assembling products, including medical devices, pharmaceuticals, computer software, computer hardware, semiconductors, other innovative technology products, or other products that are produced using manufacturing methods that are enabled by applying proprietary technology; or providing services that are enabled by applying proprietary technology; or

(B) it is undertaking pre-commercialization activity related to proprietary technology that includes conducting research, developing a new product or business process, or developing a service that is principally reliant on applying proprietary technology;

(4) it is not principally engaged in real estate development, insurance, banking, lending, lobbying, political consulting, professional services provided by attorneys, accountants, business consultants, physicians, or health care consultants, wholesale or retail trade, leisure, hospitality, transportation, or construction, except construction of power production plants that derive energy from a renewable energy resource, as defined in Section 1 of the Illinois Power Agency Act;

(5) at the time it is first certified:

(A) it has fewer than 100 employees;

(B) it has been in operation in Illinois for not more than 10 consecutive years prior to the year of certification; and

(C) it has received not more than $10,000,000 in aggregate investments;

(5.1) it agrees to maintain a minimum employment threshold in the State of Illinois prior to the date which is 3 years from the issue date of the last tax credit certificate issued by the Department with respect to that business pursuant to this Section;

(6) (blank); and

(7) it has received not more than $4,000,000 in investments that qualified for tax credits under this Section.

(f) The Department, in consultation with the Department of Revenue, shall adopt rules to administer this Section. For taxable years beginning before January 1, 2024, the aggregate amount of the tax credits that may be claimed under this Section for investments made in qualified new business ventures shall be limited to $10,000,000 per calendar year, of which $500,000 shall be reserved for investments made in qualified new business ventures which are minority-owned businesses, women-owned businesses, or businesses owned by a person with a disability (as those terms are used and defined

in the Business Enterprise for Minorities, Women, and Persons with Disabilities Act), and an additional $500,000 shall be reserved for investments made in qualified new business ventures with their principal place of business in counties with a population of not more than 250,000. For taxable years beginning on or after January 1, 2024, the aggregate amount of the tax credits that may be claimed under this Section for investments made in qualified new business ventures shall be limited to $15,000,000 per calendar year, of which $2,500,000 shall be reserved for investments made in qualified new business ventures that are minority-owned businesses (as the term is defined in the Business Enterprise for Minorities, Women, and Persons with Disabilities Act), $1,250,000 shall be reserved for investments made in qualified new business ventures that are women-owned businesses or businesses owned by a person with a disability (as those terms are defined in the Business Enterprise for Minorities, Women, and Persons with Disabilities Act), and $1,250,000 shall be reserved for investments made in qualified new business ventures with their principal place of business in a county with a population of not more than 250,000. The annual allowable amounts set forth in this Section shall be allocated by the Department, on a per calendar quarter basis and prior to the commencement of each calendar year, in such proportion as determined by the Department, provided that: (i) the amount initially allocated by the Department for any one calendar quarter shall not

exceed 35% of the total allowable amount; (ii) any portion of the allocated allowable amount remaining unused as of the end of any of the first 3 calendar quarters of a given calendar year shall be rolled into, and added to, the total allocated amount for the next available calendar quarter; and (iii) the reservation of tax credits for investments in minority-owned businesses, women-owned businesses, businesses owned by a person with a disability, and in businesses in counties with a population of not more than 250,000 is limited to the first 3 calendar quarters of a given calendar year, after which they may be claimed by investors in any qualified new business venture.

(g) A claimant may not sell or otherwise transfer a credit awarded under this Section to another person.

(h) On or before March 1 of each year, the Department shall report to the Governor and to the General Assembly on the tax credit certificates awarded under this Section for the prior calendar year.

(1) This report must include, for each tax credit certificate awarded:

(A) the name of the claimant and the amount of credit awarded or allocated to that claimant;

(B) the name and address (including the county) of the qualified new business venture that received the investment giving rise to the credit, the North American Industry Classification System (NAICS) code

applicable to that qualified new business venture, and the number of employees of the qualified new business venture; and

(C) the total amount of tax credit certificates sought by applicants, the amount of each tax credit certificate issued to a claimant, the aggregate amount of all tax credit certificates issued in the prior calendar year and the aggregate amount of tax credit certificates issued as authorized under this Section for all calendar years.

(i) For each business seeking registration under this Section after December 31, 2016, the Department shall require the business to include in its application the North American

Industry Classification System (NAICS) code applicable to the business and the number of employees of the business at the time of application. Each business registered by the Department as a qualified new business venture that receives an investment giving rise to the issuance of a tax credit certificate pursuant to this Section shall, for each of the 3 years following the issue date of the last tax credit certificate issued by the Department with respect to such business pursuant to this Section, report to the Department the following:

Sec. 221. Rehabilitation costs; qualified historic properties; River Edge Redevelopment Zone.

(a) For taxable years that begin on or after January 1, 2012 and begin prior to January 1, 2018, there shall be allowed a tax credit against the tax imposed by subsections (a) and (b) of Section 201 of this Act in an amount equal to 25% of qualified expenditures incurred by a qualified taxpayer during the taxable year in the restoration and preservation of a qualified historic structure located in a River Edge Redevelopment Zone pursuant to a qualified rehabilitation plan, provided that the total amount of such expenditures (i) must equal $5,000 or more and (ii) must exceed 50% of the purchase price of the property.

(a-1) For taxable years that begin on or after January 1, 2018 and end prior to January 1, 2034 ~~January 1, 2029~~, there shall be allowed a tax credit against the tax imposed by subsections (a) and (b) of Section 201 of this Act in an aggregate amount equal to 25% of qualified expenditures incurred by a qualified taxpayer in the restoration and preservation of a qualified historic structure located in a River Edge Redevelopment Zone pursuant to a qualified rehabilitation plan, provided that the total amount of such expenditures must (i) equal $5,000 or more and (ii) exceed the adjusted basis of the qualified historic structure on the first day the qualified rehabilitation plan begins. For any rehabilitation project, regardless of duration or number of

phases, the project's compliance with the foregoing provisions (i) and (ii) shall be determined based on the aggregate amount of qualified expenditures for the entire project and may include expenditures incurred under subsection (a), this subsection, or both subsection (a) and this subsection. If the qualified rehabilitation plan spans multiple years, the aggregate credit for the entire project shall be allowed in the last taxable year, except for phased rehabilitation projects, which may receive credits upon completion of each phase. Before obtaining the first phased credit: (A) the total amount of such expenditures must meet the requirements of provisions (i) and (ii) of this subsection; (B) the rehabilitated portion of the qualified historic structure must be placed in service; and (C) the requirements of subsection (b) must be met.

(a-2) For taxable years beginning on or after January 1, 2021 and ending prior to January 1, 2029, there shall be allowed a tax credit against the tax imposed by subsections (a) and (b) of Section 201 as provided in Section 10-10.3 of the River Edge Redevelopment Zone Act. The credit allowed under this subsection (a-2) shall apply only to taxpayers that make a capital investment of at least $1,000,000 in a qualified rehabilitation plan.

The credit or credits may not reduce the taxpayer's liability to less than zero. If the amount of the credit or credits exceeds the taxpayer's liability, the excess may be

carried forward and applied against the taxpayer's liability in succeeding calendar years in the manner provided under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one taxable year that are available to offset a liability, the earlier credit shall be applied first.

For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for the purposes of federal and State income taxation, there shall be allowed a credit under this Section to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code.

The total aggregate amount of credits awarded under the Blue Collar Jobs Act (Article 20 of this amendatory Act of the 101st General Assembly) shall not exceed $20,000,000 in any State fiscal year.

(b) To obtain a tax credit pursuant to this Section, the taxpayer must apply with the Department of Natural Resources. The Department of Natural Resources shall determine the amount of eligible rehabilitation costs and expenses in addition to the amount of the River Edge construction jobs credit within 45 days of receipt of a complete application. The taxpayer must submit a certification of costs prepared by an

independent certified public accountant that certifies (i) the project expenses, (ii) whether those expenses are qualified expenditures, and (iii) that the qualified expenditures exceed the adjusted basis of the qualified historic structure on the first day the qualified rehabilitation plan commenced. The Department of Natural Resources is authorized, but not required, to accept this certification of costs to determine the amount of qualified expenditures and the amount of the credit. The Department of Natural Resources shall provide guidance as to the minimum standards to be followed in the preparation of such certification. The Department of Natural Resources and the National Park Service shall determine whether the rehabilitation is consistent with the United States Secretary of the Interior's Standards for Rehabilitation.

(b-1) Upon completion of the project and approval of the complete application, the Department of Natural Resources shall issue a single certificate in the amount of the eligible credits equal to 25% of qualified expenditures incurred during the eligible taxable years, as defined in subsections (a) and (a-1), excepting any credits awarded under subsection (a) prior to January 1, 2019 (the effective date of Public Act 100-629) and any phased credits issued prior to the eligible taxable year under subsection (a-1). At the time the certificate is issued, an issuance fee up to the maximum amount of 2% of the amount of the credits issued by the

certificate may be collected from the applicant to administer the provisions of this Section. If collected, this issuance fee shall be deposited into the Historic Property Administrative Fund, a special fund created in the State treasury. Subject to appropriation, moneys in the Historic Property Administrative Fund shall be provided to the Department of Natural Resources as reimbursement for the costs associated with administering this Section.

(c) The taxpayer must attach the certificate to the tax return on which the credits are to be claimed. The tax credit under this Section may not reduce the taxpayer's liability to less than zero. If the amount of the credit exceeds the tax liability for the year, the excess credit may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year.

(c-1) Subject to appropriation, moneys in the Historic Property Administrative Fund shall be used, on a biennial basis beginning at the end of the second fiscal year after January 1, 2019 (the effective date of Public Act 100-629), to hire a qualified third party to prepare a biennial report to assess the overall economic impact to the State from the qualified rehabilitation projects under this Section completed in that year and in previous years. The overall economic impact shall include at least: (1) the direct and indirect or induced economic impacts of completed projects; (2) temporary, permanent, and construction jobs created; (3) sales, income,

and property tax generation before, during construction, and after completion; and (4) indirect neighborhood impact after completion. The report shall be submitted to the Governor and the General Assembly. The report to the General Assembly shall be filed with the Clerk of the House of Representatives and the Secretary of the Senate in electronic form only, in the manner that the Clerk and the Secretary shall direct.

(c-2) The Department of Natural Resources may adopt rules to implement this Section in addition to the rules expressly authorized in this Section.

Partners, shareholders of subchapter S corporations, and owners of limited liability companies (if the limited liability company is treated as a partnership for purposes of federal and State income taxation) are entitled to a credit under this Section to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 703 and subchapter S of the Internal Revenue Code, provided that credits granted to a partnership, a limited liability company taxed as a partnership, or other multiple owners of property shall be passed through to the partners, members, or owners respectively on a pro rata basis or pursuant to an executed agreement among the partners, members, or owners documenting any alternate distribution method.
